Upon motion of Regent Lee, seconded by Regent Flores, with all Regents voting aye, it was ordered that the Twenty-Ninth Supplemental Resolution to the Master Resolution Authorizing the Issuance, Sale, and Delivery of Board of Regents, Texas State University System Revenue Financing System Revenue Bonds, in One or More Series; and Approving and Authorizing Instruments and Procedures Relating Thereto” are adopted.

Informational Item – TSUS: Status of Implementation of Audit and Compliance Recommendations

The Status of Implementation of Audit and Compliance Recommendations were presented as an informational item only. No action was taken.

Regent Lee noted that the following items are found on the Consent Agenda:

- TSUS: Quasi Endowment Reports
- SHSU: Authorization for Amendment Number Twenty-Two to Food Service Contract
- SRSU: Information Technology Services Contract with Campus Works, Inc.
- TXST: Approval of the Revised By-Laws of the Texas State University Research Foundation
- LIT, LSCO, LSCPA: Ellucian SaaS Order Form Contract Ratification

These items were voted on and passed under the approval of the Consent Agenda. These items can be found immediately following the meeting minutes.

VIII. PLANNING AND CONSTRUCTION

Regent Bill Scott, Chair of the Planning and Construction Committee, presented the following agenda items:

2024-38 SHSU: Design Development Documents for the Health Professions Building

Upon motion of Regent Scott, seconded by Regent Amato, with all Regents voting aye, it was ordered that the design development documents for the Health Professions Building project at Sam Houston State University be approved.

Regent Bill Scott introduced Ms. Gail Ferry Katalenas of Freese and Nichols to present the Sul Ross State University Master Plan – Eagle Pass Campus.

2024-39 SRSU: Sul Ross State University Master Plan – Eagle Pass Campus

Upon motion of Regent Scott, seconded by Regent Gordy, with all Regents voting aye, it was ordered that the 2024 Sul Ross State University Master Plan - Eagle Pass Campus be approved.

2024-40 TXST: Design Development Documents for STEM Classroom Building

Upon motion of Regent Scott, seconded by Regent Lee, with all Regents voting aye, it was ordered that the design development documents for the STEM Classroom Building project at Texas State be approved.

Informational Item – TSUS: 2023 Campus Condition Report

The 2023 Campus Condition Report was presented as an informational item only. No action was taken.

Informational Item – TSUS: Planning and Construction Report

The Planning and Construction Report was presented as an informational item only. No action was taken.

Regent Scott noted that the following item is found on the Consent Agenda:

- TSUS: Addition to 2024-2029 Capital Improvements Program

This item was voted on and passed under the approval of the Consent Agenda. This item can be found immediately following the meeting minutes.

IX. RULES AND REGULATIONS

Regent Don Flores, Chair of the Rules and Regulations Committee, noted that the following item is found on the Consent Agenda:

- TSUS: Approval of Rules and Regulations.

This item was voted on and passed under the approval of the Consent Agenda. This item can be found immediately following the meeting minutes.

X. GOVERNMENTAL RELATIONS

Chairman Tinsley called on Regent Amato, who asked Vice Chancellor Sean Cunningham to make a brief report. Vice Chancellor Cunningham presented a legislative update concerning state and federal issues that have the potential to impact the Texas State University System.

XI. CONTRACTS

Chairman Tinsley noted that all contracts are on the Consent Agenda.

LU: Authorization for Contract with Under Armour, Inc.

The contract commencing on July 1, 2024, between Lamar University and Under Armour, Inc., for a sum not to exceed \$5,000,000, be approved.

LU: Contract with Layer 3 MGT for Residential Network Equipment and Cloud Services

The Contract commencing April 1, 2024, for a term not to exceed five (5) years, including extensions, between Lamar University and Layer 3 MGT for the purchase of network equipment and cloud services for an amount not to exceed \$3,114,675.53, including any optional renewals, be approved.

LU, LSCO, LSCPA, LIT: Sixth Amendment to Contract with Barnes & Noble College Booksellers, LLC

The Sixth Amendment to the Contract between Lamar University, Lamar State College Port Arthur, Lamar State College Orange, Lamar Institute of Technology and Barnes & Noble College Booksellers, LLC, commencing on May 1, 2024, be approved.

SHSU: Authorization for Agreement with SimpsonScarborough for University Website Design

Sam Houston State University be authorized to execute an agreement, renewals, and/or successive amendments with SimpsonScarborough for the design and implementation of a new University website for a total dollar amount not to exceed three million dollars (\$3,000,000) over the life of the contract.

SHSU: Authorization for Renewal of Network Security Licensing and Services Agreement with Netsync Network Solutions, Inc.

Sam Houston State University be authorized to execute agreements, renewals, and successive amendments with Netsync Network Solutions, Inc. for a term not to exceed four (4) years and a total dollar value not to exceed three million two hundred thousand dollars (\$3,200,000).

Agenda item **TXST: Shuttle Service Operations and Maintenance** was withdrawn from the agenda.

All contract items were passed under the Consent Agenda and can be found following the meeting minutes.

XII. PERSONNEL

Chairman Tinsley noted that the following item is found on the Consent Agenda:

- TSUS: Faculty Personnel

This item was voted on and passed under the approval of the Consent Agenda. This item can be found immediately following the meeting minutes.

XIII. MISCELLANEOUS

2024-41 SHSU: Naming of the President's House

Upon motion of Chairman Tinsley, seconded by Regent Gordy, with all Regents voting aye, it was ordered that Sam Houston State University is authorized to name the new President's Home the "Smith-Lenamon House."

Chairman Tinsley noted that the remaining items under the miscellaneous section will be heard on Friday, February 23, 2024.

Chairman Tinsley noted that the following item is found on the Consent Agenda:

- TSUS: Gift Report

This item was voted on and passed under the approval of the Consent Agenda. This item can be found immediately following the meeting minutes.

XIV. RECESS TO EXECUTIVE SESSION

Chairman Tinsley recessed the Board to Executive Session at 1:24 p.m. CST in accordance with *Chapter 551* of the Texas *Government Code* to discuss legal, real estate and personnel issues.

XV. RECONVENE IN OPEN SESSION

The Board reconvened in open session at 4:18 p.m. CST on Thursday February 22, 2024.

XVI. RECESS OPEN SESSION

At 4:19 p.m. CST, Chairman Tinsley recessed the meeting until the following morning.

XVII. RECONVENE

The Quarterly Board of Regents meeting of the Texas State University System was reconvened on Friday, February 23, 2024 at 10:00 a.m. CST by Chairman of the Board Alan Tinsley. The meeting was held at the Sam Houston State University Lowman Student Center, 1802 Avenue I, Huntsville, TX. Chairman Tinsley noted Regent Duke Austin is absent. A quorum was present.

XVIII. TSUS BOARD SELF ASSESSMENT

Chairman Tinsley noted that the Board conducted a self-assessment survey in February and the results were overwhelmingly positive and provided evidence of a high-functioning board.

XIX. CHANCELLOR COMMENTS

Chancellor Brian McCall acknowledged Student Regent Kelvin Elgar’s upcoming graduation from Lamar University and presented him with a Student Regent stole.

XX. STUDENT ADVISORY BOARD (SAB) REPORT

Chairman Tinsley asked each president to introduce his or her respective students to the Board. Veronica Calderon, Chair of TSUS SAB provided a video on Student Life at the TSUS campuses.

XXI. CAMPUS UPDATES

Chairman Tinsley called on President Alisa White to present a campus update for Sam Houston State University.

XXII. MISCELLANEOUS (CONTINUED)

2024-42 TSUS: Conferring of Regents’ Teacher Award (Andrea Foster, Ph.D.)

Upon motion of Regent Amato, seconded by Regent Flores, with all Regents voting aye, and upon the recommendation of the Board of Directors of the Texas State University System Foundation and nomination by the university president, it was ordered that:

1. The Regents’ Teacher Award be conferred, in perpetuity, upon Andrea Foster, Ph.D.
2. The Regents’ Teacher medallion be presented to her; that she have the right to wear such medallion at appropriate events; and that she be recognized as having received this award; and,
3. The attached resolution be adopted; presented to her; and forever recorded and preserved in the minutes of this Board of Regents.

Resolution honoring Andrea Foster, Ph.D.

Whereas, the Board of Regents of the Texas State University System has determined that it would advance the cause of higher education in the State of Texas and contribute to the public good of the state to create the Office of Regents’ Teacher; and,

Whereas, the purpose of the Office is to recognize outstanding faculty members who have demonstrated through the performance of their duties exceptional dedication, skill, and knowledge of the curriculum; and,

Whereas, the Office of Regents' Teacher is a lifetime designation bestowed by the Board of Regents upon full-time faculty members who have been acknowledged by their peers and students as exceptional, and recommended by the Texas State University System Foundation Board of Directors, the Chancellor, and the Institution President; and,

Whereas, Andrea Foster, Professor of Education in the School of Teaching and Learning, earned a Bachelor of Science, Master of Education, and Ph.D. in Curriculum and Instruction with specializations in Science Education and Art from Texas A&M University; served as a Texas public-school teacher for nearly 20 years; and spent five years as an assistant professor at the University of Houston before joining the Sam Houston State University faculty in 2005; and,

Whereas, Dr. Foster is recognized as an exemplar of excellence and innovation, earning numerous awards including the Texas Medical Association Award for Excellence in Science Teaching, the National Science Foundation's Presidential Award for Excellence in Secondary Science Teaching, SHSU's Excellence in Teaching Award, and Texas A&M University's Outstanding Alumni Award; and,

Whereas, Dr. Foster is the College of Education's lead for 'Deans for Impact', a nationally competitive program that incorporates cognitive science techniques into teacher preparation practices; is highly engaged in the College of Education's year-long residency program; and is lauded by her students for her instructional talents, receiving top evaluation scores; and,

Whereas, Dr. Foster, by her dedication and commitment to excellence in the performance of her duties, has brought great honor to Sam Houston State University, the Texas State University System, and the great State of Texas;

Now, Therefore Be It Resolved on this 23rd day of February 2024, that Andrea Foster, Ph.D., be designated a Regents' Teacher and forever hold said title, including all honors, rights, and privileges pertaining thereto.

2024-43 TSUS: Conferring of Regents' Teacher Award (Mary Petron, Ph.D.)

Upon motion of Regent Amato, seconded by Regent Flores, with all Regents voting aye, and upon the recommendation of the Board of Directors of the Texas State University System Foundation and nomination by the university president, it was ordered that:

1. The Regents' Teacher Award be conferred, in perpetuity, upon Mary Petron, Ph.D.
2. The Regents' Teacher medallion be presented to her; that she have the right to wear such medallion at appropriate events; and that she be recognized as having received this award; and,
3. The attached resolution be adopted; presented to her; and forever recorded and preserved in the minutes of this Board of Regents.

Resolution Honoring Mary Petron, Ph.D.

Whereas, the Board of Regents of the Texas State University System has determined that it would advance the cause of higher education in the State of Texas and contribute to the public good of the state to create the Office of Regents' Teacher; and,

Whereas, the purpose of the Office is to recognize outstanding faculty members who have demonstrated through the performance of their duties exceptional dedication, skill, and knowledge of the curriculum; and,

Whereas, the Office of Regents' Teacher is a lifetime designation bestowed by the Board of Regents upon full-time faculty members who have been acknowledged by their peers and students as exceptional, and recommended by the Texas State University System Foundation Board of Directors, the Chancellor, and the Institution President; and,

Whereas, Mary Petron, Professor of Bilingual and English as a Second Language Education in the School of Teaching and Learning, earned a Bachelor of Science from the University of Wisconsin-Madison, a Master of Arts from Northwestern University, and a Ph.D. from the University of Texas at Austin; and served as an assistant professor at Texas A&M International University before joining the Sam Houston State University faculty in 2009; and,

Whereas, Dr. Petron has received numerous awards recognizing her talent and skills as an educator, including the College of Education Excellence in Teaching Award (twice), Teacher of the Year at Texas A&M International University's College of Education, and the Texas A&M University System Chancellor's Excellence in Teaching Award; and,

Whereas, Dr. Petron has served Sam Houston State University as bilingual/ESL program coordinator and site coordinator for the School of Teaching and Learning's year-long residency program; served as chair of the curriculum committee; works individually with students to ensure their success; and possesses exceptional teaching skills that are among the best in the field; and,

Whereas, Dr. Petron, by her dedication and commitment to excellence in the performance of her duties, has brought great honor to Sam Houston State University, the Texas State University System, and the great State of Texas;

Now, Therefore Be It Resolved on this 23rd day of February 2024, that Mary Petron, Ph.D., be designated a Regents' Teacher and forever hold said title, including all honors, rights, and privileges pertaining thereto.

2024-44 TSUS: Conferring of Regents' Teacher Award (Catherine Cherrstrom, Ph.D.)

Upon motion of Regent Amato, seconded by Regent Flores, with all Regents voting aye, and upon the recommendation of the Board of Directors of the Texas State University System Foundation and nomination by the university president, it was ordered that:

1. The Regents' Teacher Award be conferred, in perpetuity, upon Catherine Cherrstrom, Ph.D.

2. The Regents' Teacher medallion be presented to her; that she have the right to wear such medallion at appropriate events; and that she be recognized as having received this award; and,
3. The attached resolution be adopted; presented to her; and forever recorded and preserved in the minutes of this Board of Regents.

Resolution Honoring Catherine Cherrstrom, Ph.D.

Whereas, the Board of Regents of the Texas State University System has determined that it would advance the cause of higher education in the State of Texas and contribute to the public good of the state to create the Office of Regents' Teacher; and,

Whereas, the purpose of the Office is to recognize outstanding faculty members who have demonstrated through the performance of their duties exceptional dedication, skill, and knowledge of the curriculum; and,

Whereas, the Office of Regents' Teacher is a lifetime designation bestowed by the Board of Regents upon full-time faculty members who have been acknowledged by their peers and students as exceptional, and recommended by the Texas State University System Foundation Board of Directors, the Chancellor, and the Institution President; and,

Whereas, Catherine Cherrstrom, Associate Professor in the Department of Organization, Workforce, and Leadership Studies, earned a Bachelor of Science in Accounting from Santa Clara University, a Master's in Business Administration from the University of New Mexico, a Master of Science in Adult Education and Human Resource Development from Fordham University, and a Ph.D. in Human Resource Development from Texas A&M University; and spent 25 years leading and managing teams in the financial services industry before joining the Texas State University faculty in 2015; and,

Whereas, Dr. Cherrstrom has received numerous awards recognizing her talent and dedication to the teaching profession, including the Presidential Award for Excellence in Teaching, the Alpha Chi National Honor Society's Favorite Professor Award, the Texas State University Alumni Association's Teaching Award of Honor, and the American Association for Adult and Continuing Education's Malcolm Knowles Award for Outstanding Adult Education Program Leadership; and,

Whereas, Dr. Cherrstrom has taught more than 600 undergraduate and graduate students in 46 classes; developed Texas State University's Applied Learning Sequence in Interdisciplinary Research; chaired or supervised 52 applied research projects; and published extensively on the topic of adult learning; and,

Whereas, Dr. Cherrstrom, by her dedication and commitment to excellence in the performance of her duties, has brought great honor to Texas State University, the Texas State University System, and the great State of Texas;

Now, Therefore Be It Resolved on this 23rd day of February 2024, that Catherine Cherrstrom, Ph.D., be designated a Regents' Teacher and forever hold said title, including all honors, rights, and privileges pertaining thereto.

2024-45 TSUS: Conferring of Regents' Teacher Award (Charise Pimentel, Ph.D.)

Upon motion of Regent Amato, seconded by Regent Flores, with all Regents voting aye, and upon the recommendation of the Board of Directors of the Texas State University System Foundation and nomination by the university president, it was ordered that:

1. The Regents' Teacher Award be conferred, in perpetuity, upon Charise Pimentel, Ph.D.
2. The Regents' Teacher medallion be presented to her; that she have the right to wear such medallion at appropriate events; and that she be recognized as having received this award; and,
3. The attached resolution be adopted; presented to her; and forever recorded and preserved in the minutes of this Board of Regents.

Resolution Honoring Charise Pimentel, Ph.D.

Whereas, the Board of Regents of the Texas State University System has determined that it would advance the cause of higher education in the State of Texas and contribute to the public good of the state to create the Office of Regents' Teacher; and,

Whereas, the purpose of the Office is to recognize outstanding faculty members who have demonstrated through the performance of their duties exceptional dedication, skill, and knowledge of the curriculum; and,

Whereas, the Office of Regents' Teacher is a lifetime designation bestowed by the Board of Regents upon full-time faculty members who have been acknowledged by their peers and students as exceptional, and recommended by the Texas State University System Foundation Board of Directors, the Chancellor, and the Institution President; and,

Whereas, Charise Pimentel, Professor in the Department of Curriculum and Instruction, earned Bachelor of Arts degrees in Psychology and Spanish, and a Master of Arts in Psychology from California State University, Chico, and a Ph.D. in Social Foundations of Education from the University of Utah; and spent seven years teaching at the University of Utah before joining the faculty of Texas State University in 2005; and,

Whereas, Dr. Pimentel has been widely recognized for exceptional teaching, receiving the Everette Swinney Faculty Senate Excellence in Teaching Award (twice) and the Coalition of Black Faculty and Staff's Champion for Black Student Success award; and was the university's nominee in 2023 for the Piper Professor Award; and,

Whereas, Dr. Pimentel has served Texas State University as program coordinator and graduate advisor for the Bilingual/Bicultural Elementary Education program, leads curriculum development and scheduling, and maintains the program's website; has taught 16 undergraduate and graduate courses; and has served on committees for more than 200 comprehensive exams, 13 theses, and three dissertations; and,

Whereas, Dr. Pimentel, by her dedication and commitment to excellence in the performance of her duties, has brought great honor to Texas State University, the Texas State University System, and the great State of Texas;

Now, Therefore Be It Resolved on this 23rd day of February 2024, that Charise Pimentel, Ph.D., be designated a Regents' Teacher and forever hold said title, including all honors, rights, and privileges pertaining thereto.

2024-46 TSUS: Conferring of Regents' Teacher Award (Jon Zmikly)

Upon motion of Regent Amato, seconded by Regent Flores, with all Regents voting aye, and upon the recommendation of the Board of Directors of the Texas State University System Foundation and nomination by the university president, it was ordered that:

1. The Regents' Teacher Award be conferred, in perpetuity, upon Jon Zmikly.
2. The Regents' Teacher medallion be presented to him; that he have the right to wear such medallion at appropriate events; and that he be recognized as having received this award; and,
3. The attached resolution be adopted; presented to him; and forever recorded and preserved in the minutes of this Board of Regents.

Resolution Honoring Jon Zmikly

Whereas, the Board of Regents of the Texas State University System has determined that it would advance the cause of higher education in the State of Texas and contribute to the public good of the state to create the Office of Regents' Teacher; and,

Whereas, the purpose of the Office is to recognize outstanding faculty members who have demonstrated through the performance of their duties exceptional dedication, skill, and knowledge of the curriculum; and,

Whereas, the Office of Regents' Teacher is a lifetime designation bestowed by the Board of Regents upon full-time faculty members who have been acknowledged by their peers and students as exceptional, and recommended by the Texas State University System Foundation Board of Directors, the Chancellor, and the Institution President; and,

Whereas, Jon Zmikly, Senior Lecturer in the School of Journalism and Mass Communication and Assistant Director of the Media Innovation Lab, earned a Bachelor of Applied Arts in Broadcast and Cinematic Arts at Central Michigan University and a Master of Arts in Mass Communication at Texas State University; and spent several years working in the private sector before joining the faculty of Texas State University in 2009; and,

Whereas, Mr. Zmikly has received numerous awards recognizing his commitment to excellence in teaching and service, including Outstanding Graduate Teaching Assistant; the Presidential Distinction Awards for Excellence in Service and Teaching; and the Presidential Award for Excellence in Teaching; and,

Whereas, Mr. Zmikly was founding developer of the university's major in Digital Media Innovation; created the first-ever 360 degree video and immersive storytelling course; has presented various digital media trainings and workshops for faculty; serves as associate editor of Southwestern Mass Communication Journal; and regularly advises and mentors students; and,

Whereas, Mr. Zmikly, by his dedication and commitment to excellence in the performance of his duties, has brought great honor to Texas State University, the Texas State University System, and the great State of Texas;

Now, Therefore Be It Resolved on this 23rd day of February 2024, that Jon Zmikly be designated a Regents' Teacher and forever hold said title, including all honors, rights, and privileges pertaining thereto.

XXIII. TSUS FOUNDATION UPDATE

Dr. Mike Wintemute, Executive Director of the Foundation, made a presentation to the Board regarding the current status of Foundation funds, awards and scholarships.

XXIV. APPROVAL OF CONSENT AGENDA

Chairman Tinsley noted that Lamar University withdrew two items from the Consent Agenda and Texas State University withdrew one item.

Lamar University withdrew two items related to Faculty Personnel Changes. Item #1 under Promotion to Associate Professor and Item #1 under Tenure were withdrawn.

Texas State University withdrew the Contract item related to Shuttle Service Operations and Maintenance.

The remaining Consent Agenda items remain the same.

2024-47 TSUS: Approval of Consent Agenda

Upon motion of Chairman Tinsley, seconded by Regent Scott, with all Regents voting aye, the Board acknowledged those items on the Consent Agenda which have been reviewed and approved at the campus level as being presented to the Board for informational purposes only, and that all other items on the Consent Agenda that are not for informational purposes only, are approved.

XXV. GENERAL MOTIONS

Chairman Tinsley outlined one general informational item regarding the schedule of upcoming board meetings:

<u>Dates:</u>	<u>Host:</u>	<u>City:</u>
May 16-17, 2024	Texas State University	San Marcos
August 8-9, 2024	Texas State University System	Austin
November 21-22, 2024	Lamar University	Beaumont

XXVI. PUBLIC COMMENTS

Chairman Tinsley called for public comments. There were no public comments.

XXVII. ADJOURNMENT

Chairman Tinsley adjourned the meeting at 10:46 a.m. CST.

Attested by:
Brian McCall, Ph.D.
Chancellor and Secretary to the Board

CONSENT/APPENDIX

TSUS: Approval of Future Board Meetings

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

The future quarterly Board meetings be scheduled as follows:

<u>Dates:</u>	<u>Host:</u>	<u>City:</u>
February 13 – 14, 2025	Texas State University System	Austin
May 1 – 2, 2025	Texas State University	San Marcos
August 7 – 8, 2025	Sul Ross State University	Alpine
November 20 – 21, 2025	Sam Houston State University	Huntsville

TSUS: Approval of Consent Agenda

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

The Board acknowledge those items on the Consent Agenda which have been reviewed and approved at the campus level as being presented to the board for informational purposes only, and that all other items on the Consent Agenda that are not for informational purposes only, be approved.

Background

This clarification is provided to acknowledge items presented to the Board for informational purposes only, and those items presented for approval, on the Consent Agenda. Because Consent Agenda items have been reviewed at the System and campus levels and are otherwise considered routine in nature, the Board determines it to be in the public interest that such items be approved under one vote unless any board member requests that an item(s) be removed for separate discussion and vote. *Consent items are found at the end of each section.*

SHSU: Degree Program Addition — Embedded Associate of Arts in Homeland Security Studies

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer an embedded associate's degree, leading to the Associate of Arts in Homeland Security Studies, housed in the Department of Security Studies within the College of Criminal Justice, with an implementation date of Spring 2025, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

As per 19 Tex. Admin. Code § 2.58 (2023), the College of Criminal Justice at Sam Houston State University requests to add an embedded associate's degree leading to the Associate of Arts (AA) in Homeland Security Studies. The proposed program is designed to be an offramp for students previously or currently enrolled in the Bachelor of Arts in Homeland Security Studies program who stop out or need to, hopefully temporarily, discontinue their baccalaureate education. The embedded associate's degree provides a mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree.

As of Fall 2023, there were 184 undergraduate majors in Homeland Security Studies, with 19 students stopping out after completing 60 or more semester credit hours over the past five academic years. While not a top producer of stop-out students, those 19 students represent approximately 10% of the program's enrollments.

The proposed AA in Homeland Security Studies is a 60 SCH program that can be completed in a 100% online modality.

The following courses comprise the associate's degree curriculum:

- Core Curriculum (42 SCH)
- SCST 2363 Intro to Homeland Security
- SCST 2365 Intro to Emergency Management
- SCST 2364 Homeland Sec Research Methods
- SCST 2366 Introduction to Cybersecurity
- SCST 2368 Transportation Security
- SCST Elective (3 SCH)

SHSU: Degree Program Addition — Embedded Associate of Arts in Criminal Justice and Criminology

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer an embedded associate's degree, leading to the Associate of Arts in Criminal Justice and Criminology, housed in the Department of Criminal Justice & Criminology within the College of Criminal Justice, with an implementation date of Spring 2025, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

As per 19 Tex. Admin. Code § 2.58 (2023), the College of Criminal Justice at Sam Houston State University requests to add an embedded associate's degree leading to the Associate of Arts (AA) in Criminal Justice and Criminology. The proposed program is designed to be an offramp for students previously or currently enrolled in the Bachelor of Arts in Criminal Justice and Criminology program who stop out or need to, hopefully temporarily, discontinue their baccalaureate education. The embedded associate's degree provides a mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree.

As of Fall 2023, there were 2,761 undergraduate majors in Criminal Justice, the largest undergraduate major at SHSU. As such, the undergraduate program also has the highest number of stop-out students over the past five academic years, with 625 students who stopped out after completing more than 60 semester credit hours (SCH).

The proposed AA in Criminal Justice and Criminology is a 60 SCH program that can be completed in an online, hybrid, or face-to-face modality.

The following courses comprise the associate's degree curriculum:

- Core Curriculum (42 SCH)
- CRIJ 2361 Introduction to Criminal Justice
- CRIJ 2362 Criminology
- CRIJ 2364 Fundamentals of Criminal Justice
- CRIJ 2365 Correction Systems and Practices
- CRIJ 2367 Police Systems and Practices
- CRIJ Elective (3 SCH)

SHSU: Degree Program Addition — Embedded Associate of Arts in General Business

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer an embedded associate's degree, leading to the Associate of Arts in General Business, housed in the Department of Business Administration & Entrepreneurship within the College of Business Administration, with an implementation date of Spring 2025, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

As per 19 Tex. Admin. Code § 2.58 (2023), the College of Business Administration at Sam Houston State University requests to add an embedded associate's degree leading to the Associate of Arts (AA) in General Business. The proposed program is designed to be an offramp for students previously or currently enrolled in the Bachelor of Business Administration in General Business Administration program who stop out or need to, hopefully temporarily, discontinue their baccalaureate education. The embedded associate's degree provides a mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree.

As of Fall 2023, there were 1,032 undergraduate majors in General Business Administration, the second largest undergraduate major at SHSU. As such, the undergraduate program also has the second highest number of stop-out students over the past five academic years, with 392 students who stopped out after completing more than 60 semester credit hours (SCH).

The proposed AA in General Business is a 60 SCH program that can be completed in an online, hybrid, or face-to-face modality.

The following courses comprise the associate's degree curriculum:

- Core Curriculum (42 SCH)
- ECON 2301 Principles of Macroeconomics
- ECON 2302 Principles of Microeconomics (satisfied Core)
- ACCT 2301 Principles of Financial Acc
- ACCT 2302 Principles of Managerial Acc.
- BANA 2372 Business Analysis
- BUAD 1305 Business Computer Applications (additional course options exist)
- Free Elective (3 SCH)

SRSU: Add New Embedded Associate of Science in Biology

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to offer a new embedded Associate of Science degree in Biology, effective fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

Following the definition of an embedded credential as defined in the Texas Administrative Code, an embedded associate degree is an associate degree that is wholly embedded in an existing or proposed bachelor's degree program. The function of an embedded associate degree is similar to other credentials embedded in degree programs, such as master's degrees in doctoral programs and other embedded certificates.

The embedded associate degree is designed to be an offramp for students previously or currently enrolled in a bachelor's degree program who stop out or need to discontinue their baccalaureate education. The embedded associate provides another mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree. The Texas Higher Education Coordinating Board recommends that institutions review degree program data and identify which programs students are most likely to stop out of with a high number of semester credit hours and no degree.

To meet the demand discussed above, we propose the creation of an embedded Associate of Science in Biology. This degree will require 60 semester credit hours: 42 core curriculum credit hours; 13 semester credit hours in required major courses; and 5 semester credit hours of elective courses. No new courses will be created.

Proposed Structure

A. Required Core Courses (42 credits)

1. Component Area: 1 Communication	6 credits
2. Component Area: 2 Mathematics	3 credits
3. Component Area: 3 Life and Physical Sciences	6 credits
4. Component Area: 4 Language, Philosophy and Culture	3 credits
5. Component Area: 5 Creative Arts	3 credits
6. Component Area: 6 American History	6 credits
7. Component Area: 7 Governmental Political Science	6 credits
8. Component Area: 8 Social and Behavior Sciences	3 credits
9. Component Area: 9 Component Area Option	6 credits

B. Discipline Area Required Courses (13 credits)

1. SRSU 1101 Freshman Seminar	1 credit
2. BIOL 1306 Biology for Majors	3 credits
3. BIOL 1106 Biology I Lab	1 credit
4. BIOL 1307 Biology for Majors II	3 credits
5. BIOL 1107 Biology II Lab	1 credit
6. BIOL 2321 Microbiology	3 credits
7. BIOL 2121 Microbiology Lab	1 credit

C. Elective Courses (5 credits)

- Electives can be any BIOL class. If Discipline area required courses are taken to satisfy core curriculum requirements additional electives will be required to meet the total of 60 sch.

SRSU: Add New Embedded Associate of Science in Business Administration

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to offer a new embedded Associate of Science degree in Business Administration, effective fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

Following the definition of an embedded credential as defined in the Texas Administrative Code, an embedded associate degree is an associate degree that is wholly embedded in an existing or proposed bachelor's degree program. The function of an embedded associate degree is similar to other credentials embedded in degree programs, such as master's degrees in doctoral programs and other embedded certificates.

The embedded associate degree is designed to be an offramp for students previously or currently enrolled in a bachelor's degree program who stop out or need to discontinue their baccalaureate education. The embedded associate provides another mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree. The Texas Higher Education Coordinating Board recommends that institutions review degree program data and identify which programs students are most likely to stop out of with a high number of semester credit hours and no degree.

To meet the demand discussed above, we propose the creation of an embedded Associate of Science in Business Administration. This degree will require 60 semester credit hours: 42 core curriculum credit hours; 13 semester credit hours in required major courses; and 5 semester credit hours of elective courses. No new courses will be created.

Proposed Structure

A. Required Core Courses (42 credits)

1. Component Area: 1 Communication	6 credits
2. Component Area: 2 Mathematics	3 credits
3. Component Area: 3 Life and Physical Sciences	6 credits
4. Component Area: 4 Language, Philosophy and Culture	3 credits
5. Component Area: 5 Creative Arts	3 credits
6. Component Area: 6 American History	6 credits
7. Component Area: 7 Governmental Political Science	6 credits
8. Component Area: 8 Social and Behavior Sciences	3 credits
9. Component Area: 9 Component Area Option	6 credits

B. Discipline Area Required Courses (13 credits)

1. SRSU 1101 Freshman Seminar	1 credit
2. ECOA 2301 Principles of Macroeconomics	3 credits
3. ACCA 2301 Principles of Accounting I	3 credits
4. ECOA 2302 Principles of Microeconomics	3 credits
5. ACCA 2302 Principles of Accounting II	3 credits

C. Elective Courses (5 credits)

Electives can be any ACCA, ECOA, FINA, GBAA, MGTA, or MKTA class. If Discipline area required courses are taken to satisfy core curriculum requirements additional electives will be required to meet the total of 60 sch.

SRSU: Add New Embedded Associate of Science in Criminal Justice

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to offer a new embedded Associate of Science degree in Criminal Justice, effective fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

Following the definition of an embedded credential as defined in the Texas Administrative Code, an embedded associate degree is an associate degree that is wholly embedded in an existing or proposed bachelor's degree program. The function of an embedded associate degree is similar to other credentials embedded in degree programs, such as master's degrees in doctoral programs and other embedded certificates.

The embedded associate degree is designed to be an offramp for students previously or currently enrolled in a bachelor's degree program who stop out or need to discontinue their baccalaureate education. The embedded associate provides another mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree. The Texas Higher Education Coordinating Board recommends that institutions review degree program data and identify which programs students are most likely to stop out of with a high number of semester credit hours and no degree.

To meet the demand discussed above, we propose the creation of an embedded Associate of Science in Criminal Justice. This degree will require 60 semester credit hours: 42 core curriculum credit hours; 13 semester credit hours in required major courses; and 5 semester credit hours of elective courses. No new courses will be created.

Proposed Structure

A. Required Core Courses (42 credits)

1. Component Area: 1 Communication	6 credits
2. Component Area: 2 Mathematics	3 credits
3. Component Area: 3 Life and Physical Sciences	6 credits
4. Component Area: 4 Language, Philosophy and Culture	3 credits
5. Component Area: 5 Creative Arts	3 credits
6. Component Area: 6 American History	6 credits
7. Component Area: 7 Governmental Political Science	6 credits
8. Component Area: 8 Social and Behavior Sciences	3 credits
9. Component Area: 9 Component Area Option	6 credits

B. Discipline Area Required Courses (13 credits)

1. SRSU 1101 Freshman Seminar	1 credit
2. CJ 1301 Intro to Criminal Justice	3 credits
3. CJ 1306 Court Systems and Practices	3 credits
4. CJ 2313 Correctional Systems and Practices	3 credits
5. CJ 2328 Police Systems and Practices	3 credits

C. Elective Courses (5 credits)

Electives can be any CJ class. If Discipline area required courses are taken to satisfy core curriculum requirements additional electives will be required to meet the total of 60 sch.

SRSU: Add New Embedded Associate of Science in Homeland Security

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to offer a new embedded Associate of Science degree in Homeland Security, effective fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

Following the definition of an embedded credential as defined in the Texas Administrative Code, an embedded associate degree is an associate degree that is wholly embedded in an existing or proposed bachelor's degree program. The function of an embedded associate degree is similar to other credentials embedded in degree programs, such as master's degrees in doctoral programs and other embedded certificates.

The embedded associate degree is designed to be an offramp for students previously or currently enrolled in a bachelor's degree program who stop out or need to discontinue their baccalaureate education. The embedded associate provides another mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree. The Texas Higher Education Coordinating Board recommends that institutions review degree program data and identify which programs students are most likely to stop out of with a high number of semester credit hours and no degree.

To meet the demand discussed above, we propose the creation of an embedded Associate of Science in Homeland Security. This degree will require 60 semester credit hours: 42 core curriculum credit hours; 13 semester credit hours in required major courses; and 5 semester credit hours of elective courses. No new courses will be created.

Proposed Structure

A. Required Core Courses (42 credits)

- | | |
|---|-----------|

| 5. CJ 2362 Cybercrime Investigation | 3 credits |

C. Elective Courses (5 credits)

Electives can be any CJ class. If Discipline area required courses are taken to satisfy core curriculum requirements additional electives will be required to meet the total of 60 sch.

SRSU: Add New Embedded Associate of Science in Kinesiology

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to offer a new embedded Associate of Science degree in Kinesiology, effective fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

Following the definition of an embedded credential as defined in the Texas Administrative Code, an embedded associate degree is an associate degree that is wholly embedded in an existing or proposed bachelor's degree program. The function of an embedded associate degree is similar to other credentials embedded in degree programs, such as master's degrees in doctoral programs and other embedded certificates.

The embedded associate degree is designed to be an offramp for students previously or currently enrolled in a bachelor's degree program who stop out or need to discontinue their baccalaureate education. The embedded associate provides another mechanism to award students a credential even though they have not yet been able to complete a bachelor's degree. The Texas Higher Education Coordinating Board recommends that institutions review degree program data and identify which programs students are most likely to stop out of with a high number of semester credit hours and no degree.

To meet the demand discussed above, we propose the creation of an embedded Associate of Science in Kinesiology. This degree will require 60 semester credit hours: 42 core curriculum credit hours; 10 semester credit hours in required major courses; and 8 semester credit hours of elective courses. No new courses will be created.

Proposed Structure

A. Required Core Courses (42 credits)

1. Component Area: 1 Communication	6 credits
2. Component Area: 2 Mathematics	3 credits
3. Component Area: 3 Life and Physical Sciences	6 credits
4. Component Area: 4 Language, Philosophy and Culture	3 credits
5. Component Area: 5 Creative Arts	3 credits
6. Component Area: 6 American History	6 credits
7. Component Area: 7 Governmental Political Science	6 credits
8. Component Area: 8 Social and Behavior Sciences	3 credits
9. Component Area: 9 Component Area Option	6 credits

B. Discipline Area Required Courses (10 credits)

1. SRSU 1101 Freshman Seminar	1 credit
2. KINE 1301 Intro to Sports and Fitness	3 credits
3. KINE 1306 First Aid	3 credits
4. KINE 2303 Nutrition	3 credits

C. Elective Courses (8 credits)

- a. Electives can be any KINE class. If Discipline area required courses are taken to satisfy core curriculum requirements additional electives will be required to meet the total of 60 sch.

SRSU: Recommendation to Confer the Honorary Degree, Doctor of Humane Letters, upon Mr. John F. Fort III

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to confer the degree Doctor of Humane Letters, honoris causa, upon Mr. John F. Fort III.

Explanation

For his significant support and generosity to the Center for Big Bend Studies and his continued philanthropy of Sul Ross State University, we nominate Mr. John “Jeff” F. Fort III to receive a Doctor of Humane Letters, Honorary Degree.

Mr. Fort has been the Center for Big Bend Studies' most consequential supporter for over two decades. He has graciously opened his properties, provided critical financial resources, and actively promoted Sul Ross State University (SRSU) programs to the public and local land stewards while remaining an active scholar in Anthropology.

Mr. Fort, a native of New Hampshire, first came to the Big Bend region in the 1990s and immediately fell in love with its beauty. He soon purchased the first portion of his Pinto Canyon Ranch and spent much of his free time exploring every inch. He later added the adjoining properties, and in 2000, while exploring this newly acquired land, he discovered a significant rock art site and immediately collaborated with SRSU and the Center for Big Bend Studies (CBBS). Since then, Mr. Fort has allowed SRSU/CBBS unrestricted access to thousands of world-class archaeological sites, most of which he discovered. In addition to land and site access, he helped CBBS develop its charitable status, enabling gifts from the Brown Foundation totaling more than \$3.5 million. Mr. Fort has personally contributed approximately \$2 million and has facilitated additional support exceeding \$5.6 million.

Since his first archaeological discovery in 2000, he has been fascinated by how humans have adapted to and thrived in such an exacting environment. This interest developed a dedication to CBBS and the discipline, enabling SRSU to build a renowned research center and expand SRSU's educational offerings.

Mr. Fort's dedication to the State of Texas and Higher Education has profoundly impacted the lives of West Texas residents and SRSU students. His commitment to CBBS and his land, which he affectionately calls “an outdoor laboratory,” has enriched the region by providing unique and invaluable insight into the past inhabitants and environment. In recognition of his commitment, we propose that the Board of Regents honor Mr. Fort by conferring upon him a Doctor of Humane Letters, honoris causa.

TXST: Add a Master of Public Health Degree with a Major in Public Health

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to add a new Master of Public Health degree with a major in Public Health.

Explanation

Texas State proposes a new Master of Public Health degree with a major in Public Health (MPH). This program aims to train students to develop advanced skills to promote health in community and public health settings by using evidence-based practices to design public health programs that impact individual behavior, community environments, and public policy. The MPH will contain two concentrations, Community Health & Behavior, and Health Policy and Management, to prepare students to meet the needs of the public health workforce.

The proposed MPH program will promote the employability of Texas State University graduates in the contemporary public health job market and allow Ph.D. program faculty to easily recognize Texas State graduates as having been trained in the discipline of public health for potential entry into public health doctoral programs. The MPH will also increase the visibility and appropriately identify the Texas State graduate degree to undergraduate students exploring graduate studies in public health. Furthermore, establishing the MPH will allow the Texas State graduate program and the existing B.S. in Public Health to pursue program accreditation through the Council on Education in Public Health (CEPH). Current public health faculty have been corresponding with CEPH accreditation staff since 2019 in preparation for future accreditation application submissions.

This MPH degree program was recommended by external reviewers during HHP’s 2021-2022 Academic Program Review of the public health program to reflect discipline terminology, norms, and career paths more accurately for future graduates. The demand for an MPH degree has risen sharply, even prior to the pandemic, and this degree change positions Texas State University graduates to better compete in the growing public health job market.

LIT: New Award Proposal – Associate of Applied Science in Utility Line and Management Technology

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar Institute of Technology (LIT) be authorized to offer an Associate of Applied Science (AAS) in Utility Line and Management Technology, to be implemented upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board. The award will be effective Spring 2025.

Explanation

The Associate of Applied Science (AAS) in Utility Line and Management Technology will be an addition to the existing Utility Line Technology program. The AAS will provide a supervisory and management pathway for students interested in pursuing career advancement opportunities in the field of Utility Line Technology. The degree is designed with the existing Utility Line Technology certificate (34 semester credit hours) being the stackable entry point. With the completion of 26 additional semester credit hours, students will attain an associate degree in Utility Line and Management Technology.

**Associate of Applied Science in Utility Line and Management Technology

LSCO: New Program Proposal – Basic Plumbing Technology Apprentice Certificate, Intermediate Plumbing Technology Tradesman Certificate, and Plumbing Technology Journeyman Associate of Applied Science Degree

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar State College Orange be authorized to create and implement, in accordance with the Texas Education Code, the rules and regulations for the Texas Higher Education Coordinating Board and Schools Commission on Colleges (SACSCOC), the following certificates and degree effective Fall 2024:

- 1) Basic Plumbing Technology Apprentice Certificate of Completion (18 SCH)
- 2) Intermediate Plumbing Technology Tradesman Certificate of Completion (30 SCH)
- 3) Plumbing Technology Journeyman Associate of Applied Arts and Science Degree (60 SCH)

Explanation

LSCO has been approached by legislators, community stakeholders, and employers that have expressed an urgent need to train more plumbers. In addition to the current gaps of trained and certified plumbers that exist statewide, the national employment rate of plumbers is projected to grow 2 percent from 2022 to 2032, about as fast as the average for all occupations. Plumbers is an included occupation on Southeast Texas’ targeted occupation list, signifying that this career field offers both good employment growth prospects and wages.

Texas House Bill 636 from the 87th Legislative Session revised Texas Education Code to permit a student of any age enrolled in a high school or institution of higher education to take the sequence of courses related to plumbing trades without registering as a plumber’s apprentice or paying any registration fees. The legislation provides a more seamless avenue for dual credit students to pursue a plumbing training program.

The Basic Plumbing Technology Apprentice Certificate is designed to be the entry point for dual credit students and will be fully stackable to the Intermediate Plumbing Technology Tradesman Certificate as well as the Plumbing Technology Journeyman Associate of Applied Science. Students will pursue National Center for Construction Education and Research (NCCER) certifications upon completion of the basic and intermediate certificates. Job-specific training will focus on assembling, installing, or repairing pipes, fittings, or fixtures of heating, water, or drainage systems.

The proposed program will meet all of the requirements and guidelines for approval by the Texas Higher Education Coordinating Board (THECB) and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

Proposed Basic Plumbing Technology Apprentice Level-One Certificate of Completion:

COURSE REQUIREMENTS	Credit Hours	Lecture/Lab Hours	Contact Hours
PFPB 1306 Basic Blueprint Reading for Plumbers	3	3-2-2	64

PFPB 1323 Plumbing Codes	3	3-2-2	64

Definitions of Terms	
Contact Hours	A unit of measure that represents an hour of scheduled instruction given to students of which 50 minutes must be of direct instruction. Also referred to as clock hour.
Full-Time Student Equivalent (FTSE)	Uses semester credit hours (SCH) to calculate the number of full-time equivalent students at an institution. The THECB uses the following formulas: 1 undergraduate FTSE student = 15 SCH (12 SCH in Summer) 1 master's FTSE student = 12 SCH (9 SCH in Summer) 1 doct-professional FTSE student = 12 SCH (9 SCH in Summer) 1 doct-research FTSE student = 9 SCH (6 SCH in Summer) 1 continuing ed FTSE student = 300 contact hours
Headcount	The unduplicated count of students enrolled in a semester or term.
Out-of-State/Online	Enrollment of a non-Texas resident living out-of-state while enrolled solely in fully online courses.
Semester Credit Hour (SCH)	A unit of measure representing an hour (50 minutes) of instruction over a 15-week period in a semester or trimester system or a 10-week period in a quarter system.

LU: Program Modification – Master of Arts in Teaching

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar University be authorized to move the Master of Arts in Teaching program in teacher education to a fully online modality.

Explanation

The Department of Teacher Education is requesting to move the Master of Arts in Teaching to a fully online modality effective fall 2024. With the recent launch of the graduate alternative teacher certification program to a fully online offering, this action will allow a student to have the option of continuing for 12 additional hours; resulting in the completion of a master's degree in addition to the earned teacher certification.

LU: Request to Change Department Name – Teacher Education

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar University be authorized to change the name of the Department of Teacher Education to the Department of Curriculum and Instruction in the College of Education and Human Development to be implemented Fall 2024.

Explanation

The Department of Teacher Education in the College of Education and Human Development at Lamar University (LU) is requesting approval to change the name to the Department of Curriculum and Instruction, with an implementation date of August 1, 2024. The department's current name, Teacher Education, represents part of what faculty do in the department. During the fall of 2023, faculty in the department met and discussed potential name changes and agreed on Curriculum and Instruction. The majority of faculty in the department have terminal degrees in Curriculum and Instruction.

The justification for the proposed department name change is outlined below:

- 1) A new title would better represent the purpose of the department, particularly with the start of two new graduate degrees, the Master of Education in Literacy Leadership and the Master of Arts in Teaching, as well as other anticipated graduate programs returning to this department.
- 2) Graduate students entering programs in the department will become instructional specialists in curriculum and literacy.
- 3) The name change will align the department with similar academic departments across the state:
 - a) Texas State University: College of Education, Department of Curriculum and Instruction
 - b) University of Texas Austin: College of Education, Department of Curriculum and Instruction
 - c) Texas Tech University: College of Education, Department of Curriculum and Instruction
 - d) Texas A&M University San Antonio: College of Education & Human Development, Department of Curriculum and Instruction
 - e) Texas A&M University Commerce: College of Education & Human Services, Department of Curriculum and Instruction

The name change does not impact LU degree, designations, existing courses, completion requirements, new courses, or any substantive changes related to academic programs.

For reasons provided, a name change from the Department of Teacher Education to the Department of Curriculum and Instruction will benefit LU, as well as faculty, staff, and other relevant stakeholders. Therefore, Lamar University requests approval to change the name to the Department of Curriculum and Instruction.

LU: Request to Reorganize the College of Business

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar University be authorized to implement the following changes in the organization of the College of Business with an implementation date of Fall 2024:

- 1) To reorganize the existing College of Business into four academic units: 1) School of Accounting, Finance, and Economics; 2) Department of Information Systems; 3) Department of Management, Marketing, and General Business; and 4) Department of Construction Management.

Explanation

The current structure of two academic units will be divided to create efficiency within the College while also allowing the span of control for the Chairs across the Departments to remain the same and manageable.

- General Business requires more faculty due to the large number of majors and most closely aligns with Management and Marketing, therefore the two will combine into one unit. Additionally, Business Law will join the Department of Management, Marketing, and General Business to balance the number of faculty across departments.
- Statistics and Information Systems will integrate to create the Department of Information Systems and the School of Accounting and Information Systems will change to the School of Accounting, Finance, and Economics, led by a Director.

PROPOSED:

School of Accounting, Finance, and Economics

- Accounting
- Finance
- Economics

Department of Information Systems

- Information Systems
- Statistics

Department of Management, Marketing, and General Business

- Management
- Marketing
- Business Law
- General Business

Construction Management

- Construction Management

SHSU: Certificate Program Addition — Graduate Certificate in Real Estate Analysis

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer a 100% online certificate program, leading to the Graduate Certificate in Real Estate Analysis, housed in the Department of Business Administration & Entrepreneurship within the College of Business Administration, with an implementation date of Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The proposed, 12-semester credit hour, 100% online Graduate Certificate in Real Estate Analysis will provide an educational opportunity that is narrower in scope, and shorter in duration, than a graduate degree program. It is ideal for individuals transitioning from one sector of real estate into real estate project feasibility analysis, or those in the process of satisfying education requirements for various professional real estate designations.

Target occupations in the Texas workforce requiring graduate-level education in real estate are expected to grow by 17.6% over the next decade (from 2024 to 2034), with specific occupations showing individual growth rates ranging from 5% to 22%. Top target occupations for the proposed certificate with high job demand include Finance and Investment Analysts, Real Estate Brokers, and Loan Officers.

Upon completion of the Graduate Certificate in Real Estate Analysis, students will be able to:

- Calculate financial performance metrics for commercial real estate assets.
- Prepare market analyses for commercial real estate properties.
- Present results of property level research to stakeholders.
- Analyze local regulatory requirements and/or local economic development incentives.
- Create a waterfall distribution and income tax analysis for real estate investors.

The following courses comprise the certificate curriculum:

- REAL 5350 Real Estate Debt
- REAL 5351 Real Estate Equity
- REAL 5352 Real Estate Market and Development Feasibility Analysis
- REAL 5365 Real Estate Law (additional course options exist)

SHSU: Certificate Program Addition — Undergraduate Certificate in Criminal Justice

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer a hybrid certificate program, leading to the Undergraduate Certificate in Criminal Justice, housed within the College of Criminal Justice, with an implementation date of Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The proposed, 15 semester credit hour, hybrid Undergraduate Certificate in Criminal Justice program, leveraging the University's long-established role in law enforcement education, offers a targeted pathway for career advancement within the Texas and U.S. job markets. The proposed undergraduate certificate marries hands-on law enforcement training with academic rigor, catering to immediate professional development needs while preparing students for future leadership roles. This program acknowledges the evolving demands of the criminal justice sector, ensuring graduates are not only well-equipped for today's challenges but are also adaptable for tomorrow's challenges.

Sam House State University leads the undergraduate competitive landscape in Criminal Justice (CJ) programs with 21.9% market share and the highest completions count as IPEDS 2022 reports. Although face-to-face CJ programs offered in Texas have declined in completions - 25.7% (2012-2022), online program completions have increased 340.1% (2012-2022), showing great potential for hybrid or online programs like the proposed undergraduate certificate. The total 2024 related job count for this proposed certificate is 64,837, with the job count in Texas projected to increase 10.7% over the next ten years (compared to 7.3% in the nation), with most target occupations expected to individually grow by at least 9% over 2024-2034. Police and Patrol Officers and Security Guards are projected to grow 10.59% and 10.41% respectively over the next ten years in Texas. The proposed undergraduate certificate will help meet this workforce demand.

Upon completion of the proposed Undergraduate Certificate in Criminal Justice program, students will be able to:

- Describe scientific and social influences that have shaped the criminal justice system.
- Compare and contrast major theoretical explanations of crime.
- Illustrate the importance of the historical foundation of policing in America.
- Discuss critical issues in contemporary corrections.
- Interpret judicial interpretations of criminal justice system actions.

The following courses comprise the certificate curriculum:

- CRIJ 2361 Intro to Criminal Justice
- CRIJ 2365 Correctional Systems and Practice
- CRIJ 2367 Police Systems and Practice
- CRIJ 2364 Fundamentals of Criminal Law
- CRIJ 2362 Criminology (additional course options exist)

SHSU: Certificate Program Addition — Undergraduate Certificate in Investigative Forensic Science

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer a 100% online certificate program, leading to the Undergraduate Certificate in Investigative Forensic Science, housed in the Department of Forensic Science within the College of Criminal Justice, with an implementation date of Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The proposed, 15-semester credit hour, 100% online Undergraduate Certificate in Investigative Forensic Science builds upon the current undergraduate offerings in forensic science, comprising of five required classes tailored for students aspiring to pursue careers in investigative forensic sciences (crime scene investigator, medical death investigator, criminal investigators, evidence technician, law enforcement, etc.). The proposed undergraduate certificate is a freestanding credential that can be earned as a stand-alone certificate or awarded on the way toward a bachelor's degree.

Currently, no credentialing exists in forensic science at Sam Houston State University for the investigative side of forensic science. The Master of Science in Forensic Science degree program is only applicable to the laboratory-based disciplines. Therefore, the proposed Undergraduate Certificate in Investigative Forensic Science enhances the qualifications and job prospects for individuals already working or who plan on working in investigative fields. By developing micro-credentials that provide academic credit toward degree programs, the certificate offers a pathway for students to earn academic credit toward a degree or obtain a standalone credential, presenting a flexible option for those unable or unwilling to pursue a bachelor's degree.

Upon completion of the proposed Undergraduate Certificate in Investigative Forensic Science program, students will be able to:

- Demonstrate an informed understanding of scientific principles, terminology, and technical advances crucial to the different areas of forensic science.
- Identify and categorize various types of physical evidence commonly encountered in forensic investigations, including biological, trace, and impression evidence, while recognizing the importance of maintaining the chain of custody to ensure the integrity of collected evidence.
- Understand fingerprint examination, including defining key terminology, explaining physical properties of friction ridge evidence, and describe various methods for detecting and developing fingerprints on diverse surfaces.
- Understand and apply effective crime scene investigation techniques, including evidence recognition, documentation, and preservation.
- Understand the legal and ethical considerations associated with forensic evidence.

The following courses comprise the certificate curriculum:

- FORS 3366 Forensic Science
- FORS 4310 Physical Evidence Techniques
- FORS 4330 Fingerprint Examination
- FORS 4364 Crime Scene Invstg Techniques
- FORS 4380 Ethics & Prof Practice

SHSU: Certificate Program Addition — Undergraduate Certificate in Jazz Studies

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer a certificate program, leading to the Undergraduate Certificate in Jazz Studies, housed in the School of Music within the College of Arts and Media, with an implementation date of Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The proposed, 12-semester credit hour, Undergraduate Certificate in Jazz Studies is a non-degree course of study designed for undergraduate music majors interested in training and developing skills in the performance and pedagogy of jazz music. Most music majors enter an undergraduate program with wide and varying degrees of experience in jazz performance. The certificate will provide opportunities to gain skills and practical experiences necessary to become highly competitive as performers and educators in the jazz music field.

The target occupations in the Texas workforce related to the proposed undergraduate certificate are projected to grow 18.4% over the next ten years (2022-2032), with specific target occupations growing individually between 17-20%. The 10-year projections for Musicians and Singers (2022-2032) are the highest (20.5%) out of all other target occupations, and Jazz-related skills in 2022 job postings had a high employer demand (5:1 posting intensity). Further, programs in Texas have grown 33% in graduate count from 2017-2021 for the proposed CIP code. The positive outlook for music performance related jobs and skillsets, as well as the current high number of hires versus the increasing number of job postings, indicates a workforce demand for the proposed Undergraduate Certificate in Jazz Studies.

Upon completion of the Undergraduate Certificate in Jazz Studies, students will be able to:

- Demonstrate proficient skills on an applied instrument in jazz styles.
- Interpret jazz repertoire, including improvisation, at a level consistent with professional performing.
- Apply jazz techniques to classroom teaching.
- Evaluate jazz music for music preparation, programming, and performance.

The following courses comprise the certificate curriculum:

- MUSI 3364 Improvisation
- MUSI 3190 Jazz Keyboard Skills
- MUEN 1115/3115 Jazz Band (additional course options exist)
- MUEN 1118/3118 Chamber Music (additional course options exist)
- JAZZ 1201 Applied Jazz Styles & Analysis (additional course options exist)
- Prescribed Electives

SHSU: Certificate Program Addition — Undergraduate Certificate in Management and Leadership in Criminal Justice

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer a hybrid certificate program, leading to the Undergraduate Certificate in Management and Leadership in Criminal Justice, housed within the College of Criminal Justice with an implementation date of Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The proposed, 12-semester credit hour, hybrid modality, Undergraduate Certificate in Management and Leadership in Criminal Justice addresses a significant need in Texas and the United States, capitalizing on the University's established reputation in criminal justice education. The proposed undergraduate certificate targets an urgent market demand for skilled leaders amid calls for reform and improved community relations in law enforcement. Designed for immediate impact and long-term relevance, the proposed undergraduate certificate equips professionals for advanced leadership roles, responding to the evolving expectations of law enforcement agencies. It represents a strategic step for those aiming to lead and innovate within the sector.

Sam House State University leads the undergraduate competitive landscape in Criminal Justice (CJ) programs with 21.9% market share and the highest completions count as IPEDS 2022 reports. Although face-to-face CJ programs offered in Texas have declined in completions -25.7% (2012-2022), online program completions have increased 340.1% (2012-2022), showing great potential for hybrid or online programs like the proposed undergraduate certificate. The total 2024 related job count for this proposed undergraduate certificate is 41,848, with the job count in Texas projected to increase 14% over the next ten years (compared to 10.8% in the nation), with all target occupations expected to individually grow by at least 1% (First-Line Supervisors of Correctional Officers) and at most 20.36% (Protective Service Workers, All Other), over 2024-2034. First-Line Supervisors of Police and Detectives are also projected to grow 13.55% over the next ten years in Texas. The proposed undergraduate certificate will help meet this workforce demand and should help fill skill gaps employers are prioritizing.

Upon completion of the proposed Undergraduate Certificate in in Management and Leadership in Criminal Justice program, students will be able to:

- Identify strategies for bringing law enforcement and communities closer together.
- Apply basic principles of leadership.
- Examine the experience of particular group cultures.
- Explore key ingredients for becoming a successful leader.
- Evaluate challenges in contemporary policing.

The following courses comprise the certificate curriculum:

- CRIJ 3338 Intro to Police Personnel Mgmt
- CRIJ 2367 Police Systems and Practice
- CRIJ 4384 Police Strategies
- CRIJ 3390 Contemp Issues in Police Personnel Mgmt (additional course options exist)

SHSU: Certificate Program Addition — Undergraduate Certificate in Real Estate Analysis

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer a 100% online certificate program, leading to the Undergraduate Certificate in Real Estate Analysis, housed in the Department of Business Administration & Entrepreneurship within the College of Business Administration, with an implementation date of Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The proposed, 12-semester credit hour, 100% online Undergraduate Certificate in Real Estate Analysis will provide an educational opportunity that is narrower in scope, and shorter in duration, than an undergraduate degree program. It is ideal for individuals transitioning from one sector of real estate into real estate project feasibility analysis, or those in the process of satisfying education requirements for various professional real estate designations.

Target occupations in the Texas workforce, related to the proposed undergraduate certificate, are expected to grow by 17.3% over the next decade (from 2023 to 2033), with specific occupations showing individual growth rates ranging from 10% to 23%. The number of related programs (CIP 52.1501) in Texas have stayed consistent (0% growth) between 2018 and 2022 with an overall 31% growth in completions/graduates, with no online-offered curriculum as of 2022. The projected increase in target occupations over the next ten years, the consistency in the number of available programs, and the growing completion/graduate rates of existing Real Estate programs with smaller program sizes suggests a workforce demand for the proposed Undergraduate Certificate in Real Estate Analysis.

Upon completion of the Undergraduate Certificate in Real Estate Analysis, students will be able to:

- Calculate financial performance metrics for commercial real estate assets.
- Prepare market analyses for commercial real estate properties.
- Present results of property level research to stakeholders.
- Analyze local regulatory requirements and/or local economic development incentives.
- Create a waterfall distribution and income tax analysis for real estate investors.

The following courses comprise the certificate curriculum:

- REAL 4350 Real Estate Debt
- REAL 4351 Real Estate Equity
- REAL 4352 Real Estate Market and Development Feasibility Analysis
- REAL 3310 Real Estate Principles

SHSU: Certificate Program Deletion — Graduate Certificate in Early Childhood Special Education

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to delete the Graduate Certificate in Early Childhood Special Education housed in the School of Teaching and Learning within the College of Education effective September 1, 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The School of Teaching and Learning faculty are requesting to delete the Graduate Certificate in Early Childhood Special Education due to declining student interest in the program. There are currently zero (0) students enrolled in this program. Closure of this program will allow the institution to better direct resources to programs with greater potential for growth. No phase-out-period is required given that there are no students enrolled in the program.

SHSU: Change in Program Delivery — Ed.D. in Curriculum and Instruction

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to offer the Ed.D. in Curriculum and Instruction degree program, located in the School of Teaching and Learning within the College of Education, via 100% online modality as of September 1, 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The School of Teaching and Learning and College of Education (COED) at Sam Houston State University researched the modality of doctoral programs at similar institutions and institutions within a 50-mile radius of SHSU's Huntsville campus. The results of the research indicated that competing programs are fully online. Therefore, to remain competitive as an Ed.D. in Curriculum and Instruction in the educational space, the School of Teaching and Learning in the COED needs to move the program to a 100% online modality. Furthermore, additional data from program inquiries reveal student preference is for an online program. The change in modality expands access to the program and will allow for an increase in student enrollment in the program.

SHSU: Change the General Education Core Curriculum

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to implement, in accordance with the Texas Education Code and the rules and regulations for the Texas Higher Education Coordinating Board, the following changes to its General Education Core Curriculum course requirements effective Fall 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board:

- 1) To add BIOL 1406: General Biology I to Component Area III: Life and Physical Sciences;
- 2) To add BIOL 1407: General Biology II to Component Area III: Life and Physical Sciences; and
- 3) To add MCOM 1307: Introduction to Digital Social Media to Component Area VIII: Social and Behavior Sciences.

Explanation

In accordance with Texas Education Code §§61.821 – 61.832, each institution of higher education that offers an undergraduate academic degree program shall design and implement a core curriculum, including specific courses composing the curriculum, of no less than 42 lower-division semester credit hours. Through the Texas Core Curriculum (TCC), students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

The addition of the courses, BIOL 1406 General Biology I and BIOL 1407 General Biology II, expands the offerings within Core Component III: Life and Physical Sciences, providing students with the opportunity through a two-part series to be introduced to the principles of biology with an emphasis on cell and molecular biology and genetics, as well as biological diversity, evolution, and ecology.

The addition of the course, MCOM 1307 Introduction to Digital Social Media, serves to expand the offerings within Component Area VIII: Social and Behavior Sciences, empowering students with the knowledge and skills necessary to navigate the dynamic media landscape effectively while applying strategic communication perspectives in comprehending the adoption and strategic use of social and emerging media.

As per Texas Higher Education Coordinating Board rule, each Texas public institution of higher education may submit one comprehensive request per year to change its Texas Core Curriculum. Therefore, Sam Houston State University respectfully submits the above course additions to expand student options within the core.

SHSU: Degree Program Title Change — Master of Arts in Special Education

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to change the title of the Master of Arts in Special Education degree program, housed within the School of Teaching and Learning within the College of Education, to the Master of Arts in Applied Behavior Analysis degree program, to be implemented September 1, 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board:

Explanation

The School of Teaching and Learning faculty requests permission to change the title of the Master of Arts in Special Education degree program to the Master of Arts in Applied Behavior Analysis with an implementation date of September 1, 2024. The name change will better reflect the content of the program and more closely align with the discipline's accreditation standards. Though many courses cover topics related to individuals with low incidence disabilities and/or Autism, all content is behavior analytic and provides the foundation for national board certification and state licensure. The title change will benefit students by accurately representing their area of expertise, coursework content, and knowledge when they list their degree(s) and credentials.

SHSU: Semester Credit Hour (SCH) Change Request — Bachelor of Science in Electronics and Computer Engineering Technology

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to increase the semester credit hours (SCH) for the Bachelor of Science in Electronics and Computer Engineering Technology, housed in the Department of Engineering Technology within the College of Science and Engineering Technology, from 122 to 124, to be implemented September 1, 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The Bachelor of Science in Electronics and Computer Engineering Technology (ECET) is a program that necessitates a comprehensive curriculum encompassing aspects from both Electrical/Electronic Engineering Technology and Computer Engineering Technology disciplines. Accreditation for this program is overseen by the Accreditation Board of Engineering and Technology (ABET), which mandates evaluations from both the Engineering Technology Accreditation Commission (ETAC) and the Computer Accreditation Commission (CAC). Consequently, required curriculum must adhere to the requirements set forth by both commissions.

To align with the requirements of these commissions, and to address student survey and graduate exit survey feedback, the Department of Engineering Technology has identified two necessary curriculum revisions that result in an overall increase of 2 semester credit hours (SCH) for the program. The proposed revisions include the addition of a 1 SCH course, ETEC 4199 Senior Design I, and an increase to the required credits for ETEC 1010 Engineering Foundations from 1 to 2 SCHs.

The addition of ETEC 4199 Senior Design I (1 SCH) aims to provide students with enhanced preparation for proposal development, leading to more efficient and successful senior design project implementation. In addition, requiring students to take one (1) additional SCH of ETEC 1010 Engineering Foundations will better prepare students for the necessary digital software applications (MATLAB, Simulink, MS Excel) in the discipline.

SHSU: Semester Credit Hour (SCH) Change Request — Master of Business Administration

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to decrease the semester credit hours (SCH) for the Master of Business Administration degree program, housed within the College of Business Administration, from 36 to 30, to be implemented September 1, 2024, upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board.

Explanation

The College of Business Administration (COBA) at Sam Houston State University requests to decrease the minimum semester credit hours (SCH) for the Master of Business Administration (MBA) degree program from 36 to 30. While this will not impact the existing, online MBA degree program, which will remain at 36 SCHs, the SCH decrease will allow for the flexibility to implement 30 SCH, specialized tracks within the MBA degree program. One such proposed track will be an in-person / on-campus, accelerated track which could be completed in one calendar year. This accelerated track, being in-person, will also allow for the enrollment of international students which will expand our target student population. In addition to proposing the accelerated degree program track, the COBA faculty are working with the SHSU College of Medicine to develop an MBA program track specifically designed for medical students. This streamlined, 30 SCH program track would be a better fit in such a dual degree program than our current 36 SCH program.

SRSU: Program Modification for the Master of Education General in Alpine

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to revise the Master of Education General degree in Alpine to reduce the credit-hours requirement from 33 to 30 and to remove the EDUA 5319 School Law requirement. These revisions will be effective Fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

The purpose of the proposed changes in the MEd General in Alpine is to be competitive with other programs at SRSU and other Education master's programs in institutions of higher education that have 30-hour programs, and to remove EDUA 5319 School Law because it is a specialized course for those who are pursuing a degree in Education Leadership. These changes will make the MEd General in Alpine more attractive to students.

Existing Program (33 Credit Hours):

1. Required Courses: 15 credit hours
 - a. EDUA 5307 Graduate Research
 - b. EDUA 5317 History, Philosophy and Trends in Education
 - c. EDUA 5319 School Law
 - d. EDUA 5316 Multicultural Perspectives in Education
 - e. EDUA 6308 Advanced Human Growth and Development
2. Area of Specialization: 18 credit hours in 5@, 6@, or 7@

New Program (30 Credit Hours):

1. Required Courses: 12 credit hours
 - a. EDUA 5307 Graduate Research
 - b. EDUA 5317 History, Philosophy and Trends in Education
 - c. EDUA 5316 Multicultural Perspectives in Education
 - d. EDUA 6308 Advanced Human Growth and Development
2. Area of Specialization: 18 credit hours in 5@, 6@, or 7@

SRSU: Program Modification for the Master of Education General in Rio Grande College

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to revise the Master of Education General degree in Rio Grande College (RGC) to reduce the credit-hours requirement from 33 to 30 and to remove the EDSR 5319 School Law requirement. These revisions will be effective Fall 2024 upon final approval of the TSUS Board of Regents, the Texas Higher Education Coordinating Board, and the Southern Association of Colleges and Schools Commission on Colleges.

Explanation

The purpose of the proposed changes in the MEd General in RGC is to be competitive with other programs at SRSU and other Education master's programs in institutions of higher education that have 30-hour programs, and to remove EDSR 5319 School Law because it is a specialized course for those who are pursuing a degree in Education Leadership. These changes will make the MEd General RGC more attractive to students.

Existing Program (33 Credit Hours):

1. Required Courses: 15 credit hours
 - a. EDSR 5307 Graduate Research
 - b. EDSR 5317 History, Philosophy and Trends in Education
 - c. EDSR 5319 School Law
 - d. EDSR 5316 Multicultural Perspectives in Education
 - e. EDSR 6308 Advanced Human Growth and Development
2. Area of Specialization: 18 credit hours in 5@, 6@, or 7@

New Program (30 Credit Hours):

1. Required Courses: 12 credit hours
 - a. EDSR 5307 Graduate Research
 - b. EDSR 5317 History, Philosophy and Trends in Education
 - c. EDSR 5316 Multicultural Perspectives in Education
 - d. EDSR 6308 Advanced Human Growth and Development
2. Area of Specialization: 18 credit hours in 5@, 6@, or 7@

TXST: Add Online Distance Education Programs

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to offer several existing bachelor's and master's degrees via distance education.

Explanation

Offering the degrees listed below online will allow Texas State to provide access to high-quality educational offerings to students throughout Texas and the U.S. Distance delivery can also reduce a student's financial burden by reducing transportation and/or relocation costs:

- Bachelor of Applied Arts and Sciences degree with a major in Applied Arts and Sciences (Aviation Science Concentration)
- Bachelor of Arts degree with a major in Communication Studies
- Bachelor of Arts degree with a major in Psychology
- Bachelor of General Studies degree with a major in Integrated Studies
- Bachelor of Public Administration degree with a major in Public Administration
- Bachelor of Science degree with a major in Education (Applied Bilingual/Biliteracy Education; Teacher Certification in Early Childhood through Grade Six Core Subjects with Bilingual-Spanish; Instructional Aide Pathway)
- Bachelor of Science degree with a major in Education (Applied Elementary Education; Teacher Certification in Early Childhood through Grade Six Core Subjects with English as a Second Language; Instructional Aide Pathway)
- Bachelor of Science degree with a major in Education (Applied Special Education; Teacher Certification in Special Education; Early Childhood through Grade Twelve; Instructional Aide Pathway)
- Bachelor of Science degree with a major in Public Health
- Master of Accountancy degree with a major in Accounting (Auditing and Analytics Concentration)
- Master of Accountancy degree with a major in Accounting (Professional Accounting and Reporting Concentration)
- Master of Accountancy degree with a major in Accounting (Taxation Concentration)
- Master of Business Administration degree with a major in Business Administration (General Flex Non-thesis Concentration)
- Master of Business Administration degree with a major in Business Administration (General Flex Thesis Concentration)

- Master of Education degree with a major in Elementary Education (Teaching and Transforming Advanced and Gifted Education)
- Master of Education degree with a major in Special Education (Learning and Behavioral Disabilities Concentration)
- Master of Education degree with a major in Secondary Education (Educational Technology Concentration)
- Master of Education degree with a major in Secondary Education (Creativity, Talent, and Transformation)
- Master of Education degree with a major in Special Education (Learning and Behavioral Disabilities)
- Master of Healthcare Administration degree with a major in Healthcare Administration (Executive Concentration)
- Master of Long Term Care Administration degree with a major in Long Term Care Administration
- Master of Music degree with a major in Music Education
- Master of Public Health degree with a major in Public Health (Community Health & Behavior Concentration)
- Master of Public Health degree with a major in Public Health (Health Policy and Management Concentration)
- Master of Science degree with a major in Computer Science
- Master of Science degree with a major in Criminal Justice (Executive Concentration)
- Master of Science degree with a major in Engineering Management (Industrial Management Non-thesis Option)
- Master of Science degree with a major in Engineering Management (Manufacturing Management Concentration)
- Master of Science degree with a major in Exercise Science (Sport Coaching Concentration)
- Master of Science in Recreation and Leisure Services degree with a major in Recreation and Sport Management (Non-thesis Concentration)
- Master of Science in Recreation and Leisure Services degree with a major in Recreation and Sport Management (Thesis Concentration)
- Master of Science in Recreation and Leisure Services degree with a major in Recreational Therapy (Non-thesis Concentration)
- Master of Science in Recreation and Leisure Services degree with a major in Recreational Therapy (Thesis Concentration)

TXST: Add a Graduate Certificate in Environmental Leadership, Engagement, and Ethics

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to add a new graduate certificate in Environmental Leadership, Engagement, and Ethics.

Explanation

Texas State University proposes a graduate certificate in Environmental Leadership, Engagement, and Ethics. The purpose of the proposed graduate certificate is to prepare students for specialized roles in waste recovery and State Forest Services, as well as parks and recreation. Working professionals have highlighted the need for graduates with experience in these areas, and the proposed certificate would meet the post-graduate educational opportunities in environmental leadership, engagement, and ethics.

Required Courses

Foundational Courses	3
<u>PHIL 5323</u> Environmental Ethics	
Elective in Cultural Dimensions of Environmental Leadership	3
<u>PHIL 5360J</u> Environmental Justice	
or <u>PHIL 5360I</u> Biocultural Ethics In The Edwards Plateau Ecoregion	
Elective in Environmental Engagement and Leadership	3
<u>PHIL 5361N</u> Field Environmental Philosophy	
or <u>PHIL 5361O</u> Engaged Ecology	
or <u>PHIL 5395</u> Internship in Applied Philosophy	
Additional Elective	3
Choose 3 hours from the following:	
<u>PHIL 5360J</u> Environmental Justice	
<u>PHIL 5360I</u> Biocultural Ethics In The Edwards Plateau Ecoregion	
<u>PHIL 5360K</u> Ecofeminism	
<u>PHIL 5360L</u> Climate Justice	
<u>PHIL 5360M</u> Animal Ethics	
<u>PHIL 5361M</u> Environmental Ethics and Artificial Intelligence	
<u>PHIL 5361N</u> Field Environmental Philosophy	
<u>PHIL 5361O</u> Engaged Ecology	
<u>PHIL 5361P</u> Technology and the Environment	
<u>PHIL 5361Q</u> Philosophy of Energy	
<u>PHIL 5363C</u> Colonialism and the Environment	
<u>PHIL 5362C</u> The Land Ethic and Beyond	
<u>PHIL 5363B</u> Environmental Aesthetics	
<u>PHIL 5395</u> Internship in Applied Philosophy	
Total Hours	12

TXST: Add a Graduate Certificate in Ethics and Digital Technologies

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to add a new graduate certificate in Ethics and Digital Technologies.

Explanation

Texas State University proposes a graduate certificate in Ethics and Digital Technologies. The focus of the proposed graduate certificate will be concerns about the ethical implications of emerging technologies. From data mining to surveillance, to virtual and augmented realities and artificial intelligence, digital technologies are already remaking work, entertainment, law, art, and education. Dialogue with participants and alumni from our MA and Professional Ethics programs; inquiries from professional groups, employers, and individuals working in digital technologies; and our Academic Program Review self-study suggest significant interest in a post-graduate program focused on the ethical aspects of emerging technologies and their impact on society. Therefore, the proposed graduate certificate will meet the need for professionals who specialize in ethics and digital technologies.

Required Courses

Foundational Courses	3
<u>PHIL 5303</u> Philosophy of Technology	
Electives	9
<u>PHIL 5360N</u> Philosophical Dimensions of Intelligent Machines and Human Work	
<u>PHIL 5361E</u> Philosophy and Ethics in Virtual Reality	
<u>PHIL 5361F</u> Philosophy and Ethics of Artificial Intelligence	
<u>PHIL 5361G</u> Philosophy of Data, Internet, and Society	
<u>PHIL 5361I</u> Ethics in Virtual Reality and Augmented Reality	
<u>PHIL 5361J</u> Machine Ethics	
<u>PHIL 5361K</u> Philosophy and Ethics of Virtual Beings	
<u>PHIL 5361L</u> Ethics of Care Robots	
<u>PHIL 5361M</u> Environmental Ethics and Artificial Intelligence	
<u>PHIL 5363A</u> Philosophy and Science Fiction	
Total Hours	12

TXST: Add a Graduate Certificate in Professional Spanish

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to add a new graduate certificate in Professional Spanish.

Explanation

Texas State University proposes a graduate certificate in Professional Spanish. This proposed certificate is intended for students who wish to gain targeted, graduate-level instruction and practice in professional Spanish contexts without having to complete the MA in Spanish, as well as for those who wish to include the certificate as part of their graduate major or minor. All certificate coursework can be applied to the Spanish MA degree and the graduate Spanish minor. Students in the certificate program will broaden the scope of their scholastic mastery and develop/refine their professional skills, thereby increasing their likelihood of obtaining favorable employment related to their area(s) of expertise. The certificate program will enable larger numbers of students to pursue graduate-level coursework in professional Spanish. In addition, the required professional Spanish internship course (SPAN 5325) contributes to Texas State's goal of increasing experiential learning opportunities for our students. The certificate requires nine semester credit hours of graduate Spanish coursework, including the graduate internship course, which will provide an opportunity for students to apply their academic discipline to a structured external environment while gaining professional experience.

The proposed graduate certificate program is designed to offer graduate students a competitive advantage in the workplace by professionalizing their written and spoken Spanish while preparing them to meet market demands for Spanish-language skills and intercultural sophistication across a variety of career fields, such as international relations, U.S. and global business, healthcare, journalism, mass media, law, foreign service, government agency positions, publishing, social work, instructional design, customer relations, and translation & interpretation. Our graduate translation courses and internships will also help interested students prepare for the American Translators Association (ATA) certification exam.

Required Courses

<u>SPAN 5325</u>	Professional Internship in Spanish	3
Choose one or both of the following:		3-6
<u>SPAN 5323</u>	Translation History and Theory	
<u>SPAN 5324</u>	Applied Translation Methods	
Choose zero or one additional graduate Spanish course		3-0
Total Hours		9

TXST: Add an Undergraduate Certificate in Business Spanish

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to add a new Undergraduate Certificate in Business Spanish

Explanation

Texas State University proposes an Undergraduate Certificate in Business Spanish. The purpose of the proposed undergraduate certificate is to prepare students for using Spanish in business-related fields in the U.S. and internationally. The program's advanced coursework in Business Spanish is designed to provide students a competitive advantage by professionalizing their written and spoken Spanish and Spanish/English skills while helping prepare them to meet market demands for Spanish-language proficiency and intercultural sophistication, particularly pertaining to business and commercial employment contexts.

Required Courses

Testing equivalency or the following:		0-14
<u>SPAN 1410</u> & <u>SPAN 1420</u> & <u>SPAN 2310</u> & <u>SPAN 2320</u>	Beginning Spanish I and Beginning Spanish II and Intermediate Spanish I and Intermediate Spanish II	
<u>SPAN 3307</u> or <u>SPAN 3308</u>	Advanced Composition for Spanish Heritage Speakers Advanced Composition	3
<u>SPAN 3311</u>	Business Spanish I	3
<u>SPAN 3312</u>	Business Spanish II	3
Total Hours		9-23

TXST: Add an Undergraduate Certificate in Professional Spanish

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to add a new Undergraduate Certificate in Professional Spanish

Explanation

Texas State University proposes an Undergraduate Certificate in Certificate in Professional Spanish. The purpose of the proposed undergraduate certificate is to provide students a competitive advantage by professionalizing their written and spoken Spanish while preparing them to meet market demands for Spanish-language skills and intercultural sophistication across a variety of career fields, such as international relations, U.S. and global business, healthcare, journalism, mass media, law, translation, interpretation, foreign service, government agencies, publishing, social work, instructional design, and customer relations.

Required Courses

Testing equivalency or the following:	0-14	
<u>SPAN 1410</u> & <u>SPAN 1420</u> & <u>SPAN 2310</u> & <u>SPAN 2320</u>	Beginning Spanish I and Beginning Spanish II and Intermediate Spanish I and Intermediate Spanish II	
<u>SPAN 3307</u> or <u>SPAN 3308</u>	Advanced Composition for Spanish Heritage Speakers Advanced Composition	3
Choose 6 hours from the following:	6	
<u>SPAN 3311</u> or <u>SPAN 3312</u>	Business Spanish I Business Spanish II	
<u>SPAN 3313</u>	Spanish and Media	
<u>SPAN 3314</u>	Translation Practice and Theory	
<u>SPAN 3315</u>	Spanish for Health Professions	
<u>SPAN 4300</u>	Professional Internship in Spanish	
Total Hours	9-23	

TXST: Change Major Names

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to change the major names in several baccalaureate, master's, and doctoral degree programs.

Explanation

Changing the major names in the following programs will allow for increased competitiveness and consistency with similar programs in Texas:

- Bachelor of Science with a major in Microbiology to a major in Microbiology and Molecular Genetics to reflect the landscape of job opportunities for our graduates.
- Doctor of Education with a major in Developmental Education to a major in Postsecondary Student Success in Learning, Literacy, and Mathematics to align with changes in the field.
- Doctor of Philosophy with a major in Developmental Education to a major in Postsecondary Student Success in Learning, Literacy, and Mathematics to align with changes in the field.
- Doctor of Philosophy with a major in School Improvement to a major in Educational and Community Leadership to align with similar programs in Texas.
- Master of Arts with a major in Developmental Education to a major in Postsecondary Student Success in Learning, Literacy, and Mathematics to align with changes in the field.
- Master of Science in Recreation and Leisure Services with a major in Recreation Management to a major in Recreation and Sport Management to align with similar programs in Texas.
- Master of Science in Recreation and Leisure Services with a major in Therapeutic Recreation to a major in Recreational Therapy due to job market and discipline changes.

TXST: Change the Bachelor of Exercise and Sports Science

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to change the degree title for the Bachelor of Exercise and Sports Science major in Exercise and Sports Science to a Bachelor of Science major in Exercise and Sports Science.

Explanation

Texas State University proposes a change to the degree title for the undergraduate Exercise and Sports Science program.

The Department of Health and Human Performance seeks to move to a widely recognized degree designation in the Exercise and Sports Science field. This change will make the program more appealing and recognizable to employers, graduates, and current students.

TXST: Delete the Graduate Certificate in Intelligence Analysis

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to delete the graduate certificate in Intelligence Analysis.

Explanation

The Department of Criminal Justice and Criminology seeks to discontinue the Certificate in Intelligence Analysis due to low enrollment and faculty changes.

The five students currently enrolled in the certificate will be notified of the intent to delete the certificate upon approval. Students will be allowed to complete the program as the courses needed are still available. The program will be closed as of Fall 2024.

TXST: Delete the Master of Arts Degree with a Major in Biology

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

Texas State University be authorized to delete the Master of Arts Degree with a
major in Biology.

Explanation

The Department of Biology seeks to discontinue the M.A. degree with a major in Biology due to
low enrollment.

There are no students currently enrolled in this graduate program. The program will be closed
as of Fall 2024.

TXST: Delete the Undergraduate Certificate in Computer Information Systems

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

Texas State University be authorized to delete the undergraduate certificate in
Computer Information Systems.

Explanation

With faculty involvement, the certificate in Computer Information Systems with the Department of Information Systems and Analytics is being phased out due to low enrollment.

The five students currently enrolled in the certificate have been notified of the intent to delete the certificate. Students will be allowed to complete the program as the courses needed are still available. The program will be closed as of Fall 2025.

TXST: Reduce the Semester Credit Hour Degree Requirements

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to reduce the semester credit hour requirements in several existing bachelor's, master's, and doctoral degree programs.

Explanation

Reducing the semester credit hour (SCH) requirements in the following programs will allow for increased competitiveness, consistency with similar programs in Texas, and reduce student financial burden:

- Doctor of Philosophy degree with a major in Adult, Professional, and Community Education from 63 to 60 SCH by reducing the number of elective SCH from nine to six.
- Doctor of Philosophy degree with a major in Materials Science, Engineering, and Commercialization (Entering with a master's degree) from 55 to 51 SCH by reducing the required SCH from eight to four.
- Master of Arts degree with a major in Adult, Professional, and Community Education (Adult English as a Second Language Concentration, Non-thesis Option) from 36 to 33 SCH by reducing the elective SCH by reducing elective SCH from three to zero.
- Master of Arts degree with a major in Adult, Professional, and Community Education (Workplace, Community, and Continuing Education Concentration, Non-thesis Option) from 36 to 30 SCH by reducing the elective SCH from six to zero.
- Master of Arts degree with a major in Adult, Professional, and Community Education (Workplace, Community, and Continuing Education Concentration, Thesis Option) from 39 to 36 SCH by reducing the elective SCH from three to zero.
- Master of Education degree with a major in Educational Leadership (Principal Certification Concentration) from 36 to 30 SCH by reducing the required course SCH from 36 to 30.
- Master of Education degree with a major in Educational Technology from 36 to 30 SCH by reducing the required elective SCH from 12 to six.
- Master of Education degree with a major in Secondary Education from 36 to 30 SCH by removing the required 12 SCH minor, increasing required course SCH from 18 to 21, and increasing required elective SCH from six to nine.
- Master of Education degree with a major in Secondary Education (Education Technology Concentration) from 39 to 30 SCH by removing the required 12 SCH minor and increasing the required elective SCH from three to six SCH.

- Master of Education degree with a major in Secondary Education (Teacher Recruitment Program) from 36 to 30 SCH by reducing required course SCH from 24 to 21 and reducing the required elective SCH from nine to six.
- Master of Education degree with a major in Secondary Education (Teaching Certification CMED Concentration) from 36 to 30 SCH by reducing required course SCH from 24 to 21, removing the required 12 SCH minor, and adding six required elective SCH.
- Master of Healthcare Administration degree with a major in Healthcare Administration (Non-thesis Option) from 49 to 42 SCH by reducing required course SCH from 43 to 36 and increasing required internship/practicum SCH from six to eight.
- Master of Healthcare Administration degree with a major in Healthcare Administration (Thesis Option) from 49 to 40 SCH by reducing required course SCH from 49 to 40.
- Master of Science degree with a major in Biology (Non-thesis Minor Option) from 45 to 36 SCH by reducing required elective SCH from 27 to 18.
- Master of Science degree with a major in Biology (Non-thesis Option) from 45 to 36 SCH by reducing required elective SCH from 39 to 30.
- Master of Science degree with a major in Public Health Education and Promotion (Health Equity, Non-thesis Option) from 36 to 30 by reducing required elective SCH from 12 to six.
- Master of Science degree with a major in Public Health Education and Promotion (Non-thesis Option) by reducing required elective SCH from nine to three.
- Master of Science degree with a major in Public Health Education and Promotion (Thesis Option) by reducing required elective SCH from nine to three.

LIT: Revision of Associate of Applied Science and Level I Certificate in Real Estate

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar Institute of Technology (LIT) be authorized to submit revisions to the Associate of Applied Science and the Certificate of Completion in Real Estate, to be implemented upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board. The award will be effective Fall 2024.

Explanation

Upon the recommendation of the Real Estate advisory committee, the Associate of Applied Science and Level I Certificate in Real Estate are being updated to prepare students to meet the requirements of the Texas Real Estate Commission and prepare graduates for the pursuit of a broker license.

ADD:

RELE 2331 Real Estate Brokerage

DELETE:

RELE 1315 Property Management

LIT: Revision of Associate of Applied Science in Diagnostic Cardiac Sonography

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar Institute of Technology (LIT) be authorized to submit revisions to the Associate of Applied Science (AAS) in Diagnostic Cardiac Sonography, to be implemented upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board. The award will be effective Fall 2024.

Explanation

Diagnostic Cardiac Sonography AAS is being updated with a decrease in contact hours for the clinical courses to align with national standards and Joint Review Committee on Education in Diagnostic Medical Sonography (JRC-DMS) external accreditor recommendations. Practicums are being replaced with clinical courses to align with Workforce Education Course Manual definitions of clinical/practicum courses.

Add:	DSAE 1360 Clinical I	3:0:18
	DSAE 2262 Clinical II	2:0:16
	DSAE 2362 Clinical III	3:0:18
Delete:	DSAE 1364 Practicum I	3:0:24
	DSAE 1264 Practicum II	2:0:20
	DSAE 2365 Practicum III	3:0:24

LIT: Revision of Associate of Applied Science in Diagnostic Medical Sonography

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Lamar Institute of Technology (LIT) be authorized to submit revisions to the Associate of Applied Science (AAS) in Diagnostic Medical Sonography, to be implemented upon final approval by the TSUS Board of Regents and the Texas Higher Education Coordinating Board. The award will be effective Fall 2024.

Explanation

Diagnostic Medical Sonography AAS is being updated with a decrease in contact hours for the clinical courses to align with national standards and Joint Review Committee on Education in Diagnostic Medical Sonography (JRC-DMS) external accreditors recommendations. Practicums are being replaced with clinical courses to align with Workforce Education Course Manual definitions of clinical/practicum courses.

TSUS: Out-of-State/Out-of-Country Course Offerings

Recommendation

The proposed Out-of-State/Out-of-Country Course Offerings for the following Texas State University System components be approved.

Background

In accordance with the *System Rules and Regulations, Chapter III, Section 1.(10) Curriculum Matters, Subsection 1.(10)6 Out-of-state course offerings* shall be submitted to the Board of Regents for approval.

Lamar University

Out-of-Country Study Abroad and Student Exchange Report

Spring 2024

Location: Liverpool, England
Course Number and Title: MGMT 4390—Special Topics in Management; CMGT Special Topics in Construction Management; BUSI 5380 Global Enrichment
Dates of Travel: December 9 – December 23, 2023 (Spring 2024)
Instructor: Prof. Melinda Nelson, Instructor, Business
Credit for Course: 3 Semester Credit Hours

Location: Liverpool, England
Course Number and Title: CMGT Special Topics in Construction Management
Dates of Travel: December 9 – December 23, 2023 (Spring 2024)
Instructor: Prof. Melinda Nelson, Instructor, Business
Credit for Course: 3 Semester Credit Hours

Location: Liverpool, England
Course Number and Title: BUSI 5380 Global Enrichment
Dates of Travel: December 9 – December 23, 2023 (Spring 2024)
Instructor: Prof. Melinda Nelson, Instructor, Business
Credit for Course: 3 Semester Credit Hours

Summer 2024

Location: China
Course Number and Title: MGMT 4390—Special Topics in Management
Dates of Travel: May 24 – June 3, 2024 (Summer I)
Instructor: Dr. John McCollough, Professor, Business
Credit for Course: 3 Semester Credit Hours

Location: China
Course Number and Title: CMGT Special Topics in Construction Management
Dates of Travel: May 24 – June 3, 2024 (Summer I)
Instructor: Dr. John McCollough, Professor, Business
Credit for Course: 3 Semester Credit Hours

Location: China
Course Number and Title: BUSI 5380 Global Enrichment
Dates of Travel: May 24 – June 3, 2024 (Summer I)
Instructor: Dr. John McCollough, Professor, Business
Credit for Course: 3 Semester Credit Hours

Location: Dubrovnik, Croatia
Course Number and Title: CRIJ 4313 International Perspectives on Justice
Dates of Travel: May 9 – May 27 (May Mini)
Instructor: Dr. Kirstie Boyett, Assistant Professor of Criminal Justice
Credit for Course: 3 Semester Credit Hours

Location: Dubrovnik, Croatia
Course Number and Title: CRIJ 5313 International Perspectives on Justice
Dates of Travel: May 9 – May 27 (May Mini)
Instructor: Dr. Kirstie Boyett, Assistant Professor of Criminal Justice
Credit for Course: 3 Semester Credit Hours

Location: Belmopan, Belize
Course Number and Title: BIOL 4452 Tropical Marine Biology
Dates of Travel: June 1 – June 13, 2024 (Summer I)
Instructor: Dr. Matthew Hoch, Assistant Professor, Biology
Credit for Course: 4 Semester Credit Hours

Location: Belmopan, Belize
Course Number and Title: BIOL 4432 Tropical Terrestrial and Watershed Biology
Dates of Travel: June 1 – June 13, 2024 (Summer I)
Instructor: Dr. Matthew Hoch, Assistant Professor, Biology
Credit for Course: 4 Semester Credit Hours

Location: Belmopan, Belize
Course Number and Title: BIOL 5452 Graduate Tropical Marine Biology
Dates of Travel: June 1 – June 13, 2024 (Summer I)
Instructor: Dr. Matthew Hoch, Assistant Professor, Biology
Credit for Course: 4 Semester Credit Hours

Location: Belmopan, Belize
Course Number and Title: BIOL 5432 Graduate Tropical Terrestrial and Watershed Biology
Dates of Travel: June 1 – June 13, 2024 (Summer I)
Instructor: Dr. Matthew Hoch, Assistant Professor, Biology
Credit for Course: 4 Semester Credit Hours

Location: Nova Scotia, Canada
Course Number and Title: DSDE 4350 Deaf Studies: International Art
Dates of Travel: July 29 – August 7 (Summer II)
Instructor: Dr. Zanthia Smith, Associate Professor; Douglas Williams, Asst Professor
Credit for Course: 3 Semester Credit Hours

Location: London, England; Vienna, Austria; Amsterdam, The Netherlands
Course Number and Title: non-credit bearing
Dates of Travel: May 13 – May 23
Instructor: Dr. Stacey Knight, Associate professor, Nursing
Credit for Course: 0 Semester Credit Hours

Spring Semester Exchange Programs

- 1 Exchange Student at Rennes School of Business- France
- 1 Exchange Student at Zepplin University- Germany

Sam Houston State University

Faculty-Led Study Abroad 2024 Addendum

Sam Houston State University requests to expand the course options for the following 2024 Faculty-Led Study Abroad programs previously approved by the Board.

Location: Costa Rica: Santa Ana
Course Number and Title: WOLC 3061: Individual Readings - Costa Rican History and Culture
Dates of Travel: June 1 – June 27, 2024
Instructor: Dr. Rosti Vana
Credit for Course: 3

Location: Costa Rica: Santa Ana
Course Number and Title: SPAN 4075: Individual Readings in Spanish - Costa Rican Spanish
Dates of Travel: June 1 – June 27, 2024
Instructor: Dr. Rosti Vana
Credit for Course: 3

Location: France: Aix-en-Provence
Number and Title: FREN 4075: Individual French Readings - French Language and Culture
Dates of Travel: June 3– June 27, 2024
Instructor: Drs. Kristen Kennedy Terry & Miriam Akoto
Credit for Course: 3

Texas State University

Out-of-State Programs for Summer 2024

Location:	Washington, D.C., USA
Course Number and Title:	PA 3301: Political Institutions and Public Service
Dates of Travel:	June 9, 2024 – June 15, 2024
Instructor:	Dr. Helen Lowman

Texas State University

Out-of-Country Programs for Summer 2024

Location: Paris, France
Course Number and Title: MC 4310 International Communication
Dates of Travel: July 22, 2024 – August 2, 2024
Instructor: Jenny Buschhorn

Location: London, England and Cardiff, Wales and Edinburgh, Scotland
Course Number and Title: MC 4310 International Communication
MC 5342 Global Media Systems
MC 5343 Global Strategic Communication Practices
Dates of Travel: June 10, 2024 – June 21, 2024
Instructor: Jennifer Scharlach

SHSU: Exemption for LEMIT students

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to provide an exemption from designated tuition, mandatory fees, and online fee for students solely co-enrolled in the Bill Blackwood Law Enforcement Management Institute of Texas (LEMIT) Leadership Command College (LCC) and the corresponding SHSU course:

Explanation

Created by the Texas Legislature in 1989, LEMIT is one of the largest and most highly esteemed statewide preparation programs for police management in the United States and is nationally recognized for its initiatives to develop the administrative, analytical, and executive skills of current and future law enforcement officials.

Housed as a part of SHSU, LEMIT provides continuing education opportunities to all Texas Police Chiefs and Constables and leadership and management courses for emerging leaders among other cutting-edge research and best practices training including the Leadership Command College (LCC). LCC is a series of trainings that are required at no cost to the individuals or departments under Texas Education Code § 96.641 for all police chiefs.

This training has been reviewed to ensure that it meets the instructional and academic rigor of corresponding SHSU classes. Co-enrollment in SHSU programs provides learners with the ability to earn college credit and make progress toward a credential of value while satisfying their regulatory training requirements. To the extent allowed by law, these individuals are already eligible for the Peace Officer exemption for tuition and laboratory fees under Texas Education Code §54.3531.

The proposed exempted fees are institutional services, student service, student center, recreational sports, medical, intercollegiate athletic, and online fee.

TXST: Establish Cost for Students Participating in the Alternative Teacher Certification Program

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Texas State University be authorized to set designated tuition to \$2,900 for a block of 15 Semester Credit Hours (SCH) and to waive the mandatory fees for students participating in the alternative teacher certification program.

Explanation

The alternative teacher certification program is only open to students who already have a bachelor's degree and want to become a licensed teacher in Texas. The State of Texas continues to face challenges in providing adequate teaching staff for K-12 and our ability to produce licensed teachers through this expedited program will help to address the need.

The total cost of 15 SCH of courses required to apply for the alternative teachers' license will be a \$4,400 flat fee paid up front (\$2,900 of which is the designated tuition set by this motion along with statutory tuition and the graduate increment), though the classes may be taken over several semesters. Although these are all credit-bearing courses, Texas State will not award any degree or certificate upon completion of this program. The President will determine detailed policies for implementation of this program.

TXST: Shuttle Service Operations and Maintenance

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

A contract for operations and maintenance for fixed route bus services commencing on August 23, 2024, with Transdev Services, be approved in an amount not to exceed \$110,000,000 over the life of the contract.

Explanation

Parties to the Contract:	Texas State University and Transdev Services
Subject Matter of the Contract:	Texas State University Shuttle Services.
Purpose:	The contract's primary purpose is to oversee and manage a Federally compliant fixed bus route service operation. The Contractor's key responsibilities encompass operating the bus service, recruiting and training drivers, managing dispatch and street supervision, providing customer service support, overseeing maintenance of buses and related equipment, and maintaining an operations and maintenance facility which includes the necessary management and administrative staff. The current contract between Texas State University and Transdev Services will expire in August 2024. An RFP was conducted and five national transit providers submitted proposals which were duly considered before deciding to negotiate this new contract with Transdev.
Contract Value:	Cost projection of \$80-110 million throughout the life of the contract, including renewals.
Duration:	Seven-year term with five optional one-year renewal terms, by Amendment only.
Amendments:	N/A
Source of Funding:	Student Bus Fee and Federal Transit Funds
Review Statement:	Texas State affirms that prior to its execution, the contract will be submitted for review and approved by The Texas State University System Vice Chancellor and Chief Financial Officer and approved as to legal form by the Texas State University System Vice Chancellor and General Counsel.

Compliance Statement:

Texas State University verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

TSUS: INFORMATIONAL: Operating Budget Adjustments

The Texas State University System Rules and Regulations (Chapter III, Paragraph 1.31) requires adjustments to the annual operating budgets be presented to the Board of Regents on a semi-annual basis.

TSUS: INFORMATIONAL: Status of Implementation of Audit and Compliance Recommendations

Texas Government Code 2102.015 requires a detailed summary of audit results and action plans to be posted and periodically updated on the internet. The *International Standards for the Professional Practice of Internal Auditing* require the Chief Audit Executive to establish and maintain a system to monitor and report on the disposition of audit results (recommendations). The following report provides information to the Board relating to management's action plans for implementing audit recommendations and satisfies requirements imposed by the Texas Government Code and the auditing standards.

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING
STATUS OF IMPLEMENTATION OF AUDIT AND COMPLIANCE RECOMMENDATIONS FOR REPORTS ISSUED THROUGH MARCH 2024**

Report	Recommendations	Management’s Most Current Response	Status (*)
--------	-----------------	------------------------------------	------------

(*) Status Categories: Implemented; Verification of Implementation in Progress; In Progress; Planned; Factors Delay Implementation; Management Does Not Plan to Implement Recommendation

ITEMS PRESENTED IN RED ARE FROM AUDIT REPORTS ISSUED PRIOR TO MARCH 31, 2023

This report fulfills the statutory reporting requirements of Texas Government Code 2102.015 (d) and (e).

LAMAR UNIVERSITY			
Financial Aid Banner Logical Access Controls Audit, April 2023	<p>Issues, recommendations, and management action plans for this audit are actively being addressed. The details are not presented here due to exemptions allowed for information that relates to computer network security or to the design, operation, or defense of a computer network (Texas Government Code 552.139).</p> <p>There is one audit recommendation outstanding from this audit. The status for this item is: Verification of Implementation in Progress, with an implementation date of February 9, 2024.</p>		
Athletic Sponsorship Agreements, April 2023	<ul style="list-style-type: none"> • Ensure that job descriptions formally designate the employee(s) who will be responsible for securing sponsorship agreements as well as the employee(s) who will review and approve agreements. • Ensure that sponsorship agreements are properly executed by University management with delegated signatory authority by using required contracting processes in place at the University. • Implement a process that includes working with Finance and other appropriate departments to ensure the proper valuation and reporting of sponsorships in the Statement of Athletic Revenues and Expenses and in the NCAA Financial Reporting System. • Implement processes with appropriate segregation of duties, supported by documented policies and/or procedures that include, but are not limited to, the following: <ul style="list-style-type: none"> a. Tracking and validating that cash and trade amounts associated with sponsorship agreements are received by the University and that sponsors receive what is due to them. b. Tracking the usage of gift cards or gift certificates provided by sponsors, including maintaining detailed receipts when gift cards or gift certificates are used and including information on receipts of who used the cards and for what purpose. c. Ensuring the usage of gift cards or gift certificates is in compliance with existing 	<p>A multi-faceted approach will be necessary to adequately secure, manage and measure all aspects of sponsorship agreement activities. The action items presented here are not necessarily stack-ranked, but rather highly interconnected and dependent on other elements within the plan. This list may grow and/or become more defined as additional best practice insight is collected through external benchmarking activities:</p> <ol style="list-style-type: none"> 1. Full Reconciliation of Sponsorship Revenues and Fulfilment Costs – An immediate component to this action plan includes a full reconciliation of all sponsorship agreement expectations with recorded revenues and expenses to ensure accuracy and completeness of current records. Additional reconciliations will be performed throughout the remainder of the current fiscal year until the additional action plan items are fully deployed. Given prior outsourcing of corporate sponsorship activities, some additional work is necessary to verify arrangements and corresponding financials. Recent staffing changes have created some unanticipated pressure with the reconciliation process. We have identified all active and recently expired sponsorship arrangements and are working through historical data to capture relevant requirements, as well as tie applicable requirements to financial transactions. This will be repeated for new sponsorships until a technical solution is fully implemented, and appropriate tracking procedures are incorporated into the software solution. 	<p>In Progress</p>

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING

	<p>University policy.</p> <p>d. Tracking and monitoring the usage of hotel rooms or other venues provided by sponsors, including for whom the hotel rooms/other venues were reserved, and for what purpose.</p> <p>e. Ensuring cash and trade items received are distributed equitably amongst the different sports.</p>	<p>2. Adjust Staffing Levels and Job Responsibilities – Upon initial review of current staffing levels and responsibilities, as well as some preliminary external benchmarking, it was determined that an additional staff position is necessary to adequately manage sponsorship agreement activities. A job description for this additional staff position was developed simultaneously with an internal review of responsibilities to ensure coverage of all necessary functions with appropriate segregation of duties. Beginning January 2024, Lamar University Athletics began utilizing Collegiate Sports Connect, a platform designed in part to help college athletic programs identify and interact with top talent and recruit industry professionals to critical positions, in part to identify candidates for this important role. We have narrowed the candidate pool for this position to two finalists and have invited both finalists to campus to meet with various university stakeholders. The final in-person session will conclude on April 10th, 2024 and we will look to extend an offer to the top candidate shortly after.</p> <p>3. Accounting Considerations – A comprehensive review of accounting elements is underway to ensure sponsorship agreement revenues, costs, and applicable valuations are trackable, reportable, and included in various financial reporting documents. To accomplish this, unique fund accounting elements will be used to track and measure sponsorship activities. Going forward, all corporate sponsorship revenue and fulfillment costs will be tracked within the same banner organization (org 60005) for consistency, management, and reporting. Revenues associated with sponsorship arrangements will be tracked in index 560005, while fulfillment and other sponsor-related costs are tracked in index 660005. This will help monitor activity while easily accessing net results of corporate sponsorship efforts and will complement tracking mechanisms we are building into the Sponsor CX solution.</p> <p>4. External Benchmarking – After a preliminary review of intercollegiate athletic departments at comparable higher education institutions, it appears that other</p>	

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING
STATUS OF IMPLEMENTATION OF AUDIT AND COMPLIANCE RECOMMENDATIONS FOR REPORTS ISSUED THROUGH MARCH 2024**

Report	Recommendations	Management’s Most Current Response	Status (*)
		<p>universities have taken a similar path to bring sponsorship agreement activities in-house. Therefore, external benchmarking of exemplar institutions managing sponsorship agreement activities in-house will be conducted to gain insight and inform the development of policies and procedures for Lamar University Athletics. Types of insight include best practices from schools who have proven track records of success in this area, as well as lessons learned from institutions who encountered additional challenges throughout the process. This item is currently planned to fully commence shortly after onboarding the staff position identified above. After a review of existing resources, it was determined an additional tool is necessary to better manage corporate sponsorship arrangements. The software solution identified to effectively manage sponsorship activity is currently scheduled to begin implementation mid-January 2024 and will be implemented by current staff. Reconciliation and tracking mechanisms will be built into the solution to allow current staff to continue to track institutional and sponsor contractual obligations while continuing to build upon the relations we have with our sponsor community. Although this solution required some additional time to secure through IT compliance and procurement channels, we have officially contracted for this solution on March 26, 2024.</p> <p>5. Policies, Procedures, and System Processes – Formal policies and procedures for sponsorship agreement activities will be developed and incorporated into the Lamar University Athletics Policies and Procedures Manual. These policies and procedures will sufficiently address and include the recommendations included within this report, including proper execution of sponsorship agreements and appropriate segregation of duties. Additionally, current system processes available to Lamar University will be evaluated to determine the best option for managing sponsorship agreement activities from an operational perspective.</p> <p>Persons Responsible:</p> <ul style="list-style-type: none"> • Jason Baldwin, Associate Athletic Director / CFO / Strategic Analyst 	

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING
STATUS OF IMPLEMENTATION OF AUDIT AND COMPLIANCE RECOMMENDATIONS FOR REPORTS ISSUED THROUGH MARCH 2024**

Report	Recommendations	Management’s Most Current Response	Status (*)
		<ul style="list-style-type: none"> Note - A position is being developed and filled as described in the above action plan. Once filled, this individual will assume responsibility for certain aspects of the management action plans as listed above. <p>Revised Timetables for Completion: June 30, 2024 (was April 30, 2023) - Full reconciliation of sponsorship revenue and associated fulfillment costs. Repeat periodically throughout the remainder of the current fiscal year until final policies and procedures are developed and deployed. April 30, 2024 (was May 30, 2023) - Develop, search and onboard additional personnel as described in the above action plan. Begin work to identify and establish appropriate accounting elements. June 30, 2024 (was August 30, 2023) - Conduct external benchmarking to identify best practices and lessons learned from other higher education institutions. Use these insights to inform and develop high-quality policies and procedures for Lamar University Athletics. Exploring and defining necessary system processes will be concurrent with this research. June 30, 2024 (was September 1, 2023) - Deploy policies and procedures, including accounting elements and associated tracking mechanisms, concurrent with the beginning of the fiscal year 2024.</p>	
<p>Youth Camps, May 2023</p>	<p><u>Lack of Formal Policies and Procedures</u> Formal policies and procedures should be developed on the youth camp process. The policies and procedures should include comprehensive coverage of all applicable departmental operations and easily accessible to all employees.</p> <p>The policies and procedures should include and address the following:</p> <ol style="list-style-type: none"> Improve worker screening to ensure compliance with policies and state requirements, Enhance the participant waiver and registration process, Establish an oversight policy on third-party sponsored camps contracts, Develop policies and procedures to address safety protocols, and 	<p>A comprehensive and multi-faceted approach is necessary to operationalize these audit recommendations in well-documented policies and procedures for Lamar University. To ensure these recommendations are fully and adequately addressed within the document, the Operations Department will proceed with the following strategic approach:</p> <ol style="list-style-type: none"> External Benchmarking to Identify Best Practices – Lamar University has conducted external benchmarking to evaluate well-developed youth camp policies and procedures of comparable institutions within the State of Texas. (The two primary institutions reviewed include Texas State University and Angelo State University). The policies and procedures in effect for these institutions significantly contributed to the internal analysis and overall development and implementation of enhanced policies and procedures 	<p>Implemented</p>

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING
STATUS OF IMPLEMENTATION OF AUDIT AND COMPLIANCE RECOMMENDATIONS FOR REPORTS ISSUED THROUGH MARCH 2024**

Report	Recommendations	Management’s Most Current Response	Status (*)
	<p>e. Enhance the youth camp contract registration process.</p> <p>a. <u>Non-Compliance on Worker Screening</u></p> <ul style="list-style-type: none"> • The Human Resources department should ensure a complete and accurate list of all camp workers is received from camp sponsors prior to the start of the camps, to include all employees, students, volunteers, and third-parties. • The Human Resources department should ensure all camp workers have completed the child protection training within two years of the start of the camps. • The Human Resources department should ensure timely completion of DSHS reporting for all required camps. • The Human Resources department should ensure all camp workers pass both the criminal background check and sex offender background check within one year of the start of the camps. • The Human Resources department should ensure proper retention of supporting documentation. • Human Resources Policy Number 2.29 <i>Sexual Abuse & Child Awareness Training Policy</i>, section 7 <i>Campus Program for Minors</i> should be updated to include specifics regarding background checks, including completion within one year of the start of the camp and a reference that the check includes both the criminal background check and the sex offender background check. <p>b. <u>Non-Compliance on Participant Registration</u></p> <ul style="list-style-type: none"> • A reconciliation process should be implemented by youth camps to ensure all waiver forms are received and registration fees are collected on registered participants prior to the start of the camp. • All participant waivers should be collected online through a standardized system to ensure consistency across camps. Sponsoring departments 	<p>for Lamar University.</p> <p>2. Development of Comprehensive Policies and Procedures – After significant internal and external analyses and coordination with relevant University stakeholders, Lamar University has developed and implemented a comprehensive handbook to serve as formal policies and procedures for all youth camps, including those sponsored by a third party. These policies and procedures not only address the recommendations presented in the Audit Report, but also cover a wide range of topics and applicable controls to ensure every youth camp is conducted properly while elevating the presence and reputation of Lamar University. Additionally, Lamar University has established a central webpage to serve as a central source of information for youth camps (https://intranet.lamar.edu/employee/internal-services/campus-operations/internal-camp-page.html).</p> <p>3. Training to Prepare Colleges and Departments – In January 2024, Lamar University Event Management Staff began conducting training sessions with applicable University departments to review these policies and procedures, the registration process, and other applicable procedures and resources as provided in the University Youth Camp webpage listed above. Training will be offered regularly, as well as on an as-needed basis to quickly equip new staff with the tools and resources needed to conduct successful youth camps.</p> <p>Person Responsible: Jason Baldwin, Associate Athletic Director /CFO / Strategic Analyst Timetable for Completion: January 15, 2024</p>	

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING

Report	Recommendations	Management’s Most Current Response	Status (*)
	<p>listed in the CA records but the student did not receive aid for the year.</p> <ul style="list-style-type: none"> • <u>Coaching Salaries, Benefits, and Bonuses Paid by the University</u> – As part of testing, the accountants compared and agreed the financial terms and conditions of a sample of coaches’ contracts to the related coaching salaries, benefits, and bonuses recorded by the University and related entities in the Statement during the reporting period. As a result of this testing, one exception was noted. Weaver noted one coach had a salary adjustment in their contract that was not applied correctly. • <u>Additional Agreed Upon Procedures</u> - A variance was noted in the number of student-athletes reported in the NCAA Membership Reporting System (118 students) and the University’s detail of Pell awards (120 students). A variance of \$10,715 was noted in the total value of Pell Grants between the NCAA Membership Reporting System (\$568,046) and the University’s detail of Pell awards (\$578,761). <p>Regarding the Athletics Department’s financial activities:</p> <ul style="list-style-type: none"> • The Statement of Athletic Revenues and Expenses reported revenues and expenditures of \$21,287,614 and \$21,287,614 respectively, for a net zero for the year. • Revenues consisted primarily of (approximate amounts): Student Fees (\$3M), Direct and Indirect Institutional Support (\$15.3M), Guarantees (\$965K), and Contributions (\$961K). Ticket sales across all sports totaled \$347K. • Expenditures consisted primarily of (approximate amounts): Athletic Student Aid (\$6.6M), Coaching and Staff Salaries/Benefits/Bonuses/Severance Payments (\$6.5M), Team Travel (\$1.3M), Equipment, Uniforms, and Supplies (\$1M), Debt Service/Leases/Rental Fees (\$1.6M), Direct Overhead/Administrative Expenses (\$990K), and Indirect Institutional Support (\$1.1M). 		
<p>KVLU Financial Statement Audit, March 2024</p>	<p>The audit is required by the Corporation for Public Broadcasting (CPB). The auditors issued an unmodified (i.e., no exceptions) opinion that the financial statements presented fairly, in all material respects, the respective financial position of KVLU-FM Radio for both fiscal years. For fiscal year 2023, KVLU reported revenues and expenditures of \$530,646 and \$505,095 respectively, for an excess of revenues over expenditures totaling \$25,551. Revenues consisted primarily of (approximate amounts): Community Service Grant funds from CPB (\$89.4K), membership donations (\$70.3K), underwriting and foundation grants (\$107.3K), and University support (\$260.1K). Expenditures consisted primarily of programming and production costs (\$176K), program information costs (\$128.1K), and general and administrative costs (\$163K).</p>

TAC 202 Identification and Authentication Controls Assessment, August 2022	<p>Issues, recommendations, and management action plans for this audit are actively being addressed. The details are not presented here due to exemptions allowed for information that relates to computer network security or to the design, operation, or defense of a computer network (Texas Government Code 552.139).</p> <p>There are four recommendations outstanding from this assessment. The status for these items is:</p> <ul style="list-style-type: none"> ➤ Four recommendations: In Progress, three with revised implementation dates of May 31, 2024 (one was originally April 1, 2023 and two were October 1, 2023), and one with revised implementation date of July 01, 2024 (was July 20, 2023). 		
<p>Senate Bill 20 Required Audit (Follow-up Review), August 2023</p>	<p>Auditor Note: The SHSU Procurement Department provides purchasing and contracting services for SRSU.</p> <p>Fiscal Year 2022 Recommendation A: Procurement should ensure a contract administration/management policy (similar to SHSU’s), SRSU’s contract management policy <i>Contract Administration/Management Policy (PUR-21)</i>, the <i>SRSU Risk Assessment & Contract Monitoring Worksheet Instructions and Procedures</i>, and the associated worksheet meet TSUS CMH 1.6.3 requirements. The procedures should also incorporate the process used to 1) identify contracts that require enhanced monitoring, 2) identify individuals who should be responsible for enhanced contract monitoring, 3) communicate requirements for enhanced contract monitoring to those individuals, and 4) define the nature and extent of what minimal, regular, and enhanced monitoring entails. The risk assessment documentation and contract monitoring plans should be maintained according to the appropriate records retention guidelines.</p> <p>Fiscal Year 2023 Follow-up Status: SHSU Procurement developed and implemented a purchasing accountability and risk analysis procedure. Specifically, SHSU Procurement developed the following:</p> <ul style="list-style-type: none"> • Contract Administration/Management Policy, APM 3.02.05 • Risk Assessment & Contract Monitoring Worksheet Instructions and Procedures • SRSU Risk Assessment & Contract Monitoring Worksheet 	<p>Procurement is working to modify the Risk Assessment & Contract Monitoring Worksheet and instructions to better define the duties of the departmental contact responsible for monitoring the contract. The instructions will include an additional form for the departments to complete and return outlining their plans for monitoring the contract based on the level of risk (low, medium, high).</p> <p>Person Responsible: William H. Tidwell, Director of Procurement; Steven Tilley, SHSU Contract Specialist; Bonnie Albright, SRSU VP for Finance and Operations. Revised Timetable for Completion remains August 1, 2024 (was beginning September 1, 2022, subject to policy adopting, goal of full identification and education by December 1, 2022)</p>	<p>In Progress</p>

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING
STATUS OF IMPLEMENTATION OF AUDIT AND COMPLIANCE RECOMMENDATIONS FOR REPORTS ISSUED THROUGH MARCH 2024**

Report	Recommendations	Management’s Most Current Response	Status (*)
	<p>In addition, SHSU Procurement has established and maintained a database of contracts and risk assessment documentation in SHSU’s instance of Jaggaer Contracts+. APM 3.02.05 does not stipulate that a risk assessment is required to be performed for all contracts with a contract value greater than \$100,000 to identify the level of contract monitoring required; however, this requirement is in the Risk Assessment & Contract Monitoring Worksheet Instructions and Procedures. SHSU Procurement should consider revising APM 3.02.05 to require a risk assessment to be performed for all in-scope contracts with a contract value greater than \$100,000 to identify the level of contract monitoring required. SHSU Procurement started using the Risk Assessment & Contract Monitoring Worksheet form beginning September 1, 2022. SHSU Procurement started identifying contracts that required a risk assessment as of September 1, 2022, and has been ensuring the Risk Assessment & Contract Monitoring Worksheet has been completed by SHSU Procurement and the SRSU VP for Finance and Operations.</p> <p>SRSU management did not communicate contract monitoring responsibilities to the departments responsible for monitoring contracts. The individual listed as the Department Contact on the Risk Assessment & Contract Monitoring Worksheet for a sample of two contracts which require Enhanced Contract Monitoring was not the appropriate person responsible for monitoring the contract (i.e., conducting the Department Actions listed on the forms). SRSU management should consider adding a placeholder on the Risk Assessment & Contract Monitoring Worksheet to designate the SRSU VP for Finance and Operations approval since they are the main point of contact for contracts. For completed Risk Assessment & Contract Monitoring Worksheet forms which require any level of monitoring, the SRSU VP for Finance and Operations should designate and document the most appropriate individual to be the Department Contact responsible for monitoring the contract. Once the Department Contact is designated and assigned, the SRSU VP for Finance and Operations should communicate the responsibilities to the Department Contact in reference to contract monitoring and partner with SHSU Procurement to educate departments regarding the nature and extent of</p>

Report	Recommendations	Management’s Most Current Response	Status (*)
	<p>their contract monitoring responsibilities.</p> <p>Fiscal Year 2022 Recommendation C: SHSU Procurement should ensure that all contract information is entered into Contracts+, a contract database repository. Contracts+ should be configured so that the purchase order payments are linked to applicable contracts in Contracts+ so that SHSU Procurement can identify and monitor contracts and related transactions efficiently and effectively. In addition, a field “Contract Not to Exceed Amount” should be created and implemented so that the dollar value of contracts for the life of the contract can be easily identified.</p> <p>Fiscal Year 2023 Follow-up Status: While SRSU has established and maintained a repository for contracts in SHSU’s instance of Jaggaer Contracts+ issued in FY23 and the resulting purchase order, efforts to establish an accurate and timely Argos report that will provide invoice payment information for contracts in the database is ongoing. As of September 1, 2021, SRSU has been entering requisitions and purchase orders using Banner rather than BearKatBuy, the primary procure-to-pay software solution used by SHSU, which interfaces with Banner. SRSU cannot link contracts in Contracts+ to purchase orders created in Banner. SHSU Procurement has not configured Contracts+ so that the purchase order payments are linked to applicable contracts; however, SHSU Procurement plans to implement this feature which will allow the tracking of contract spend for those SHSU purchase orders issued in BearKatBuy. SHSU Procurement added a field in the Banner form Purchase Order (FPAPURR), and specifically, the Purchase Order Classification List to distinguish the purchase orders that are associated with SRSU contracts (classification of “C” in PO). The location and recording of prior year (executed prior to FY23) contracts have not been implemented. Beginning September 1, 2022, SHSU Procurement prioritized entering contracts into Contracts+ as new contracts were executed or as purchase orders were created associated with older active contracts (i.e., for software or services renewals). SHSU Procurement configured Contracts+ so when a purchaser enters a new contract, Contracts+ notifies and prompts the Contract</p>	<p>Banner vendor has not scheduled a work time to address Procurements requested report. Procurement has a standing “ticket” and hopes to get the necessary report prior to the end of Banner vendor contract with SRSU. Procurement’s contact at SRSU on contract research has retired and a new contact has not been designated to research contracts issued prior to September 21, 2022.</p> <p>Persons Responsible: William H. Tidwell, Director of Procurement; Steven Tilley, SHSU Contract Specialist; Bonnie Albright, SRSU VP for Finance and Operations.</p> <p>Revised Timetable for Completion remains August 1, 2024 (was September 1, 2022, for the new reporting procedure and modifications of Contracts+. February 1, 2023, to ensure all identified active contracts implemented prior to FY23 have been entered into Contracts+. August 1, 2023, for the development of reports to track contract spend and analysis)</p>	<p>In Progress</p>

	Analyst to review the entry for consistency prior to approval. In addition, a “Contract Not to Exceed Amount” field was added in Contracts+ prior to September 1, 2022, so that a contract value could be entered for all new contract entries. The new field cannot be populated for contracts that were entered prior to the configuration change.		
External Audits			
Program Specific Audit- Student Financial Assistance Cluster (Title IV), February 2024	This audit was performed for the fiscal year ended August 31, 2023, by Belt Harris Pechacek, LLLP, in support of SRSU’s SACSCOC 5 th year review. The independent auditors issued an unmodified opinion for the schedule of expenditures of federal awards for Title IV. Additionally, for their opinion on compliance, SRSU complied, in all material aspects, with the types of compliance requirements described in the <i>OMB Compliance Supplement</i> that could have a direct and material effect on Title IV for the year ended August 31, 2023. Total expenditures of federal awards for the fiscal year ended August 31, 2023 were \$10,796,149 with Federal Pell Grant Program expenditures of \$4,396,023 and Federal Direct Student Loans of \$6,075,759 accounting for the majority of the federal award expenditures.

Senate Bill 20 Required Audit (Follow-up Review), August 2023	<p>Fiscal Year 2022 Recommendation A: Procurement & Strategic Sourcing (P&SS) should develop, document, and implement purchasing accountability and risk analysis procedures as required by the TSUS CMH to include (1) assessment of risk of fraud, abuse or waste in the procurement and contracting process and (2) identification of contracts that require enhanced monitoring. Also, P&SS should develop, document, and implement contract monitoring plans for contracts identified for enhanced monitoring that specify routine and enhanced monitoring plans as prescribed on the TSUS CMH Contract Risk Assessment & Monitoring Plan – Contracting Monitoring Plan form. The risk assessment documentation and contract monitoring plans should be maintained according to the appropriate records retention guidelines.</p>	<p>A process has been implemented to identify all contracts requiring risk assessment and contract monitoring. P&SS has completed a review of contracts requiring risk assessment and/or enhanced contract monitoring back to 9/1/2022 to ensure risk assessment and/or contract monitoring are included. P&SS is working with the Departments to complete the required FS-01 and/or FS-02 forms for identified contracts.</p> <p>P&SS has implemented a process to identify when contracts require Risk Assessment and/or Enhanced Contract Monitoring. P&SS does not approve any new contracts that require risk assessment and/or contract monitoring without the required documents (FS-01/FS-02).</p> <p>Person Responsible: Dan Alden, Director of P&SS</p>	In Progress

**THE TEXAS STATE UNIVERSITY SYSTEM – QUARTERLY STATUS REPORT – MAY 2024 BOARD MEETING
STATUS OF IMPLEMENTATION OF AUDIT AND COMPLIANCE RECOMMENDATIONS FOR REPORTS ISSUED THROUGH MARCH 2024**

Report	Recommendations	Management’s Most Current Response	Status (*)
	<p>Fiscal Year 2023 Follow-up Status: TXST partially implemented risk analysis and enhanced monitoring processes within Procurement and Strategic Sourcing (P&SS) in April 2023 for contracts equal to or greater than \$500,000 and is currently implementing these processes with departments that independently develop contracts. Because there was not a mechanism in place to determine which contracts may be subject to enhanced contract monitoring, we collaborated with P&SS and identified 141 contracts with a “not to exceed” value totaling \$342,319,570 during the audit period that could be subject to such enhanced contract monitoring. Also, P&SS is retroactively completing risk analysis forms and enhanced monitoring forms, if necessary, for new, renewed, and amended contracts effective as of or after September 1, 2022.</p>	<p>Revised Timetable for Completion: June 30, 2024 (was December 31, 2022)</p>	
	<p>Fiscal Year 2022 Recommendation B: P&SS should develop, document, and implement contract reporting requirements for contracts purchasing goods/services with a value exceeding \$1 million and ensure the required information specified in the TSUS CMH is provided to the CFO. Also, the information provided to the CFO should be documented and maintained according to the appropriate records retention guidelines.</p> <p>Fiscal Year 2023 Follow-up Status: The follow-up review determined that TXST has not documented the procedures for reporting compliance with financial provisions and delivery schedules to the CFO for contracts exceeding \$1 million. In addition, contract managers have not been informed and procedures have not been developed, documented, or implemented for contract managers to report corrective action plans and liquidated damages to the CFO.</p>	<p>TXST Procurement Handbook is in the process of being updated, pending policy updates that are currently awaiting final approval. Once the policy updates have been published the Procurement Handbook will be updated. P&SS has created additional resources and published to the P&SS website. This includes a detailed guidance for "Contract Monitoring & Responsibilities" for departments to utilize as a resource.</p> <p>All contracts that exceed \$1M are submitted to the CFO for approval of FS-02. Additionally, most contracts that exceed \$1M and require BOR approval are submitted to the VPFSS office for inclusion for BOR motions.</p> <p>Person Responsible: Dan Alden, Director of P&SS Revised Timetable for Completion: August 31, 2024 (was December 31, 2022)</p>	<p>In Progress</p>
<p>Research Compliance – Animal Care and Use, September 2023</p>	<p>Management should develop and implement procedures to ensure the required training is obtained and that support for the training is documented and maintained. <p>NCAA Agreed Upon Procedures, January 2024</p>	<p>This report is required by the NCAA. The accountants (James Moore) performed certain procedures as required by the NCAA on the University’s <i>Statement of Athletic Revenues and Expenses</i> for the year ending August 31, 2023.</p> <p>The University reported athletic revenues and expenditures of \$40,007,172 and \$43,589,707, respectively, for a net operating deficit of \$3,582,535. This represents an increased deficit of \$3,017,672 over FY 2022’s net deficit of \$564,863. The increase in the deficit is due primarily to increased expenses for Severance Payments - Football Program (\$880K), Coaching Salaries/Benefits/Bonuses (\$863K), Support Staff Salaries/Benefits/Bonuses (\$830K), Team Travel (\$860K), and Equipment/Uniforms/Supplies (\$763K).</p> <p>Revenues for FY 2023 consisted primarily of (approximate amounts) Athletic Fee (\$19.4M), University Direct and Indirect Support (\$9.1M), Contributions (\$2.1M), Conference Distributions (\$2M), NCAA Distributions (\$1.5M), Royalties/Advertisements/Sponsorship (\$1.4M), and Ticket Sales (\$1.3M). Expenditures for FY 2022 consisted primarily of Athletic Student Aid (\$7.4M), Coaching Salaries/Benefits/Bonuses (\$6.7M), Support Staff Salaries/Benefits/Bonuses (\$6.1M), Direct Overhead and Administrative Expenses/Indirect Institutional Support (\$5.6M), Debt Service (\$5.5M), Team Travel (\$3.7M), Equipment/Uniform/Supplies (\$1.6M), Game Expenses (\$1.4M), and Student-Athlete Meals (Non-Travel)(\$1.1M).</p> <p>No exceptions or reportable conditions were noted for the tests performed.</p>		
<p>Program Specific Audit, TXST Cancer Research Institute of Texas Program (CPRIT), November 2023</p>	<p>The audit was required for the CPRIT grant because TXST expended \$750,000 or more in State awards in fiscal year 2022 (this amount includes CPRIT expenditures of \$92,417 and any other State awards that TXST may receive). The accountants (Montemayor Britton Bender PC) performed certain procedures as required on the schedule of expenditures for fiscal year ending August 31, 2022. The auditors concluded that “<i>the accompanying schedule of expenditures of state awards presents fairly, in all material respects, the expenditure of state awards for the TXST CPRIT of Texas State University for the year ended 31 August 2022 in accordance with accounting principles generally accepted in the United State of America.</i>”</p> <p>No exceptions or reportable conditions were noted for the tests performed. Additionally, it was noted that TXST complied, in all material aspects, with the</p>

Report	Recommendations	Management’s Most Current Response	Status (*)
Assistance Cluster (Title IV), January 2024	<p><i>August 31, 2023."</i></p> <p>The initial SEFA provided to the auditors was overstated due to the amount of questioned costs identified above. Because LIT restated the SEFA, the auditors noted "No Findings" for the SEFA and rendered an "unmodified" (clean) opinion, stating that the SEFA <i>"presents fairly, in all material respects, the expenditures of federal awards for Title IV of the Institution for the year ended August 31, 2023, in accordance with accounting principles generally accepted in the United States of America."</i></p> <p>Total expenditures of federal awards for the fiscal year ended August 31, 2023 were \$12,291,682, with Federal Pell Grant Program expenditures of \$5,098,099 and Federal Direct Student Loans of \$6,910,130 accounting for the majority of the federal award expenditures.</p>		
Annual Financial Report, January 2024	<p>This report contained LIT’s financial statements for fiscal year 2023 and a “review report” prepared by Belt Harris Pechacek, LLLP, in support of the Institution’s 10th-year SACSCOC reaffirmation report requirements. Overall, the Institution’s net position as reported on the 2023 balance sheet is \$68,974,848, representing an increase of \$10.2 million from the prior year (where a year-end net position of \$58,787,511 was reported). This increase is the result of continued investment into campus facilities (capital assets increased by \$6.1 million) and to a rise in unrestricted net position by \$5.3 million. Operating revenues were \$6.6 million and operating expenses were \$38.5 million. Non-operating revenues of \$39.3 million (primarily state and federal revenues/appropriations) offset the operating deficit, resulting in positive net income of \$7.4 million. The independent accountants’ conclusion was as follows: <i>"Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America."</i> (This is standard language required for reviews where no significant changes to amounts reported were noted.)</p>

Annual Financial Report, February 2024	This report contained LSCO’s financial statements for fiscal year 2023 and a “review report” prepared by Belt Harris Pechacek, LLLP, in support of the College’s 10 th -year SACSCOC reaffirmation report requirements. Overall, the College’s net position as reported on the 2023 balance sheet is \$79,393,767, representing an increase of \$10.9 million from the prior year (where a year-end net position of \$68,508,740 was reported). This increase is the result of continued investment into campus facilities (capital assets increased by \$5 million) and to a rise in unrestricted net position by \$5.6 million. Operating revenues were \$7.2 million and operating expenses were \$28.3 million. Non-operating revenues of \$28.6 million (primarily state revenues/appropriations) offset the operating deficit, resulting in positive net income of \$7.5 million. The independent accountants’ conclusion was as follows: <i>“Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.”</i> (This is standard language required for reviews where no significant changes to amounts reported were noted.)		
Department of Veterans Affairs Compliance Survey, February 2024	The purpose of the survey was to ensure that LSCO is complying with all applicable provisions of Title 38, United States Code regarding veteran benefits. The survey covered the period from May 13, 2021 - December 15, 2023. Exceptions noted involved the required reporting of certain data for a sample of 10 VA beneficiaries, such as a second certification of enrollment data for one or more terms (7 students), changes in enrollment status (3 students), and the amount of tuition (1 student). Management provided action plans to address the exceptions effective immediately. The reviewer also tested one non-VA student’s file to verify that the cost of tuition and fees for the VA beneficiaries was not greater than the charges for similar circumstanced students and noted no exception.

LU: Ninth Amendment to Agreement with Chartwells

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Ninth Amendment to the Contract between Lamar University and Compass Group USA, Inc., by and through its Chartwells Division, commencing on August 1, 2024, be approved.

Explanation

- Parties to the Contract:** Lamar University and Compass Group USA, Inc., by and through its Chartwells Division.
- Subject Matter of the Contract:** Ninth Amendment to the existing food services agreement.
- Purpose:** The Amendment will implement the following changes:
1. Increases the meal plan rates by 3.5%.
 2. Revises the Summer meal plan by offering two Summer meal plan options.
 3. Increases the Door Rates for Breakfast and Lunch for faculty and staff.
 4. Increases the Door Rates for Breakfast, Lunch, Brunch and Dinner for guests.
- Duration:** Commencing August 1, 2024 through contract duration which ends on December 31, 2032, unless terminated sooner.
- Amendments:** Amendment No. 9
- Source of Funding:** Auxiliary Funds
- Review Statement:** Lamar University hereby affirms that the contract has been or will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
- Compliance Statement:** Lamar University verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

LU: Approval of the Revised By-Laws of the Lamar University Foundation

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

The revised By-Laws of the Lamar University Foundation be approved.

Explanation

In their May 2023 meeting, the Texas State University System Board of Regents approved revisions to its *Rules and Regulations* related to Private Support Organizations in Chapter IX.

The By-Laws of the Lamar University Foundation (LUF) were revised to reflect these amendments. These revised By-Laws have been approved by the LUF Board of Directors.

LAMAR UNIVERSITY FOUNDATION

BYLAWS OF THE LAMAR UNIVERSITY FOUNDATION, INC.

Amended – May 2024

ARTICLE I NAME AND PURPOSE

These Bylaws (referred to as the “Bylaws”) govern the affairs of LAMAR UNIVERSITY FOUNDATION, INC., a non-profit corporation (referred to as the “Corporation” and known as a private support organization) organized under the Texas Business Organizations Code.

The Corporation is organized and shall be operated exclusively for charitable, educational, or scientific purposes. More specifically, the Corporation is organized and shall be operated exclusively to receive, hold, invest, reinvest, and administer property, real and personal, tangible and intangible, and to make expenditures to or for the benefit of Lamar University (University), located in Beaumont, Texas, within the meaning of section 170(b)(1)(A)(iv) of the Internal Revenue Code of 1986, as amended, or corresponding provisions hereinafter in effect, and the regulations there under. The Corporation shall be operated exclusively for such purposes. The President of the University shall establish and direct all fundraising endeavors of the University and Corporation acknowledges under the terms of section 170(b)(1)(A)(iv) of the Internal Revenue Code of 1986 its responsibility to manage assets received and managed for the benefit of the University will be distributed to and on behalf of the University as determined by the donor intent of said assets upon the request of the University.

No part of its net earnings shall inure to the benefit of, or be distributable to any trustees, officers, or other private persons. No part of the Corporation’s activities shall be carrying on propaganda, or otherwise attempting to influence legislation, and it shall not participate in or intervene in (including the publishing or distributing of statements) any political campaign on behalf of or in opposition to any candidate for public office.

ARTICLE II
OFFICES

1. Principal Office: The principal office of the Corporation in the State of Texas shall be located at Lamar University, 855 Jim Gilligan Way, Suite 103, Beaumont, TX 77705. The mailing address is P.O. Box 11500, Beaumont, TX 77710. The Corporation may have such other offices, either in Texas or elsewhere, as the Board of Trustees may determine. The Board of Trustees may change the location of any office of the Corporation.
2. Registered Office and Registered Agent: The Corporation shall comply with the requirements of the TX Code and maintain a registered office and registered agent in Texas. The registered office may be identical with, but need not be, the Corporation's principal office in Texas. The Board of Trustees may change the registered office and the registered agent as provided in the TX Code.

ARTICLE III
TRUSTEES

1. Number of Trustees: The business and property of the Corporation and its affairs shall be managed under the direction of a Board of Trustees of not more than forty (40) individuals, none of whom shall be a partnership or corporation.
2. Trustee Selection: The Trustees shall be recommended by the Trusteeship and Governance Committee, as herein defined. Recommendations will be reviewed and agreed upon by the President of the University before being appointed by a majority vote of the Board of Trustees of the Corporation.
3. Expectations:
 - Attend and participate in regularly scheduled Board of Trustee and Committee meetings.
 - Invest not only time, energy, and expertise to the Corporation's mission but also financial support through a meaningful gift made to the Corporation for the benefit of the University.
 - Embrace the role of advocate for the Corporation and the University by being knowledgeable about the goals and mission of both entities; the challenges and efforts to address them and share these visions with others who are interested in supporting the University.
 - Adhere to the duty of confidentiality and avoid conflicts of interest as detailed in Corporation Policy for Confidentiality and Conflict of Interest for Trustees or Advisory Committee Members. (See Article XVI)

- Acknowledge fiduciary role as a Trustee; embrace the duties of care, loyalty, and responsibility in all work of the Corporation and advocate on behalf of the University. Steward the Corporation's assets to ensure they are managed effectively and within the guidelines of the Corporation's Investment Policy Statement for the benefit of the University. (See Article XVI)
 - Trust and support the management staff's responsibilities in conducting the business of the Corporation by maintaining a professional, advisory relationship with staff.
4. Terms: A term is defined as four years beginning September 1 and ending August 31 coinciding with the Corporation's fiscal year.
 5. Term Limits: Trustees may serve for no more than three consecutive terms, coinciding with the Corporation's fiscal year. After a one-year absence from service a former Trustee is eligible for nomination to Board service.¹
 6. Non-Voting Members: The President and the Vice President for University Advancement of the University; and Chief Executive Officer of the Corporation, shall be advisory ex-officio members of the Board of Trustees. Ex-officio members of the Board of Trustees shall not be voting members, and their presence shall not be counted in determining the presence of a quorum. No employee of the University or staff member the Corporation may hold voting board positions.
 7. Attendance: A Trustee who has three consecutive absences from Board of Trustees meetings shall be deemed to have resigned from the Board of Trustees. Said Trustee may be reinstated through a recommendation from the Trusteeship & Governance Committee to the Chairman of the Corporation.
 8. Resignation: Any Trustee may resign at any time by giving written notice to the Chairman of the Board of the Corporation. The resignation need not be accepted by the Corporation to be effective.
 - . Vacancies: Any vacancy occurring in the Board of Trustees during a term, including a vacancy due to death, resignation, or an increase in the number of trustees may be filled by recommendation from the Committee on Trusteeship and Governance. Recommendations will be reviewed and agreed upon by the President of the University before being appointed by a majority of the Board of Trustees of the Corporation. An appointment may be made by the affirmative vote of a majority of the remaining trustees of the Board of Trustees. A trustee appointed to fill a vacancy shall be appointed for the unexpired term of the predecessor trustee.

¹ Term and term limits grandfathered under Texas State University System Rules and Regulations updated August 2023

ARTICLE IV
OFFICERS

1. Officer Positions: The voting officers of the Corporation shall be the Chairman of the Board (Chairman) Vice Chairman of the Board (Vice Chairman), Secretary, and Treasurer. Additionally, the Corporation recognizes the non-voting officer positions of Chief Executive Officer and Chief Operating Officer as later defined in paragraph 9, Management of the Corporation. The Board of Trustees may create additional officer positions, define the authority and duties of each such position and elect or appoint persons to fill the positions.
2. Term of Office and Qualifications: The voting officers will be elected biennially by the Board of Trustees for a two (2) year term. Officers may not serve more than two consecutive terms in the same office. All officers must be eligible voting members of the Board of Trustees.
3. Removal: Any voting officer elected or appointed by the Board of Trustees may be removed from office by the Board of Trustees with cause. Any voting officer proposed to be removed shall be entitled to at least thirty (30) days' notice, in writing by certified mail, of the meeting of the Board of Trustees at which such removal is to be voted upon and shall be entitled to appear before and be heard by the Board of Trustees at such meeting.
4. Vacancies: In case any voting officer of the Corporation becomes vacant by death, resignation, retirement, disqualification, or any other cause, a majority of the Executive Committee, although less than a quorum, may elect or appoint an officer to fill such vacancy until the next meeting of the Board of Trustees, at which time the Trustees may confirm the election or appointment or elect or appoint a different person to fill the vacancy.
5. Chairman of the Board: The Chairman of the Board (Chairman) shall preside at all meetings of the Board of Trustees. The Chairman shall exercise general supervision of the affairs of the Corporation and shall do and perform such other duties as may be assigned by the Board of Trustees. The Chairman is accountable to the Board and acts as a direct liaison between the Board and the management of the Corporation, through the Chief Executive Officer. The Chairman may execute deeds, mortgages, bonds, contracts, or other instruments that the Board of Trustees has authorized to be executed. However, the Chairman may not execute instruments on behalf of the Corporation if this power is expressly delegated to another officer or agent of the Corporation by the Board of Trustees, the Bylaws, or statute.
6. Vice Chairman of the Board: At the request of the Chairman, or in the event of the Chairman's absence or disability, the Vice Chairman of the Board (Vice Chairman) shall perform the duties and possess and exercise the powers of the Chairman, and to the extent authorized by law, the Vice Chairman shall have such other powers as the Board of Trustees may determine, and shall perform such other duties as may be assigned by the Board of Trustees.

7. Secretary: The Secretary shall coordinate with Corporation's staff the charge of such books, documents, and papers as the Board of Trustees may determine and shall have the custody of the corporate seal. The Secretary shall give or direct all notices as provided in the Bylaws or as required by law. The Secretary shall attend meetings of the Executive Committee and Board of Trustees of the Corporation and approve the minutes of all meetings as prepared by a staff member of the Corporation. The Secretary shall be familiar with Robert's Rules of Order and shall be charged with administering and ensuring compliance with such rules at Board meetings. The Secretary may sign, with the Chairman or Vice Chairman, in the name and on behalf of the Corporation, any contracts or agreements authorized by the Board of Trustees and, when so authorized or ordered by the Board of Trustees, the Secretary may affix the seal of the Corporation; or direct the Corporation's CEO or COO to do so. The Secretary shall, in general, perform all the duties incident to the office of Secretary, subject to the control of the Board of Trustees, and shall do and perform such other duties as may be assigned to the office by the Board of Trustees. In the absence of the Treasurer, the Secretary shall perform the duties of the Treasurer.
8. Treasurer: The Treasurer shall serve as a voting member of the Corporation's Finance Committee and coordinate with the Corporation's staff the accounting of all assets of the Corporation and make reports of the finances at all meetings. When necessary or proper, the Treasurer may endorse on behalf of the Corporation for collections, checks, notes, and other obligations, and shall deposit the same to the credit of the Corporation; and may also sign all receipts and vouchers together with such other officer or officers, if any, as shall be designated by the Board of Trustees. The Treasurer shall review such payments as may be necessary or proper to be made on behalf of the Corporation. The Treasurer shall, in general, perform all the duties incident to the office of Treasurer, subject to the control of the Board of Trustees. In the absence of the Secretary, the Treasurer may perform the duties of the Secretary.
9. Management of the Corporation: The Corporation's business operations are managed by the Chief Executive Officer (CEO) and Chief Operating Officer (COO). These roles will be filled by University employees designated and approved by the Corporation's Board of Trustees. The CEO and COO will approve additional University employees appointed to the Corporation's staff as needed to support operations.

ARTICLE V COMMITTEES

1. The Board of Trustees may adopt a resolution establishing one or more committees, delegating specified authority to a committee, and appointing or removing members of a committee. A committee shall include three or more voting trustees. The Board of Trustees may establish qualifications for membership on a committee. The Board of Trustees may delegate to the Chairman its power to appoint and remove members of a committee. The establishment of a committee or the delegation of authority to it shall not relieve the Board of Trustees, or any individual trustee, of any responsibility imposed by the Bylaws or otherwise imposed by law. All committees shall follow policy and procedures as established by the

Board of Trustees. The Board of Trustees shall define the activities and scope of authority of each committee by resolution. No committee, with exception of the Executive Committee under authority of Article V, paragraph 3 and Article VII, paragraph 1, shall have authority to:

- A. Amend the Articles of Incorporation.
 - B. Adopt a plan of merger or a plan of consolidation with another corporation.
 - C. Authorize the sale, lease, exchange, or mortgage of any property and assets of the Corporation.
 - D. Authorize the voluntary dissolution of the Corporation.
 - E. Revoke proceedings for the voluntary dissolution of the Corporation
 - F. Adopt a plan for the distribution of the assets of the Corporation. (See Article XII)
 - G. Amend, alter, or repeal the Bylaws with the approval of the Texas State University System (University System).
 - H. Elect, appoint, or remove a member of a committee or a trustee or officer of the Corporation.
 - I. Approve any transaction to which the Corporation is a party and that involves a potential conflict of interest.
 - J. Take any action outside the scope of authority delegated to it by the Board of Trustees.
2. The following committees are authorized and established: (a) Trusteeship and Governance, (b) Audit, (c) Finance and (d) Investment. The Corporation's Chairman and Chief Executive Officer serve as ex-officio members of each committee. Other committees or subcommittees may also be established on an ad hoc basis.
3. The Board of Trustees designates and empowers the Executive Committee to conduct all appropriate business of the Corporation during each fiscal year. The Executive Committee shall be empowered with, but not limited to, the following responsibilities:
- A. Conduct meetings, as defined herein, and submit recommendations from such meetings to the Board of Trustees for ratification and/or adoption.
 - B. Delegate administrative responsibilities to the Corporation's management team.
4. The Executive Committee shall be composed of the Corporation's Chairman, Vice-Chairman, Secretary, Treasurer, and immediate Past Chairman if still a trustee, and the Chair of each of the committees authorized in paragraph 2. Additionally, The President and the Vice President for University Advancement of the University, and Chief Executive Officer of the Corporation, shall serve as ex-officio members of the Executive Committee. Ex-officio members shall have no voting privilege nor will their presence at any meeting be considered when certifying a quorum.
5. Terms of Office: Members of the Executive Committee shall serve for the period which coincides with their respective term as an officer. Other Committee Chairs shall be appointed or approved by the Chairman. The membership of each appointed committee shall be recommended by Corporation Management and approved by the Chairman, but in no case shall said membership be less than three members.

6. Chair: One member of each committee shall be designated as the Chair of the Committee (Committee Chair). The Committee Chair shall be appointed or approved by the Chairman of the Corporation. The Committee Chair shall call and preside at all meetings of the committee.
7. Quorum: A simple majority of the number of members of the Executive Committee shall constitute a quorum for the transaction of business at any meeting of the Executive Committee. Attendees may join meetings in person, by telephone, or by any electronic means approved by and available to the Corporation. A minimum of three committee members will constitute a quorum for other committees. Executive Committee or other committee members present at a duly called or held meeting at which a quorum is present may continue to transact business even if enough Executive Committee or other committee members leave the meeting so that less than a quorum remains. However, no action may be approved without the vote of at least a majority of the number of Executive Committee or committee members required to constitute a quorum. If a quorum is present at no time during a meeting, the Chairman or Committee Chair may adjourn and reconvene the meeting one time without further notice.
8. Actions of Committees: Committees shall try to act by consensus. However, the vote of a majority of committee members present and voting at a meeting at which a quorum is present shall be sufficient to constitute the act of the committee unless the act of a greater number is required by law or these Bylaws. A committee member who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of determining the act of the committee. Committees can act by telephone conferencing, email, facsimile, or any electronic means approved by and available to the Corporation.
9. Proxies: No committee member, including members of the Executive Committee, may vote by proxy.
10. Rules: Each committee may adopt rules for its own operation, such rules consistent with these Bylaws or with rules and policy adopted by the Board of Trustees.

ARTICLE VI MEETINGS

1. Board of Trustees: Regularly scheduled meetings of the Board of Trustees shall be held no less than twice a year as dictated by the business needs of the Corporation. No later than thirty (30) days prior to each meeting, notice of the place and time will be provided. Agenda and other materials shall be provided to each trustee at least ten (10) days prior to the meeting.
 - A. Special meetings of the Board of Trustees may be called by or at the request of the Chairman or Vice-Chairman and must be called by either of them on the written request of any three (3) members of the Board of Trustees. Notice of special meetings shall adhere to the procedure defined above.

- B. At all meetings of the Board of Trustees, the Chairman or Vice-Chairman or, in their absence, an officer chosen by the trustees present, shall preside.
 - C. At all meetings of the Board of Trustees, a majority of the voting members then in office shall be sufficient to constitute a quorum for the transaction of business and the actions of said quorum shall be the actions for the entire Board of Trustees, except as may be otherwise specifically provided by statute or by these Bylaws. The members present at a duly called or held meeting at which a quorum is present may continue to transact business even if enough members leave the meeting so that less than a quorum remains. However, no action may be approved without the vote of at least a majority of the members required to constitute a quorum. If, at any duly called or held meeting, there is less than a quorum present, a majority of those present may adjourn such meeting and set the time and place to reconvene the meeting, upon written notification, as described above.
 - D. A trustee may not vote by proxy at any duly called or held meeting.
 - E. No trustee shall receive compensation for his/her services. The Board of Trustees may adopt a resolution providing for reimbursement of actual expenses of attendance, if any, for attendance at each meeting so called or held. A trustee may not serve the Corporation in any other capacity and receive compensation for those services unless said services are deemed necessary for the business of the Corporation and approved by the Executive Committee. Any trustee related to any business activity being considered will recuse himself or herself from voting.
 - F. The Board of Trustees has the authority to remove a trustee for cause, at any time. A meeting to consider the removal of a trustee may be called in the manner described above under special meetings. The notice of the meeting shall include, as part of the agenda, the matter of trustee removal.
 - G. The trustee recommended for removal shall have the right to present evidence at such meeting as to why he/she should not be removed.
 - H. All corporate powers, except as are otherwise provided in the Articles of Incorporation, in these Bylaws or in the laws of the State of Texas, shall be vested in the Board of Trustees.
2. Committees: The Executive Committee shall meet at least three times a year and more if business needs require. No later than thirty (30) days prior to each meeting, notice of the place and time will be provided. Agenda and other materials shall be provided to each committee member at least ten (10) days prior to the meeting.
- A. All actions conducted by the Executive Committee shall be in accordance with the provisions stated in Article V.

- B. Other committees, so defined in Article V, shall meet as necessary and as determined by the respective Committee Chair. All actions and recommendations of said committees shall be forwarded, in report form, to the Executive Committee for review during its regularly scheduled meetings and shall be presented by the respective Committee Chair, or their designee. Said reports shall be delivered in sufficient time to be placed on the agenda for the next scheduled Executive Committee and Board of Trustees' meetings.
3. Notice of Meetings: Written notice mailed shall be deemed to be delivered when deposited in the United States mail in a sealed envelope. Trustees may also be notified of meetings through the Board portal or by e-mail.
 4. Signed Waiver of Notice: Whenever any notice is required to be given under the provisions of the TX Code or under the provisions of the Articles of Incorporation or the Bylaws, a waiver in writing, signed by a person eligible to receive a notice shall be deemed equivalent to the giving of the notice. A waiver of notice shall be effective whether signed before or after the time stated in the notice being waived.
 5. Waiver of Notice by Attendance: The attendance of a person at a meeting shall constitute a waiver of notice of the meeting unless the person attends for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.
 6. Meeting by Electronic Means: The Board of Trustees, and any committee of the Corporation, may conduct a meeting by telephone conference call procedures, e-mail, facsimile, or any electronic means approved by and available to the Corporation.

ARTICLE VII AGENTS AND REPRESENTATIVES

1. The Executive Committee may appoint such agents and representatives of the Corporation with such powers and to perform such acts or duties on behalf of the Corporation as the Committee may see fit, as far as may be consistent with these Bylaws and to the extent authorized or permitted by law. The Board of Trustees, except as in these Bylaws otherwise provided, may authorize the Executive Committee to enter any contract or execute and deliver any instrument in the name of and on behalf of the Corporation. Such authority may be general or confined to a specific instance. Unless so authorized by the Board of Trustees, the Executive Committee shall not have power or authority to bind the Corporation by any contract or engagement. The Executive Committee, through the Investment Committee, may engage investment counsel, trust corporations or banks possessing trust powers to purchase or otherwise acquire stocks, bonds, securities, or other investments as part of the Corporation's assets and properties.

2. Voting Stock of Other Corporations. Unless otherwise ordered by the Board of Trustees, the Chairman, or an appointed designee, shall have full power and authority on behalf of the Corporation to vote either in person or by proxy at any meeting of stockholders of any corporation in which this Corporation may hold stock, and at any such meeting may possess and exercise all the rights and powers incident to ownership of such stock which, as the owner thereof, this Corporation might have possessed and exercised if present. The Board of Trustees, by resolution, may confer like powers upon any other person and may revoke any such powers at its pleasure.
3. Potential Conflicts of Interest. The Corporation shall not make or guarantee any loan to a trustee, officer, or staff member of the Corporation.

ARTICLE VIII
FISCAL YEAR

The fiscal year of the Corporation shall commence on September 1st of each year and end on the following August 31st.

ARTICLE IX
BUDGET

To assist the University in its recruiting and retention efforts, the budgets for endowed accounts shall be approved by the Board of Trustees in a given fiscal year for the following fiscal year. The proposed budget will be transmitted to the Board of Trustees no later than ten (10) days before the meeting.

The Finance Committee will review and approve the proposed operating budget for each fiscal year prior to September 1st of that year. The Executive Committee and Board of Trustees will review and ratify the operating budget at its next meeting. No funds will be expended unless provided by the adopted budget or duly adopted amendments thereto.

ARTICLE X
PROHIBITION AGAINST SHARING IN CORPORATE EARNINGS

As provided in ARTICLE I, no trustee, officer, or staff member of or member of a committee, or person connected with the Corporation, or any other private individual shall receive, at any time, any of the net earnings or pecuniary profit from the operations of the Corporation, provided that this shall not prevent the payment to any such person of such reasonable compensation for services rendered to or for the Corporation in effecting any of its purposes as shall be fixed by the Board of Trustees; and no such person or persons shall be entitled to share in the distribution of any of the corporate assets upon the dissolution of the Corporation.

ARTICLE XI
AMENDMENTS

The Corporation shall have power to make, alter, amend, or repeal the Bylaws of the Corporation by affirmative vote of a majority of the Board of Trustees with the approval of the University System

ARTICLE XII
DISSOLUTION

In the event of the dissolution of the Corporation or in the event the Corporation ceases to be a 501(c)(3) organization, the Board of Trustees, after paying or making provision for payment of any fees or expenses properly chargeable to the organization, shall distribute all assets of the Corporation to the University. Distribution shall occur as soon as reasonably practicable but in no event shall asset distribution to the University or the University System take longer than 120 days after the Corporation's dissolution or loss of 501(c)(3) status.

ARTICLE XIII
LIABILITY INSURANCE

All trustees and officers of the corporation are subject to the University System's "Not-for-Profit Organization Management Indemnity Policy in an amount not less than (one million dollars (\$1,000,000)). In the event of the Corporation's dissolution, coverage shall remain in effect for one (1) year after the assets of the Corporation have been distributed. In the event the University System determines it cannot or will not provide such policy coverage, the University System will provide the Corporation written notice not less than 30 days in advance of the anticipated change in coverage.

ARTICLE XIV
AUDIT REQUIREMENTS

The Corporation shall have an external financial statement opinion audit performed annually by a Certified Public Accounting (CPA) firm. The audit report shall be provided to the University President or University System, or their designees, and the Office of Internal Audit within 30 days of its presentation to the Corporation Board.

To the extent Texas Government Code 321.020 applies, prior to contracting with a private auditor, the private support organization shall obtain delegated authority from the State

Auditor's Office through the University System's Office of Internal Audit. The audit report shall be provided to the University System or University president, or their designees, and the University System Office of Internal Audit for review upon its review by the Corporation's Audit and Executive Committees.

The Corporation, during any term in which it is identified as the University's private support organization, permits representatives of the University or University System to request and examine any pertinent or relevant accounting or financial books, documents, papers, and records.

ARTICLE XV ANNUAL REPORTING

The Corporation will complete, adhering to filing deadlines, all periodic reporting obligations as required by applicable law. The Form 990 ("Return of Organization Exempt Form Income Tax") serving as the Internal Revenue System (IRS) mandated annual information return will be provided to the University finance office within 45 days following its filing.

The Corporation will provide the University System and University finance offices with a copy of its fiscal year end Investment Performance Report no later than 45 days after the fiscal year end.

ARTICLE XVI FIDUCIARY DUTY

All trustees of the Corporation shall attend training focused on conflicts of interest and fiduciary duties and responsibilities. Said training must be completed by trustees within 120 days of appointment or reappointment to the board. The training will be provided or approved by the University System Office of General Counsel in cooperation with the management of the Corporation.

SHSU: Approval of the Revised By-Laws of the Sam Houston University Foundation

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

The revised By-Laws of the Sam Houston University Foundation be approved.

Explanation

In their May 2023 meeting, the Texas State University System Board of Regents approved revisions to its *Rules and Regulations* related to Private Support Organizations in Chapter IX.

The By-Laws of the Sam Houston University Foundation (SHUF) were revised to reflect these amendments. These revised By-Laws have been approved by the SHUF Board of Directors.

SAM HOUSTON UNIVERSITY FOUNDATION, INC.
BYLAWS

Adopted October 3, 2011, Amended April 21, 2021 and Amended May 16, 2024

ARTICLE I
NAME AND PURPOSE

1. Name: The name of this corporation is SAM HOUSTON UNIVERSITY FOUNDATION, Inc. (hereinafter referred to as the “Corporation”).
2. Purpose: The Corporation is organized and shall be operated exclusively for charitable, educational, or scientific purposes. More specifically, the Corporation is organized and shall be operated exclusively to receive, hold, invest, reinvest and administer property, real and personal, tangible and intangible, and to make expenditures to or for the benefit of Sam Houston State University (“University”), located in Huntsville, Texas, within the meaning of section 170(b)(1)(A)(iv) of the Internal Revenue Code of 1986, as amended (the “Code”), or corresponding provisions hereinafter in effect, and the regulations thereunder. The Corporation shall be operated exclusively for such purposes, and except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered and make payments and distributions in furtherance of such purposes, no part of its net earnings shall inure to the benefit of, or be distributable to any trustees, officers or other private persons. No part of the Corporation’s activities shall be carrying on propaganda, or otherwise attempting to influence legislation, and it shall not participate in or intervene in (including the publishing or distributing of statements) any political campaign on behalf of or in opposition to any candidate for public office.
3. Governance Documents: In accordance with Texas State University System Rules and Regulations, Chapter IX – A, the Corporation must obtain approval of its governing instrument, including its constitution and bylaws, from the System and University at least once every ten years, and when substantive changes are made to such governing instruments.
4. Mission Statement: The Corporation’s mission must be aligned with the strategic priorities of the University.
5. The Corporation understands that pursuant to the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) requirements, the President of the University must establish the fundraising endeavors of the University and therefore agrees that all fundraising activity for the benefit of the University will be at the direction and with the approval of the University President.

ARTICLE II OFFICES

1. Principal Office: The principal office of the Corporation in the State of Texas shall be located at Sam Houston State University, 1806 Avenue J, Suite 208, Huntsville, TX 77340. The mailing address is Box 2027, Huntsville, TX 77341-2027. The Corporation may have such other offices, either in Texas or elsewhere, as the Board of Trustees may determine. The Board of Trustees may change the location of any office of the Corporation.

2. Registered Office and Registered Agent: The Corporation shall comply with the requirements of the Act and maintain a registered office and registered agent in Texas. The registered office may be identical with, but need not be, the Corporation's principal office in Texas. The Board of Trustees may change the registered office and the registered agent as provided in the Act.

ARTICLE III
TRUSTEES

1. Number of Trustees: The business and property of the Corporation and its affairs shall be managed under the direction of a Board of Trustees of not less than nine (9) and not more than twenty-five (25) individuals, none of whom shall be a partnership or corporation.

2. Permanent Trustees: Trustees holding office on October 3, 2011, shall serve without a defined number of years or terms and shall be considered Permanent Trustees. A vacancy of a Trustee position held by a Permanent Trustee, occurring for any reason whatsoever, shall not be filled as a Permanent Trustee.

3. Trustee Selection:

3.1 The Trustees shall be recommended by the Governance and Nominations Committee, as herein defined, and appointed by a majority vote of the Board of Trustees of the Corporation at its April meeting.

3.2 In accordance with the Texas State University System Rules and Regulations, nominations and appointments of all such board directors is subject to approval of the University President.

4. Terms: With the exception of Permanent Trustees, a term is defined as three (3) years beginning September 1 and ending August 31, coinciding with the Corporation's fiscal year. There shall be staggered terms of office for Trustees so that one-third of the positions shall be up for election each year. If the number does not evenly divide by thirds, the board shall be divided as close to thirds as possible. The procedure for staggered terms of office shall be implemented with the election of new Trustees as determined by the Governance and Nominations Committee.

5. Term Limits: Trustees shall serve for no more than three consecutive terms, coinciding with the Corporation's fiscal year; after which a former Trustee is eligible to be re-elected after a one-year absence.

6. Non-Voting Members: The Sam Houston State University President, Vice President for University Advancement, the Chief Financial Officer and Senior Vice President for Operations, and the Executive Director of the Foundation shall be ex-officio non-voting members of the Board of Trustees. Ex-officio members of the Board of Trustees presence shall not be counted in determining the presence of a quorum. No employee of Sam Houston State University or the Corporation may hold voting board positions.

7. Attendance: A Trustee who has three consecutive absences from Board of Trustees meetings shall be deemed to have resigned from the Board of Trustees. Said Trustee may request reinstatement through the Governance and Nominations Committee.

8. Resignation: Any Trustee may resign at any time by giving written notice to the Chairman of the Corporation. The resignation need not be accepted by the Corporation to be effective.

9. Vacancies: Any vacancy occurring in the Board of Trustees during a term, including a vacancy due to death, resignation, or an increase in the number of trustees may be filled upon recommendation from the Committee on Governance and Nominations and appointment by the Board of Trustees by the affirmative vote of a majority of the remaining trustees of the Board of Trustees. A trustee appointed to fill a vacancy shall be appointed for the unexpired term of the predecessor trustee.

10. Honorary Trustees: Honorary Trustees will be nominated by the Chairman and appointed by a majority vote of the Board of Trustees. Honorary Trustees are those individuals whom the Chairman and the Board of Trustees feel have been or can be of significant benefit to the Sam Houston University Foundation or to Sam Houston State University without requiring them to participate as members of the Board. Honorary Trustee appointments will be lifetime appointments, subject to removal for just cause. Honorary Trustees will not be voting members of the Board of Trustees and their presence shall not be counted in determining the presence of a quorum at a meeting of the Board of Trustees.

ARTICLE IV OFFICERS

1. Officer Positions: The officers of the Corporation shall be the Chairman, Vice- Chairman, Secretary, and Treasurer. The Board of Trustees may create additional officer positions, define the authority and duties of each such position and elect or appoint persons to fill the positions.
2. Term of Office, Qualifications, and Fiduciary Duties and Obligations:
 - 2.1 The officers will be elected biennially by the Board of Trustees for a two (2) year term. Officers may not serve more than two consecutive terms in the same office. All officers must be eligible voting members of the Board of Trustees. A duly elected officer whose Board of Trustees term expires while in office shall continue to serve as a Trustee with full voting privileges until the term for that officer position expires.
 - 2.2 Fiduciary Duties and Obligation: All directors, officers, and members of the Corporation shall attend training focused on conflicts of interest and board members' fiduciary duties and responsibilities. Said training must be completed by a board director within 120 days of their appointment or the reappointment to the board. The training will be provided and/or approved by the Texas State University System Office of General Counsel. Directors who have received comparable training within five (5) years are exempt from the training requirements.
3. Removal: Any officer elected or appointed by the Board of Trustees may be removed from office by the Board of Trustees with cause. Any officer proposed to be removed shall be entitled to at least thirty (30) days' notice, in writing by certified mail, of the meeting of the Board of Trustees at which such removal is to be voted upon and shall be entitled to appear before and be heard by the Board of Trustees at such meeting.
4. Vacancies: In case any office of the Corporation becomes vacant by death, resignation, retirement, disqualification, or any other cause, a majority of the Executive Committee, although less than a quorum, may elect or appoint an officer to fill such vacancy until the next meeting of the Board of Trustees, at which time the Trustees may confirm the election or appointment or elect or appoint a different person to fill the vacancy.
5. Chairman: The Chairman shall preside at all meetings of the Board of Trustees. The Chairman shall serve as the chief executive officer and exercise general supervision of the affairs of the Corporation and shall do and perform such other duties as may be assigned by the Board of Trustees. The Chairman may execute deeds, mortgages, bonds, contracts, or other instruments that the Board of Trustees has authorized to be executed. However, the Chairman may not execute instruments on behalf of the Corporation if this power is expressly delegated to another office or agent of the Corporation by the Board of Trustees, the Bylaws, or statute.
6. Vice-Chairman: At the request of the Chairman, or in the event of the Chairman's absence or disability, the Vice-Chairman shall perform the duties and possess and exercise the powers of the Chairman, and to the extent authorized by law, the Vice-Chairman shall have such other powers and duties as the Board of Trustees may determine and assign.
7. Secretary: The Secretary shall have charge of such books, documents, and papers as the Board of Trustees may determine and shall have the custody of the corporate seal. The Secretary shall give all notices as provided in the Bylaws or as required by law. The Secretary shall attend and keep the minutes of all meetings of the Board of Trustees of the Corporation or may delegate this to an employee of the Corporation. The Secretary¹⁸⁹ shall be familiar with *Robert's Rules of Order* and shall be charged with administering and ensuring compliance with such rules at Board meetings. The Secretary may sign, with the Chairman or Vice-Chairman, in the name and on

behalf of the Corporation, any contracts or agreements authorized by the Board of Trustees and, when so authorized or ordered by the Board of Trustees, the Secretary may affix the seal of the Corporation. The Secretary shall, in general, perform all the duties incident to the office of Secretary, subject to the control of the Board of Trustees, and shall do and perform such other duties as may be assigned to the office by the Board of Trustees. In the absence of the Treasurer, the Secretary shall perform the duties of the Treasurer.

8. Treasurer: The Treasurer shall have responsibility to coordinate with the firm or firms managing Corporation's funds, property, and securities subject to such regulations as may be imposed by the Board of Trustees. When necessary or proper, the Treasurer may endorse on behalf of the Corporation for collections, checks, notes, and other obligations, and shall deposit the same to the credit of the Corporation. The Treasurer shall sign all receipts and vouchers together with such other officer or officers, if any, as shall be designated by the Board of Trustees, except in cases where the signing and execution thereof shall be expressly designated by the Board of Trustees or by these Bylaws to some other officer or agent of the Corporation. The Treasurer shall authorize such payments as may be necessary or proper to be made on behalf of the Corporation. The Treasurer shall, in general, perform all the duties incident to the office of Treasurer, subject to the control of the Board of Trustees. In the absence of the Secretary, the Treasurer may perform the duties of the Secretary.

9. Executive Director: The Executive Director of the Foundation may serve as a volunteer or in a compensated capacity under such title as is acceptable to the Board of Trustees. This ex-officio officer's term on the Board shall be concurrent with the term of employment. The Executive Director, insofar as Foundation responsibilities are concerned, shall report to the Chairman of the Foundation. The salary for this position shall be approved periodically by the Board of Trustees and reviewed by the University President.

ARTICLE V
COMMITTEES

1. The Board of Trustees may adopt a resolution establishing one or more committees, delegating specified authority to a committee, and appointing or removing members of a committee. A committee shall include three or more voting trustees. The Board of Trustees may establish qualifications for membership on a committee. The Board of Trustees may delegate to the Chairman its power to appoint and remove members of a committee. The establishment of a committee or the delegation of authority to it shall not relieve the Board of Trustees, or any individual trustee, of any responsibility imposed by the Bylaws or otherwise imposed by law. All committees shall follow policy and procedures as established by the Board of Trustees. The Board of Trustees shall define the activities and scope of authority of each committee by resolution. No committee, with exception of the Executive Committee under authority of Article V, paragraph 3 and Article VII, paragraph 1, shall have authority to:

- A. Amend the Articles of Incorporation.
- B. Adopt a plan of merger or a plan of consolidation with another corporation.
- C. Authorize the sale, lease, exchange, or mortgage of any property and assets of the Corporation.
- D. Authorize the voluntary dissolution of the Corporation.
- E. Revoke proceedings for the voluntary dissolution of the Corporation.
- F. Adopt a plan for the distribution of the assets of the Corporation.
- G. Amend, alter, or repeal the Bylaws.
- H. Elect, appoint, or remove a member of a committee or a trustee or officer of the Corporation.
- I. Approve any transaction to which the Corporation is a party and that involves a potential conflict of interest.
- J. Take any action outside the scope of authority delegated to it by the Board of Trustees.

2. The following committees are authorized and established: (a) Governance & Nominations, (b) Audit, (c) Development, and (d) Finance & Investment. The Corporation's Chairman and Executive Director serve as ex-officio members of each committee. The Chief Financial Officer for the Corporation will serve as ex-officio on the Finance & Investment and Audit committee. Subcommittees may also be established on an ad hoc basis.

3. The Board of Trustees may designate and empower an Executive Committee to conduct all appropriate business of the Corporation during each fiscal year. The Executive Committee shall be empowered with, but not limited to, the following responsibilities:

- A. Conduct meetings, as defined herein, and submit recommendations from such meetings to the Board of Trustees for ratification and/or adoption.
- B. Delegate administrative responsibilities to an Executive Director.

4. The Executive Committee shall be composed of the Corporation's Chairman, Vice-Chairman, Secretary, Treasurer, the Immediate Past Chairman, who shall be considered an "Additional Trustee" in the event that his or her Board term has expired, and Committee Chairs. The Sam Houston State University President, Vice President for University Advancement, Chief Financial Officer and Senior Vice President for Operations, and the Executive Director of the Foundation shall serve as ex-officio members of the Executive Committee. Ex-officio members shall have no voting privilege nor will their presence at any meeting be considered when certifying a quorum.

5. Terms of Office: Members of the Executive Committee shall serve for the period of time which coincides with their respective term as an officer. Other Committee Chairs shall be

appointed annually by the Chairman. The membership of each appointed committee shall be at the discretion of the Chairman, but in no case shall said membership be less than three members.

6. Committee Chairs: One member of each committee shall be designated as the Chair of the committee by the Chairman of the Corporation, with the exception of the Finance and Investment Committee which shall be chaired by the Treasurer. The Chairs shall call and preside at all meetings of their committees.

7. Quorum: A simple majority of the number of members of the Executive Committee shall constitute a quorum for the transaction of business at any meeting of the Executive Committee. A minimum of three committee members will constitute a quorum for other committees. Executive Committee or other committee members present at a duly called or held meeting at which a quorum is present may continue to transact business even if enough Executive Committee or other committee members leave the meeting so that less than a quorum remains. However, no action may be approved without the vote of at least a majority of the number of Executive Committee or committee members required to constitute a quorum.

8. Actions of Committees: Committees shall try to take action by consensus. However, the vote of a majority of committee members present and voting at a meeting at which a quorum is present shall be sufficient to constitute the act of the committee unless the act of a greater number is required by law or these Bylaws. A committee member who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of determining the act of the committee. Committees can take action by telephone conferencing, email, or facsimile.

9. Proxies: No committee member, including members of the Executive Committee, may vote by proxy.

10. Rules: Each committee may adopt rules for its own operation, such rules not inconsistent with these Bylaws or with rules and policy adopted by the Board of Trustees.

ARTICLE VI MEETINGS

1. Board of Trustees: Regularly scheduled meetings of the Board of Trustees shall be held in October and April. No later than thirty (30) days prior to each meeting, written notice of the place time will be provided. Agenda and other materials shall be mailed to each trustee at least ten (10) days prior to the meeting at their designated address.

- A. Special meetings of the Board of Trustees may be called by or at the request of the Chairman or Vice-Chairman and must be called by either of them on the written request of any three (3) members of the Board of Trustees.
- B. At all meetings of the Board of Trustees, the Chairman or Vice-Chairman or, in their absence, an officer chosen by the trustees present, shall preside.
- C. At all meetings of the Board of Trustees, a majority of the voting members then in office shall be sufficient to constitute a quorum for the transaction of business and the actions of said quorum shall be the actions for the entire Board of Trustees, except as may be otherwise specifically provided by statute or by these Bylaws. The members present at a duly called or held meeting at which a quorum is present may continue to transact business even if enough members leave the meeting so that less than a quorum remains. However, no action may be approved without the vote of at least a majority of the members required to constitute a quorum. If, at any duly called or held meeting, there is less than a quorum present, a majority of those present may adjourn such meeting and set the time and place to reconvene the meeting, upon written notification, as described above.
- D. A trustee may not vote by proxy at any duly called or held meeting.
- E. A trustee may not serve the Corporation in any other capacity and receive compensation for those services.
- F. The Board of Trustees has the authority to remove a trustee for cause, at any time. A meeting to consider the removal of a trustee may be called in the manner described above under special meetings. The notice of the meeting shall include, as part of the agenda, the matter of trustee removal.
- G. The trustee recommended for removal shall have the right to present evidence at such meeting as to why he or she should not be removed.
- H. All corporate powers, except as are otherwise provided in the Articles of Incorporation, in these Bylaws or in the laws of the State of Texas, shall be vested in the Board of Trustees.

2. Committees: The Executive Committee shall hold meetings as needed in the interim between board meetings. No later than thirty (30) days prior to each meeting, written notice of the place and time will be provided. Agenda and other materials shall be mailed to each committee member at their designated address at least ten (10) days prior to the meeting. A special called meeting of the Executive Committee may be called by the Chairman or by a majority of the members of the Executive Committee.

- A. All actions conducted by the Executive Committee shall be in accordance with the provisions stated in Article V.
- B. Other committees, so defined in Article V, shall meet as necessary and as determined by the respective Chair. All actions and recommendations of said committees shall be forwarded, in report form, to the Executive Committee for review during its regularly scheduled meetings and shall be presented by the respective Chair, or their designee. Said reports shall be delivered in sufficient time to be placed on the agenda for the next scheduled Executive Committee and Board of Trustees' meetings.

3. Notice of Meetings: Written notice mailed shall be deemed to be delivered when deposited in the United States mail in a sealed envelope. Trustees may also be notified of meetings by e-mail or

facsimile.

4. **Signed Waiver of Notice:** Whenever any notice is required to be given under the provisions of the Act or under the provisions of the Articles of Incorporation or the Bylaws, a waiver in writing, signed by a person eligible to receive a notice shall be deemed equivalent to the giving of the notice. A waiver of notice shall be effective whether signed before or after the time stated in the notice being waived.

5. **Waiver of Notice by Attendance:** The attendance of a person at a meeting shall constitute a waiver of notice of the meeting unless the person attends for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

6. **Meeting by Telephone:** The Board of Trustees, and any committee of the Corporation, may conduct a meeting by telephone conference call procedures, e-mail or facsimile.

ARTICLE VII
AGENTS AND REPRESENTATIVES

1. The Executive Committee may appoint such agents and representatives of the Corporation with such powers and to perform such acts or duties on behalf of the Corporation as the Committee may see fit, so far as may be consistent with these Bylaws and to the extent authorized or permitted by law. The Board of Trustees, except as in these Bylaws otherwise provided, may authorize the Executive Committee to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation. Such authority may be general or confined to a specific instance. Unless so authorized by the Board of Trustees, the Executive Committee shall not have power or authority to bind the Corporation by any contract or engagement. The Executive Committee may engage investment counsel, trust corporations or banks possessing trust powers to purchase or otherwise acquire stocks, bonds, securities or other investments as part of the Foundation's assets and properties.

2. Voting Stock of Other Corporations: Unless otherwise ordered by the Board of Trustees, the Chairman shall have full power and authority on behalf of the Corporation to vote either in person or by proxy at any meeting of stockholders of any corporation in which this Corporation may hold stock, and at any such meeting may possess and exercise all of the rights and powers incident to ownership of such stock, which as the owner thereof, this Corporation might have possessed and exercised if present. The Board of Trustees, by resolution, may confer like powers upon any other person and may revoke any such powers at its pleasure.

3. Potential Conflicts of Interest: The Corporation shall not make or guarantee any loan to a director, officer, or employee of the Corporation.

ARTICLE VIII
FISCAL YEAR

The fiscal year of the corporation shall commence on September 1st of each year and end on the following August 31st.

ARTICLE IX OPERATIONS

1. Budget: In order to assist Sam Houston State University in its planning efforts, the budgets for restricted and endowed scholarship accounts shall be approved at the October meeting for the following fiscal year. The proposed budgets will be transmitted to the Board of Trustees no later than ten (10) days before the October meeting.

The Executive Committee shall transmit to the Board of Trustees its recommendations for an annual operating budget for the Corporation no later than ten (10) days prior to the April meeting of the Board to be reviewed and adopted, as recommended or modified. No funds will be expended unless provided by the adopted budget or duly adopted amendments thereto.

2. Compensation: No Trustee, including Honorary Trustees, shall be entitled to receive compensation for their services. The Board of Trustees may pass a resolution authorizing the reimbursement of actual expenses incurred during attendance at each called or held meeting. Any reimbursement by the Corporation for travel related expenses shall adhere to the guidelines outlined in the University's travel policy.

3. The Corporation functions as a private supporting organization for the University. The Corporation is obligated to act with due diligence to retain only the funds essential for its operations; any excess funds shall be remitted to the University, unless expressly restricted to remain at the foundation. Retention of unrestricted funds exceeding 150% of the Corporation's annual operating budget requires approval from the University President.

ARTICLE X
PROHIBITION AGAINST SHARING IN CORPORATE EARNINGS

As provided in ARTICLE I, no trustee, officer, or employee of or member of a committee, or person connected with the Corporation, or any other private individual shall receive, at any time, any of the net earnings or pecuniary profit from the operations of the Corporation, provided that this shall not prevent the payment to any such person of such reasonable compensation for services rendered to or for the Corporation in effecting any of its purposes as shall be fixed by the Board of Trustees; and no such person or persons shall be entitled to share in the distribution of any of the corporate assets upon the dissolution of the Corporation. All officers and trustees of the Corporation shall be deemed to have expressly consented and agreed that upon such dissolution or winding up the affairs of the Corporation, whether voluntary or involuntary, the assets of the Corporation then remaining in the hands of the Board of Trustees shall be distributed, transferred, conveyed, delivered, and paid over to Sam Houston State University upon such terms and conditions and in such amounts and proportions as the Board of Trustees may impose and determine, to be used by Sam Houston State University for such similar or kindred purposes as are set forth in the Articles of Incorporation of the Corporation and any and all amendments thereto.

ARTICLE XI
AMENDMENTS

The Corporation shall have power to make, alter, amend, or repeal the Bylaws of the Corporation by an affirmative vote of a majority of the Board of Trustees present at a meeting, subject to approval of the Texas State University System Board of Regents

ARTICLE XII DISSOLUTION

In the event of the dissolution of the Corporation or in the event the Corporation ceases to be a 501(c)(3) organization, the Board of Trustees and all officers and trustees of the Corporation shall be deemed to have expressly consented and agreed that, the assets remaining in the organization, after payment or making provision for payment of any fees or expenses properly chargeable to the organization, shall distribute all assets of the Corporation to the University. Distribution shall occur as soon as reasonably practicable but in no event shall asset distribution to the University or the University System take longer than 120 days after the Corporation's dissolution or loss of 501(c)(3) status.

ARTICLE XIII
LIABILITY INSURANCE

All trustees and officers of the corporation are subject to the University System's "Not-for-Profit Organization Management Indemnity Policy in an amount not less than (one million dollars (\$1,000,000)). In the event of the Corporation's dissolution, coverage shall remain in effect for one (1) year after the assets of the Corporation have been distributed. In the event the University System determines it cannot or will not provide such policy coverage, the University System will provide the Corporation written notice not less than 30 days in advance of the anticipated change in coverage.

ARTICLE XIV
AUDIT REQUIREMENTS

The Corporation shall engage an external Certified Public Accounting (CPA) firm to conduct an opinion audit annually. In the event that the Corporation possesses unrestricted funds totaling less than five million dollars, it may opt for the external CPA firm to perform either a compilation and review of the financial statements or completion of the 990 tax records yearly in place of an opinion audit.

To the extent Texas Government Code 321.020 applies, prior to contracting with a private auditor, the private support organization shall obtain delegated authority from the State Auditor's Office through the System's Office of Internal Audit. The audit report shall be provided to the System or Component CEO, or their designees, and the Office of Internal Audit for review within thirty days of its issuance by the CPA firm.

The Corporation permits representatives of SHSU and/or System, during the term of an MOU, to audit or examine any pertinent or relevant accounting and financial books, documents, papers and records of the private support organization, as determined necessary by SHSU and/or System.

ARTICLE XV
ANNUAL REPORTING

The Corporation is required to complete all annual reporting obligations as required by applicable law. The Form 990, serving as the mandated annual informational return for nonprofit organizations by the Internal Revenue Service (IRS), is to be submitted to the University's finance office within forty-five days following the relevant IRS filing deadline.

The Corporation must also file an Annual Financial Report with the University's finance office 45 after the conclusion of the fiscal year. This report will be disseminated to the TSUS Board of Regents and must be in the format prescribed by TSUS Administration. Additionally, the Annual Financial Report is to include a comprehensive Annual Investment Performance Report.

CERTIFICATION OF SECRETARY

I certify that I am the duly elected and acting secretary of the Sam Houston University Foundation, Inc. and that the foregoing Bylaws constitute the Bylaws of the Corporation. These Bylaws were duly adopted at a meeting of the Board of Trustees held on _____.

Ferne Frosch, Secretary, Sam Houston University Foundation, Inc

Russell Molina, Chairman, Sam Houston University Foundation

Reviewed and approved by Texas State University System Board of Regents at its meeting held at _____

Name, Title

SHSU: Authorization for Amendment Number One to Van Wagner Sports & Entertainment Multi Media Rights Agreement

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to negotiate and execute Amendment Number One to the Multi Media Rights Agreement, dated December 7, 2020, with Van Wagner Sports & Entertainment, LLC. for the naming rights to athletic facilities.

Explanation

Parties to the Contract:	Sam Houston State University (SHSU) and Van Wagner Sports & Entertainment, LLC.
Subject Matter of the Contract:	Naming rights of athletic facilities.
Purpose:	To clarify and establish a new commission rate for VWSE related to acquired namings of athletic facilities. Current commission rates vary and are based on the tier or level of sponsorship with a maximum commission rate to VWSE of 40%. New commissions will be negotiated at a rate no higher than 15% of acquired naming rights of athletic facilities.
Contract Value:	Revenue sharing of income generated by sales of Athletic facility namings.
Duration:	Original duration of the contract will be maintained. The initial term of the agreement ends on June 30, 2025 with one five (5) year term extension.
Amendments:	Number One
Source of Funding:	Revenue generating program
Review Statement:	Sam Houston State University hereby affirms that prior to execution, the contract amendment will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
Compliance Statement:	SHSU verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

SHSU: Authorization for Amendment Number Twenty-Three to Food Service Contract

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Amendment Number Twenty-Three to the May 26, 2005, Food Service Contract between Sam Houston State University and Aramark Educational Services of Texas, Inc. of Irving, Texas be approved.

Explanation

Parties to the Contract:	SHSU and Aramark Educational Service of Irving, Texas
Subject Matter of the Contract:	Twenty-third amendment to the existing food services contract.
Purpose:	This amendment will assign the responsibility of procuring and installing the hardware and software of a mutually agreed upon point-of-sale (“POS”) system to Aramark.
Price:	Not to exceed one million and one hundred thousand dollars (\$1,100,000) for the remainder of the contract.
Duration:	Through May 31, 2030
Amendments:	Number Twenty-Three
Source of Funding:	Auxiliaries
Review Statement:	Sam Houston State University hereby affirms that prior to its execution, the contract amendment will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
Compliance Statement:	SHSU verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

SHSU: Dual Credit Designated Tuition & Fee Rates

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to charge a designated tuition rate of \$50 per semester credit hour for dual credit courses and an additional \$50 per semester credit hour fee when the qualified instructor is employed by SHSU. The instructor fee would be waived for courses through Huntsville ISD.

Explanation

SHSU aims to utilize dual credit classes as both an intentional recruiting tool in our region and as community engagement. In order to do this, we must be comparably priced in the dual credit market.

The creation of a partnership with local high schools leverages the strong brand of SHSU to create name recognition and a potential recruitment pipeline.

Research has indicated that dual enrollment students are more likely to attend an institution of higher education, earn higher first-year GPAs, and graduate in less time at a higher frequency than their peers.

The Board of Regents has previously waived the statutory tuition rate of \$50 per semester credit hour. SHSU would waive other mandatory fees as these students would not have access to many of these services.

SHSU: Executive MBA Orientation and Program Fee

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to change the fee structure of the Executive EMBA program from a per year charge to a per semester charge with a non-refundable orientation fee for Fall 2024.

Explanation

The current price structure for SHSU's Executive MBA has been in place since Fall 2020 and required the total cost of \$22,000 to be paid in each fall semester of the two-year program. The requested pricing structure will allow a more affordable option for prospective students or a third-party wishing to sponsor a student into the program, potentially increase enrollment into the program. With this structure, non-sponsored students will be permitted to enroll in payment plans for each semester.

The orientation fee will be utilized for the one-week residency each student is required to attend at the beginning of the fall semester. It will help to recover a portion of the lodging, food, books, and speaker fees during this residency.

The new structure will maintain the current overall price but change to a \$1,000 non-refundable orientation fee for the fall semester and \$7,000 per semester (fall, spring, and summer) program fee.

SRSU: Dual Credit Designated Tuition & Fee Rates

Upon motion of Regent _____, seconded by Regent _____,
it was ordered that:

Sul Ross State University be authorized to charge a designated tuition rate of \$50 per semester credit hour for dual credit courses and an additional \$50 per semester credit hour fee when the qualified instructor is employed by SRSU.

Explanation

SRSU aims to utilize dual credit classes as both an intentional recruiting tool in our region and as community engagement. In order to do this, we must be comparably priced in the dual credit market.

The creation of a partnership with local high schools leverages the strong brand of SRSU to create name recognition and a potential recruitment pipeline.

Research has indicated that dual enrollment students are more likely to attend an institution of higher education, earn higher first-year GPAs, and graduate in less time at a higher frequency than their peers.

The Board of Regents has previously waived the statutory tuition rate of \$50 per semester credit hour. SRSU would waive other mandatory fees as these students would not have access to many of these services.

SRSU: Agreement with Follett Higher Education Group, LLC

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sul Ross State University be authorized to execute agreements, renewals, and successive amendments with Follett for a term not to exceed five (5) years and a total dollar value not to exceed \$5.5 million over the life of the contract.

Explanation

Parties to the Contract:	Sul Ross State University (SRSU) and Follett Higher Education Group, LLC.
Subject Matter of the Contract:	University Bookstore Operations
Purpose:	To operate and manage SRSU’s University Bookstore and Bookstore website.
Price:	The total contract value for the life of the including optional extensions, including commissions, shall not exceed Five Million Five Hundred Thousand Dollars (\$5,500,000).
Duration:	June 1, 2024, through May 31, 2025, with four (4) optional one (1) year renewals. The end date of the contract could extend through May 31, 2029, if all renewal options are executed.
Amendments:	None at this time.
Source of Funding:	Institutional funds
Review Statement:	SRSU hereby affirms that the contract amendment will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
Compliance Statement:	SRSU verifies that the solicitation method and vendor selection process complies with applicable state laws TSUS Rules and Regulations and the TSUS Contract Management Handbook.

TXST: Banking Services

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

A Contract for Banking Services between Texas State University and University Federal Credit Union (UFCU), to commence no sooner than June 1, 2024, for a five-year term with five optional one-year renewal terms, be approved.

Explanation

Parties to the Contract:	Texas State University and UFCU. UFCU was the awarded vendor based on a competitive solicitation process.
Subject Matter of the Contract:	Texas State University Banking Services
Purpose:	The contract will lease space to UFCU to operate a full-service banking branch on the San Marcos Campus, provide Automated Teller Machine / Interactive Teller Machines, and brand the university ID card known as the BobcatCard.
Contract Value:	Cost projection of \$4 million throughout the life of the contract, including renewals.
Duration:	Five-year term
Amendments:	Five optional one-year renewal terms, by Amendment only.
Source of Funding:	Revenue generating for the University.
Review Statement:	Texas State affirms that prior to its execution, the contract will be submitted for review and approved by The Texas State University System Vice Chancellor and Chief Financial Officer and approved as to legal form by the Texas State University System Vice Chancellor and General Counsel.
Compliance Statement:	Texas State University verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

TXST: Bobcat Stadium Naming Rights Agreement

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

A contract between Texas State University and University Federal Credit Union (UFCU) for the naming rights of Bobcat Stadium for an amount of revenue not to exceed \$24M for a term not to exceed 15 years, including renewals, be approved.

Explanation

Parties to the Contract:	Texas State University and UFCU
Subject Matter of the Contract:	Bobcat Stadium Naming Rights
Purpose:	The contract's primary purpose is to name Bobcat Stadium for a term of up to 15 years. UFCU will have exclusive naming rights to the stadium and other promotional opportunities.
Contract Value:	Cost of the naming rights will be approximately \$12.6 million over ten years, or approximately \$24 million over 15 years. The final revenue will depend on promotional category exclusivity included for the partner, the term length, and final negotiations between Texas State University and the partner.
Duration:	10 to 15 years, including renewals
Amendments:	N/A
Source of Funding:	This is a revenue generating contract.
Review Statement:	Texas State affirms that prior to its execution, the contract will be submitted for review and approved by The Texas State University System Vice Chancellor and Chief Financial Officer and approved as to legal form by the Texas State University System Vice Chancellor and General Counsel.
Compliance Statement:	Texas State University verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

TSUS: Quasi Endowment Reports

Recommendation

The “Proposed Quasi Endowments” included in the accompanying Quasi Endowment Reports for The Texas State University System components be approved.

5.C. TSUS: Capital Improvements Program

5.D. TSUS: INFORMATIONAL: Planning and Construction Report

5.E. Planning and Construction CONSENT Agenda

5.F. TSUS: CONSENT: Amendment to 2024 – 2029 Capital Improvements Program

LU: Design Development Documents for the Mary and John Gray Library Renovation

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The design development documents for the Mary and John Gray Library Renovation project at Lamar University be approved.

Explanation

Campus Master Plan/Capital Improvements Program: This project is for improvements to an existing campus building. The project was included in the 2022-2027 TSUS Capital Improvement Program.

Background Information: The 87th (3rd) Texas Legislature approved \$44.9 million in capital construction assistance to support the renovation of the Mary and John Gray Library at Lamar University. This funding, as part Senate Bill 52, along with a supplemental TSUS bond issuance, will support the first significant renovation of the library since it was dedicated in 1976.

Project Site: The existing Mary and John Gray Library Building and immediate surroundings.

Scope of the Project: The scope of the project entails a complete interior renovation of all eight floors, including replacement and/or upgrades of all major mechanical, electrical, and plumbing systems. Additionally, significant portions of the building façade will be replaced with new windows to maximize natural light. The existing east entrance will be modified to create a more prominent two-story lobby and an additional entrance will be created on the south side, facing the dining hall commons. Large expanses of existing concrete paving will be replaced with natural green space and enhanced shaded tree canopies and a more welcoming entrance plaza. The roof of the building will be replaced. This project will bring the building into compliance with Texas Accessibility Standards, state energy code standards, and all current applicable building and life safety codes.

Architect/Engineer: The Architect/Engineer (A/E) for the project is Stantec Architecture, Inc. of Houston, Texas.

Contractor: The Construction Manager-at-Risk (CMR) is Turner Construction Company of Houston, Texas.

Project Justification: The library was dedicated in 1976. Nearly all of the existing infrastructure is original to the building and has exceeded its life span. A facility condition assessment completed in 2019 revealed several other deficiencies, including water infiltration at the façade, building code, accessibility, and life safety issues.

The function and purpose of academic libraries has changed significantly since the building was completed in 1976. This renovation will modernize the facility by improving resources and technologies that enhance the student experience and better serve faculty. This project will transform the learning experience at Lamar, developing a learning commons environment where students have access to physical and virtual resources, collaborative spaces to work on projects with other students, and quiet spots to study. This project is aligned with Lamar's focus on student success and will strengthen the Gray Library's role as a hub for learning as we prepare our graduates for entry into today's global workforce.

Funding Source(s): \$44.9 million in capital construction assistance revenue bonds and \$38.6 million in additional System revenue bonds.

Design Development Submittal Documents: The Design Development Submittal Documents follow this motion in the Board agenda materials.

Operating and Maintenance Cost: The renovation will bring the building into full compliance with the State Energy Conservation Office code requirements. Low water-use fixtures, energy efficient LED light fixtures, occupancy sensors, daylight sensors at new windows, new air handling units with high efficiency motors, and improvements to the building envelope will all be deployed to maximize energy efficiency. Total MEP usage after the renovation is estimated at 833,660 kWh, or \$83,366 annually, which reflects savings of about 60% of current consumption. Ongoing maintenance costs and man-hours will also decrease significantly.

Environmental Impact: There are no projected adverse environmental impacts due to this project. The decrease in impervious surfaces immediately surrounding the building will improve drainage in the area.

Certification: The design documents submitted by the A/E have been reviewed and found to be a complete and satisfactory Design Development (35% or more complete) design submittal. This certification is based on a review by the University, and upon receipt by the System Office of a satisfactory statement of compliance from the A/E of Record for every discipline that, to the best of their knowledge, the design is complete and all that remains to be provided are details required for the creation of construction documents and the preparation of such documents.

Total Project Budget:

Total Estimated Construction Cost	\$68,918,520
Construction Cost Limitation (CCL)	\$68,918,520
Owner's Construction Contingency	\$1,232,118
CMR Pre-Construction Services	\$135,177
Architect/Engineer Fees	\$6,205,000
Furnishings and Equipment	\$2,200,000
Owner Contracted Services / Other Work	\$995,000
Owner Provided Services / Miscellaneous	\$825,000
Project Contingency	\$1,000,000
Project Management Administrative Fees	\$1,300,000
Public Art	\$689,185
<hr/> Estimated Total Project Cost	<hr/> \$83,500,000

This budget represents the University's best estimate of project costs at this stage of design, based upon estimates reconciled between the A/E's cost estimating consultant and the CMR.

MAJOR BUILDING SYSTEMS

PROJECT NARRATIVE

Introduction

The Mary and John Gray Library was originally constructed in 1976 as a visible monument for the campus. At eight stories, the library is the tallest structure on campus and in its immediate surroundings. Since its construction, no significant renovations have taken place other than a fire protection project, and improvements that added a Starbucks to the lobby space. After almost five decades of continuous use, the building systems and finishes are well beyond their useful life expectancy. The new program of requirements was developed to bring the building up to current standards, and address the transition for the library general collection to an expanding digital access to online journals, references and reserves, along with all the other spaces requiring similar upgrades within the building. This change in the collections presents an opportunity to the University to re-imagine the existing library as an academic center for the campus.

The program of requirements identifies almost 102,000 assignable square feet of program space for traditional library functions, student success, tutoring, advising, faculty support, and campus event space. Recognizing changes in teaching methods and student culture, the newly renovated Mary and John Gray Library will become the academic hub on campus that provides the resources for collaborative learning, knowledge production, and expanding the educational foundation of each student.

Planning Concept

The Mary and John Gray Library is much more than a Library and serves to support students beyond the books. The concepts for the project consist of several minor adjustments that complement the original architecture and create a transformative appearance to the interior and exterior of the building. The project opens the ground level to encourage students to travel through the library between the main east entrance and the newly created south entrance. Tree canopies for shaded pathways, and green landscape spaces, replace the large expanses of existing paving and heavy concrete canopies. The small narrow bands of vertical ribbon windows are replaced with open glazing on the east, and increased glazing on the north and south sides of the building.

The development of a new core for support services that stack vertically on the west side of the building enhances building functionality and performance. The addition of more open connections between floors for student services, and an improved banquet experience on level eight with upgraded interior finishes, create a banquet room experience unique to Lamar University and the city of Beaumont.

Architectural Narrative

The architectural expression of the renovated Library building incorporates the architectural pattern language of the more recent existing campus buildings. The new design maintains elements of the existing library such as the brick clad west facade and the four stair towers. At the completion of the project all facades including the stair towers will be brought up to the state required energy compliance that provides for a thermal and watertight envelope. The field brick of the existing building has an elastomeric coating applied that has reached its useful life and it is re-coated with a new elastomeric coating system matching the original red brick color.

At the exterior, the signature entry from the east, is reinforced with a two-story tall, cantilevered roof canopy. It defines the main entry to the building, as well as creates a highly valuable shaded connection to the exterior plaza space for students and staff. On the north and south facades, the existing windows are being replaced with new energy code compliant windows, and new glazing is added to provide natural light providing a bright open feeling experience to all the offices. The east facade is completely replaced with a curtain wall system bringing much needed natural light to the public spaces on each level as users travel vertically at the elevator core, and experience views of the campus. The entry lobby with its two-level high volume creates a generous welcoming user experience. The exterior columns are clad with aluminum composite metal panels on the east, north and south elevations in a complementary gray color to the red brick. On the west facade, the existing windows on level 8 are infilled with metal panel system, and the existing copper roof is replaced with a new standing seam metal roof.

The plaza on the east side and the patio on the south side are located directly adjacent to major pedestrian pathways through campus. The completely renovated east side plaza creates a friendly and complementary entry moment to the front door and provides a comfortable outdoor experience to the rest of the campus. This space is embellished with art, landscaping, and a ground level monument sign recognizing the Mary Gray Plaza.

The building footprint maintains the same overall shape with minor additions to levels 1 and 8. Each floor is being renovated supplementing the most recent renovations associated with the fire sprinkler project, and the elevator replacement project. On level 1, the existing Starbucks is being relocated from the east side to the south side. The entry lobby is being expanded to become a larger more open two-story volume, with a connecting stair within the levels 1 and 2. The lobby also showcases the activities of the building to the broader campus. At the same time, it provides much valued views and access to the exterior from inside the building. A new library and computer support desk is on axis with the east entry, and the new entry from the south side.

On levels 2-4, the design locates most of the offices along the perimeter walls to allow for as much access to natural light as possible, and to keep the east side open with study spaces and the elevator core, accessible to views and natural light. The existing four corners do not have windows and are utilized for workrooms and support spaces. A new floor opening and stair, between levels 2 and 3, have been added to connect the student focused support spaces.

Levels 4-6 contain the collections in traditional 7-tier stacks. These levels are also activated with student study rooms and open seating areas to encourage student study.

Level 7 integrates the special collections and archives. The reading room includes display spaces for rotating exhibits of the special materials housed in the collections, as well as a dedicated space to honor Jack Brooks legacy. Vinyl graphics on the entry glass wall highlight his accomplishments and contributions to the country, state, and region.

Level 8 includes the event room with upgraded finishes for the special events specific to Lamar University and Beaumont. The room accommodates on average 200 seated guests. The adjacent kitchen, with limited cooking capabilities, and the back of house storage spaces support the catering service.

The larger areas of glazing and expanded windows improve daylighting and views as well as reinforce the connection to the surrounding campus and larger community. Transparency activates the interior design to put learning on display and welcome students into instructional spaces and meeting rooms. Large and small group study rooms encourage collaborative learning while enclosed individual spaces support focused work. Abundant distributed open seating areas provide opportunities for engagement to strengthen students' sense of belonging.

Both the east and south entrances to the building allow for unobstructed views of the primary library and IT services desk. The monumental stair from the double-height volume of the main lobby leads to level 2 where students find student tutoring and retention services (STAR) offices and consultation rooms. The open stair from level 2 to level 3 leads to the registration desk and advisor offices. These line-of-sight connections provide clear wayfinding to the three major points of contact for student support.

Porcelain tile flooring in the lobby and main circulation areas provide a durable and easily maintained surface while carpeted areas provide a quieter ambiance for study. Warm wood tones throughout create an appealing environment while upholstered furniture incorporates more colorful accents in addition to the Lamar University red accent color. Areas for commissioned art as well as pieces from the university's collection have been identified in the design.

Civil Narrative

The site, as developed currently, consists of concrete pavement, concrete sidewalks, landscape areas, and decorative pavers. The civil design scope includes site demolition to accommodate the new site design elements associated with new walks, landscape areas, plazas, and underground utilities to support the renovation of the Mary & John Gray Library building. The design complies with Lamar University design standards, City of Beaumont design criteria and all applicable local jurisdictional codes.

The exposed ground is sloped and maintained at a minimum five percent away from the building for at least ten feet beyond the perimeter of the building per the geotechnical report recommendations. Site grading complies with the Americans with Disabilities Act (ADA) and Texas Accessibility Standards (TAS) at the accessible paths. Accessible paths are provided to all main building entrances from accessible parking areas and public right-of-way.

Sidewalks for the site consist of a minimum of five inch-thick concrete pavement. Drive areas that require modifications consist of a minimum of six inch thick concrete pavement. Required strength, reinforcing, and subgrade treatment complies with the geotechnical report recommendations.

The storm drainage is served by underground storm pipes ranging from 6-inches to 15-inches in diameter. The site perimeter currently drains through existing inlets in the grass areas. New drainage accommodates the improvements east of the library. Existing storm piping is adjusted south of the building to accommodate the outdoor plaza area. Roof downspouts for the building are captured below grade and drain to existing and proposed storm lines. Improvements to existing storm drainage are required to comply with current Drainage District 6 standard details and regulations.

An existing 6" diameter water line south and east of the library building is located in utility tunnels that run below the building. Water improvements are performed inside the building by connecting to the water lines in the utility tunnel. Existing water appurtenances are adjusted to meet the new pavement and grass elevations.

New sanitary lines within the building are connected to existing underground site utilities ranging from 4-inches to 8-inches in diameter. The existing piping is located south of the existing library building and runs from east to west. An new outdoor grease trap for the relocated Starbucks is provided at the exterior of the building. Existing sanitary manholes are adjusted to meet the new paving in the outdoor plaza.

According to the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) 4854570010D, effective August 6, 2022, the project site is in unshaded Zone X, areas determined to be outside the 500-year flood plain. The finished floor elevation of the proposed building renovation will remain unchanged.

Landscape Narrative

Outdoor spaces enhance learning experiences and provide space for students to spend their free time. The landscape design provides a comfortable seating area next to the new south entry that connects with the Brook Shivers Dining Hall and green mall. On the east, a completely renovated Mary Gray plaza creates a welcoming outdoor space for daily student life and yearly special events as a special point of arrival and meeting point. New signage integrated in the plaza pavement honors Mary Gray, a former First Lady of Lamar University, who played such a big role in making the campus the enjoyable and notable landscape it is today.

The hardscape palette for the site includes durable materials, and works in conjunction with the building design. Masonry veneer walls, clad with limestone serve various purposes such as providing seating, screening, and retaining soil to accommodate grade changes. Specialty cut pavers located at the center of the Mary Gray Plaza, integrate a cardinal silhouette providing an accent that is unique to Lamar University.

The palette for planting includes species that are suitable for the climate in Beaumont based on time tested materials the Grounds Department has successfully used on campus. Sun angles and shading have been considered to situate plant species appropriately for their lighting requirements. Drainage and fine grading is provided to allow for the best growing accommodations for the planting areas. The trees selections are a combination of evergreen and deciduous to provide shade along pedestrian walkways and to add to energy savings by blocking or encouraging sunlight on the building appropriately. Shrubs and ground covers have been selected to have a long lifespan, low maintenance and provide interesting color and texture in the landscape.

Irrigation is designed to meet all requirements of the new SECO guidelines including those pertaining to valves, flow meters and moisture sensors as well as the standards and rules set by the Texas Commission on Environmental Quality. Turf grass, lawn, shrubs and groundcover is irrigated primarily by multi-stream rotational irrigation heads with matched precipitation rate heads for maximum efficiency. Trees are irrigated with tree bubblers. Irrigation is designed to meet all requirements of new SECO guidelines including those pertaining to control valves, flow meters and moisture sensors.

Structural Narrative

The proposed modifications include a new high-volume lobby/entrance with a new flat roof and continuous curtain wall system along the east side of the facility replacing the existing sloped roof entrance. Demolition of the existing wall along the second floor currently separates the second level from the lobby area. A new stair connects the ground floor lobby area with the second floor. New flat roofs and new exterior walls replace the existing sloped low roof areas on the north and south sides of the building. These improvements blend into the university's overall theme and provide consistency, uniting the library as part of the whole.

On the third floor, a new floor opening with new stair connects the second and third floors. The eighth-floor modifications include changes to the existing stairs at the northeast and southeast corners of the building. Along the north, south and east elevations at the eight floors, the existing exterior pilasters and glazing at the balconies will be demolished to accommodate the new continuous glazing system along the face of the building in line with the lower floors rather than the existing setback balcony.

As part of the building envelope renovations along the north, south and east elevations, existing brick cladding and glazing systems are removed to create larger openings for new larger windows. Steel framing has been added to support the new glazing systems.

Mechanical Narrative

As part of the building renovation all existing mechanical system components are being replaced with new equipment and are connected to the existing connection points located in the tunnel that runs below the east side of the building. The four existing mechanical rooms located at the corners of each floor are being replaced with a single mechanical unit on the west side of the building. This relocation of the mechanical equipment facilitates the construction process, without impacting the users that remain on the occupied floors and reduces the overall number of mechanical units for maintenance and service in the future. The new mechanical systems provide temperature control for occupants and equipment, and incorporate efficient and reliable systems that comply with energy conservation standards. The new mechanical units perform at a much higher energy efficiency reducing overall cost of operations.

The chilled water and heating hot water system are connected to the existing piping within the tunnel as it passes along the east side of the building. The chilled and heating water loop is supplied by the campus central plant and the system uses 2-way control valves for all air handling units. The major mechanical equipment consists of two Vertical Inline Chilled Water Pumps (1 pump is fully redundant), variable frequency drive controls and high efficiency motors.

The air distribution system is based in a Variable Air Volume (VAV) system consisting of an air handling unit and single duct VAV terminal units. Each floor is served by one air handling unit located in the mechanical room. The AHU has a double wall construction, and is equipped with a minimum of four plenum supply air fans. The units are custom grade to allow removal of sections through the building doors. The AHU sections are as a minimum: open filter section with MERV 13 filter, cooling coil section, 18" access section, fan section, and discharge plenum. The unit also includes duct smoke detectors on the supply and return air streams. The zoned air distribution utilizes single duct VAV terminal boxes with hot water heating coils. Up to three spaces with similar load profiles are grouped together. Terminal units are controlled by zone temperature sensors controlled by campus facilities personnel. Roof mounted exhaust fans are provided for general exhaust from the restrooms/janitor closet. The kitchen located on the eighth floor has a commercial stainless steel kitchen hood with Ansul fire suppression system, hood controls, and kitchen exhaust fan. A chilled water/heating water Makeup Air Unit is provided on the roof to make up kitchen exhaust.

Electrical Narrative

The current arrangement of two parallel electrical services and separate distribution switchboards is utilized to accommodate the construction schedule. The existing basement switchboard continues to serve power to all parts of the building. As construction demolition starts on one (or more) floors, the existing electrical distribution equipment (panelboards, branch circuits, etc.) are demolished on that floor. As the renovation construction progresses, all new electrical distribution equipment for each floor is installed in the new core electrical room. This equipment serves all the new loads on the renovated floor. As each floor is renovated, the loads are removed off the old switchboard and the new loads are placed on the new equipment.

A new 277/480 V/ 3 PH/4W panel is installed in the main first floor mechanical room to serve new mechanical equipment such as air handling units, chilled water pumps, hot water pumps, and domestic water pumps. This panel will receive power directly from the existing panel.

Each of the levels have an electrical room in the new core to house most of this equipment. Emergency power is distributed to new loads throughout the building by installing life safety/emergency load panelboards in the electrical room on each floor as required. The existing emergency panel is used to distribute power vertically to three new emergency sub-distribution panelboards located on the levels 1, 4 and 7. The existing emergency generator was recently replaced and is adequately sized to meet the needs of the new program.

General receptacles are provided throughout the building. Floor boxes are utilized in both first-floor computer lab areas as well as in all group tutoring, large group study, event space, and conference rooms throughout the building. They are also used extensively to provide convenience power to pods of open seating and study areas.

Indoor lighting consists of a combination of fixtures utilizing LED technology. The fixtures are predominantly a mix of downlights, recessed linear strip fixtures, direct/indirect linear pendant fixtures, 2x4 and 2x2 architectural troffers, various cove and undercabinet fixtures, and a smattering of accent and focal point fixtures. Lighting is primarily 277V. All lighting power densities complies with the IECC 2018 and SECO requirements for interior and exterior lighting power requirements.

Exterior lighting consists of a combination of LED fixtures including the University standard pole light, bollard lights, tree lighting and accent cove lighting. These fixtures are used in conjunction for pathway and the accent lighting.

Lighting controls for lobbies, open areas, stack areas, meeting rooms and event areas is organized with lighting processor-controlled system with individual zone level and fixture level controls. The system allows for schedule based or occupancy-based control utilizing wireless occupancy sensors. User interface options include individual lighting control keypads with presets or touchscreens where higher levels of local control of individual zones or fixtures is required. In addition, assigned University personnel have access to the lighting system via a smartphone or tablet loaded with the lighting control software.

Lighting controls for smaller offices and study rooms are organized via local wall or ceiling mounted occupancy or vacancy sensors providing 0-10V dimming control. These provide automatic shut off as required by the IECC 2018 code. Daylight responsive controls are provided within daylight zones in spaces that require it per the IECC code.

Fire Protection Narrative

The existing fire alarm system in the building is a legacy Notifier intelligent/addressable voice evacuation type system. The existing system remains in working condition until all renovated floors are online on the new fire alarm system, after which it will be removed entirely.

The new fire alarm control panel and fire alarm risers are installed and brought online in the early phases of construction. The existing fire alarm system in the building remain online and in operation as well. Therefore, both fire alarm systems are in parallel operation in order to accommodate the construction schedule. As construction demolition starts on one (or more) floors, the existing fire alarm devices is demolished on that floor. As each floor is renovated, the new fire alarm system devices is installed and connected to the new fire alarm system. Ultimately, all the existing fire alarm system devices will be removed, and the entire existing fire alarm system will be demolished.

An existing 8-inch underground fire water service line serves the existing building. The fire line is routed underground through the southwest electrical yard and penetrates the building above grade into the fire pump room. The existing, recently installed fire water pumping system consists of a backflow prevention assembly, single stage, 250 h.p. electric motor driven horizontal split case fire pump, jockey pump, combination fire pump controller/automatic transfer switch, and jockey pump controller. The fire pump is installed in accordance with 2019 NFPA 20.

The building is totally sprinkled and has a code required 6" Class-I standpipe system in each of the 4 exit stairwells. Downstream from the fire pump, an outdoor fire department siamese connection and a 4-outlet fire pump test header are installed. The existing sprinkler system remains in place throughout the building except it will be decommissioned and demolished on each floor that is under construction. As per industry standard practice, the detailed sprinkler system design (pipe sizes and locations, sprinkler head locations, exact routing, associated hydraulic calculations, etc.) is a delegated design by the selected sprinkler subcontractor. All of the branch sprinkler piping is demolished back to the main or sub-main on each floor. As each floor is renovated, the sprinkler system is designed and altered as required to meet the new occupancy requirements according to the 2019 NFPA 13.

The existing lightning protection system on the roof includes removing and reinstalling it in conjunction with the roof replacement. All new roof mounted equipment is designed be connected to the lightning protection system.

Plumbing Narrative

The building is served with a new domestic cold-water line. A meter and a Reduced Pressure Zone (RPZ) backflow preventer is provided in a mechanical room. Domestic water piping is sized based on the 2021 Edition of the International Plumbing Code. The maximum design velocity for the piping systems is 7 feet per second. Service valves are provided at each branch line serving two or more plumbing fixtures. All plumbing fixtures and equipment connections are provided with local stop valves. Additional service valves are provided to isolate the system for maintainability and ball valves are provided for domestic water systems. Access panels are provided with adequate space to operate the valve(s) in walls and inaccessible ceilings. Shock arrestors are provided on all water rough ins serving plumbing fixtures, at all equipment and quick closing valves. The exterior domestic cold-water piping is routed underground to prevent freezing during low ambient temperatures.

Domestic water piping is provided with Type L copper tubing with solder joints. All domestic cold-water piping is insulated with fiber free, closed cell, elastomeric insulation. Insulated pipes inside mechanical rooms and in areas subject to damage are provided with aluminum jacketing. Flow meter is provided to monitor the domestic cold water use in the building. Meter communicates with the building automation system. The domestic hot water for the building is provided by electric water heaters with storage tank. The water heaters deliver and store water at 140-degree F. The water heaters and associated components (expansion tanks and pumps) are located in the mechanical rooms on levels 1 and 8. The domestic hot water piping system is sized similar to the domestic cold-water system, except, the system will be designed with a velocity of 5 feet per second.

A complete waste and vent system is provided to collect sanitary waste from all plumbing fixtures, floor drains and any other equipment, in accordance with the plumbing code. A grease interceptor is located on the 7th floor utility space, to allow for drainage and grease removal for the kitchen located on level 8.

Data / Telecommunication Narrative

The Telecommunications design is defined by coordination the Lamar University guidelines, industry standards, and best practices for the design and specification of the technology distribution system. The design provides a modern, redundant, and scalable infrastructure that allows for future modifications. The Network Infrastructure consists of:

- The Communications Pathway Infrastructure
- Incoming telecommunications services
- Telecommunications Spaces
- Back bone and Horizontal Distribution
- Telecommunications grounding and bonding system

All incoming telecommunications circuits from the service providers or campus communications network is terminated within the building main distribution panel room and distributed out to the building communications rooms. The design complies with the Lamar University requirements as well as the most current ratified TIA, IEEE, ANSI, NEC, and other applicable industry standards. Pathways consist of new cable tray, slots/sleeves, conduits, and ladder racks. All pathways are sized to accommodate future growth. Wireless infrastructure is designed to provide building-wide coverage in circulation spaces, commons areas, staff areas, and teaching space.

Audiovisuals Narrative

The AV system is designed to conform with Lamar University program requirements and AV standards. All AV locations, quantities, and device placements are coordinated with Lamar University Office of Information Technology. The AV systems are implemented in multiple room types including Large Computer lab, Instructional Computer Lab, a combinable-divisible multipurpose meeting room, meeting, consultation tutoring, study rooms, and a large multifunctional event room.

The audiovisual system is scalable and it is consistent throughout the facility. The following functionality per room is included:

- Flat Panel Displays and/or Projector and Screen
- Wired or Wireless presentation to a display
- Local sound reinforcement of the presentation content.
- Presenter local audio reinforcement
- Room AV control panel.
- Soft codec-based video teleconferencing capability in support of group collaboration and hybrid learning. The system is agnostic to the video system but supports Microsoft Teams meetings as a primary means of conferencing and supports other soft codec-based conferencing means as well.
- The room components are scaled to adequately support the above functionality in the different size rooms.

Security Narrative

The security system consists of the electronic access control, and the video surveillance systems.

The Electronic Access Control system consists of an electrical/mechanical door locking system that uses an access card as the access credential. The system includes an electric door-locking mechanism, card reader located adjacent the door, and door status sensor. Typical system configuration is card or schedule-controlled entry with free exiting.

The following devices are to be included in each access-controlled door:

- Composite Cable
- Card Reader
- Door Contact(s)
- Request to Exit Device
- Card Reader license for ACS system (Genetec)
- Intercom system with the capability to unlock door from the same device located at desk.

The Video Surveillance System specification consists of cameras, camera mounts, camera licenses, and additional server storage. The system utilizes Internet Protocol (IP) cameras, recording in High-Definition formats. The system contains provisions for the viewing and retrieval of both live and archive video. The video archive is sized to store no less than thirty (30) calendar days of video.

Food Service Narrative

Included as part of the renovations is the Catering Kitchen on Level 8 supporting events held in the adjacent Event Room. Events may be held for approximately 300-320 guests at maximum capacity. Most meals are sourced from other campus kitchens, but the Catering Kitchen provides limited production and preparation areas along with staging and plating spaces and pot wash area.

No existing foodservice equipment is planned to be reused as part of the renovated Catering Kitchen. The all-new equipment includes two double-stacked combi ovens, a double tank fryer with dump station, exhaust hood with fire suppression system, reach-in and roll-in refrigerators, reach-in freezers, and a dish machine and three-compartment sink to support dishwashing on-site. A dedicated plating and staging area with two plating tables is located adjacent to the cookline for assembly of plated meals after being cooked and/or finished on the cookline.

The Event Room is approximately 7,000 sf and can be configured to support standing only receptions or seated banquets. Meals are plated and immediately served to guests at their tables or self-served via temporary buffet tables with chafing dishes within the Event Room, or through a combination of both methods. A combination of reusable and disposable service ware is used. A three-compartment sink, and dish machine provide on-site dishwashing capabilities. An adjacent furniture storage room is used to store dining tables and chairs. When this furniture is in use, the now empty furniture storage room may be used as additional plating and staging space, or for additional cart parking to support the holding of foods or meals. Electrical connections are provided in the furniture storage room to support plugging in mobile heated carts.

All benchmark costs have been adjusted to Q3 2024 dollars.

REPAIR AND MAINTENANCE COST

The completion of the Mary & John Gray Library Renovation (171,910 sf) will result in projected costs of approximately \$1.5 per square foot, for an annual total cost of approximately \$257,865.

OPERATING COST FOR POWER AND UTILITES

The estimated annual electrical consumption for the building addition is projected to be \$83,366.

Owner Occupancy	08/24/2026

ENVIRONMENTAL IMPACT

Environmental Impact

ENVIRONMENTAL IMPACT

The Library Building has been designed with integrated sustainable design strategies determined to be economically feasible within the scope and budget of the project and in compliance with TGC 2166.403.

STATEMENT OF ENERGY CONSERVATION AND SUSTAINABILITY

The renovated Library Building does not currently meet the minimum State Energy Code however the improvements made in the renovation will bring the building into compliance using cost effective design solutions and is designed with integrated sustainable design strategies.

LOCATION

The library is currently connected to the underground utility tunnel which allows it to take advantage of existing infrastructures, including cold and hot water thermal utilities, domestic water lines, and fiber data line.

SUSTAINABLE SITE

The project is situated at the center of campus and ties directly to existing parking lots, access drives, and pedestrian sidewalks. The amount of impervious surface areas will be reduced to provide more green space with added tree cover for the users as they access the building and travel to adjacent buildings on campus.

WATER EFFICIENCY

Low water-use fixtures are employed throughout the building and landscape systems. Water meters are installed to measure the water use for the building and grounds.

ENERGY AND ATMOSPHERE

The building envelope includes high performance materials and design strategies (including insulations, air barriers, and drainage systems). The project is designed to comply with IECC 2018.

The existing fluorescent and incandescent light fixtures in the building will be removed and the entire building will be outfitted with new energy efficient LED light fixtures and energy code compliant lighting controls. Local lighting controls with dimming capability will be provided in all spaces. Per the energy code, all lighting will be automatically turned on to 50% of maximum lighting power and the user will be able to turn it up further with local dimming controls.

All areas with adequate vertical fenestration will be provided with daylight sensors to further optimize and reduce the use of lighting when sufficient natural light is available. Occupancy sensors or other automated lighting control systems will not be used in potentially hazardous spaces such as mechanical/electrical rooms.

These efforts will provide an approximately 35%-50% costs savings in electrical consumption specific to the lighting system.

All existing Air Handling units are being replaced with new energy efficient units specified with high efficiency motors to allow for efficient and variable speed operation. Additionally, all new chilled water, hot water and domestic water pumps will be replaced with new units that are installed with Variable Frequency drives to ensure the most calibrated balancing and the most energy efficient operation are both achieved.

FIRE ALARM:

The fire alarm scope of this project is a passive life-safety system which consumes a negligible amount of energy on a regular basis. All the equipment being specified is of the latest variety and compliant with all NFPA life safety codes.

MEMBER THE TEXAS STATE UNIVERSITY SYSTEM

LSCPA: Design Development Documents for Madison Monroe Educational Building Renovation

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The design development documents for the Madison Monroe Educational Renovation project at Lamar State College Port Arthur be approved.

Explanation

Campus Master Plan/Capital Improvements Program: This project is not on the LSCPA Master Plan and arose due to the need to upgrade the building mechanical, electrical and plumbing (MEP) systems and provide instructional space for the various curriculum and educational departments. The project was placed on the 2023-2028 Capital Improvement Program in May of 2023.

Background Information: The 55-year-old building comprises both academic and administrative uses and is a focal point of the campus. The building requires the replacement of environmentally impacted MEP systems so the College can provide a safe learning experience for its students. An aging and malfunctioning chilled water piping system, original to the building, requires replacement. The system is connected to the central plant and a coil failure would lead to a central plant malfunction. Due to concerns with building mechanical failure, LSCPA intends to undergo a full MEP demolition and replacement. The project will also include a new roofing system, window replacement, and interior renovation.

Project Site: The Madison Monroe Educational Building is located at 1500 Procter Street, Port Arthur, Texas, adjacent to the LSCPA Student Center Building.

Scope of the Project: The project consists of the replacement of all MEP systems throughout the building to meet current industry standards. The roof will be replaced with a new energy efficient roof to meet the Texas Energy requirements for conditioned spaces. All exterior windows will be replaced with new insulated glazing unit windows. The existing storefront entry systems will also be replaced. The building will be abated to remove any asbestos and lead material found. The life safety systems will also be brought up to code and a new fire sprinkler system will be installed. The classrooms will be remodeled or increased in size. The offices will be remodeled to LSCPA campus standards, and the main IT distribution will be upgraded with today's technology.

Architect/Engineer: The Architect/Engineer (A/E) for the projects is PDG Architects of Houston, Texas.

Construction Manager at Risk: The Construction Manager at Risk (CMR) for the project is O'Donnell Snider Construction, LLC. of Houston, Texas.

Project Justification: The Madison Monroe Educational building MEP (mechanical electrical and plumbing) systems are near the end of their useful life. Due to concerns with building mechanical failure and high annual maintenance and utility costs, LSCPA intends to undergo a full MEP renovation, roof and window replacement, and interior renovation for its various building institutional departments.

Funding Source(s): The project-funding will be a combination of SB30 Disaster Mitigation funds

and LSCPA Institutional Funding.

Design Development Submittal Documents: The Design Development Submittal Documents follow this motion in the Board agenda materials.

Operating and Maintenance Cost: The project will result in projected annual operating costs of \$31,795 and projected annual maintenance costs of \$26,050.

Environmental Impact: There are no projected adverse environmental impacts due to this project.

Certification: The design documents submitted by the A/E have been reviewed and found to be a complete and satisfactory Design Development (35% or more complete) design submittal. This certification is based on a review by the Member Institution, and upon receipt by the System Office of a satisfactory statement of compliance from the A/E of Record for every discipline that, to the best of their knowledge, the design is complete and all that remains to be provided are details required for the creation of construction documents and the preparation of such documents.

Total Project Budget:

Total Estimated Construction Cost:	\$13,500,000.00
Construction Cost Limitation (CCL):	\$13,500,000.00
CMR Pre-Construction Services:	\$18,000.00
Owner's Construction Contingency:	\$67,259.00
Architect/Engineer Fees:	\$1,600,000.00
Furnishings and Equipment:	\$475,000.00
Owner Contracted Services/Other Work:	\$240,000.00
Owner Provided Services/Miscellaneous:	\$50,000.00
Project Contingency:	\$417,000.00
Project Management Administrative Fees:	\$312,741.00
Public Art	N/A
Estimated Total Project Cost (TPC):	\$16,680,000.00

This budget represents the college's best estimate of project costs at this stage of design, based upon estimates reconciled between the A/E and the CMR.

ACKNOWLEDGMENT

PDG Architect's team wishes to express our sincere appreciation to The Texas State University System for allowing our firm the opportunity to be involved in the design of the Madison Monroe Educational Building Renovation at Lamar State College Port Arthur.

PDG Architects would like to express our gratitude to the numerous individuals who have played a role in the development and planning of the Madison Monroe Educational Building Renovation. We also extend our utmost gratitude to the administrators, educators, and support staff who have attended meetings and provided information throughout the design development phase of this important project. Their input and assistance have been most valuable.

MAJOR BUILDING SYSTEMS

MAJOR BUILDING SYSTEMS

Architecture

PROJECT DESCRIPTION

Project Goals have been identified through meetings with Lamar State College Port Arthur (LSCPA) faculty and staff for the Madison Monroe Educational Building Renovation project. The Project Goals are as follows:

1. Renovation of both floors of the existing 38,879 classroom and staff building.
2. Addition of a new 2nd floor crossover bridge to the Student Center building.
3. Enlargement of the rear south entry of the building.

The Madison Monroe Educational Building was constructed for the Port Arthur College in 1967. The first floor was later expanded in 1987 to include about 1,000 SF of additional staff spaces. Since its opening, the building has undergone only minor renovations to address immediate needs and changes to the campus curriculum and culture. This proposed project is the first renovation that serves as a major rethinking of the building and its role on the Lamar State College Port Arthur's campus.

The renovation will consist of the replacement of all HVAC, Electrical, and Plumbing systems throughout the building to meet current industry standards. The roof will be replaced with a new energy efficient roof to meet the Texas Energy requirements for conditioned spaces. All exterior windows will be replaced with new insulated glazing unit windows. The existing storefront entry systems will also be replaced. The building will be abated to remove any asbestos and lead material found. The life safety systems will also be brought up to code and a new fire sprinkler system will be installed. The classrooms will be remodeled or increase in size. The offices will be remodeled to LSCPA campus standards, and the main IT distribution will be upgraded with today's technology.

SITE PLAN AND BUILDING PLACEMENT ON THE SITE

The location of the Madison Monroe Educational Building holds the center of the LSCPA campus today. Conveniently neighboring the Student Center and Student Success Center, the Madison Monroe building is easily accessible to the students as the main classroom building for the college. The latest plans show a larger entry at the south side of the building. This design element will focus attention as a point of entry from the lot where many of the faculty and staff park. Another planned feature is the creation of a 2nd floor skybridge that will connect the Madison Monroe main corridor with the existing 2nd floor of the Student Center building. This crossover bridge will link student services for easier access to enrollment and academic advising.

BUILDING FLOOR PLAN AND SPACE LAYOUT

The two floors of this renovated building are 20,735 SF (1st floor) and 18,144 SF (2nd floor), consisting of classrooms, conference rooms, mail room, and staff offices. These floors will be reprogrammed for the classrooms, offices, and support spaces using adjacencies and efficiencies to create flow through the building. Two major corridors help divide the building into staff and students spaces. The first major corridor is 10' wide and bisects the building on an east/west axis creating a promenade for students and staff as they travel to and from the adjacent campus buildings. This corridor delineates classrooms on the north side and faculty spaces on the south side. The second major corridor runs north/south connecting the main entrance to the highly-utilized south entrance. This corridor will have a vaulted ceiling to characterize and draw attention to these two entries/exits. The main intersection of these two main corridors on the first floor is highlighted with an articulated high-ceiling, further showcased by a modern geometric chandelier. Small seating nooks, highlighted with an accent color, have been designed along the main east/west corridor to give students and staff a place to wait between classes and meetings. The existing terrazzo flooring will remain mostly intact. A mixed ceiling of 2x2 acoustical tile lay-in and gypsum board will be installed in both major corridors.

All classrooms will be designed for specific seating totals, within the occupancy limits per code. Each classroom will be built-out to the campus standards. Any exposed brick in the classrooms will have a new furred wall so that electrical and data outlets can be easily run for location convenience. New 2x2 lay-in ceiling will be installed with campus standard 2x4 light fixtures. The classroom ceilings will be lowered to allow for new HVAC ductwork to be run deep in the rooms. New LVT will be installed for durability. The classrooms will be equipped with the latest IT network cabling and equipment. The various sized staff offices will be created using campus standard finishes: carpet. A new 2x2 lay-in ceiling will be installed with flat paneled LED light fixtures. All offices will receive new carpeting and a painted accent wall. The ancillary rooms such as storage, supply, copy, and print

MAJOR BUILDING SYSTEMS

rooms will have painted gypsum board walls, LVT flooring, new lay-in ceiling with LED light fixtures. The restrooms and custodial rooms will be newly designed and planned as per code, with existing terrazzo and porcelain tile. Occupancy load calculations dictate the required restroom fixture counts. New larger custodial closets will be included giving ample building storage space for cleaning solutions and supplies. The existing elevator shaft will be expanded to receive the new code compliant cab.

EXTERIOR MATERIALS AND BUILDING ENVELOPE

The exterior of the building is clad in brick with a stone fascia. The windows are also trimmed with this stone. The existing window system is a 2-3/4" or a 6-1/2" tube framing aluminum storefront system with 1/4" plate glass with a solar film and 1-1/4" insulated panels which act as a spandrel to conceal between floor construction. A new double-paned, or insulated glass units, window systems are now the standard type of window in most commercial buildings and remodeling. The greatest benefits of today's system is it's energy efficiency, outside noise reduction, and thermal comfort. These new windows and storefront system will be impact-resistant to meet the local wind codes.

The upper and lower roofs appear to be original to the 1966 construction, with the exception of the one-story 987 SF roof addition that was added in 1987. The roofs are a gravel ballasted built up roof over 1" rigid insulation board sitting on top of a 3-1/2" insulating concrete fill in a galvanized corrugated metal roof deck as per the original construction drawings. The roofs slope to the various roof drains. The perimeter of the upper roof does not have a parapet wall except at the main entry of the building which has a u-shaped 10" parapet wall. The lower roof has a parapet wall at its edges. A new modified bitumen roof with a granulated cap sheet will be designed and installed, the corrugated metal deck will be patched where needed. New roof drains and piping system will be installed. Existing storm risers will be reused.

INTERIOR MATERIALS

The following is a break-down of typical interior materials:

Interior wall surfaces:

- 5/8" gypsum board (on metal studs) with texture and paint

Floors:

- Carpet - offices, conference rooms
- Porcelain Tile - toilet rooms, janitor closets
- Luxury Vinyl Tile - classrooms, corridors, storage rooms, supply rooms, copy rooms, and breakroom
- Sealed Concrete - mechanical rooms, electrical rooms, elevator equipment room

Ceilings:

- Acoustical Lay-In Ceiling Tiles
- Gypsum Board Suspended Ceiling

All chosen materials will be durable, easily maintained, and help meet any acoustical requirements. LED lighting has been selected to provide appropriate lighting for the offices and ancillary spaces as required.

APPLICABLE CODES AND REGULATIONS

MAJOR BUILDING SYSTEMS

Civil

PROJECT DESCRIPTION

Civil scope of work is to provide site work and utilities for the proposed Madison Monroe Renovation in Port Arthur Texas.

GENERAL PROJECT SITE INFORMATION

DRAINAGE

- Authority Having Jurisdiction is Jefferson County Drainage District #7 (DD7) and the City of Port Arthur.
- DD7 has a zero impact policy and requires detention for any increased drainage flows, however, the renovation project will not have increased drainage flows. The amount of impervious area added to the site will be negligible, and thus a letter will be issued stating that the development will not have an impact to the existing drainage facilities.
- The project site is located in Flood Zone B and is not located in the 100 year flood zone therefore will not have elevations requirements on the building.
- Storm sewer & culvert pipe shall be of the following materials:
 - AASHTO M294 smooth wall corrugated polyethylene pipe with locking push on joints smooth interior wall corrugated polyethylene pipe installed with bedding according to manufacturer's recommendations (8" - 42").
 - Storm pipe, 12" diameter or smaller, connected to roof drains to be schedule 40 PVC in lieu of ads n-12.
- All new HDPE Storm Sewer on site will be required to be bedded in 1.5 sack cement stabilized sand.

FIRE PROTECTION

- Authority Having Jurisdiction is the City of Port Arthur Fire Department.
- There are currently existing fire hydrants located along Lakeshore Dr. A new fire hydrant will be located near the fire riser room and FDC connection as well as on-site to provide additional fire protection coverage.
- The City of Port Arthur Fire Department will not allow the fire sprinkler line for the fire sprinkler system to be connected to a dead-end line with a fire hydrant on it. The current waterlines at the site are on a looped system therefore the proposed fire line and new fire hydrant will be separate taps.
- The City of Port Arthur Fire Department normally requires the Fire Department Connection to be located in close proximity to a fire hydrant.

UTILITIES

- Water and Sewer facilities in the area are City of Port Arthur utilities. The City of Port Arthur utility drawings show a 6" waterline along Lakeshore Dr and a 36" Sanitary Sewer also running along Lakeshore Dr. with a service line entering the site. The sanitary sewer is approximately 4.5' deep in the vicinity of the site which will allow for gravity connections and not require a lift station.
- Water mains 4 inch diameter and larger shall be PVC pipe and shall conform to AWWA C-900, class 150. Water lines less than 4 inch diameter shall be PVC SDR-21 class 200. Water service lines shall be class 200 PE tubing. All fire water line shall be rated for 200 psi.
- All City of Port Arthur collector gravity sewer pipe lines shall be ASTM D-3034, SDR-26 PVC per City of Port Arthur standard specification item 702 specifications for PVC gravity sewer pipe and fittings. All service lines shall be SCH-40 PVC
- Waterline as Sanitary Sewer bedding shall be as follows:
 - In grass areas bed below the pipe with 6" select material and native material to finished grade compacted to 95% STD Proctor.
 - Under pavements and within 5' of pavements bed below the pipe with 6" select material and compacted 1.5 sack cement stabilized sand to proposed subgrade or within 6" of finished grade.
- Valves shall be AWWA C500 iron -body gate valves with non-rising stem. Fittings shall be ductile iron and conform to AWWA C110.
- Fire hydrants to be American Darling B-84-b, per City of Port Arthur specification item 808, fire hydrants.

MAJOR BUILDING SYSTEMS

PAVING

- Light duty paving to be 5" 3500psi concrete reinforced with #3 rebar @ 18" O.C.E.W
- Heavy duty paving to be 7" 3500psi concrete reinforced with #5 @ 12" O.C.E.W
- Subgrade preparation is to be 6"-8" lime stabilized subgrade with 10%-12% hydrated lime or minimum 12"-18" of select fill.

EROSION CONTROL

- The site shall be protected with erosion control devices around the exterior of the disturbed areas, all inlets, ditches and drainage structures.
- Concrete shall be washed out in proper locations and runoff from concrete operations shall not enter into the drainage system.

Structure

The existing Madison Monroe Educational Building is to be renovated on both floors and will include a skybridge at the second floor to connect to the adjacent northeast Student Success Center building. Structural revisions will be made at the elevator shaft to allow for the larger elevator cab. The south entry opening will be widened to accommodate the larger influx of people accessing the building from this side. The existing south entry canopy system is being demolished and replaced with a larger canopy and necessary columns. The design requirements for the various elements of the building are listed below.

STRUCTURAL SYSTEM FOR THE MADISON MONROE RENOVATION:

The following parameters shall be used in the design of the building:

DESIGN PARAMETERS:

Wind Speed	145 MPH (IBC 2021)
Exposure	Category C
Importance Factor	1.0 (Occupancy Category III)
Roof Live Load	20 PSF
Roof Dead Load (including self-weight & collateral)	12 PSF
Second Floor Live Load:	
	Corridor 100 PSF
Second Floor Dead Load (including self-weight)	72 PSF
First Floor Loads	Slab-on-Grade (non-structural)

FOUNDATION:

Based on our experience and geotechnical report recommendations of the proposed site the building foundation shall be as discussed below:

South Canopy and Skybridge:

- Column Footings
 - Drilled and under reamed footings will support the concrete grade beams and columns. They will bear at a depth of 12 feet below natural grade. The footing concrete will have a 28 day compressive strength of 2500 PSI.
- Concrete Beams
 - There will be perimeter concrete tie beams to support the exterior pilasters supporting the columns and wrap. The grade beams will be 12" wide by 12" deep and reinforced with Grade 60 reinforcing steel. The concrete will be normal weight concrete with a 28 day compressive strength of 3000 PSI. There will be some interior grade beams/turn downs where required.

MAJOR BUILDING SYSTEMS

- Slab on Grade
 - The floor slab will be reinforced concrete on fill. There will be an approximate 42" of select fill placed on the site. A minimum of 36" of site material will be removed and subgrade will be prepared by compacting to 95% standard proctor. The select fill will be placed in lifts and each lift compacted to 95% standard proctor. There will be a heavy water proof membrane below the floor slab and the seams will be taped. The slab will be 4 1/2" thick and reinforced with #4 reinforcing bars at 18" centers for the office area and 12" thick at the shop area and reinforced with #4 at 12" centers top and bottom each way. The slab concrete will be normal weight concrete with a 28 day compressive strength of 3000 PSI.

Elevator Foundation Modifications

- Foundation for the elevator pit shall be provided with guidelines listed on the elevator manufacturer drawings. There will be a mud slab and heavy water proof membrane below the elevator pit slab, water proof membrane shall be extended to the sides of the pit walls and seams will be taped. There will be perimeter concrete grade beams to support the elevator pit. The elevator pit grade beams are to be 12" wide by 48" deep and reinforced with Grade 60 reinforcing steel. Stirrups are #3 reinforcing at 12"-24" o.c . The slab will be 4 1/2" thick and reinforced with #4 reinforcing bars at 18" centers each way in the top. The slab concrete will be normal weight concrete with a 28 day compressive strength of 3000 PSI.

SKYBRIDGE:

The skybridge will be concrete on form deck, supported by manufactured steel beams and purlins as designed by the pre-engineered building manufacturer.

- Floor Deck: The floor deck will be 4" thick of normal weight concrete with a 28 day compressive strength of 3000 PSI. The wet weight of the concrete will be supported by 9/16" 22 gauge metal deck. The deck will be reinforced with 6X6 – W2.9xW2.9 WWM.
- Floor Joists: The floor joist will be as designed and spaced at approximate 3' centers.
- Floor Beams: The floor beams will be framed spanning from column to column supporting the floor joist.
- Columns: Columns will be designed to support the floor and roof framing. Some columns will be one piece from foundation to the roof framing. Others will be spliced to allow for cantilevered beams.

ROOF FRAMING:

The roof framing will consist of a standing seam metal deck (modified bitumen on flat bridge crossover) over water proof membrane designed for 151 MPH wind speeds supported on a structural sub deck. The deck will be supported by joists, steel beams, and steel columns.

MAIN WIND FRAME RESISTING SYSTEM:

The main wind frame resisting system will consist of metal stud framing in combination of steel beams and columns.

EXTERIOR WALL WRAP:

Exterior walls wrap will be brick supported at the foundation level with concrete pilasters and laterally supported by cold formed galvanized wall studs. The studs will be spaced 16" center. The exterior wall studs will be nominally 6" - 8" in depth.

WINDOWS AND DOORS:

All windows and doors will meet the pressure requirements for design parameters noted above. Windows and doors will be required to be impact resistant.

SPECIAL CONSTRUCTION :

Construction of the new elevator will be coordinated with structural drawings.

Additional structural steel support will be required to support the elevator shaft. This will be coordinated with the steel frame.

MAJOR BUILDING SYSTEMS

STRUCTURAL STEEL:

Any Structural steel required shall be fabricated and erected according to the AISC "Specification for Structural Steel Buildings - Allowable Stress Design and the AISC "Code of Standard Practice for Steel Buildings and Bridges".

Mechanical

HVAC SYSTEMS

MECHANICAL SYSTEM DESIGN:

- Direct Expansion Split System Units
- Direct Expansion Outdoor Condensing Units
- Chilled Water VAV Air Handling Units
- Terminal Units with Hot Water Heat Coils

AIR SYSTEMS

- The HVAC System shall consist of a chilled water, variable volume air handling units with hot water heating coils. All outside air shall be non-conditioned ducted into the return air path and mixed with the conditioned return air. Constant temperature (55Deg) cold air medium pressure trunk ducts shall supply air to system-powered variable air volume (VAV) terminal units serving each temperature controlled zone. Approximate allocation of the terminal units are as follows:
 - Lobby Zones: One terminal unit per Lobby room up to 2600 sq. ft.
 - Interior zones: One terminal per 2,000 square feet, three offices per terminal unit.
 - Conference Rooms or Corner Offices: One terminal unit per Space
- Air handling units will generally consist of air foil or forward curved centrifugal fans, direct expansion coils, electric heating coils, and filter boxes with, and 1" throwaway filters.
- Air downstream of the terminal units will be supplied by low pressure sheet metal ductwork and flex ducts (maximum length of 6 feet) to ceiling diffusers.
- Supply and return air grilles in the offices shall be a 2 x 2 lay in diffuser.
- Supply and return air grilles in the lobby and high ceiling areas shall be a linear slot diffuser.
- The return air will be ducted from the space to the unit.

HOT WATER HEATING SYSTEMS:

- Heating and dehumidification for buildings will be provided by hot-water-heat in the VAV boxes.

TEMPERATURE CONTROLS:

- The building management system will be a distributed network, direct digital control (DDC) system. The building HVAC and lighting controls are to be integrated into the building BAS. Acceptable manufacturers are Trane, Automated Logic and Johnson Controls.

VENTILATION AND EXHAUST:

- Outside ventilation air will be introduced to air handling systems directly from the exterior through wall louvers and gravity intakes directly ducted to each AHU. The outside air will be mixed with the return air prior to supplying air to the spaces.
- General exhaust air, including toilet exhaust, will be removed from the space through ceiling mounted exhaust registers to roof mounted central exhaust fans located on the roof.

GENERAL CRITERIA:

- Air handling unit and coil selection criteria:
 - Maximum 500 FPM coil face velocity.
 - Maximum 1500 RPM fan speed.

MAJOR BUILDING SYSTEMS

- Ductwork design criteria:
 - Trunk duct from office level air handling unit to terminal units will be shop fabricated, constructed in compliance with SMACNA four-inch W.G. pressure.
 - Design maximum static pressure drop = 0.08" per 100 feet.
 - Maximum supply air velocity = 1,800 FPM.
 - All ductwork downstream of terminal units and all other low-pressure ductwork shall be constructed in compliance with SMACNA two-inch W.G. pressure class construction:
 - Maximum static pressure drop = 0.08" per 100 feet.
 - Maximum supply air velocity = 1,300 FPM.
 - Return air ductwork and openings:
 - Maximum static pressure drop = 0.08" per 100 feet.
 - Outside design conditions:
 - 92°F DB, 81°F WB summer.
 - 30 °F DB winter.
 - Inside design conditions:
 - 75°F DB +/- 2°F summer
 - 50% RH +/- 7.5% summer
 - 68°F DB +/- 2°F winter
 - 50% RH +/- 10% winter
 - Ventilation requirements:
 - 20 cfm/person Classrooms
 - 15 cfm/person Open Areas
 - 20 cfm/person administration areas
 - 50 cfm/wc Public Restrooms
 - Quantities will be reduced by up to 50% where permitted by ASHRAE STD 62 for intermittent use.

Electrical

ELECTRICAL SYSTEM DESIGN

SITE ELECTRICAL POWER

Electrical service is currently provided from Entergy Energy, via pole mounted primary service to a pad mounted transformer located on the site. Power that is being provided to the building is 120/208 volts, 3 phase, 4 wire to the main distribution panels located in the main electrical room. Power will be distributed from the main distribution panels to the various electrical panels in the electrical room. Large motor loads, and HVAC equipment will be fed at 208 volts, 3 phase; lighting will be fed at 120 volts, receptacles and other miscellaneous loads will be fed at 120 volts through existing branch circuit panels or new if required.

METERING

Building metering for energy demand and consumption shall be monitored by the existing meter already installed.

ELECTRICAL POWER DISTRIBUTION

- The distribution panel main devices will be individually mounted insulated-case circuit breakers; and will have ground fault protection. Feeder devices will be thermal-magnetic molded-case circuit breakers and will be group-mounted.
- Electrical services will be provided with minimum 25% spare capacity for future modifications to the campus.

MAJOR BUILDING SYSTEMS

- The existing main distribution switchboard (SWB) is sized at 1400A/3P service size, designed to distribute power to the following items:
 - Electrical Room Power Panelboards
 - Electrical Room Lighting Panelboards.
 - Mechanical equipment.
 - And other miscellaneous items.
- Receptacles and other miscellaneous equipment will be powered by existing 208Y/120 Volt, 3-phase, 4 wire, 60 hertz, Copper bus, and bolt-on circuit breaker panelboards.
- Conductors shall be minimum THHN #12 AWG Copper conductors. Branch Circuit wiring for receptacle power, lighting, and other miscellaneous loads will be routed in EMT conduit.

EMERGENCY POWER

Emergency power for means of egress lighting, smoke evacuation fans (if required), and fire pump (if required), will be through the use of the existing emergency generator. Lighting shall be designed to provide adequate lighting for means of egress in the event of power outages.

LIGHTING

- Public Area Lighting shall use surface, pendant, or recessed direct or indirect LED fixtures.
- Each classroom unit shall be designed to provide an average maintained 40 to 50 footcandles at the desktop and shall be equipped with emergency lighting.
- Lighting levels shall be designed in accordance with the State Requirements for Educational Facilities (SREF) and IES recommendations.
- Exterior building accent, landscape, and parking lot lighting shall utilize LED lamps.
- Microprocessor based lighting control panels will control exterior lighting loads (both common area and site-lighting). Interior egress (night-lights) and exit fixtures will not be switched.
- Occupancy sensors will be used in classrooms, corridors, and restrooms throughout the facility to provide on/off controls for lights.
- Digital timer switches will be utilized in all storage rooms.
- Lighting shall be designed to meet IECC allowance of 1.0w/ft.2 per building type classification.

POWER DEVICES

- General convenience receptacle outlets shall be provided throughout the facility.
- Quadruplex receptacles and electrical power wall feeds shall be provided in computer labs.
- Ground fault circuit interrupter (GFCI) receptacles shall be used where required per 2023 National Electric Code (N.E.C.).
- Remotely accessible disconnects and heavy duty switches, capable of handling heavy loads, shall be provided as a means of electrical disconnect in Industrial Labs.

FIRE ALARM SYSTEM

The fire alarm system will be an intelligent addressable system. The fire alarm system will be designed in compliance with NFPA and IBC.

Alarm initiating devices shall include manual pull stations, smoke detectors, duct mounted smoke detectors, heat detectors, and sprinkler flow switches.

Alarm signaling devices shall include audible speakers and visual flashing strobes in compliance with the American Disabilities Act (ADA).

MAJOR BUILDING SYSTEMS

Supervisory functions shall include the monitoring of sprinkler system tamper switches, backflow preventer switch, and post indicating valve switches.

Interface with other systems will include outputs to the HVAC system for AHU shutdown, and a signal to elevator controllers for elevator recall.

The fire alarm system shall be provided with surge protection.

VOICE/DATA WIRING DISTRIBUTION RACEWAY SYSTEM

Voice/Data system will be designed and installed by Owner's Vendor. Electrical design will include all necessary empty raceways and power connections and coordination with Vendor.

SECURITY SYSTEM:

Security system will be designed and installed by Owner's Vendor. Electrical design will include all necessary empty raceways and power connections and coordination with Vendor.

SURGE PROTECTION:

Surge Protection will be provided on all main distribution equipment, UPS, 120/208volt panelboards, life safety systems and other microprocessor controlled systems.

REFERENCE AND CODES:

1. NFPA including NFPA 70- National Electrical Code
2. Institute of Electrical and Electronics Engineers IEEE.
3. International Energy Conservation Code IECC.
4. The State of Texas Fire Protection Code
5. Underwriters Laboratories
6. Texas Energy Efficiency Code
7. Rules, Regulations, and Requirements of the Local Utility Companies
8. Illuminating Engineering Society (IES)
9. Texas Building Code
10. Texas DOE

Plumbing

PLUMBING SYSTEM DESIGN

PLUMBING DESIGN CRITERIA

The following publications will be used as reference for design of the plumbing systems on this project:

- International Plumbing code
- International Fuel and Gas Code
- International Fire Code
- National Fire Protection Association (NFPA-13)

WATER DISTRIBUTION

- The existing 3" water service entrance shall remain. All existing piping downstream of the entrance shall be removed.
- The water shall be distributed to equipment requiring water and plumbing fixtures through an adequately sized system of type L copper tubing and fittings. Water piping shall be sized to limit velocity to 8 fps in order to reduce pressure drop, noise and water hammer.

MAJOR BUILDING SYSTEMS

- All domestic water piping shall be insulated with fiberglass insulation, with all service jacket and PVC fitting covers.
- Freeze proof hose bibbs will be provided at various locations.

DOMESTIC HOT WATER

Per the IECC, all water heaters will be located within proximity of each area and a hot water recirculating system will be provided for public lavatories. Hot water will be provided to all restrooms and breakrooms with electric storage tank type water heaters. Each floor will be provided with tank water heaters with recirculating loops. Type L copper tubing and fittings will distribute and deliver the hot water at 120°F and will be sized to limit velocity to 6 fps in order to reduce pressure drop, noise and water hammer.

SANITARY SEWER

- The new plumbing fixtures will be connected into the existing sanitary main serving facility. A new sanitary main will be extended to the renovated building portion.
- The sanitary sewer system piping shall be:
 - Sanitary Sewer above ground
 - Service weight No-Hub Cast Iron with 4-Band heavy duty couplings
 - Sanitary Sewer underground
 - Schedule 40 PVC with DWV pipe and fittings

STORM/ROOF DRAINAGE

- Existing roof drains will be demolished and replaced with combination roof drains with overflow. Any new roof areas will be connected to existing storm drainage system serving site. Storm drainage piping shall be:
 - Storm Drain above ground.
 - Schedule 40 PVC with DWV pipe and fittings
 - Storm Drain underground.
 - Schedule 40 PVC with DWV pipe and fittings

NATURAL GAS SYSTEM

The Natural gas meter will remain. Any new equipment needing natural gas will be routed to and gas pressure regulated as needed.

All natural gas piping 1½ " and larger shall be schedule 40 black steel with welded fittings and 1¼ " and small piping shall be schedule 40 black steel with malleable iron fittings.

PLUMBING FIXTURES

All plumbing fixtures will be commercial grade.

- Water closets will be wall mounted vitreous china with automatic sensor flush valves, designed for 1.28 gallons per flush.
- Urinals will be wall-hung, vitreous china with automatic sensor flush valves, designed for 0.5 gallons per flush.
- Lavatories will be vitreous china, countertop, drop-in type or wall mounted with ADA approved trim. Faucets will be automatic sensor type with 0.5 gpm discharge.
- Electric water coolers will be self-contained units with bi-level dispensers meeting ADA mounting requirements.
- Mop sinks will be floor mounted cast stone units with stainless steel wall mounted splash guards and wall mounted faucet set.

MAJOR BUILDING SYSTEMS

Fire Protection

FIRE PROTECTION SYSTEM DESIGN

FIRE PROTECTION DESIGN CRITERIA

The following publications will be used as reference for design of the fire protection systems on this project:

- NFPA 13, Installation of sprinkler systems
- NFPA 24, Installation of private service mains and their appurtenances
- NFPA 25, Inspection, testing and maintenance of water-based fire protection systems

SCOPE

The fire protection new service line will be extended to serve the building. New enclosed spaces within the building will require that new sprinkler heads be added. All enclosed spaces shall be 100% sprinklered in accordance with all current NFPA codes. The scope of work for this project shall include providing a complete and operable wet pipe sprinkler system. The building shall be provided with pendent sprinklers in areas with ceilings and upright sprinklers in areas without ceilings. Sprinklers within the remaining areas shall be laid out in accordance with the spacing criteria as set forth by NFPA 13 for each occupancy classification.

Sprinkler System Design Criteria:

Occupancy Classification:	Light Hazard
Density:	.10 gpm/sq. ft.
Hydraulic Remote area:	1,500 sq. ft.
Outside Hose Stream Allowance:	100 gpm
Duration of Supply:	30 min.
Max. Coverage per Sprinkler:	225 sq. ft.

FIRE PUMP

A fire pump is currently not installed in this location, therefore we will need to provide one to meet fire code for the new sprinkler system.

SPRINKLER PIPING

All aboveground piping (1" and larger) shall be schedule-10 grooved piping utilizing grooved fittings. Schedule 40 threaded pipe will be limited to (1" and below).

A/E Begins Construction Documents Phase	May 18, 2024
Owner Approves Guaranteed Maximum Price Package	May 22, 2024
Notice to Proceed for Construction Phase issued	May 29, 2024
A/E completes Construction Documents	June 14, 2024
Owner accepts Substantial Completion of Construction	July 1, 2025
Occupancy	August 1, 2025
Final Completion	August 1, 2025

9

ENVIRONMENTAL IMPACT

Environmental Impact

This project consists of renovating the existing Madison Monroe Educational Building. The scope of work will include replacing all electrical wiring and lighting in the educational building, as well as all new HVAC components. New low-flow plumbing fixtures are to be installed in all the restroom areas. All new systems are designed to meet or exceed the requirements of the State Energy Conservation Office (SECO) and the International Energy Code (2015 Edition). The new fixtures and equipment will incorporate sustainable design features to help reduce water and energy usage through the use of more efficient mechanical, lighting, and plumbing systems and equipment. In accordance with Texas Government Code Section 2166.403, we have incorporated energy efficient architectural and engineering design alternatives.

This project will not have any adverse effects on the environment.

TSUS: Capital Improvements Program

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The Capital Improvements Program for fiscal years 2025 through 2030 be adopted.

Explanation

The System's Policies and Procedures for Planning and Construction provide for the annual review and approval of the System's Capital Improvements Program (CIP). The CIP is a six-year, forward-looking compilation of capital projects envisioned by TSUS Components, displayed by fiscal year and funding source.

CIP Project Information Form

Project Name: Public Service and Safety Center

Component: LIT

Program Year: 2026

New or Amended: New

On Campus Master Plan? No

Project Type: Classroom, General, Laboratory, General, Office, General

Gross square footage: 23,000

Site/Location

Project Needs: In response to the growing need for comprehensive training and education for first responders, Lamar Institute of Technology (LIT) proposes the creation of a Public Service and Safety (PBSS) Center. LIT is the only TSUS component in Southeast that offers Regional Police and Fire academy programs. The college currently provides viable, high-quality training, education, and workforce development opportunities for local and regional first responders. Programs such as Fire, Police and Emergency Medical Services (EMS) play a critical role in ensuring the safety, security, and well-being of communities across the country.

Preliminary Project Cost: \$11,000,000

Source(s) of Funding: HEF(\$2,000,000), Special Appropriations(\$9,000,000)

Comments:

Project Name: Construction, Installation, and Repair Training Center

Component: LSCO

Program Year: 2028

New or Amended: New

On Campus Master Plan? No

Project Type: Classroom, General, Laboratory, General, Office, General

Gross square footage: 60,000

Site/Location LSCO Lumberton Site

Project Needs: Lamar State College-Orange is requesting \$42,000,000 in Capital Construction Assistance Project funding for the development of a Construction, Installation, and Repair Training Center for the LSCO Lumberton site. The LSCO Lumberton site is located in Hardin County, an area of Southeast Texas that has seen impressive population growth exceeding 6.5% since 2020 and has a forecast for continued growth of more than 6% through 2026. The campus location provides access to higher education for the citizens in the rural and more remote areas of Kountze, Silsbee, and Evadale Texas. The following are targeted occupations, as reported by the Southeast Texas Workforce Center, with each profession employing at least 500 employees in the region: Carpenters, Electricians, Plumbers, Heating, Ventilation and Air Conditioner Technicians, and Welders with each occupation having more than 500 employees in each occupation within the region. Career pathways of the training center will focus on these high-wage, high-demand occupations for residents of Lumberton and the surrounding region. The new Construction, Installation, and Repair Training Center will house classrooms, faculty offices, and open laboratories fitted with state-of-the art equipment recommended by industry partners that will provide students with relevant training opportunities.

Preliminary Project Cost: \$42,000,000

Source(s) of Funding: TRB

Project Name: Industrial Technology Academy

Component: LSCO

Program Year: 2026

New or Amended: New

On Campus Master Plan? No

Project Type: Classroom, General, Laboratory, General, Office, General

Gross square footage: 20,000

Site/Location LSCO Orange Site

Project Needs: The college has purchased property and has plans to construct an Industrial Technology academy. The new LSCO Industrial Technology Academy programs will offer coursework in process operations, instrumentation, environmental, Occupational Safety and Health Administration (OSHA), basic electrical, and maintenance. Each of the programs will provide students with the chance to complete internship training rotations while receiving hands-on experience within the industry. There are currently more than 70 manufacturing establishments in Orange County, Texas. The building would house classrooms, faculty offices, and laboratories installed with top-of-the line equipment trainers to provide students with exposure to acquire and apply the knowledge, skills, and hands-on experience needed to be successful industrial technology professionals. Industrial technology is an ever-growing career with diverse and exponential job opportunities.

Preliminary Project Cost: \$13,000,000

Program Year: 2025

New or Amended: New

On Campus Master Plan? Yes

Project Type: Classroom, General, Laboratory, General, Office, General, Physical Plant

Gross square footage: 146,400

Site/Location

Project Needs: The new Science & Engineering Technology Complex will provide 146,400 gross square feet of space for the growing College of Science and Engineering Technology (COSET). Relocation of Engineering Technology labs into the new facility will allow the metal buildings at the corner of Sam Houston Ave. and 21st Street to be demolished for future parking projects. Relocation of Computer Science to the new facility will allow Academic Building 1 to be utilized as swing space. It is anticipated that an "Engineering Quad" will be created as part of the project along with a 1,000 Ton expansion in the campus' chilled water capacity. The project is on the 2023-2033 Master Plan as a near-term priority.

Program Year: 2027

New or Amended: New

On Campus Master Plan? No

Project Type: Other

Gross square footage:

Site/Location

Project Needs: Re-create the river connection of Sewell Park, Spring Lake, and JCK ponds, allowing pedestrian navigation through, beneath, and around the river without the interruption of traffic. Accentuate the sacred path of water and landscape, creating places of gathering and experiencing the natural habitat. Create modern restorations of outdoor environments that encourage learning and knowledge of place. Building improvements that create spaces for social gatherings, encouraging social interactions in a natural environment. Embrace a culture of understanding & advocacy of a most unique place within the region. Spring Lake, Sewell Park and the Ponds around the JCK Administration Building are all treasured natural environments on the Texas State Campus. Although they all reside in proximity, they are disjointed and separated from each other and are envisioned to be part of the campus environment.

Preliminary Project Cost: \$20,000,000

TSUS: INFORMATIONAL: Planning and Construction Report

The following Planning and Construction Report provides a summary of the planning and construction activities of the components of The Texas State University System.

The Report contains:

- Executive Summary
- Overview of TSUS Capital Projects
- Final Report for Texas State University Infrastructure Research Laboratory

EXECUTIVE SUMMARY

Planning and Construction Report

May 2024

Capital Project values, including post substantial completion projects, increased 0.04% in the current quarter from a value of \$1,572 million to \$1,573 million. Active Capital Projects in planning, design, or construction, totaling \$1,385 million of project value increased 1.1% from the previous quarter's value of \$1,370 million.

	Number of Projects	Project Value (millions)	Change from Previous Quarter
Planning	20	\$ 482	(10.1)%
Design	16	\$ 332	(6.4)%
Construction	27	\$ 572	19.1%
Total:	63	\$ 1,385	1.1%

Planning, Design, and Construction Activity

This long-term view shows the significant spike of funding beginning in February 2022 that reflects the generous capital funding appropriation of the 87th (3rd) Legislative Session.

Planning, Design, and Construction Activity

Active projects by member institutions are:

Project Description	<p>Since the marching band was reformed 12 years ago, they have been storing instruments in one of the practice halls in the Music Building. Due to space limitations, lockers are stacked, and uniforms are stored on top of the lockers and can only be accessed on a lift. Consequently, the Music Department needs a dedicated storage facility that is close to the band practice field and other Music Department venues. Cardinal Sports Network equipment and space for utilizing this equipment in communication courses will also be utilizing this space. IT's refresh program will also move to this centralized location. Other campus storage needs may be considered when programming starts.</p>	<p>The final location of the Tiny House Barbeque building at the Spindletop Museum grounds has been selected. The BBQ complex will include the Tiny House for preparation and serving, and a covered pavilion for larger events.</p>	<p>The Pearson VUE and Prometric Testing Centers have been temporarily relocated while construction is underway in the Galloway Lobby. When construction is complete, both testing centers will return to the Galloway Building. Space will be modernized and expanded to comply with current accessibility requirements. The project scope also entails creation of a new accommodations testing center for Lamar's Accessibility Resource Center.</p>	<p>Renovation of a 2,400 sf existing tiered classroom in the Cherry Engineering Building. The existing space has antiquated built-in consoles that are not conducive to modern pedagogic technologies. The renovation will modernize the room and will include upgraded technology, furnishings, finishes, and infrastructures.</p>

Project Description	The second floor of the Cherry Engineering Building currently houses the Dean's office suite and other administrative functions. Engineering Department Chair Offices are scattered throughout the building. The second floor will be reconfigured and renovated to create a cohesive administrative suite. The renovation will also include a new Engineering student lounge.	In 2023, Lamar purchased the former 3,400 sf Kampus Korner Bookstore to utilize as the future home of the Carolyn J. Keating Center for Academic and Career Success in the College of Engineering. The Center will be a HUB for student success, with a strategic focus on promoting the development of crucial skills and nurturing career ready graduates.	Water infiltration through the brick veneer and windows of the Chemistry Building have been an ongoing concern. An assessment of the condition of the building envelope was conducted in 2022 and revealed several deficiencies similar to those of the Geology and Social and Behavioral Sciences buildings, all of which were built in the same era using similar construction methods. The entire brick veneer façade of the building will be removed and rebuilt to incorporate drainage and ventilation strategies applicable to today's standards. Window systems will also be removed and replaced with thermally isolated aluminum framing units with captured insulated glazing units that are capable of meeting the standards for wind pressures set forth by the Texas Department of Insurance.	The proposed renovation of the existing library includes replacing aged systems and upgrading the facility to meet current codes, including Texas Accessibility Standards, as well as the renovation of all eight floors to develop a learning commons environment where students have access to physical and virtual resources, collaborative spaces to work on projects with other students, and quiet spots to study. The overall programmatic focus is to strengthen the Library's role as a hub for learning to prepare graduates for entry into today's global workforce.

Upcoming Major Milestone	Close Out	Construction Documents	Close Out	Close Out
Project Description	The four passenger elevators are failing on an almost daily basis with service repair results temporary and disruptions seemingly continuous. Given the current industry lead time for elevators, Lamar plans to proceed with elevator replacement as quickly as possible and not wait for the larger renovation project.	The university's intramural fields are currently at the site of the old golf driving range. The fields are not properly graded and there is no lighting for nighttime use. The new intramural fields will be created at the open area immediately north of the Wayne A. Reaud Administration Building. The fields will be nearby the residence halls and are intended to help animate the center of campus. The relocation will also allow the Athletics department to reclaim the driving range area. The new field is also intended to be used as the marching band practice field.	The existing building that houses the Student Health Center is in poor condition and the layout is not efficient. Relocation of the Student Health Center into available space in the Recreational Sports Center will integrate physical health services, mental and emotional health services, and wellness/recreational/ educational, and programming. Functions currently separated will be in one location. This significantly improves providing holistic wellness-centered services and programs for the campus to supplement medical and psychological services.	The Galloway Building was built in 1957. Public restrooms have undergone very little improvement since then. This project will upgrade the restrooms off the first floor lobby to be fully compliant with Texas Accessibility Standards. The two passenger elevator is also original to the building and will be replaced with a modern multi-passenger elevator in a different location across the lobby. One of the monumental stairs will be removed.
Scope Status				
Schedule Status				
Cost Status				
Additional Notes	Construction contract execution is in process.			Completion has been delayed due to an error in the elevator shipment.

Percentage Construction Complete	95 %	100 %
Upcoming Major Milestone	Close Out	Close Out
Project Description	<p>LU identified formerly vacated space in the Cherry Engineering building and decided to create a combined "Signature Centers" office that includes the Center for Resiliency, the Center for Advances in Port Management and the Center for Midstream Management and Science. While each Center will have a unique identity within the suite, they can share combined office resources such as reception, conference space, break room and copy/work areas. The move will also free up valuable space in the Center for Innovation, Commercialization and Entrepreneurship and Science and Technology buildings for other uses. In addition to completely gutting and renovating the southeast corner of the Cherry Building, the exterior façade has been renovated to create new windows and a new dedicated suite entrance for visitors.</p>	<p>The Social and Behavioral Sciences (SBS) building was constructed in 1958. Over time, components of the building's exterior materials have deteriorated significantly. Although most of the windows were replaced in the early 2000's, the building continued to experience water infiltration after rain events. The problems were exacerbated by Hurricanes Harvey and Imelda. This project scope entails removal of all face brick, creation of an insulated cavity wall with new waterproofing, and replacement of all windows and flashing.</p>

Scope Status		
Schedule Status		
Cost Status		

Additional Notes	<p>Project remains in closeout phase until the window testing is complete. A section of the storefront was removed in late March and found to be in non-compliance with the contract documents. Additional window removal, correction and testing will be required.</p>	<p>Windows have been retested and all have passed. Project is in close-out.</p>

Project Description	The transition of Sam Houston State University's football program into Conference USA requires an expansion in the capacity of the Ron Mafrige Field House's visitors' locker room. Because construction can only occur in the off season, the project was split into two phases: Phase 1 renovated the existing visitors' locker room space. Phase 2 consists of a 1,500 gross square feet, single-level locker room addition facing the playing field.	This project will construct and equip a new facility to support active learning for student success with modern, activated teaching spaces. A feasibility study determined Academic Building III cannot be adapted for this purpose and should be demolished to make room for the new building. The project is on the Capital Improvements Program and will be funded with Capital Construction Assistance Project funds and Higher Education Funds.	To meet the ticketing requirements of Conference USA and to provide the amenities expected of a Football Bowl Subdivision (FBS) program, this project will provide a larger press box with private suites and additional seating at Bowers Stadium. The project is on the 2024-2029 Capital Improvements Program.	Phase 2 of the New Equestrian Facility and Agriculture Labs will consist of a Meat Sciences and Food Technology building, an Equine Science facility, and an equipment shed. The estimated total project cost will be funded with gifts.

Project Description	Programmatic investment in allied health fields of study will continue to accelerate for the University. The Health Professions Building will be home to Dietetics, a Doctorate in Physical Therapy, a Master of Science in Physician Assistant, and a Master of Science in Athletic Training.	This project consists of a new 130 room, full-service hotel with conference center. The project will include a fitness center, swimming pool, and lounge space, as well as approximately 10,000 square feet of meeting space. This will be a university focused, on-campus, light upscale hotel.	The University's Nursing program has demonstrated demand from potential students that exceeds the existing instructional capacity of The Woodlands Center, as currently configured. The programmed renovations will provide 40,479 assignable square feet to support 720 Nursing students. Spaces will include traditional classrooms, active learning classrooms, skills labs, simulation space, offices, and a student success center.	The new Tennis Complex will be constructed on property fronting Bowers Boulevard, directly opposite Don Sanders Stadium and will be home to the University's tennis program. To host future NCAA championship competitions, the project's master plan calls for six outdoor and two indoor tennis courts, locker room facilities and paved parking areas to be constructed in three phases. This initial phase includes the outdoor tennis courts, parking, and infrastructure to support future phases.
Scope Status		Pre-DD	Pre-DD	
Schedule Status		Pre-DD	Pre-DD	
Cost Status		Pre-DD	Pre-DD	
Additional Notes	Groundbreaking ceremony to be held on 4/29/2024. Kitchell will mobilize on 5/6/2024.	Planning of the New University Hotel is ongoing. Procurement of the A-E and CMaR will commence after selection of the brand/operator.	The updated Total Project Cost estimate is being finalized for initiation of the project in April 2024.	The added canopies, benches, ADA lifts and bleacher revisions requested by Athletics are proceeding for completion in July 2024.

Project Description	Construction of this parking structure is necessary to create space for the Health Professions Building within the existing surface parking lot at the University's Conroe campus. Hoar Construction is the selected Design-Build Contractor with Kirksey Architecture as the architect of record. The new parking structure will provide 983 parking spaces and include advanced parking guidance systems.	The new equestrian facility and agriculture labs project is located at the University-owned Gibbs Ranch property. Phase 1 consists of site work and site utilities to support both phases of the project, the Learning Center, the Plant Sciences facility with a head house and two greenhouses, a Multi-purpose Agricultural Center (Arena) with attached Rodeo Team Stall Barn, parking areas, landscaping, and support facilities.	This project replaces deteriorated cast iron sanitary waste and vent piping, upgrades resident bathrooms, and refreshes finishes throughout Jackson-Shaver Hall. The invasiveness of the work requires that the residence hall be placed offline throughout the project.	This project addresses the University's current shortage of indoor recreational sports facilities. It repurposes a portion of the existing Health and Kinesiology Center and renovates the existing Recreational Sports building to improve current spaces and create new fitness, personal training, multipurpose, and staff support areas.

Project Description	This deferred maintenance project replaces the mechanical air distribution system throughout the three-level Garrett Teacher Education Center (TEC). Acoustical ceiling tiles will be replaced, and light fixtures will be upgraded to LED units in select areas.	The San Jacinto Hall project has provided a net increase of 361 beds, including seven studio apartments, needed on the north side of the main campus per the 2012 Master Plan Update.	This project will replace Belvin-Buchanan Hall's roof and sanitary waste piping, upgrade bathrooms, and interior finishes. The existing roof and sanitary waste piping have deteriorated and are beyond their useful life.	This project will upgrade Bowers Stadium's artificial playing surface and remove its track. The existing playing surface is at the end of its useful life and the track is no longer utilized for competition. Removal of the track will provide a larger, unobstructed area for teams and equipment. A separate project for construction of a new track and field complex will be added to the CIP by a future motion.

Project Description	Eagle Pass has been identified as the location for the new academic building, on a 100-acre site donated to the University. The new site will become the new campus for Eagle Pass and the Middle Rio Grande region. The proposed multi-purpose academic building will serve as the first step towards the creation of a comprehensive four-year university. Master planning of the campus is underway and includes programming of the initial academic building.	The expansion of the Fine Arts Facility is part of the campus master plan and will address inadequate existing facilities. The current performance stage is too small and does not have dressing facilities, nor is a suitable venue for performances. Expansion will provide a more useable facility that will help to enhance theatre productions and performance, providing a setting that is up-to-date and more accessible to the public. New state-of-the-art facilities will help satisfy existing needs, enhance student recruitment, and provide economic and cultural development in the region. To efficiently and cost effectively deliver this project, it is combined with the Museum of The Big Bend Renovation project and Fletcher Hall Renovation project under a single Design-Build agreement.	In 2020 Sul Ross State University applied for and was awarded a \$750,000 National Endowment for the Humanities grant with a required match of \$750,000 coming from the University. The Museum of the Big Bend was built in 1937 and has had small updates over the years but is in need of a few major renovations. To efficiently and cost effectively deliver this project, it is combined with the Fine Arts Facilities project and Fletcher Hall Renovation project under a single Design-Build agreement.	The project is being developed in conjunction with Campus Access Phase III. As envisioned in the 2011 Master Plan, the Campus Access Project will be completed in three phases. The Campus Access II project addresses a walkway and seating area north of the Fine Arts Building to complete the pathway from Phase I; a centennial plaza gathering space in front of the Morelock Academic Building; enhancements to the circular drive-in front of the Briscoe Administration Building; and landscaping improvements in front of the Francois Fine Arts Building.

Project Description	The project is being developed in conjunction with Campus Access Phase II. As envisioned in the 2011 Master Plan, the Campus Access Project will be completed in three phases. The Campus Access III project will enhance connectivity from the southeast end of campus to the main campus utilizing landscaping, pedestrian paths/walkways, way finding, student gathering sites, and a walking/jogging trail.	The annex is located on the main campus directly behind the current museum and includes space for three exhibit areas featuring the Yana and Marty Davis Map Collection, Tom Lea Regional Southwestern Art, and an Archaeology Gallery that features the Livermore Cache in collaboration with findings from the Center for Big Bend Studies. Also included in the annex are additional secure collection storage and facilities to expand the adult and children's educational programs.	Fletcher Hall is currently unoccupied due to deferred maintenance needs and historically low occupancy rates within the overall housing operation. Recent Organizational changes have resulted in a significant increase in housing occupancy creating the need to place the building into service. To efficiently and cost effectively deliver this project, it is combined with the Fine Arts Facilities project and Museum of The Big Bend project under a single Design-Build agreement.

Project Description	This project will replace the existing wastewater lines and water closets in Centennial Hall.	Bexar Hall has 58 small bathrooms that include a shower, toilet, and sink. The last renovation of these spaces occurred in the late 1990's and existing fixtures are in poor condition and do not meet modern water conservation standards. In addition, new flooring was previously laid over existing finishes creating a condition where standard toilet flange bolts can be difficult to secure. This project addresses the maintenance backlog item in this facility.	This will be the fourth academic building on the Round Rock Campus and includes space for classrooms, labs, and offices to support the College of Health Professions.	This project will replace the existing waste piping in the Evans Liberal Arts building due to its age. CSP solicitations were received and project was over budget. VE options are being considered before re-bidding.

Project Description	The new Music Building will include classrooms, offices, and rehearsal spaces to address the pressing needs of the School of Music. A draft program was prepared in 2010 and updated in June 2019, which resulted in a project size of 85,000 gross square feet. The program and concept renderings will be used for fund raising purposes as the project is to be funded largely through philanthropic means as well as System Revenue Bonds. This project is on the CIP and will be initiated pending successful fundraising.	The Beverly Hutchison House was built in 1896 and received a Recorded Texas Historic Landmark designation in 1968 by the Texas Historical Commission. It was entered in the National Register of Historic Places in 1983 by the National Park Service due to its historic nature on campus. Although the overall building is in good condition, a condition assessment report will identify the areas in need of restoration and repair to keep it in good repair. The Beverly Hutchison House is also known as The Alumni House.	This project involves additional breakout team rooms in the existing building; relocating the athletic performance center to open into the end zone; connecting the west and east concourse level balcony; and creating an alumni pavilion and deck on the roof of the building.	This project will install one new 2,500-ton, water cooled, electric, centrifugal chiller in vacant chiller bay number 2 in the Central Plant. The chiller is needed to provide capacity ahead of occupancy of the new Hilltop Housing Complex, currently under construction.

Project Description	The proposed 154,000 GSF Science, Technology, Engineering and Math (STEM) building will house the departments of Mathematics and Computer Science and will provide teaching space, class labs, departmental offices, and research labs for several other academic disciplines.	This project involves the cleaning of the interior and exterior of the existing elevated water tower at West Campus, making repairs as required, and re-painting the tower. The project will be completed in three phases: Phase (1) includes the water line extension from the University's water line to City of San Marcos water line, to provide the required water flows while the elevated tower is removed from service in Phase 3	This project involves the cleaning of the interior and exterior of the existing elevated water tower at West Campus, making repairs as required, and re-painting the tower. The project will be completed in three phases: Phase (2) includes new pumps at Jackson Hall to maintain proper water pressure.	This project involves the cleaning of the interior and exterior of the existing elevated water tower at West Campus, making repairs as required, and re-painting the tower. The project will be completed in three phases: Phase (3) includes the rehabilitation of the elevated water tower.

Project Description	This project will correct the structural deficiencies due to movement in the foundation. Micro-pile installation delayed due to unforeseen conditions found on site.	This project will remove all hazardous materials and mechanical equipment from the building, remove the plaster finish from the original stone walls, and remove the exterior walls to allow for use of the building as an open-air pavilion for students, faculty and staff.	This project will include the construction of two, seven-story student housing structures, accommodating 1,006 beds, comprising 241,000 gross square feet.	This project will convert the eleventh-floor meeting space into event/hospitality and meeting space for various functions.

Project Description	This project replaces the existing medium voltage switchgear at the West Plant switchyard and replaces the transformer serving the Student Recreation Center.	This projects adds additional lighting on campus to improve student and faculty safety. Standardization of poles and fixtures across the campus and new technology LED lights will save money and maintenance time for the University.	The Hilltop Complex Utility upgrade project reached substantial completion in March 2020. This project is contractually tied to the Hilltop Housing Complex project and cannot be closed out until the entire project is completed.	This project supports the new Bachelor of Science in Civil Engineering degree program in the College of Science and Engineering, providing a state-of-the-art research lab that provides strength and structural testing for concrete beams, materials, and other advanced technologies.

Upcoming Major Milestone	Close Out	Close Out	Close Out	Close Out
Project Description	<p>This project consists of the renovation of an existing 5,000 square foot warehouse building and a 10,000 square foot addition to create the Advanced Technical Center. This state-of-the-art Center will aid in providing technical training programs such as mechatronics, electrical, civil, mechanical, and plumbing. The completed Center will provide innovative learning spaces to include lecture classrooms, technical labs, multi-purposed industrial training spaces, and a high bay area lab that mimics industry environments. In addition to the teaching space this project will also replace all infrastructure servicing the existing building including electrical, plumbing, fiber, fire alarm, and HVAC systems. Due to years of exposure to the elements, the building envelope and roof will be replaced.</p>	<p>Pursuant to the updated Master Plan, LIT will build a 52,000 square foot Workforce and Allied Health Training Center for both credit and non-credit students. This will be a three-story building with an embedded high-bay instructional space. The first floor will hold the workforce instructional spaces, simulation environments, and task training room. The second floor will house allied health, and contain skills labs, pharmacy technician labs and a main testing room. The third floor will contain the Pharmacy Lab, classrooms, and staff offices.</p>	<p>This two-phase project replaces air handling units, control systems, indoor/outdoor lighting, and electrical infrastructure throughout the campus. It will result in energy performance savings and improved indoor air quality by upgrading existing mechanical and electrical systems, implementing healthy buildings initiatives, and creating an asset management tool to optimize inventory control to facilitate current and future planning and purchases.</p>	<p>LIT renovated the 6,192 gross square foot existing facility at 1150 Laurel Avenue. This renovation created two classrooms, a truck driving simulator area with instructor viewing, faculty offices, staff lounge, new restrooms, and a reception and welcome center. A Delegated project close-out report will be submitted to System Administration.</p>

Project Description	This project involves the placement of a new Glycol Hands on Training (HOT) unit that will be placed on a new concrete foundation. A 560 square foot pre-engineered metal building will house the unit, except where the unit will penetrate through a roof opening. The water and electrical service for the unit will be supplied via underground piping that turns on at the unit. New cyclone fencing will surround the unit. The unit will have data cabling that runs to a nearby classroom where computer terminals will allow for observation and control of the unit.	The historic First Baptist Church on Green Avenue was donated to the College to but was heavily damaged during Hurricane Laura. Lamar State College-Orange (LSCO) seeks to make it welcoming to new students and visitors as LSCO's official Student Success Center. It will be a one-stop location for students to learn about the campus, meet with an advisor about future classes, obtain a student ID, and other essential functions of the College in one welcoming iconic structure in historic downtown Orange. LSCO will partner with the City of Orange to enhance flood mitigation strategies in the vicinity of 5th Street and Green Avenue to ensure the investment is secured.	This project consists of two phases: Phase II includes the renovation of the façade and roof, and structural refurbishment of a 7,500 square foot metal building. Renovation consists of internal space reconfiguration including the addition of restrooms, a breakroom, offices, and a shop area, and electrical and HVAC upgrades. New parking, paving, and fencing are also part of the project.	This project renovates a purchased former medical clinic. The 2,900 square foot building will include two large 700 square foot classrooms divided by a folding partition door that can be opened to host larger events. The front drop-off area will be enclosed to create a large reception area with a walk-up registration/help desk providing assistance to potential students and visitors. Renovation work also includes a single office for the manager of the building, a small meeting room off the reception area, two unisex restrooms, and a large custodial closet.

Project Description	Disaster mitigation efforts are needed for the Madison Monroe Educational Building. The 55-year-old building comprises both academic and administrative uses, is a focal point of the campus, and requires the replacement of environmentally impacted infrastructure so the College can provide a safe learning experience for its students. An aging and malfunctioning piping system, original to the building, requires replacement. The system is connected to the central plant and a coil failure would lead to a central plant malfunction. The project includes a means of decoupling the central plant from the building so equipment failures can be isolated. Project scope has been added including complete electrical upgrades, roof replacement, window and exterior door replacement, and possible interior renovations. The Design Development Submittal will be presented for approval at the May 2024 Board Meeting.	The new 54,735 square foot Allied Health and Science Building will be located adjacent to the existing Allied Health Building on Procter Street. The building will provide additional classroom and state-of-the-art laboratory space for future allied health programs and the college's current programs which include Registered Nursing (RN), Licensed Vocational Nursing (LVN), Certified Nurse Aid (CNA), and Surgery Technology.	LSCPA received a grant from the EDA to create a Commercial Driver Education and Examination Center on 26.69 acres donated by the Jefferson County Commissioners Court. The project includes a State Examination Center to support the timely flow of commercial drivers licensing.	The EDA awarded \$4.8 million dollars to LSCPA for a building renovation and addition. The Industrial Training Center is designated to meet the growing needs for industrial craftsmen in Port Arthur, Texas. The training center is located in the existing Armory Building, which was previously inactive.

Project Description	<p>Christmas Mountains serves as a 9,600-acre field laboratory for students and faculty conducting research, educational outreach, and networking. Opportunities are limited on the magnificent location due to inadequate infrastructure. To further the use of this property, TSUS seeks to build an approximate 7,000 square foot Field Research Station that will include classroom and gathering space, research space, overnight accommodations, and storage.</p> <p>Additionally, the Christmas Mountains is home to Ament Lake Dam, constructed in 1911, and in need of extensive repair to prevent any breach. .</p>

FINAL REPORT FOR
 Infrastructure Research Laboratory
 Texas State University

PROJECT DESCRIPTION

Infrastructure Research Laboratory at STAR Park is a 10,096 SF usable area, providing lab and research space for the Civil Engineering Program. An open lab with strong floor and walls, an area to run hydraulic lines to support equipment and a 20-ton capacity crane are included. The Architect of Record was Alamo Architects and Bartlett Cocke was the general contractor. Substantial Completion was achieved on February 06, 2023.

Difference Between Contract	-78	

BUILDING PERFORMANCE/SUSTAINABILITY EVALUATION OR GENERAL COMMENTS

The project incorporates SECO and ASHRAE 90.1 requirements for mechanical efficiencies and utilizes low-flow plumbing fixtures. Energy efficient LED lighting is used throughout the building.

APPROVAL BY AUTHORITIES HAVING JURISDICTION

Life Safety inspections and code approvals were conducted and received from Texas State University EHSRM Department. Accessibility review and inspections were performed by the Division-Architectural Barriers Program of the Texas Department of Licensing and Regulation to ensure accessibility of the physically impaired in this project, and all permits are closed for water/wastewater with the City of San Marcos.

5.E. Planning and Construction CONSENT Agenda

5.F. TSUS: CONSENT: Amendment to 2024 – 2029 Capital Improvements Program

TSUS: Amendment to 2024 – 2029 Capital Improvements Program

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The Texas State University System Capital Improvements Program for 2024-2029 be amended, as provided below.

Explanation

The projects listed below are proposed to be placed on the 2024 – 2029 Capital Improvements Program (CIP) so that they may proceed without delay.

2456 Montgomery Road (Campus Edge) Renovations – Sam Houston State University

Scope of the Project: This project consists of repairs, renovations, and improvements necessary to bring the recently acquired, multi-family residential property up to Sam Houston State University Residence Life standards for student housing. The renovations will take place during the summer of 2024, so the facility can open for the start of the 2024-2025 Academic Year.

Background Information: Sam Houston purchased 2456 Montgomery Road in November 2023, in order to convert its 48 apartments into 192 beds of campus housing for students.

Estimated Total Project Cost: \$2,257,235

Funding Source(s): The project funding source is Auxiliary Funds.

Eagle Pass 3420 Amy Street Renovation – Sul Ross State University

Scope of the Project: This project consists of the renovation of a building at 3420 Amy Street in Eagle Pass (constructed in 2005) to include roofing replacement and mechanical systems upgrades. Also included is the addition of interior walls with carpeted space for classrooms and a computer lab and partitioning of spaces for additional offices. The building will be ready for students and faculty/staff by fall of 2024.

Background Information: Sul Ross State University purchased the building in January 2024.

Estimated Total Project Cost: \$1,000,000

Funding Source(s): The project funding source is CCAP.

Eagle Pass 3414 Amy - Street Classroom /Office Building – Sul Ross State University

Scope of the Project: The project consists of a new 10,000 square foot structure designed to house both classrooms and office spaces for faculty and staff. The building is intended to be a pre-engineered Metal Building (PEMB) with brick/stucco exterior in keeping with the character of the area. The land on the vacant lot located in Eagle Pass, at 3414 Amy Street, will be cleared and leveled and parking and utilities will be added as part of the project.

Background Information: This building will be constructed on property adjacent to the newly purchased building at 3420 Amy Street.

Estimated Total Project Cost: \$6,780,035

Funding Source(s): The project funding source is Capital Construction Assistance Project (CCAP) funds.

The project listed below is on the 2024-2029 Capital Improvement Program (CIP) and is proposed to be amended so that it may proceed without delay.

New Intramural Fields – Lamar University

Scope of the Project: Development of new intramural sports field at the open lawn area immediately north of the Wayne A. Reaud Administration Building. The project was originally conceived to be executed in two phases, but after several iterations of programming and test fits, the university decided to proceed with the project in one phase. The scope includes a new football size artificial turf field to be used for both intramural sports, as well as marching band practice. The project also includes a small restroom and storage facility, and a walking trail surrounding the field.

Background Information: The university's intramural fields are currently at the site of the old golf driving range. The fields are not properly graded and there is no lighting for nighttime use. The new recreation field will be located closer to the residence halls and is intended to help animate the center of campus. The move will also allow the Athletics department to reclaim the driving range area.

Estimated Total Project Cost: \$3,400,000

Funding Source(s): The project funding sources will be Auxiliary and Designated Tuition.

6. Rules and Regulations

6.A. TSUS: Approval of Rules and Regulations

TSUS: Approval of Rules and Regulations

Upon motion of Regent _____, seconded by Regent _____, and upon the recommendation of the *Rules and Regulations* Committee, it was ordered that:

The attached, proposed revisions to the Texas State University System *Rules and Regulations* be approved.

Explanation

Attached hereto are the recommended changes for the Board's consideration. It should be noted that each rule in the attachment contains an individual explanation of the changes contained therein.

The modifications/additions to the Rules relate to:

1. Retirement Plans
2. Retired Full-time Faculty

PARAGRAPH 2.3 OF CHAPTER V
ON PAGE V – 6; and

NEW PARAGRAPH 2.8 OF CHAPTER V
ON PAGE V-9

CHAPTER V. COMPONENT EMPLOYEES

* * *

2. GENERAL.

* * *

2.3 Retirement ~~and Recognition of Service Plans.~~

2.31 Retirement ~~Programs Plans.~~ The Board of Regents authorizes ~~each Component in~~ the System to make retirement ~~programs plans~~ available to each eligible employee. ~~through the Teacher Retirement System of Texas, or the Optional Retirement Program, and tax sheltered annuities as authorized by statute.~~

2.32 Teacher Retirement System of Texas (TRS). TRS provides service and disability retirement benefits and death benefits. The plan is administered as a qualified governmental retirement plan under the provisions of Section 401(a) of the U.S. Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"). Employees who are half time or more and are expected to be employed for a period of 4 ½ months or more are generally required to participate in TRS, unless they qualify for and elect to participate in the Optional Retirement Program (ORP).

2.33 Optional Retirement Program (ORP). ORP is a portable, defined contribution retirement plan authorized by Chapter 830 of the Texas Government Code and Section 403(b) of the Internal Revenue Code. To be eligible to participate in ORP, an employee must be in a position that satisfies job-related criteria established by the Texas Higher Education Coordinating Board as interpreted by the system executive officer, is budgeted for full time employment for at least 4 ½ months, and does not require student status as a condition of employment.

2.331 ORP Election. Each eligible employee is allowed 90 days from the date of employment or eligibility to elect to participate in ORP. The election to participate in ORP is a one-time, irrevocable, career-long election. If this election is not made on or before the first day of employment, a new employee is required to become a member of TRS with the right to change to ORP within 90 days and apply for a refund of the employee's TRS contributions. Any eligible employee not exercising the irrevocable one-time option to participate in ORP

during the 90- day period is thereafter required to continue membership in TRS.

2.332 ORP Plan Document. The System shall have a written plan document approved by the Board in accordance with Section 403(b) of the Internal Revenue Code and consistent with Chapter 830 of the Texas Government Code.

2.333 Supplemental Employer Contribution Rate. The Board delegates to the Chancellor and the Presidents the authority to approve a supplemental employer contribution rate for the Optional Retirement Program in accordance with rules issued by the Texas Higher Education Coordinating Board.

2.34 Tax-Sheltered Annuities. As authorized by Texas Revised Civil Statutes Annotated Article 6228a-5, Sections 1 and 2, the Board has established a voluntary Tax-Sheltered Annuity Program pursuant to Section 403(b) of the Internal Revenue Code, for the benefit of all System employees. Student employees are not eligible to participate in the plan. The plan provides the opportunity to contribute a portion of an employee's salary pre- or post-tax (Roth) to the tax-sheltered annuity as authorized by Section 403(b) of the Internal Revenue Code. There is no matching contribution from the system under this program and enrollment is solely at the discretion of each employee.

2.341 Tax-Sheltered Annuity Program Plan Document. The System shall have a written plan document approved by the Board for the Tax-Sheltered Annuity Program in accordance with Section 403(b) of the Internal Revenue Code.

2.342 Employees must execute salary reduction agreements on a prospective basis to participate in the tax-sheltered annuity plan. The maximum amount of salary that can be contributed each tax year is established by Internal Revenue Code Sections 402(g), 403(b), 415(c)(1)(A) and 415(c)(1)(B). The system reserves the right to discontinue or alter an employee's contributions as necessary.

2.35 Deferred Compensation Plan. As authorized by Chapter 609 of the Texas Government Code and Section 457(b) of the Internal Revenue Code, any eligible System employee may participate in the TexaSaver Deferred Compensation Plan administered by the Employees Retirement System of Texas. The plan provides an employee the opportunity to contribute a portion of their current salary pre- or post- tax (Roth) under a deferred compensation program (DCP) program, subject to the limitations established in Section 457 of the Internal Revenue Code. The Employees Retirement System of Texas (ERS) establishes rules and administers this program. Enrollment in the program is solely at the discretion of each employee, and there is no matching contribution from the system under this program. The system assumes no liability or responsibility for the income tax aspects of the DCP, the terms and provisions of any contract issued thereunder, monitoring of the financial stability of carriers, or the market condition of the participants' investments.

~~2.32—Requirements of the Optional Retirement Program.~~

- ~~2.321 Company Qualifications.— Each Component will design its specifications for companies to qualify as Optional Retirement Program vendors on that Component's campus. The Board of Regents must approve those specifications. Thereafter, the Component's President (or the President's designee) may authorize any insurance or investment company qualified and admitted to do business in this State to offer an ORP on the Component's campus. Any program offered is subject to compliance with statutory provisions, the prescribed *Rules and Regulations* of the Texas Department of Insurance, the State Securities Board, the Texas Higher Education Coordinating Board, and the requirements of the Board of Regents.~~
- ~~2.322 Contributions.— Employee and State contribution rates for the Optional Retirement Program and Teacher Retirement System shall comply with law.~~
- ~~2.323 Tax Considerations.— Whether or not the employer's and/or employee's contributions to the Optional Retirement Program are tax sheltered, the employee's contribution is made on all salary reduction as required by the ORP statute. All contributions shall comply with IRS laws and regulations for accounts authorized under *Section 403(b)* of the *Internal Revenue Code*."~~
- ~~2.324 Authorization.— The Component President or a representative designated by the President shall be authorized to sign the forms necessary to administer the Optional Retirement Program and the Teacher Retirement System.~~
- ~~2.325 Certification of State Comptroller.— Each Component shall be required to certify to the State Comptroller each Fiscal Year an estimate of the amount of funds required for payments of State Matching Contributions for participants in the Optional Retirement Program.~~
- ~~2.326 Eligibility to Participate.— An employee of a Component of The Texas State University System is eligible for participation in the Optional Retirement Program in accordance with rules adopted by the Texas Higher Education Coordinating Board. An employee who has met the ORP vesting requirement and subsequently transfers to a position which would not otherwise qualify for ORP participation shall remain in ORP except as authorized by TRS rules.~~
- ~~2.33 Salary Reduction Plan of the Optional Retirement Program.— The Components are authorized to participate in the salary reduction agreement of the Optional Retirement Program as provided by statute. The Component President or a representative designated by the President is authorized to approve the forms required for this salary reduction agreement through those carriers approved by the Component in the implementation of the Optional Retirement Program.~~
- ~~2.34 Honorary Titles and Resolutions for Retirees.— Faithful and distinguished service by a retiring faculty member or administrator may be recognized by an appropriate resolution of the Board.~~

~~2.341 Long and distinguished service by a faculty member holding the rank of Professor or Associate Professor may be recognized upon retirement by conferral of the title of Professor Emeritus, Associate Professor Emeritus, Distinguished Professor Emeritus or Distinguished Associate Professor Emeritus as provided by Subparagraph 4.9 of this Chapter.~~

~~2.342 Faithful and distinguished service by the President of a Component may be recognized by the Board upon retirement, or upon returning to full-time teaching if a tenured member of the faculty, by conferral of the honorary title President Emeritus of the Component, without remuneration or authority for this honorary title.~~

~~2.343 Faithful and distinguished service by an administrator, including a Vice President of a Component, Vice Chancellor of the System and Chancellor, may be recognized by the Board upon retirement by conferral of the honorary title, such as Vice President Emeritus, Vice Chancellor Emeritus or Chancellor Emeritus, without remuneration or authority for this honorary title.~~

* * *

2.8 Honorary Titles and Resolutions for Retirees. Faithful and distinguished service by a retiring faculty member or administrator may be recognized by an appropriate resolution of the Board.

2.81 Long and distinguished service by a faculty member holding the rank of Professor or Associate Professor may be recognized upon retirement by conferral of the title of Professor Emeritus, Associate Professor Emeritus, Distinguished Professor Emeritus or Distinguished Associate Professor Emeritus as provided by Subparagraph 4.9 of this Chapter.

2.82 Faithful and distinguished service by the President of a Component may be recognized by the Board upon retirement, or upon returning to full-time teaching if a tenured member of the faculty, by conferral of the honorary title President Emeritus of the Component, without remuneration or authority for this honorary title.

2.83 Faithful and distinguished service by an administrator, including a Vice President of a Component, Vice Chancellor of the System and Chancellor, may be recognized by the Board upon retirement by conferral of the honorary title, such as Vice President Emeritus, Vice Chancellor Emeritus or Chancellor Emeritus, without remuneration or authority for this honorary title.

Explanation

The proposed rule change updates and aligns the TSUS Rules and Regulations regarding available retirement options of TSUS employees to reflect current laws and rules, as well as current practice within TSUS. This proposed rule is not a material change.

PARAGRAPH 4.10(3) OF CHAPTER V
ON PAGE V – 31

CHAPTER V. COMPONENT EMPLOYEES

* * *

4. FACULTY.

* * *

4.10(3) Retired Faculty. A full-time faculty member, who has retired from service from one of the Components in The Texas State University System and who held the title professor, associate professor, assistant professor, or instructor at the time of retirement, and who was in good standing as determined by the Component at the time of retirement, shall, in the sole discretion of the Component, be accorded the following privileges and perquisites at such Component:

- (1) A faculty identification card denoting previous academic rank and the designation “Retired”. In the case of holders of an emeritus title, the identification card shall denote the applicable emeritus title;
- (2) Faculty library privileges;
- (3) Use of Component dining services;
- (4) Authority to purchase a faculty-staff activity card on the same basis as active faculty members;
- (5) Parking privileges provided to active faculty members of the Component;
- (6) Continued eligibility for Component group health and life insurance as provided by statute;
- (7) Use of internal Component mail service and facilities; and,
- (8) Other privileges for retired faculty approved by the President of the Component.

4.10(31) The continuation of any such privileges or perquisites accorded to a retired faculty member remains at the discretion of the Component, and a Component’s decision to extend such privileges or perquisites does not create a property interest in those privileges or perquisites.

Explanation

The edits to this rule ensure that privileges are conveyed only to retired full-time faculty who are in good standing. The edits also clarify that privileges conveyed to retired full-time faculty do not create a property or liberty interest for the retired faculty member in such privileges.

7.A. Legislative Update

Texas State University System Contracts

8. Contracts

8.A. LU: CONSENT: Second Amendment to Agreement with Instructional Connections, LLC

8.B. SHSU: CONSENT: Authorization for Amendment Number One to University Ring Agreement

8.C. SHSU: CONSENT: Authorization to Execute a Contract with EAB Global, Inc.

LU: Second Amendment to Agreement with Instructional Connections, LLC

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Second Amendment to the Contract between Lamar University and Instructional Connections, LLC, commencing May 17, 2024, be approved.

Explanation

Parties to the Contract:	Lamar University and Instructional Connections, LLC.
Subject Matter of the Contract:	Second Amendment to existing agreement for online course instructional assistants.
Purpose:	The Amendment will implement the following changes: Increase the value of the contract from \$8.75 million to \$10 million
Price:	The term, including extensions, shall not exceed \$10,000,000.
Duration:	Commencing May 17, 2024, through contract duration which ends on October 31, 2024.
Amendments:	Amendment Two
Source of Funding:	Designated Funds
Review Statement:	Lamar University hereby affirms that the contract has been or will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
Compliance Statement:	Lamar University verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

SHSU: Authorization for Amendment Number One to University Ring Agreement

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to execute Amendment Number One to the University Ring Agreement, dated January 1, 2023, with Jostens, Inc. for the University's Official Ring Program.

Explanation

Parties to the Contract:	Sam Houston State University (SHSU) and Jostens, Inc.
Subject Matter of the Contract:	University Official Ring provider
Purpose:	To extend the exclusive partnership with Jostens, Inc. which provides an official class ring to students and alumni of Sam Houston State University.
Revenue Generation:	\$1 million in additional revenue over the amended extension period.
Duration:	Ten (10) years, including this extension. The Initial Term was for three (3) years from January 1, 2023 – December 31, 2025, with two (2) one-year optional extensions. Amendment Number One will extend the Agreement through December 31, 2032.
Amendments:	Number One
Source of Funding:	Revenue generating program
Review Statement:	Sam Houston State University hereby affirms that prior to execution, the contract amendment will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
Compliance Statement:	SHSU verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

SHSU: Authorization to Execute a Contract with EAB Global, Inc.

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

Sam Houston State University be authorized to execute agreements, renewals, and successive amendments with EAB Global, Inc. for various EAB products/services for a term not to exceed five (5) years and a total dollar value not to exceed four million dollars (\$4,000,000) over the life of the contract.

Explanation

Parties to the Contract:	Sam Houston State University (SHSU) and EAB Global, Inc.
Subject Matter of the Contract:	EAB Master Service Agreement (MSA)
Purpose:	To enter into a MSA with EAB that will govern all products/services provided by EAB, including EAB Navigate, EAB Strategic Advisory Services, EAB Edify/Academic Performance Solutions, etc.
Price:	The total contract value for the life of the contract, shall not exceed four million dollars (\$4,000,000).
Duration:	June 30, 2024, through June 29, 2029.
Amendments:	None at this time.
Source of Funding:	Institutional funds
Review Statement:	Sam Houston State University hereby affirms that prior to execution, the contract will be reviewed and approved by the Vice Chancellor and Chief Financial Officer and approved as to legal form by the Vice Chancellor and General Counsel.
Compliance Statement:	SHSU verifies that the solicitation method and vendor selection process complies with applicable state laws, TSUS Rules and Regulations and the TSUS Contract Management Handbook.

**Texas State University System
Personnel**

9. Personnel

- 9.A. TXST: Regarding Recommendation that Dr. Melissa Baucus be Terminated for Cause and Her Tenure be Revoked
- 9.B. TSUS: Delegation of Authority to Determine Compensation for the Chancellor
- 9.C. TSUS: Delegation of Authority to Determine Compensation for the Chief Audit Executive
- 9.D. TSUS: CONSENT: Faculty Personnel

TXST: Regarding Recommendation that Dr. Melissa Baucus be Terminated for Cause and Her Tenure be Revoked

Having reviewed the recommendations of her department chair, college dean, provost and the record supporting those recommendations, the University's president, Dr. Kelly Damphousse, recommends that Dr. Melissa Baucus be terminated for cause and her tenure be revoked.

TSUS: Delegation of Authority to Determine the Compensation for the Chancellor

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The Chair of the Board of Regents be delegated the authority to determine the compensation of the Chancellor during Fiscal Year 2025 and make necessary updates to the existing employment and deferred compensation contracts.

Explanation

Pursuant to Texas Education Code 95.06, the Board of Regents determines the compensation of the Chancellor. The proposed motion delegates the authority to the Chair of the Board of Regents to determine the compensation of the Chancellor during Fiscal Year 2025. The final compensation decisions shall be provided to the Vice Chancellor and Chief Financial Officer.

TSUS: Delegation of Authority to Determine the Compensation for the Chief Audit Executive

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The Chair of the Finance and Audit Committee be delegated the authority to determine the compensation for the Chief Audit Executive during Fiscal Year 2025.

Explanation

Pursuant to TSUS Rules and Regulations (Chapter I, subsection 6.42), the Finance and Audit Committee determines the compensation of the Chief Audit Executive. The proposed motion delegates the authority to the Chair of the Finance and Audit Committee to determine the compensation of the Chief Audit Executive during Fiscal Year 2025. The final compensation decisions shall be provided to the Vice Chancellor and Chief Financial Officer.

TSUS: Faculty Matters

Recommendation

The proposed personnel actions regarding faculty for the Texas State University System components be approved.

Background

In accordance with the System *Rules and Regulations, Chapter III, Section 1.2 Faculty Matters*, the following actions shall be submitted to the Board of Regents for approval.

Lamar University

FACULTY PERSONNEL CHANGES

Resignations

1. Jawad, Muhammad, Assistant Professor, SAIS, effective January 2, 2024

CHANGE OF STATUS

Last, First	Department	Change of Status	Period
LaGrone, Judson	Nursing	From Instructor to Assistant Professor on tenure track	Fall 2024
Lyles, Chelsea	Spch/Hearing	From Clinic Instr to Director of Clinical Services/Instructor	SP 2024
Williams, Douglas	DSDE	From Instructor to Assistant Professor on tenure track	Fall 2024

TENURE EFFECTIVE FALL 2024

1. Faulk, Neil; Assistant Professor, Educational Leadership
2. Frost, Brielle; Assistant Professor, Music

3. Garcia, Jesus; Assistant Professor, SPC/SW/CJ
4. McFarlin, Shannon; Assistant Professor, Counseling
5. Morris, Lekeitha; Associate Professor, Speech & Hearing Science
6. Saleem, Awais; Assistant Professor, Communications

PROMOTION EFFECTIVE FALL 2024

Colleges do not need to report anything for tenure and promotion.

Promotion to Professor

1. De La Madrid, Rafel; Physics
2. Han, James; Music
3. McCollough, John; Department of Business
4. Morris, Lekeitha; Speech & Hearing Sciences
5. Singh, Mamta; Teacher Education
6. Weeks, Kelly; Department of Business
7. Yao, Qingjiang; Communications

Promotion to Associate Professor

1. Faulk, Neil; Educational Leadership
2. Frost, Brielle; Music
3. Garcia, Jesus; Soc/SW/CJ
4. McFarlin, Shannon; Counseling
5. Saleem, Awais; Communications

Promotion to Assistant Professor

1. Borel, Daryl Ann; Educational Leadership
2. Fong, Donna; Educational Leadership
3. Nainabasti, Binod; Physics
4. Romashets, Evgeny; Physics

NOMINATIONS FOR RE-EMPLOYMENT OF FACULTY, 2024-2025

Name	Rank	Degree	Tenure	Yrs.
COLLEGE OF ARTS & SCIENCES				
Department of BAAS				
Ervin, Mel	Instructor	MeD	No	15
Mayper, Theresa	Instructor	MA	No	14
Department of Biology				
Armacost, James	Associate Professor	PhD	Yes	15
Christensen, Ana B.	Professor	PhD	Yes	12
Corbett, Robert	Instructor	PhD	No	8
Hock, Matthew	Associate Professor	PhD	Yes	15
Kish-Molina, Marilyn	Instructor	PhD	No	5
Kubicek, Kole	Assistant Professor	PhD	No	2
Kucknoor Ashwini	Associate Professor	PhD	Yes	14
Lian, Ian Yu-Zen	Associate Professor	PhD	Yes	10
Posey, Amanda	Instructor	MS	No	11
Pyne, Matthew	Associate Professor	PhD	Yes	9
Terry, Randall G.	Associate Professor	PhD	Yes	23
Yoder, Howard	Associate Professor	PhD	Yes	23
Department of Chemistry and Biochemistry				
Bekhit, Michael	Assistant Professor	PhD	No	0
Bernazzani, Paul	Professor	PhD	Yes	21
Canlas, Gino	Instructor	PhD	No	7
Chandrasekaran, P.	Associate Professor	PhD	Yes	12
Gunaydin-Sen, Ozge	Associate Professor	PhD	Yes	11
Guo, Zhifo	Assistant Professor	PhD	No	4
Lei, Xiangyang	Professor	PhD	Yes	16
Nguyen, Thi Thuy Minh	Associate Professor	PhD	Yes	15
Shukla, Shyam	Professor	PhD	Yes	38
Soukhodolets, Maxim	Professor	PhD	Yes	20
Twagirayezu, Sylvestre	Associate Professor	PhD	Yes	8
Wei, Suying	Professor	PhD	Yes	15
Department of Computer Science				
Islam, Md Rakibul	Assistant Professor	PhD	No	1

Liu, Jiangjiang "Jane"	Professor	PhD	Yes	20
Liu, Xingya	Associate Professor	PhD	Yes	6
Makki, Kami	Professor	PhD	Yes	17
Roden, Timothy	Associate Professor	PhD	Yes	12
Sun, Bo	Professor	PhD	Yes	20
Wang, Sujing	Associate Professor	PhD	Yes	18
Zhang, Jing	Associate Professor	PhD	Yes	10

Department of Earth and Space Science

Allison, Amanda	Instructor	MS	No	1
Kruger, Joseph	Associate Professor	PhD	Yes	20
Morris, Emma	Assistant Professor	PhD	No	1
Schmidt, Bennetta	Instructor	PhD	No	19
Tucker, Carla	Instructor	MA	No	1

Department of English and Modern Languages

Bartlett, Daniel	Instructor	PhD	No	20
Bartlett, Karen	Instructor	MA	No	18
Becker, Melissa	Instructor	MA	No	5
Blackwell-Starnes, Adrienne	Associate Professor	PhD	Yes	11
Carey, Donald	Instructor	MA	No	23
Doiron, Jesse	Instructor	MA	No	27
Ener, Theresa	Instructor	MA	No	5
Ford, Casey	Instructor	MA	No	1
Haidusek, Harrabeth	Instructor	MA	No	28
Hatfield, Elia	Associate Professor	PhD	Yes	9
Heintzelman, Patricia	Instructor	MA	No	23
Hillin, Sara	Professor	PhD	Yes	18
Hoerth, Katherine	Associate Professor	MFA	Yes	7
Hudler, Melissa	Instructor	PhD	No	25
Joffe, Sharon	Associate Professor	PhD	Yes	7
Johnson, Cheryl	Instructor	MA	No	21
Johnson, Gretchen	Associate Professor	MFA	Yes	21
Lange, Aric	Instructor	MA	No	6
Nemmers, Adam	Associate Professor	PhD	Yes	7
Nordgren, Joseph	Professor	PhD	Yes	35
Oteng, Yaw	Associate Professor	PhD	Yes	18
Phillips, Meagan	Instructor	MA	No	6
Rahman, Mohammad	Assistant Professor	PhD	No	1
Robles, Damian	Assistant Professor	PhD	No	2
Sanderson, James	Professor	PhD	Yes	41
Saucedo, Richard	Instructor	PhD	No	9
Smith, Amy	Professor	PhD	Yes	15
Staub, Nancy	Instructor	MA	No	25
Stewart, Arthur	Associate Professor	PhD	Yes	35
Thompson, Darin	Instructor	MA	No	8

Department of History

Boone, Rebecca	Professor	PhD	Yes	22
Bryan, Jimmy	Professor	PhD	Yes	17
Durso, Cassandre	Instructor	MS	No	5
Forret, Jeffrey	Professor	PhD	Yes	19
Gillis, Brendan	Associate Professor	PhD	Yes	7
Kibbe, Tina	Assistant Professor	PhD	No	8
Mengerink, Mark	Associate Professor	PhD	Yes	17
Sato, Yasuko	Associate Professor	PhD	Yes	15
Seratt, Jim	Instructor	MS	No	29

Department of Mathematics

Alm, Jeremy	Professor	PhD	Yes	7
Al-Sawai, Wael	Assistant Professor	PhD	No	1
Brice, Gary	Instructor	MS	No	18
Brubaker, Katherine	Instructor	PhD	No	3
Couch, PJ	Associate Professor	PhD	Yes	12
Daniel, Dale	Professor	PhD	Yes	36
Dawkins, Paul	Associate Professor	PhD	Yes	19
Fowler, Jennifer	Associate Professor	PhD	Yes	21
Hodges, Jonathan	Instructor	MS	No	4

Jensen-Vallin, Jackie	Professor	PhD	Yes	10
Kennedy, Judy	Professor	PhD	Yes	17
Liu, Wen	Associate Professor	PhD	Yes	8
Maesumi, Mohsen	Associate Professor	PhD	Yes	33
Marken, Alys	Instructor	MS	No	4
Montgomery, Jason	Instructor	PhD	No	7
Palmer, Brandy	Instructor	MS	No	4
Phillips, Aaron	Instructor	MA	No	3
Riley, Melissa	Instructor	MS	No	22
Svyeshnikova, Nataliya	Instructor	MS	No	8
Vallin, Robert	Professor	PhD	Yes	10
Vega-Guzman, Jose'	Associate Professor	PhD	Yes	8

Department of Nursing

Antoon, Melody	Instructor	MSN	No	1
Calloway, Kacie	Instructor	MSN	No	3
Cole, Jennifer	Instructor	MSN	No	1
Hale, Regina	Associate Professor	PhD	Yes	20
Harding, Rose	Instructor	MSN	No	27
Heinz, Caroline	Instructor	MSN	No	19
Hext, Michelle	Assistant Professor	MSN	No	7
Knight McCall, Stacey	Associate Professor	DNP	Yes	14
Kostandy, Raouth	Assistant Professor	PhD	No	2
LaGrone, Judson	Assistant Professor	MS	No	1
LaPoint, Catherine	Instructor	MSN	No	1
Long, Elizabeth	Associate Professor	DNP	Yes	10
Marsh, Shannon	Instructor	MSN	No	5
Morris, Christina	Instructor	MSN	No	5
Moss, Patti	Assistant Professor	MSN	Yes	37
O'Brien, Patricia	Instructor	MSN	No	8
Peterman, Kelli	Assistant Professor	MSN	No	9
Robinson, L. Ruthie	Professor	PhD	Yes	11
Rolf, Carmen	Instructor	MSN	No	8
Seaman, J.T.	Assistant Professor	MSN	No	9
Seymour,Rebekah	Instructor	MSN	No	10
Shackelford, Sommer	Assistant Professor	MSN	No	6
Steely, Bethany	Instructor	MSN	No	3
Theford, Jenny	Instructor	MSN	No	14
Wenner, Lori	Instructor	MSN	No	7
White, Kelli	Instructor	MSN	No	12
Willey, Cori	Instructor	MSN	No	6
Wilson, Linda	Assistant Professor	MSN	No	1

Department of Physics

Bahrim, Bogdana	Professor	PhD	Yes	24
Bahrim, Cristian	Professor	PhD	Yes	21
Cole, Philip	Professor	PhD	Yes	7
De la Madrid, Rafael	Associate Professor	PhD	Yes	15
Lou, Ming	Instructor	PhD	No	16
Nainabastl, Binod	Instructor	PhD	No	5
Romashets, Evgeny	Instructor	PhD	No	6
Sen, Cengiz	Associate Professor	PhD	Yes	10

Department of Political Science

Davis, Terri	Associate Professor	PhD	Yes	28
Easterly, Bianca	Associate Professor	PhD	Yes	11
Gregory, Christina	Assistant Professor	PhD	No	3
Gubala, Sara	Instructor	MS	No	17
Nelson, James	Associate Professor	PhD	Yes	14
Sowers, Thomas	Associate Professor	PhD	Yes	22
Williams, Brian	Associate Professor	PhD	Yes	8

Department of Psychology

Barclay, J. Eli	Instructor	MS	No	9
Doe, Raymond	Associate Professor	PhD	Yes	9
Katz, Jodi	Instructor	PhD	No	4
Kirk, Edythe	Associate Professor	PhD	Yes	23
Rinker, Martha	Assistant Professor	PhD	Yes	25
Scheldemandel, Jeferson	Instructor	MS	No	10

Shelton, Jeremy	Associate Professor	PhD	Yes	21
Webb, Melanie	Instructor	PsyD	No	2

Department of Sociology, Social Work and Criminal Justice

Aklamanu, Isaac	Assistant Professor	PhD	No	1
Alasti, Sanaz	Professor	SJD	Yes	13
Broome, Mark	Instructor	MS	No	7
Chang, Chiung-Fang	Associate Professor	PhD	Yes	16
Clavijo, Angela	Instructor	MSW	No	5
Fagen, Jennifer	Associate Professor	PhD	Yes	17
Gage-Witvliet, Margot	Associate Professor	PhD	Yes	7
Garcia, Jesse	Assistant Professor	PhD	No	10
Gummelt, Ginger	Associate Professor	PhD	Yes	11
Harden, Garrick	Associate Professor	PhD	Yes	14
Krause, Stefan	Assistant Professor	PhD	No	4
Lin, Cheng-Hsien	Associate Professor	PhD	Yes	16
Loya-Boggs, April	Instructor	MS	No	4
Roebuck, Karen	Instructor	PhD	No	10
Tsado, Lucy	Associate Professor	PhD	No	7
Worley, Robert	Professor	PhD	Yes	11
Worley, Vidisha	Professor	PhD	Yes	11
Wright, Lori	Instructor	MSW	No	11
Wright, Stuart	Professor	PhD	Yes	38

COLLEGE OF BUSINESS

School of Accounting and Information System

Harapnuik, Dwayne	Clinical Instructor	PhD	No	9
Harrison, Glen	Clinical Instructor	EdD	No	8
Harvey, Thomas	Assistant Professor	EdD	No	8
Hinerman, Krystal	Assistant Professor	PhD	No	8
Laub, James	Assistant Professor	PhD	No	1
Marjason, Michele	Assistant Professor	PhD	No	1
Martin, Kenyetta	Assistant Professor	EdD	No	1
Msengi, Clementine	Visiting Assistant Professor	EdD	No	12
Puente, Christina	Clinical Instructor	EdD	No	10
Shelton, Virginia (Kaye)	Professor	PhD	Yes	13
Taylor, Janice	Assistant Professor	EdD	No	1
Troxclair, Debbie	Associate Professor	PhD	Yes	15
Washington, Kathryn	Assistant Professor	EdD	No	5
Yoo, Julia	Associate Professor	PhD	Yes	15
Young, James (Ken)	Associate Professor	PhD	Yes	15

Department of Nutrition, Hospitality, and Human Services

Chen, Jau-Jin	Professor	PhD	Yes	15
Gates, Casey	Clinical Instructor	BS	No	1
Killough, Jill	Assistant Professor	PhD	No	25
Kwon, Eunjin	Associate Professor	PhD	Yes	8
Ruiz, Connie	Associate Professor	PhD	Yes	48
Shows, Amy	Professor	PhD	Yes	40
Wallet, Kimberly	Associate Professor	PhD	Yes	30
White, Janeal	Assistant Professor	PhD	No	1

Department of Health and Kinesiology

Chilek, Daniel	Assistant Professor	PhD	Yes	23
Gauthreaux, Kimberly	Clinical Instructor	MS	No	10
Jordan, Shannon	Associate Professor	PhD	Yes	10

Moore, Allan	Associate Professor	PhD	Yes	9
Morales, Julio	Associate Professor	PhD	Yes	21
Msengi, Israel	Associate Professor	PhD	Yes	16
Mullican, Jeanne	Clinical Instructor	EdD	No	10

Department of Teacher Education

Casey, Jane	Associate Professor	PhD	Yes	1
Dokes, Rosa	Assistant Professor	PhD	No	0
Hood, Caleb	Assistant Professor	PhD	No	2
Rios, Cristina	Associate Professor	PhD	Yes	19
Singh, Mamta	Associate Professor	PhD	Yes	10
Sprott, Katherine	Associate Professor	PhD	Yes	9
Yan, Yan	Assistant Professor	PhD	No	1

COLLEGE OF ENGINEERING

Department of Chemical Engineering

Benson, Tracy	Professor	PhD	Yes	15
Cai, Tianxing	Assistant Professor	PhD	No	9
Chen, Daniel	Professor	PhD	Yes	40
Gossage, John	Associate Professor	PhD	Yes	26
Henry, James	Associate Professor	PhD	Yes	7
Jeffreys, Clayton	Associate Professor	PhD	Yes	9
Lin, Sy Chul	Associate Professor	PhD	Yes	19
Lou, Helen	Professor	PhD	Yes	23
Madugula, Adhish	Post-Doctoral Research	PhD	No	2
Xu, Qiang	Professor	PhD	Yes	19

Department of Civil Engineering

Brake, Nicholas	Associate Professor	PhD	Yes	11
Jao, Mien	Professor	PhD	Yes	26
Kim, Yong Je	Visiting Assistant Professor	PhD	No	2
Qian, Qin	Professor	PhD	Yes	16
Selvaratnam, Thinesh	Associate Professor	PhD	Yes	7
Uddameri, Venkatesh	Professor	PhD	Yes	2
Uddameri, Annette	Associate Professor	PhD	Yes	2
Wu, Xing	Associate Professor	PhD	Yes	11

Department of Electrical Engineering

Almallahi, Hussein	Instructor	MA	No	9
Eldek, Abdelnasser	Professor	PhD	Yes	2
Hirano, Koji	Instructor	MA	No	9
Sayil, Selahattin	Professor	PhD	Yes	20
Tcheslavski, Gleb	Associate Professor	PhD	Yes	16
Tokgoz, Cagatay	Associate Professor	PhD	Yes	8
Wang, Ruhai	Professor	PhD	Yes	21
Zargarzadeh, Hassan	Associate Professor	PhD	Yes	9

Department of Industrial Engineering

Bradley, Robert	Assistant Professor	PhD	No	5
Clott, Christopher	Visiting Assistant Professor	PhD	No	2
Curry, James	Associate Professor	PhD	Yes	16
Hamidi, Maryam	Associate Professor	PhD	Yes	8
Kaneria, Acyut	Instructor	MA	No	6
Li, Yueqing	Associate Professor	PhD	Yes	10
Liu, Xinyu	Professor	PhD	Yes	17
Marquez, Alberto	Associate Professor	PhD	Yes	17
Tokgoz, Berna	Associate Professor	PhD	Yes	10
Yetzen, Gary	Instructor	MA	No	11
Zaloom, Victor	Professor	PhD	Yes	43

Department of Mechanical Engineering

Doranga, Sushil	Assistant Professor	PhD	No	5
Fan, Xuejun	Professor	PhD	Yes	16
He, Ping	Associate Professor	PhD	Yes	7
Karkoub, Mansour	Professor	PhD	Yes	2
Li, Xiang Chang	Professor	PhD	Yes	17
Patki, Ajit	Visiting Assistant Professor	PhD	No	7
Yao, Chun-Wei	Associate Professor	PhD	Yes	8
Zhou, Jiang	Professor	PhD	Yes	20

COLLEGE OF FINE ARTS & COMMUNICATION**Department of Art**

Carter, Keith	Professor	BBA	Yes	36
Chadwick, Stephanie	Associate Professor	PhD	Yes	9
Dyrhaug, Kurt	Professor	MFA	Yes	25
Fedorchenko, Xenia	Associate Professor	MFA	Yes	18
Fischer, Julia	Associate Professor	PhD	Yes	11
Hyatt, Joana	Associate Professor	PhD	Yes	9
Johnston, Eric	Visit Assistant Professor	MFA	No	1
Meeks, Donna	Professor	MFA	Yes	29
Thomas, Prince	Professor	MFA	Yes	26
Thompson, Jennifer	Assistant Professor	MFA	No	1
Troutman, Christopher	Associate Professor	MFA	Yes	11

Department of Communication

Bisilki, Isaac	Visit Instructor	MA	No	1
DeMars, Tony	Professor	PhD	No	2
Favors, Andre	Instructor	MS	No	6
Hawa, Jeremy	Instructor	MA	No	5
Hemenway, Paul	Professor	PhD	Yes	18
Malick, Stephan	Instructor	MEd	No	3
Michalski, Nicki	Associate Professor	PhD	Yes	25
Saleem, Awais	Assistant Professor	PhD	No	7
Springer, Sheila	Instructor	PhD	No	3
Stanley, O'Brien	Professor	MFA	Yes	27
Wagers, Stacey	Instructor	MA	No	3
Yao, Qingjiang	Associate Professor	PhD	Yes	10

Department of Deaf Studies and Deaf Education

Clark, Mary Diane	Prof	PhD	Yes	9
Greene-Woods, Ashley	Assistant Professor	EdD	No	5
Hauschildt, Sean	Assistant Professor	EDD	No	3
Mann, Lyman	Instructor	MS	No	8
Musyoka, Millicent	Associate Professor	PhD	Yes	12
Smith, Zanthia	Associate Professor	EdD	Yes	27
Williams, Douglas	Instructor	MA	No	3

Department of Music

Benson, Jack	Instructor	MM	No	5
Broussard, Jared	Assistant Professor	DMA	No	1
Cho, Sujung	Instructor	DMA	No	8
Clark, Jacob	Associate Professor	DMA	Yes	10
Dueppen, Timothy	Associate Professor	DMA	Yes	10
Frost, Brielle	Assistant Professor	DA	No	6
Greschner, Debra	Instructor	MM	No	16
Han, James	Associate Professor	DMA	Yes	15
Ilban, Serdar	Associate Professor	DMA	Yes	13
Isles, Jennifer	Instructor	DMA	No	1
McAndrew, Michael	Instructor	DMA	No	2
McCluskey, Paul Eric	Instructor	DMA	No	3
McMahan, Andrew	Int. Chair/Associate Professor	DMA	Yes	7
Proksch, Bryan	Professor	PhD	Yes	11
Rissman, Maurice	Professor	DMA	Yes	26
Shannon, Eric	Associate Professor	DMA	Yes	10

Department of Speech and Hearing Sciences

Becerril, Stefanie	Assistant Professor	PhD	No	2
Boult, Johanna	Professor	PhD	Yes	2
Dueppen, Abigail	Assistant Professor	MS	No	6
Felipe, Lillian	Associate Professor	PhD	Yes	7
Howard, Connie	Associate Professor	AuD	Yes	16
Jilla, Anna	Assistant Professor	AuD	No	2
Lyles, Chelsea	Dir. of Clin Svcs/Instr	MS	No	2
Morris, Lekeitha	Associate Professor	PhD	No	6
Prezas, Raul	Associate Professor	PhD	No	1
Reading, Heather	Clinic Supervisor/Instructor	AuD	No	12
Saldana, Sarah	Instructor	MS	No	0

Thompson, Carmyn	Instructor	MS	No	3
Wallace, Haley	Clinic Supervisor/Instructor	MS	No	1
Whisenhunt-Saar, Karen	Assistant Professor	MS	No	11

Department of Theatre and Dance

Arrington, Lucy	Instructor	BA	No	14
Barker, Lee	Assistant Professor	MFA	No	2
Brinks, Alan	Assistant Professor	MFA	No	3
Grothe, Joel	Chair/Associate Professor	MFA	Yes	15
McAlpine, Tanner	Instructor	MFA	No	1
Smith, Amy E	Assistant Professor	MFA	No	5
Wright, Amy	Visit Assistant Professor	MFA	No	1

LIBRARY

Clark, Penny	Associate Professor	MA	Yes	14
Crawford, Scott	Instructor	MLIS	No	7
Xiao, Taylor	Instructor	MLIS	No	3
Gunasekaran, Poornima	Assistant Professor	MSIS	No	6
Jordan, Tracy	Instructor	EdD	No	5
Saar, Michael	Associate Professor	MLS	Yes	15
Sanders, Elizabeth	Assistant Professor	MLIS	No	2
Stanfield, Tamra	Instructor	MA	No	2
Withrow, Kelly	Instructor	MLIS	No	5
Worksham, David	Assistant Professor	MSLS	No	2

Sam Houston State University

FACULTY PERSONNEL CHANGES

Resignations

1. Crane, Ashley, Assistant Professor, Library Public Services, effective January 31, 2024.
2. Elmore, Maggie, Assistant Professor, History, effective July 15, 2024.
3. Figueroa, Yvette, Assistant Professor, Kinesiology, effective January 15, 2024.
4. Gonzalez, Cassandra, Assistant Professor, Criminal Justice and Criminology, effective August 31, 2024.
5. Haase, Thomas, Associate Professor, Security Studies, effective August 31, 2024.
6. Martinez, Rafael, Assistant Professor, Agricultural Sciences, effective January 15, 2024.
7. Reid, Jonathan, Assistant Professor, Criminal Justice and Criminology, effective May 31, 2024.
8. Sweeney, Kevin, Associate Professor, Management, Marketing and Information Systems, effective August 31, 2024.
9. Toman, Elisa, Associate Professor, Criminal Justice and Criminology, effective August 31, 2024.
10. Ulseth, Amber, Assistant Professor, Biological Sciences, effective May 31, 2024.

Early Retirements

1. Burluson, Laura, Assistant Professor, Human Sciences, effective May 31, 2024.
2. Gerber, Jurg, Professor, Criminal Justice and Criminology, effective August 31, 2024.
3. Price, Debra, Professor, Teaching and Learning, effective May 31, 2024.

Retirements

1. Cuvelier, Steven, Associate Professor, Criminal Justice and Criminology, effective May 31, 2024.
2. Hynes, James, Associate Professor, Teaching and Learning, effective May 31, 2024.
3. Leavell, William, Professor, Finance and Banking, effective January 15, 2024.
4. Lunenburg, Frederick, Professor, Educational Leadership, effective January 15, 2024.
5. Matthews, Robert, Associate Professor, Business Administration and Entrepreneurship, effective May 31, 2024.
6. Quarles, Ross, Professor, Accounting, effective May 31, 2024.

Status

1. Graves, Nicholas, Associate Professor, Theatre and Musical Theatre; to Associate Professor and Acting Chair, Theatre and Musical Theatre, effective January 16, 2024.
2. Hasekoester, Penelope, Professor and Acting Chair, Theatre and Musical Theatre, and Associate Dean, College of Arts and Media; to Professor, Theatre and Musical Theatre, and Associate Dean, College of Arts and Media, effective January 16, 2024.
3. Holt, Melinda, Professor, Mathematics and Statistics, and Interim Dean, College of Science and Engineering Technology; to Professor, Mathematics and Statistics, and Dean, College of Science and Engineering Technology, effective February 16, 2024.
4. Jones, Dustin, Professor, Mathematics and Statistics, and Interim Associate Dean, College of Science and Engineering Technology; to Professor, Mathematics and Statistics, and Associate Dean, College of Science and Engineering Technology, effective July 1, 2024.
5. Jorgensen, Maribeth, Associate Professor, Counselor Education; to Associate Professor, Counselor Education, and Assistant Dean, College of Education, effective January 16, 2024.
6. Kim, Nam Young, Associate Professor, Mass Communication; to Associate Professor and Acting Chair, Mass Communication, effective January 16, 2024.
7. Long Anderson, Mia, Professor and Acting Chair, Mass Communication, and Associate Dean, College of Arts and Media; to Professor, Mass Communication, and Associate Dean, College of Arts and Media, effective January 16, 2024.

Leaves Of Absence

1. Craig-Bogard, Kyle, Associate Professor, Theatre and Musical Theatre, effective January 16, 2024.
2. Jasper, William, Professor, Mathematics and Statistics, effective January 16, 2024.

Promotion To Associate Professor with Tenure

1. Atkins, Mardelle, Assistant Professor, Biological Sciences, effective September 1, 2024.

2. Azimi, Andia, Assistant Professor, Criminal Justice and Criminology, effective September 1, 2024.
3. Bryson, Jonathan, Assistant Professor, Art, effective September 1, 2024.
4. Duan, Xiaoman, Assistant Professor, Finance and Banking, effective September 1, 2024.
5. Gao, Di, Assistant Professor, Mathematics and Statistics, effective September 1, 2024.
6. Gardner, Jeffrey, Assistant Professor, Sociology, effective September 1, 2024.
7. Henderson, Susan, Assistant Professor, Counselor Education, effective September 1, 2024.
8. Houston, Rachel, Assistant Professor, Forensic Science, effective September 1, 2024.
9. Marek, Ryan, Assistant Professor, Psychology and Philosophy, effective September 1, 2024.
10. Moss, David, Assistant Professor, Environmental and Geosciences, effective September 1, 2024.
11. Mouton, Ashton, Assistant Professor, Business Administration and Entrepreneurship, effective September 1, 2024.
12. Navarro, John, Assistant Professor, Criminal Justice and Criminology, effective September 1, 2024.
13. Peacock, Emily, Assistant Professor, Art, effective September 1, 2024.
14. Shepherd, William, Assistant Professor, Physics and Astronomy, effective September 1, 2024.
15. Simorte, Jessica, Assistant Professor, Art, effective September 1, 2024.
16. Strubberg, Brandon, Assistant Professor, English, effective September 1, 2024.
17. Thompson, Christopher, Assistant Professor, Business Administration and Entrepreneurship, effective September 1, 2024.
18. Wang, Wen, Assistant Professor, Political Science, effective September 1, 2024.

Tenure

1. Berry, Devon, Associate Professor, Nursing, effective September 1, 2024.
2. Forgey, Fred, Associate Professor, Business Administration and Entrepreneurship, effective January 1, 2024.
3. Mohapatra, Sambit, Professor, Health Sciences, effective September 1, 2024.
4. Nodeland, Brooke, Associate Professor, Criminal Justice and Criminology, effective September 1, 2024.

Promotion To Full Professor

1. Bronfman, Joshua, Associate Professor, Music, effective September 1, 2024.
2. Brown, Lisa, Associate Professor, Teaching and Learning, effective September 1, 2024.
3. Clevenger, Shelly, Associate Professor, Victim Studies, effective September 1, 2024.
4. Coyne, Jaime, Associate Professor, Teaching and Learning, effective September 1, 2024.
5. Durham, Patricia, Associate Professor, Teaching and Learning, effective September 1, 2024.
6. Gross, Dustin, Associate Professor, Chemistry, effective September 1, 2024.
7. Harper, James, Associate Professor, Biological Sciences, effective September 1, 2024.
8. Henderson, Cassy, Associate Professor, Accounting, effective September 1, 2024.
9. Hollas, Victoria, Associate Professor, Teaching and Learning, effective September 1, 2024.
10. Holzweiss, Peggy, Associate Professor, Educational Leadership, effective September 1, 2024.

Non-Reappointments

1. Bible, Dana, Assistant Professor, Business Administration and Entrepreneurship, effective May 31, 2025.
2. Svensen, Eric, Assistant Professor, Political Science, effective May 31, 2025.

Nominations for Re-employment of Faculty for 2024-25

COLLEGE OF ARTS AND MEDIA

Department of Art

9.00	Mary K. Borcharding, Professor	MFA	31	Tenured
9.00	Emma R. Breslauer, Assistant Professor	MFA	1	Probationary
9.00	Jonathan R. Bryson, Assistant Professor	MFA	6	Probationary
9.00	Christopher F. Cascio, Assistant Professor	MFA	2	Probationary
9.00	Charlotte M. Drumm, Professor	MFA	24	Tenured
9.00	Sherman S. Finch, Assistant Professor	MFA	2	Probationary
9.00	Rebecca L. Finley, Professor	MFA	19	Tenured
9.00	Melissa C. Glasscock, Associate Professor	MFA	9	Tenured
9.00	Barbara A. Kaminska, Associate Professor	PHD	8	Tenured
9.00	Emily Taehee Kim, Professor	MFA	18	Tenured
9.00	Melissa L. Mednicov, Associate Professor	PHD	11	Tenured
9.00	Edward M. Morin, Professor	MFA	13	Tenured
9.00	Emily A. Peacock, Assistant Professor	MFA	6	Probationary
9.00	Tony R. Shipp, Associate Professor	MFA	26	Tenured
9.00	Jessica A. Simorte, Assistant Professor	MFA	6	Probationary
9.00	Walton A. Watkins, III, Professor	MFA	15	Tenured
9.00	Jody C. Wood, Assistant Professor	MFA	2	Probationary

Department of Dance

9.00	Francisco M. Graciano, Assistant Professor	MFA	2	Probationary
9.00	Adele Nickel, Assistant Professor	MFA	2	Probationary
9.00	Andrew M. Noble, Professor	MFA	16	Tenured
9.00	Dionne L. Noble, Associate Professor	MFA	12	Tenured
9.00	Jennifer K. Pontius, Associate Professor/Department Chair	MFA	24	Tenured

Department of Mass Communication

9.00	Ryan M. Broussard, Assistant Professor	PHD	5	Probationary
9.00	Judith A. Clemens-Smucker, Assistant Professor	PHD	1	Probationary
9.00	Dixuan Cui, Assistant Professor	PHD	1	Probationary
9.00	Marcus J. Funk, Associate Professor	PHD	10	Tenured
9.00	Deborah A. Hatton, Instructor	MA	34	Tenured
9.00	Elisa Herrmann, Associate Professor	MFA	10	Tenured
9.00	Nam Young Kim, Associate Professor/Acting Chair	PHD	12	Tenured
9.00	Wojciech Lorenc, Professor	MFA	7	Tenured
9.00	Sachin D. Mudigonda, Assistant Professor	MFA	2	Probationary
9.00	Ki Won Seo, Associate Professor	PHD	9	Tenured
9.00	Christopher M. Toulas, Assistant Professor	PHD	4	Probationary
9.00	Grant J. Wiedenfeld, Associate Professor	PHD	9	Tenured
9.00	Shengjie Yao, Assistant Professor	PHD	1	Probationary

Department of Theatre and Musical Theatre

9.00	Kyle A. Craig-Bogard, Associate Professor	MFA	7	Tenured
9.00	Kevin G. Crouch, Associate Professor	MFA	8	Tenured
9.00	Nicholas A. Graves, Associate Professor/Acting Chair	MFA	8	Tenured
9.00	Penelope A. Hasekoester, Professor/Associate Dean	MFA	30	Tenured
9.00	Victoria P. Lantz, Associate Professor	PHD	9	Tenured
9.00	Eric L. Marsh, Professor	MFA	17	Tenured
9.00	Patrick N. Pearson, Assistant Professor	MFA	5	Probationary
9.00	Thomas C. Prior, Professor	MFA	19	Tenured

School of Music

9.00	Randal L. Adams, Professor	MM	25	Tenured
9.00	Mario Aschauer, Associate Professor	PHD	10	Tenured
9.00	Tony L. Boutte, Professor	DMA	8	Tenured
9.00	Joshua M. Bronfman, Associate Professor	PHD	8	Tenured
9.00	Diego R. Caetano, Assistant Professor	DMA	4	Probationary
9.00	Patricia P. Card, Professor	DMA	23	Tenured
9.00	Kevin M. Clifton, Associate Professor	PHD	14	Tenured
9.00	Bryan S. Espinosa, Assistant Professor	PHD	1	Probationary
9.00	Brian K. Gibbs, Professor	PHD	14	Tenured
9.00	Emily C.H. Heilman, Assistant Professor	DM	4	Probationary
9.00	Sandy P. Hinkley, Associate Professor	PHD	7	Tenured
9.00	Henry E. Howey, Professor	DMA	48	Tenured
9.00	Lesley L. Hughes, Assistant Professor	PHD	2	Probationary
9.00	Kyle D. Kindred, Professor	DMA	17	Tenured
9.00	Lana Kuscer, Assistant Professor	DMA	4	Probationary
9.00	John W. Lane, Professor	DMA	18	Tenured
9.00	W. Matthew McInturf, Professor	DMA	26	Tenured
9.00	Christopher C. Michel, Associate Professor	MM	23	Tenured
9.00	Javier A. Pinell, Professor	DM	16	Tenured
9.00	Scott D. Plugge, Professor/Department Chair	DM	27	Tenured
9.00	Deborah L. Popham, Associate Professor	DMA	8	Tenured
9.00	Rebecca L. Renfro, Professor	DMA	14	Tenured
9.00	Livia I. Rus, Professor	DMA	16	Tenured
9.00	Daniel Saenz, Associate Professor	DMA	11	Tenured
9.00	Kristin A. Sarvela, Assistant Professor	DMA	3	Probationary
9.00	Aric L. Schneller, Professor	DMA	16	Tenured
9.00	Wayman J. Stover, Assistant Professor	DMA	3	Probationary
[2] 9.00	Masahito Sugihara, Associate Professor	DM	11	Tenured
9.00	Kayoko D. Temple, Assistant Professor	DMA	3	Probationary

COLLEGE OF BUSINESS ADMINISTRATION**Department of Accounting**

9.00	Ouadie Akaaboune, Associate Professor	PHD	7	Tenured
9.00	Leslie H. Blix, Associate Professor	PHD	7	Tenured
9.00	Tonya J. Blocker, Assistant Professor	PHD	1	Probationary
9.00	Linda G. Carrington, Associate Professor	PHD	30	Tenured
9.00	Ronald J. Daigle, Professor	PHD	18	Tenured
9.00	Trevor K. England, Assistant Professor	PHD	5	Probationary
9.00	Oscar J. Harvin, Associate Professor	PHD	7	Tenured
9.00	Cassy D. Henderson, Associate Professor	PHD	12	Tenured
9.00	Philip W. Morris, Professor/Department Chair	PHD	24	Tenured
9.00	Jeffrey W. Strawser, Associate Professor	PHD	26	Tenured
9.00	William R. Strawser, Assistant Professor	PHD	4	Probationary

Department of Business Administration and Entrepreneurship

9.00	Traci L. Austin, Associate Professor	PHD	11	Tenured
9.00	Dana E. Bible, Assistant Professor	EDD	6	Probationary
9.00	Diana M. Brown, Associate Professor	JD	10	Tenured
9.00	Lindsay C. Clark, Associate Professor	PHD	7	Tenured
9.00	Hope K. Garner, Assistant Professor	JD	4	Probationary
9.00	Kevin J. Kryston, Assistant Professor	PHD	3	Probationary
9.00	Ashton M. Mouton, Assistant Professor	PHD	6	Probationary

	9.00	Tommy J. Robertson, Professor/Department Chair	JD	16	Tenured
	9.00	Danica L. Schieber, Associate Professor	PHD	8	Tenured
	9.00	Kyle A. Scott, Assistant Professor	PHD	1	Probationary
	9.00	Ashly L.B. Smith, Associate Professor	PHD	8	Tenured
	9.00	Laura L. Sullivan, Professor	JD	19	Tenured
	9.00	Christopher L. Thompson, Assistant Professor	JD	6	Probationary
		Department of Economics and International Business			
	9.00	Milo D. Berg, Jr., Associate Professor	PHD	27	Tenured
	9.00	Cosmas B.D. Dery, Assistant Professor	PHD	2	Probationary
	9.00	David M. Drukker, Associate Professor	PHD	4	Tenured
	9.00	Mark W. Frank, Professor	PHD	24	Tenured
	9.00	Fidel Gonzalez, Professor	PHD	19	Tenured
[1]	9.00	Darren P. Grant, Associate Professor	PHD	17	Tenured
	9.00	Younoh Kim, Associate Professor	PHD	8	Tenured
	9.00	Hiranya K. Nath, Professor	PHD	22	Tenured
	9.00	Vlad M. Radoias, Associate Professor	PHD	8	Tenured
	9.00	Christian W. Raschke, Associate Professor	PHD	11	Tenured
	9.00	Raisa T. Sara, Assistant Professor	PHD	3	Probationary
	9.00	Nazanin Sedaghatkish, Assistant Professor	PHD	1	Probationary
	9.00	Markland H. Tuttle, Professor/Acting Chair	PHD	20	Tenured
		Department of Finance and Banking			
	9.00	Jonathan P. Breazeale, Associate Professor	PHD	18	Tenured

Texas State University

FACULTY PERSONNEL CHANGES

DEATH

1. None to report.

LEAVE OF ABSENCE

1. None to report.

NON-REAPPOINTMENT

1. None to report.

CHANGES IN STATUS

1. Kruse, Clemens Scott, from Director and Professor, School of Health Administration, to Professor, School of Health Administration and Associate Dean, College of Health Professions, effective March 1, 2024.
2. Lieneck, Cristian H., from Associate Professor, School of Health Administration, to Interim Director and Associate Professor, School of Health Administration, effective March 1, 2024.

RESIGNATION

1. Babcock, Jonathan P., Professor, School of Music, effective May 31, 2024.
2. Flippin, Sam H., Assistant Professor, School of Music, effective May 31, 2024.
3. Kim, Youjeong, Associate Professor, School of Journalism and Mass Communication, effective July 15, 2024.

RETIREMENT

1. Shields, Patricia M., Regents Professor, Policial Science, effective May 31, 2025.

APPOINTMENT WITH TENURE

1. Graham, Amanda K., Associate Professor, Criminal Justice and Criminology, effective August 1, 2024.
2. Toman, Elisa L., Associate Professor, Criminal Justice and Criminology, effective August 16, 2024.

APPOINTMENT OF RELATIVES

1. Forstner, Michael R., Regents' Professor of Biology and David J. Stout, Program Faculty of Biology.
2. Holschuh, Jodi P., Professor of Curriculum and Instruction and Associate Dean of the College of Education and Douglas R. Holschuh, Senior Lecturer of Curriculum and Instruction.
3. Jones, Shayne E., Professor of Criminal Justice and Criminology and Angela M. Jones, Associate Professor of Criminal Justice and Criminology.
4. Lemke, David E., Regents' Teacher and Professor of Biology and Joan M. Parrott, Lecturer of Biology.
5. Smith, Patrick H., Professor of Curriculum and Instruction and Luz A. Murillo Benjumea, Associate Professor of Curriculum and Instruction.
6. Thorne, Debbie M., Senior Vice Provost and Professor of Marketing and Floyd F. Quinn, Assistant Professor of Practice of Management.
7. Timmerman, Charles Erik, Professor of Communication Studies and Lindsay M. Timmerman, Associate Professor of Communication Studies.
8. Vandiver, Donna, Professor of Criminal Justice and Criminology and Mark C. Stafford, Professor of Criminal Justice and Criminology.
9. Warshauer, Max L., Regents' Professor of Mathematics and Director of Texas Mathworks and Hiroko K. Warshauer, Associate Professor of Mathematics.
10. Watkins, Ann L., Professor of Accounting and Charles K. Kebodeaux, Clinical Assistant Professor of Accounting.
11. Wescott, Daniel J., Professor of Anthropology and Deborah L. Cunningham, Senior Lecturer of Anthropology.
12. Wilson, Steven M., Professor of English and Nancy A. Wilson, Associate Professor of English and Connor P. Wilson, Lecturer or English.

PROMOTIONS: (to become effective September 1, 2024)

From: Associate Professor to Professor

Ms. Cassandra A. Abate, Theatre and Dance
Dr. Jennifer N. Ahrens, Health and Human Performance
Dr. Edna C. Alfaro, Family and Consumer Sciences

Dr. Shetay N. Ashford-Hanserd, Organization, Workforce, and Leadership Studies
Dr. Amy D. Benton, Social Work
Dr. Patricia J. Burke, Communication Studies
Dr. Stephen P. Ciullo, Curriculum and Instruction
Dr. Eleanor W. Close, Physics
Dr. Jennifer A. Czocher, Mathematics
Dr. Michael B. Devlin, Journalism and Mass Communication
Ms. Cheri P. DeVol, Theatre and Dance
Dr. Robert W. Fischer, Philosophy
Dr. Geneva M. Gano, English
Dr. Kyle R. Glaser, Music
Dr. Michelle D. Hamilton, Anthropology
Dr. Elizabeth K. Hartwig, Counseling, Leadership, Adult Education, and School Psychology
Dr. Vanessa D. Higgins Joyce, Journalism and Mass Communication
Dr. Injeong Jo, Geography and Environmental Studies
Dr. Katherine M. Kapurch, English
Dr. Michelle Londa, Ingram School of Engineering
Dr. Omar S. Lopez, Organization, Workforce, and Leadership Studies
Dr. Kenneth D. Mix, Agricultural Sciences
Dr. Colleen C. Myles, Geography and Environmental Studies
Dr. Samuel Obara, Mathematics
Dr. Eduardo Perez, Ingram School of Engineering
Dr. Apan M. Qasem, Computer Science
Dr. Steven W. Rayburn II, Marketing
Dr. Christopher P. Rhodes, Chemistry and Biochemistry
Dr. Joaquin Rivaya-Martinez, History
Dr. In-Hyoun Song, Engineering Technology
Dr. Raymond F. Treinen, Mathematics
Dr. Yong Yang, Mathematics

From: Assistant Professor to Associate Professor

Dr. Ryan G. Anderson, Agricultural Sciences
Dr. William N. Boney, Mathematics
Ms. Daveda K. Brecheen, Music
Dr. Mijin Choi, Social Work
Dr. Stephen A. Deringer, Health and Human Performance
Dr. Kristen N. L. Farris, Communication Studies
Dr. Jacob D. Fillman, Mathematics
Dr. Aditya Gupta, Marketing
Dr. Binod Guragai, Accounting
Dr. Christopher P. Guzelian, Finance and Economics
Dr. Wade M. Hindes, Mathematics
Dr. Monica J. Hughes, St. David's School of Nursing
Dr. Cassandra M. Johnson, Family and Consumer Sciences
Dr. Seyedmeysam Khaleghian, Engineering Technology
Dr. Krishna P. Kisi, Engineering Technology
Dr. Kimberly A. Lee, Health Administration
Dr. Simon Lee, English
Dr. Yanan Li, Geography and Environmental Studies
Dr. Jason D. Mellard, History
Dr. Masoud Moradi, Marketing
Dr. Richard H. Morley, Social Work
Dr. Alice R. Olmstead, Physics
Dr. Pratheesh Omana Sudhakaran, Agricultural Sciences
Dr. Thomas W. Ptak, Geography and Environmental Studies
Dr. Floyd F. Quinn, Management
Dr. Blagoy Rangelov, Physics
Dr. James B. Reeves, English
Dr. Marc D. Reynolds, Music
Mr. Nathan A. Rodrigues, Respiratory Care
Mr. Gerardo J. Ruiz, Theatre and Dance

Dr. Christopher Serenari, Biology
 Dr. Juanita M. Silva, Curriculum and Instruction
 Dr. Heather L. Smith, Anthropology
 Dr. Holly A. Syrdal, Marketing
 Dr. Jelena Tesic, Computer Science
 Dr. Luis Trueba, Engineering Technology
 Dr. Damian Valles Molina, Ingram School of Engineering
 Dr. Nicole C. Wagner, Agricultural Sciences
 Dr. Julie M. Weng, English
 Dr. Xiaoyu Xue, Chemistry and Biochemistry
 Dr. Kecheng Yang, Computer Science

TENURE: (to become effective September 1, 2024)

Dr. Ryan G. Anderson, Agricultural Sciences
 Dr. Jose A. Betancourt, Health Administration
 Dr. William N. Boney, Mathematics
 Ms. Daveda K. Brecheen, Music
 Dr. Mijin Choi, Social Work

Lamar Institute of Technology

FACULTY PERSONNEL CHANGES

ADDITIONS

1. None to Report

RESIGNATIONS

1. Batiste, Thadius, M.A., Instructor I, effective 03/15/2024
2. Haire, Jimmy, Certificate, Instructor I, effective 03/15/2024
3. McKinley, Cynthia, B.S., Instructor IV, effective 02/15/2024

RETIREMENTS

1. Spencer, Tracy, Ph.D., Instructor II, effective 05/31/2024
2. Williams, Gail, M.S., Instructor IV, effective 05/31/2024

LEAVE OF ABSENCE

1. Batiste, Thadius, M.A., Instructor I, returned 03/15/2024

NON-REAPPOINTMENTS

1. None to Report

CHANGES IN STATUS/TITLE

1. Carson, Sharon, Associate Professor, effective 09/01/2024
2. Lewis, Shunetta, Assistant Professor, effective 09/01/2024
3. McClelland, Rita, Ed.D, Professor, effective 09/01/2024
4. Mendoza, Kristina, D.D.S., Professor, effective 09/01/2024
5. Mitchell, Nicole, Assistant Professor, effective 09/01/2024
6. Taylor, Stacy, Assistant Professor, effective 09/01/2024
7. White, Dennis, Professor, effective 09/01/2024

WITH TENURE

**Texas State University System
Miscellaneous**

10. Miscellaneous

10.A. LU: Naming of the Jolly Track in the Ty Terrell Track Complex

10.B. TSUS: Adoption of a Resolution Recognizing Mr. Kelvin Elgar for his Service as the
2023-2024 Student Regent

10.C. TSUS: CONSENT: Gift Reports

LU: Naming of the Jolly Track in the Ty Terrell Track Complex

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The System Chancellor and the Lamar University President be authorized to announce the naming of the Dr. Sidney W. "Sonny" Jolly Track, located in the Ty Terrell Track Complex.

Explanation

Dr. Sidney W. "Sonny" Jolly coached at Lamar University from 1971 - 2004. Coach Jolly, the coach with the most conference titles in the history of Lamar University, was responsible for rebuilding the Lamar University Track and Field program after the tragic death of Coach Ty Terrell and five student athletes in 1968.

During his tenure as Track and Field Coach, Coach Jolly's men's teams won 22 American South and Southland Conference Championships. Athletes coached by Jolly won two national championships in High Jump, 5,000m, 400m, 110m High Hurdles, and 400m Intermediate Hurdles. Student athletes also won national championships in 10,000m, Marathon, and Mile Relay. Coach Jolly was a three-time NCAA Outdoor Track Coach of the Year, three-time NCAA Indoor Track Coach of the Year, NCAA Cross Country Track Coach of the Year, two-time American South Conference Cross Country Coach of the Year, and eight-time Southland Conference Track Coach of the Year.

Perhaps most importantly, Coach Jolly was a mentor and guide for hundreds of track and field athletes at Lamar University; his legacy is reflected in their combined personal and professional achievements.

TSUS: Adoption of a Resolution Recognizing Mr. Kelvin Elgar for his Service as the 2023-2024 Student Regent

Upon motion of Regent _____, seconded by Regent _____, it was ordered that:

The following resolution be adopted in recognition and appreciation of Mr. Kelvin Elgar for his exemplary term of service as the 2023-2024 Student Regent of the Texas State University System.

Resolution

WHEREAS, Kelvin Elgar has excelled as a Chemical Engineering major at Lamar University, participating in internships with ExxonMobil and Chevron; and graduating with the Ron and Mary Academic Excellence Award which is presented to the Senior Chemical Engineer graduating with the highest GPA; and

WHEREAS, Elgar has served with distinction as South Regional U.S. Coordinator for the Society of Asian Scientists and Engineers and was honored with the 2022 Ann Shaw Leadership Award from Lamar University for his leadership and contributions; and

WHEREAS, his contributions have extended to serving as a Lamar University Ambassador, a College of Engineering Ambassador, and President of the Cardinal Energy Club, demonstrating his commitment to the university community; and

WHEREAS, his tenure as Student Regent has been marked by dedicated service, considerable time and effort to his duties, and bringing enthusiasm for serving others to the Texas State University System, its institutions and students;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Regents of the Texas State University System hereby expresses its appreciation to Kelvin Elgar for his service and wishes him success in his future endeavors.

Adopted by the Board of Regents of the Texas State University System this seventeenth day of May 2024.

TSUS: Acknowledgement of Gifts and Gifts-in-Kind

Recommendation

The Board of Regents acknowledges and approves receipt of the gifts and gifts-in-kind received by the Texas State University System components.

Background

In accordance with the System Rules and Regulations, Chapter III, Section 1.(12) Gift Acceptance, Subsection 1.(12)3 The President of each Component will report all gifts with a value of at least \$5,000 (including cash, personal property, and intellectual property) to the Chancellor for reporting publicly to the Board. Upon written request of the donor, the Board report and minutes shall not state the donor's name and/or the gift's value.

Lamar University

The following gifts of \$5,000 or more were given to Lamar University.

DATE	DONOR	AMOUNT	BENEFICIARY(IES)

Tracy L. Shoemake	2/12/2024	\$5,000.00	Department of Athletics – Paul D. Shoemake Memorial Endowed Scholarship for Texas State University
Fredrick J. Davis and Josie P. Garrott Charitable Fund	2/16/2024	\$5,000.00	Department of Athletics – Garrott-Davis Endowed Women’s Basketball Scholarship
Michel L. Conroy	2/16/2024	\$20,000.00	College of Fine Arts and Communications – The Michel Conroy Endowed Scholarship in Ceramics
Pape-Dawson Engineers Inc.	2/22/2024	\$6,000.00	College of Science and Engineering – Pape-Dawson Engineers Endowment for Civil Engineering
Drs. Alexander and Yvonne Sudarshan	2/26/2024	\$5,000.00	College of Fine Arts and Communications – the Mark Anthony Cruz Classical Guitar Excellence Scholarship
Fredrick J. Davis and Josie P. Garrott Charitable Fund	2/29/2024	\$20,000.00	Department of Athletics – Coach Zenarae Antoine Endowed Women’s Basketball Scholarship
	TOTAL:	<u>\$3,336,730.97</u>	

The following gifts of \$5,000 or more were made payable to the Emmett and Miriam McCoy College of Business Administration Development Foundation. These gifts benefit scholarships, programs, or initiatives at the McCoy College of Business at Texas State University.

Donor	Date(s) of Gift	Gift Amount	Beneficiary(ies)
Dr. and Mrs. Stan Stephenson	12/1/2023	\$5,000.00	McCoy College of Business – Stan and Judy Stephenson Endowed Scholarship
Ms. Rebecca L. Mehrwerth	12/1/2023	\$25,000.00	McCoy College of Business – Rebecca Mehrwerth Endowed Scholarship
The Herbert and Johanna Liebscher Foundation PwC Matching	12/1/2023	\$25,000.00	McCoy College of Business – Herbert and Johanna Liebscher Endowed Scholarship Fund
	12/6/2023	\$10,000.00	McCoy College of Business – Vicki L. West Professorship in Sales Excellence
Beta Alpha Psi	12/20/2023	\$83,000.00	McCoy College of Business – Faculty Development Endowment for the Department of Accounting
Mr. and Mrs. Glenn West	12/20/2023	\$42,665.34	McCoy College of Business – Vicki L. West Professorship in Sales Excellence
Mr. and Mrs. Ladd Fargo	12/21/2023	\$25,000.00	McCoy College of Business – Ladd and Christy Fargo Scholarship Endowment
Mr. and Mrs. Bruce H. Smith	12/27/2023	\$50,000.00	McCoy College of Business – Bruce and Kelly Smith Global Scholars Endowment
Mr. and Mrs. Scott Weiszhaar	12/31/2023	\$5,000.00	McCoy College of Business – Luman Richard Barton Endowed Scholarship
Foshee Family Charitable Fund	1/31/2024	\$500,000.00	McCoy College of Business – Student Success Center Endowment
	TOTAL:	<u>\$770,665.34</u>	

Lamar Institute of Technology

The following gifts of \$5,000 or more were made payable to Lamar Institute of Technology.

Date	Donor	Amount	Beneficiary
02/21/2024	Valero	\$ 5,000.00	Foundation
02/28/2024	Beaumont Elderly & Handicap Housing	\$ 7,000.00	Foundation
03/04/2024	Dr. Paul and Connie Szuch Scholarship Endowment	\$ 5,000.00	Foundation
03/07/2024	Edmund P. Kuempel Scholarship Foundation	\$ 10,000.00	Development
03/15/2024	Childcare Group	\$ 15,638.00	Development
03/18/2024	Provost Umphrey Law Firm	\$ 15,000.00	Foundation
04/01/2024	Frontstream	\$ 5,700.00	Development
04/23/2024	Luke Worry Scholarship Endowment	\$ 25,000.00	Foundation
Total		\$88,338.00	

Explanations

\$5,000.00 was received on February 21, 2024, from Valero for the benefit of the 2024 Sporting Clays Classic Event and its endowment. This scholarship is to provide for students in any field of major.

\$7,000.00 was received on February 28, 2024, from The Beaumont Elderly and Handicap Housing for the benefit of The Samuel Lester Bean Scholarship Endowment to provide scholarships for the benefit of students enrolled in any major during the Spring 2024 and Fall 2024 semesters.

\$5,000.00 was received on March 4, 2024, from The Dr. Paul and Connie Szuch Scholarship Endowment to provide scholarships for the benefit of students enrolled in any major during the Spring 2024 and Fall 2024 semesters.

\$10,000.00 was received on March 7, 2024, from The Edmund P. Kuempel Scholarship Foundation to provide scholarships for the benefit of students enrolled in Health Information Technology and Health Sciences during the Spring 2024 semester.

\$15,638.00 was received on March 15, 2024, from The Childcare Group to provide scholarships for the benefit of students enrolled in the Childcare and Development major during the Spring 2024 semester.

\$15,000.00 was received on March 18, 2024, from Provost Umphrey Law Firm for the benefit of the 2024 Sporting Clays Classic Event and its endowment. This scholarship is to provide for students in any field of major.

\$5,700.00 was received on April 1, 2024, from Frontstream for the benefit of The Schott Family Scholarship to provide scholarships for the benefit of students enrolled in any major during the Spring 2024 and Fall 2024 semesters.

\$25,000.00 was received on April 23, 2024, for the Luke Worry Scholarship Endowment to provide scholarships for the benefit of students enrolled in any major during the Fall 2024 and Spring 2025 semesters.

Lamar State College Orange

The following gifts of \$5,000 or more were made payable to Lamar State College Orange.

Date	Donor	Amount	Beneficiary
03/05/2024	Lamar State College Orange Foundation	\$54,700	Lamar State College Orange Scholarships
03/24/2024	Golden Triangle Polymers	\$100,000	Lamar State College Orange Foundation Scholarships
Total		\$154,700	

Explanation

The following gifts of \$5,000 or more were made to Lamar State College Orange:

Lamar State College Orange Foundation donated \$54,700 for scholarships for students.

The following gifts of \$5,000 or more were made to Lamar State College Orange Foundation:

Golden Triangle Polymers donated \$100,000 to the Lamar State College Orange Foundation Scholarship Fund.

Lamar State College Port Arthur

The following gifts of \$5,000 or more were made payable to Lamar State College Port Arthur.

Date	Donor	Amount	Beneficiary
12/14/2023	Chevron Phillips Chemical Company	\$10,500	Scholarships for students.
	Total	\$10,500	

Explanation

The following gifts of \$5,000 or more were made to Lamar State College Port Arthur:

Chevron Phillips Chemical Company donated \$10,500 for scholarships for students.

**Lamar University
President's Report
Presented to the Board of Regents
May 2024**

ENROLLMENT, RETENTION & RECRUITMENT

Spring 2024 Enrollment

- Spring 2024 student credits hours are up 4% compared to Spring 2023.
- Spring 2024 current headcount is 16,636, a 4% increase compared to Spring 2023 and is the highest Spring enrollment, surpassing the previous high in Spring 2021 by 1%.

Summer 2024 and Fall 2024 Recruitment

- Incoming undergraduate admissions:
 - Over the last two years, summer admits increased 17% in all new student populations and have increased by 12% for Summer 2024 vs Summer 2023
 - Summer and Fall 2024 incoming Freshman admissions numbers show positive increases across the entire funnel
 - Applications increased 12% for Fall 2024 vs Fall 2023
 - Admits increased 24% for Fall 2024 vs Fall 2023
- Incoming international admissions:
 - Incoming undergraduate admits increased to 7% over Summer 2023 and 21% over Fall 2023
 - Incoming graduate admits increased to 10% over Summer 2023 and 88% over Fall 2023. The growth in the international population remains strong over a three-year period contributing to increases in STEM majors.
 - Active I-20 production accelerated with the growth of admits in both Summer 2024 and Fall 2024 with an increase of 32%
- Incoming graduate admissions:
 - Summer on campus graduate admits increased by 83% over last two years
 - Admits for graduates increased 58% over Summer 2023
 - Fall 24 on campus graduate admits increased by 87% over Fall 23

Enrollment Focus: Transfer and Outreach

- LU is committed to supporting our partnerships with local and regional community colleges across Texas. LU has hired a full-time staff member to focus on relationship building and transfer planning guides (TPG) for each partner institution to assist with seamless transfer opportunities. National Association of System Heads (NASH) project will enhance our ability to work with schools locally and regionally to begin the following;
- Co-enrollment models currently at work:
 - Lamar Link: Launched Fall 2023
 - LSCO- Teacher Education with Alternative Certification option
 - LIT- General Business and Accounting
 - Blinn- Music

- Enhance ISD partnerships by drawing an increased interest from parents and students with greater need for higher education resources. This includes boot camp opportunities, increased TSI testing at no cost, and workforce workshops.
- Increased outreach regarding FAFSA simplification to ISDs, students, and parents. Offered both virtual and in person workshops to meet the needs of the community.

Student Success

- For the third year, Lamar University awarded over 5,600 degrees and certificates. LU has graduated almost 17,000 students in the last three years.

RESEARCH

Lamar University research activities continue to grow at a significant pace. The FY23 research expenditures amount to \$9.17M, a 47% growth compared to FY22 expenditures. Notable funded projects and developments in this reporting period include:

- Dr. Tilisa Thibodeaux, Dean of Reaud Honors College, received a \$100K grant funded by the Governor's Summer Merit Program (GSMP) through the Texas Workforce Commission (TWC). The TWC GSMP grant supports hosting three youth camps during Summer 2024 to engage regional middle and high school students in the science, technology, engineering, and math (STEM) programs at Lamar University. The camps, to be held in the Science and Technology Building, have specific focuses on manufacturing, automation, robotics, and computing programming to gain technical skills through problem-based learning activities using modern tools. The camps are anticipated to attract approximately 180 students to enter STEM educational programs to address future Texas workforce needs.
- In collaboration with Sam Houston State University, and in partnership with the University of California at Berkeley's Network for Neutrinos, Nuclear Astrophysics, and Symmetries (N3AS), Dr. Philip Cole, Professor and Chair of Physics, submitted a grant proposal to the National Science Foundation's Partnerships for Research and Education in Physics (PREP) program to broaden the research and education of nuclear astrophysics. This initiative takes advantage of the ongoing development of the proposed Christmas Mountains observatory; and aligns with the currently funded programs of NuSTEAM (Nuclear Science in Texas to Enhance and Advance Mentees) funded by the Department of Energy and Team-UP funded by the American Institute of Physics at Lamar University. If funded, students from TSUS institutions and UC- UC-Berkeley will collaborate on understanding the transient explosive events in astrophysics, such as neutron star mergers, their kilonova aftermaths, and supernovae.
- Mr. Gavin Jones, Director of the Texas Manufacturing Assistance Center – Southeast (TMAC-SE), received a renewal grant of \$305K funded by the National Institute of Standard and Technology's (NIST) Manufacturing Extension Program (MEP). This is a significant expansion from the previous year's funding level (\$233K) and the largest award since the establishment of the center in July 2020. TMAC-SE is collaborating with the Texas Workforce Commission to provide industrial training events in the areas of lean manufacturing, CNC machining and process improvements. TMAC-SE is also working with Lamar's SBDC to attract semiconductor manufacturers to build new production lines in the Southeast Texas Region.

- Mr. John Lee, Director of the Small Business Development Center (SBDC), received a renewal grant of \$131K to serve small businesses in expanding regional business operations. Lamar's SBDC is part of the Gulf of Mexico Small Business Network which has 14 locations and serves 32 counties in Southeast Texas. Lamar's SBDC serves more than 120 small businesses every year in the greater City of Beaumont area. Mr. Lee assumed the director position in November 2023 and has already made an impact on the successes of regional small businesses.

INSTITUTIONAL DEVELOPMENT

ALUMNI NEWS

Lamar University announced the 2024 Distinguished Alumni Award recipients. Established in 1970 by the Lamar University Alumni Association, the award recognizes alumni who have excelled in their careers or life services, enhancing the university's reputation. It also acknowledges those who have made significant contributions to their community, state, and nation through civic activities and professional and public service. This year, four alumni — Edwin E. Vallery, Charles E. Breithaupt, Stephen C. Head and Carmen (Angelle) Jordan received the Distinguished Alumni Award, the highest award Lamar University bestows upon its graduates.

- **Edwin E. Vallery ('79)** - A Lamar University graduate in Finance, Mr. Vallery had a successful career at Shell Oil before retiring in 2019. He is an active member of St. Francis Xavier Catholic Church, and currently serves as an accountant at Our Mother of Mercy Catholic Church. Edwin's philanthropy began in 2019 when he established tuition assistance scholarships at Lamar University's College of Business. Over time, he expanded his support to include book scholarships, and extended it to three campus organizations. Nine students currently benefit from the Edwin E. Vallery Scholarships, and Edwin goes beyond financial aid by fostering strong relationships with the recipients. He regularly meets, mentors, and conducts workshops, emphasizing the importance of giving back to the community. Edwin is a member of Lamar University's Legacy Society, President's Circle, and Black Alumni Network.
- **Charles E. Breithaupt ('75) ('79)** - The current executive director of the Texas University Interscholastic League (UIL) and associate vice president at the University of Texas at Austin, Mr. Breithaupt leads the largest interscholastic academic, athletic, and music competition governing body in the United States. A Lamar University alumnus, he earned a B.S. in 1975, an M.S. in 1979, and a doctorate in education in 1996 from the University of Texas at Austin. With 48 years in public education, Breithaupt initiated significant changes as executive director, including a six-conference alignment, centralized football championships, and diverse new activities.
- **Stephen C. Head ('73) ('75)** - The former chancellor of Lone Star College (LSC) from 2014-2023, Dr. Head retired after 39 years of service. Under his leadership, LSC became a prominent community college enrolling over 85,000 students, employing 6,000 individuals, and boasting a \$500 million annual budget. A Lamar University alumnus, he earned his bachelor's and master's degrees in history, later completing a Ph.D. at Texas Tech University. He attributes his success to Lamar University, emphasizing the value of

reading, writing, and critical thinking. In his tenure, Dr. Head prioritized student access, academic quality, and workforce programs aligned with community needs. Recognized for his contributions, he was named Chancellor Emeritus upon retirement.

- **Carmen (Angelle) Jordan ('90)** - A BBA in Finance graduate, Ms. Jordan is Origin Bank's regional president for greater Houston. Joining in 2018 as Executive Vice President, she elevated the Houston market, quadrupling loans and doubling deposits while enhancing credit performance. Specializing in merger and acquisition finance and energy service lending, she chairs Origin's corporate loan committee. She has received many accolades, including American Banker Magazine's Top 50 Women in Banking twice, and various diversity awards. In April 2024, she was inducted into the Texas Bankers Hall of Fame. Dedicated to Lamar University, Jordan has chaired its College of Business Advisory Board and contributes to the Lamar University Foundation.

RECENT MAJOR GIFTS

- Molly Dahm was a full professor and the Program Coordinator for the Hospitality Administration/Culinary Arts programs. Dr. Dahm earned her doctoral degree in Educational Psychology and Human Differences at the University of Houston and was instrumental in developing the Lamar University Culinary Arts Program, accredited since 2003. One particular achievement was the creation of the international internship where students had the opportunity to travel to Europe where they worked with internationally acclaimed chefs in their native countries. As a member of the Sabine Area Restaurant Association, Dr. Dahm was instrumental in securing a Hospitality program endowment of \$250,000, and continuously worked closely with students to develop their theses into publishable manuscripts. In recognition of her commitment to Lamar and the hospitality and culinary industries the Sabine Area Restaurant Association, along with family and friends, endowed the **Molly J. Dahm, PH.D. Scholarship in Hospitality Administration**.
- John McManus earned a Bachelor of Science degree in Electrical Engineering in 1963 from Lamar State College of Technology. While attending Lamar, John was a member of the American Institute of Electrical Engineers, serving as chairman of the organization in 1963, as well as being a member of the Blue Key Honor Society serving as vice president in 1963. Brenda Cole, John's wife, earned a BA degree in Accounting and Economics from the University of Texas at Arlington and an MBA from the University of North Texas. Mr. McManus hopes his and Ms. Cole's gift of the **John J. McManus & Brenda J. Cole Endowed Scholarship in Computer Engineering** will encourage students to study computer engineering and contribute to the ethical and socially responsible furtherment of this technology.
- Michael D. (Mike) Getz graduated from Lamar University in 1978 with a Bachelor of Science in Secondary Education. While at Lamar he was a member of the Sigma Nu fraternity. He went on to graduate from Southeast Texas College of Law with his Juris Doctorate and practiced law in Beaumont for over 30 years. In 2011, Mike successfully ran for and was elected to the position of Beaumont City Council, Ward 2, for the City of Beaumont and has served a term as Mayor Pro Tem. In 1992, Mike met his future wife, Allison. In 2014, Allison decided to run for Jefferson County Tax Assessor-Collector and

in being elected, became the first Jewish woman to hold a county wide office in Jefferson County. Although Allison was a graduate of the University of Texas and a proud Longhorn, she loved Lamar University. She was a patron of the arts and loved working with former Dean Russ Schultz in the Fine Arts Department during his tenure at Lamar and was a long-time member of the Friends of the Arts Board. One of the highlights of her life was chairing Le Grand Bal in 2013. Allison passed away on October 10, 2023, and Mike endowed the **Allison and Michael Getz Scholarship for the Fine Arts** in her memory and in honor of the impact she made on Southeast Texas.

- Ms. Teresa Wuchter '88 collaborated with Dr. Don Warren '63, Director of the Lamar University School of Accounting and Information Systems, to raise the funds with gifts from colleagues and former students to endow the **H.A. Barlow Faculty Scholar in Accounting**. The endowment will provide funding to support teaching, research, service, and professional development activities of the recipient who will be known as the H. A. Barlow Faculty Scholar. H. A. Barlow, beloved professor to hundreds of accounting students spanning over four decades, passed away in 1994 after serving as an Associate Professor of Accounting in the College of Business. His career with Lamar University began in 1951 and during his tenure, he received the Phi Kappa Phi Teaching Award (1968) and was named a Regent's Professor (1972). Mr. Barlow was also the faculty sponsor of Delta Sigma Pi, a professional fraternity organized to foster the study of business, to encourage scholarship and social activity. Numerous alumni have spoken in glowing terms of the impact that Mr. Barlow had on their academic careers and on their lives.
- Mary Rogers graduated from Lamar State College of Technology with a Bachelor of Science in Mathematics and Engineering. She retired after a career as an accountant and CPA for the State of New Mexico. Michael Rogers earned a Bachelor of Science in Electrical Engineering from Lamar State College of Technology, graduating Summa Cum Laude, in 1969. He was a member of the Phi Kappa National Honor Society and Eta Kapp Nu, Electrical Engineering Honor Society. He retired from Lockheed Martin, Inc. as Principal Member of the Technical Staff in the Sandia National Labs. The Rogers are members of both the Mirabeau Society for over 20 years of support to LU and the President's Circle, including funding the **Mary and Michael Rogers Presidential Innovation Fund** providing the university president with funding used at his discretion to further the mission and initiatives of Lamar.
- Delta Tau Delta Zeta Gamma Chapter was founded at Lamar in 1970 by a group of twenty-two brothers from the "Apollos", a campus social group created to found a Delta Tau Delta chapter. It started as a non-drinking social fraternity and Dr. Don Williams, professor of Management in the College of Business, was the Chapter Advisor. The chapter was very active at Lamar for many years and won the GPA award for fraternity groups on numerous occasions. Delta Tau Delta had a fraternity house on Roberts Avenue which was sold when the chapter disbanded in the early nineties. Brothers of Delta Tau Delta chose to use funds from the sale of the house to endow the **Delta Tau Delta Scholarship** to invest in student lives at Lamar by providing scholarship funding for students in the Colleges of Business and Engineering and the School of Nursing.

- Drs. David and Jeannette Hall endowed the third of three family legacy scholarships with the **Vernon Ray and Grace Sparks Asbury Scholarship in Elementary Education**. Born in the East Texas town of Deweyville, Texas, Vernon Ray ('Ray') Asbury lived and worked most of his life in the South Park area of Beaumont. He attended elementary school, junior high and high school at South Park schools, and he continued his education at South Park College (which would later become Lamar University). While enrolled in South Park College in 1928, he worked as a roughneck at the Spindletop Oil Field, and had no plans to become an educator. In the Spring of 1930, he was encouraged by the South Park College President, Cal 'Skipper' Bingham, to become a teacher. He took President Bingham's advice, thus embarking on a 40-year career as a teacher, coach, and administrator in the South Park School District. To many students at South Park, Vernon Ray Asbury was more than just an educator. He would help students and their family members find jobs, receive medical care, and loan (or give) money to people in need. Ray would also provide similar assistance to teachers and other South Park school employees. He was a strong supporter, and well-known public voice of the South Park District. Altogether, he spent approximately 60 years as a South Park student, teacher, coach, and administrator. Both Ray and Grace Asbury were proud residents of South Park, and grateful for the education they received at the South Park schools and South Park College/Lamar University.
- Rebecca Louise Speed Gale received a BA in Government from Lamar University in 1973, which led to her career in education. After receiving a Master of Education in Administration/Educational Leadership in 1979 from Lamar University, she worked in BISD Administration. Becky married the love of her life, Edwin Gale, in 1983. Together they established the Gale Foundation, with a focus on funding educational efforts, medical research, Jewish life, and the needy. Becky served on the Lamar University Foundation Board of Trustees in 2013-2014 with a commitment to the success of Lamar University and the stewardship of gifts managed through the Foundation. The Gale Foundation has given to Lamar University with robust generosity supporting the JoAnne Gay Dishman School of Nursing. In 2022 and 2023 gifts supported an existing nursing scholarship and equipment purchases for the School of Nursing. In 2024 the **Gale Foundation Scholarship Fund in Nursing** was established.
- Suzanne Kojak Stafford received her Bachelor of Arts in Sociology (Cum Laude) from Lamar University in 1969 and her Master of Science in Social Work from the University of Texas at Austin. John P. Stafford received his Bachelor of Science in Electrical Engineering from Lamar University in 1969. John worked as a licensed professional engineer (P.E.) for Bethlehem Steel Shipbuilding and later as senior project manager for local engineering firms including Petrocon and ENGlobal. John and Susan endowed the **Anthony Scott Kojak Scholarship in Music** in memory of Suzanne's brother, Anthony.
- The Junior League of Beaumont endowed the **Junior League of Beaumont Julie Richardson Procter Presidential Scholarship** in memory of Julie Richardson Procter, who served as President of the Junior League of Beaumont. Julie gave unselfishly of her time and talents during her lifetime for the betterment of others. She was an active volunteer in the Junior League as well as many other civic related organizations. The scholarship is open to students pursuing any major at Lamar.

- Born in Hamburg, Germany, Gisela Houseman became a U. S. Citizen in 1956. Before moving to Southeast Texas in 1987, Gisela was an insurance professional for 25 years with a background in Accounting and finance, including CLU and ChFC designations from the American College. She is the owner of the Houseman Companies, a local land development firm. Over the last 30 years, she, and her late husband, Tony, sold and developed land and built residential homes. Gisela's husband passed away in 2007 and she has continued to operate the business and make major contributions to Southeast Texas. Gisela is proud to be involved with Lamar as a member of the Lamar University Foundation Board of Trustees, Board member of the LIT Foundation and Board member of the Lamar Orange State College Foundation. Gisela has supported Lamar through the arts, the College of Business, and athletics to name a few. She recently endowed the **Gisela R. Houseman Scholarship in Business** supporting all degree plans within the college.
- The Texas Nurses Association (TNA) have endowed the **Donna E. Wilsker Texas Nurses Association District 12 Scholarship** with accrued funds given over the years by the members of District 12 to leave a legacy in support of future nurses. The endowment was named in memory of Donna Wilsker who served for nearly 40 years as an Associate Professor of Nursing at Lamar University. During her tenure, she served TNA District 12 in many roles and multiple years. She served nursing and nursing students with great pride and passion.
- The **Carl and Mozelle Plaisance Memorial Scholarship in Art** was endowed by the four Plaisance children; Charlotte Fontenot, Cheryl Plaisance, Edmond Plaisance and Susie McDermand. The Plaisance family desires to leave an everlasting legacy in honor of their parents, which held the Arts close to their hearts and were both Lamar University alumni.

PLANNING AND CONSTRUCTION

- The design development phase for the Mary and John Gray Library Renovation is nearing completion and will be submitted for approval at the May 2024 Board meeting. The renovation will be conducted in two phases to allow the library to remain operational during construction. Mobilization is scheduled to begin in early fall 2024 with expected completion in summer 2026.
- The Chemistry Building envelope project is in the construction phase. The Notice to Proceed was issued on February 15, 2024, and the evaluations for the GMP subcontractors are underway. The project is estimated to be completed in June 2025.
- Approximately 6,300 square feet of space in the Cherry Engineering Building was converted into shared administrative space for the Centers for Resiliency; Midstream Management and Science; and Advances in Port Management. The project remains in the closeout phase until the window testing is complete.
- Construction is progressing on the upgrades to the lobby of the Galloway School of Business Building. The elevator has been installed and is awaiting testing before going into

service. The new restroom finishes and fixtures are complete. The project is estimated to be completed in May 2024.

- The construction for the Mary and John Gray Library elevator project has begun. The work will be performed in two phases so two of the four passenger elevators are in service at all times. The project is expected to be complete by the end of 2024.
- The Student Health Center is relocating to the Sheila Umphrey Recreational Sports Center. The first phase involving relocation of Rec Center staff is complete and renovation is underway. This project is estimated to be completed in late May 2024.
- Progress continues on the new Lamar University 10-year Campus Master Plan. The majority of the data collection and analysis is completed, and the planners have moved into the “explore phase”. The proposed illustrative plan was presented to the steering committee on March 28 and was positively received. Cost estimates should be ready for review in late April. The new Master Plan will be presented to the Board for approval in 2024.
- The final location of the Tiny House Barbeque building at the Spindletop Museum grounds has been selected and the construction documents are underway. The utility services will be relocated to service the new location for the Tiny House and BBQ pit. The BBQ complex will include the Tiny House for preparation and serving, a covered dining area and an additional covered pavilion for larger events. A communal fire pit has already been installed.
- The new Recreational Sports/Intramural Field is in design development phase. The project is expected to be completed by mid-January 2025. A storage building will be built as part of the project which will include restrooms and storage for equipment. The field will also serve as the new home for marching band practice, and the complex will include a walking trail around the perimeter.
- Upgrades are planned to the outdoor space for events at The Patio at the Sheila Umphrey Recreational Sports Center. Progress on the project is pending review of budget and scope.
- Schematic design has begun on the following projects: interior upgrades to the 2nd floor of the Carl Parker building, the Keating Center for Academic and Career Success in the new Engineering Annex, modernization of the old computer lab in Cherry Engineering, reconfiguration of the Dean’s suite in Cherry Engineering and expansion of the President’s Suite in the Montagne Center.

INFORMATION TECHNOLOGY

Completed Projects

- *Patch My PC* project was deployed campuswide.
- Oracle Dataguard for data redundancy and availability protection was implemented.
- The Annual Disaster Recovery test was completed, and an after-Action Report is being written.

- Provost Umphrey Stadium and the Neches Arena at the Montagne Center scoreboard and sound system projects are being closed out.

Current Projects

- ERP Operations continues to monitor Department of Education updates for the next financial aid year and we continue to apply ERP vendor releases to support financial aid operations.
- ERP Operations is actively working to move our Intelligent Learning Platform into a SaaS (Cloud) environment. This will ensure a more stable, up-to-date integration between Banner and BlackBoard.
- Lamar University is testing a custom user onboarding and account recovery solution to help the wider adoption of Banner 9 and sunset of Banner 8 services.
- Lamar University continues to work on the integration of Campus Logic Student Forms into Financial Aid processing.
- Lamar University Security Team is expanding the adoption of the new security operations and response automation (SOAR) solution to aid the security team in recognizing and responding faster to security events.
- The Information Security Office is still in the process of updating the IT policies with changes from the 2023 DIR control catalog and TSUS Policies.
- The fiber installation for the Neches FCU Project is waiting on NFCU to complete the new ATM in the Montagne Center Parking lot.
- The IT Operations team in conjunction with the vendor are currently configuring all portal and users settings for the Timeclock Plus Project based on guidance from Payroll and HR.
- Windows 11 Pilot was successful and is on track for a summer deployment.
- JAMF device management for Apple product solution – The testing phase was successful and now will be deployed on every Apple device purchased.

New Projects

- The Cardinal Village Internet Project was approved by the Board of Regents.
- Campus-wide rollout of physical access controls on every exterior door on campus.
- IT Operations is exploring the possibility of migrating campus phone system to a cloud-based solution.
- Network Services in partnership with Campus Operations is working on updating all the network infrastructure and security infrastructure at the Boomtown Spindletop Museum.

SAM HOUSTON STATE UNIVERSITY

Sam Houston State University President's Report Presented to the Board of Regents May 2024

ENROLLMENT, RETENTION, AND RECRUITMENT

In Spring 2024, Sam Houston State University (SHSU) welcomed 19,378 new and returning students, including 474 students enrolled at the College of Osteopathic Medicine. The persistence rates from Fall 2023 to Spring 2024 were 87.8% for first-time freshmen students and 88% for first-time transfer students.

Data Analytics and Decision Support is developing an Enrollment Forecaster tool that will utilize predictive analytics to help gauge the projected Fall 2024 enrollment based on historical trends and current enrollment. The tool will allow users to see progress toward our enrollment goals and identify efforts that may be needed for SHSU to achieve a 3% enrollment growth for Fall 2024.

The Admissions team is collaborating with campus partners in the Divisions of Academic Affairs and Student Affairs to update all communications for prospective and admitted students, ensuring the messaging is appropriately tailored to each student population. Additionally, the holistic review process for prospective students was updated to allow Admissions to review all students who do not meet automatic admissions standards. This has allowed for the review of an additional 3,000 applicants.

The Visitor Services team is working to increase efficiency and enhance the prospective and new student experience for orientations and the Saturday@SAM programs. Registration for orientations for first-time freshmen and first-time transfer students opened three weeks earlier than in previous cycles, allowing students to better plan for their orientation days. As of April 1, 1,130 first-time freshmen have registered for orientation, compared to 629 registrants on this date last year. Additionally, a college-specific orientation has been developed for the College of Criminal Justice, which will allow Criminal Justice students to network with peers and receive tailored information. The Saturday@SAM program is designed to introduce prospective students to SHSU. It includes a campus tour, a student organization fair, visits with departmental faculty and staff, and previews of academic programs. Visitor Services recently collaborated with the Financial Aid and Scholarships Office to host and register students for FAFSA workshops during Saturday@SAM. This partnership will continue through summer and fall sessions to provide students with assistance in completing this cycle's modified FAFSA form.

A cross-divisional workgroup was formed to review enrollment and retention practices, including our Continuing Student Outreach (CSO) campaigns. These campaigns encourage re-enrollment and help students navigate barriers preventing registration for classes in the upcoming semester. The workgroup has created a cross-divisional communications timeline and is auditing student holds that prevent registration, including financial holds.

Knowing that financial factors play an influential role in students stopping out of college, SHSU's Student Money Management team continues to increase the number of financial coaching

SAM HOUSTON STATE UNIVERSITY

sessions available, and Student Account Services will offer summer payment plans for the first time, starting April 15 (for the Summer 2024 semester). Further, the Financial Aid and Scholarships Office has partnered with several areas to provide information and assistance to students in completing the modified FAFSA form for the 2024-2025 award year. Because of ongoing issues with the U.S. Department of Education's rollout of financial aid processes to comply with the FAFSA Simplification Act, our Financial Aid and Scholarships office elected to send scholarship award letters to students separate from award letters that contain federal and state aid. The goal is to provide students information about their scholarships while they await information about their federal and state financial aid. Proactively communicating scholarship awards, despite delays in FAFSA communications, resulted in a 16% increase in scholarship acceptance compared to the acceptance rate at the same time in the previous cycle. It is too early to tell how significant the impact of FAFSA-related issues will be for freshman enrollment, but it is a concern. Students who depend on financial aid may delay enrolling because they may not be able to afford to enroll without it.

Student support units in the Division of Academic Affairs continue to prioritize and improve student success. Tutoring appointments with the Academic Success Center have increased, and there was a significant increase in Learning Coaching from Spring 2023 to Fall 2023. Additionally, the completion rate for UNIV 2001 (for students on academic probation) and UNIV 3001 (for students on academic suspension) courses increased by 4% in Fall 2023. To support enrollment/registration efforts, the Student Advising and Mentoring (SAM) Center has started offering extended hours and drop-in advising for in-person and virtual sessions.

RESEARCH

SHSU faculty and staff submitted 98 proposals requesting \$54 million this fiscal year. Of those, 40 proposals have been awarded for \$18 million. Notable grant awards for this fiscal quarter include the following: National Science Foundation grant for \$684,000 to use fossil bivalves to study controls on longevity and establish a palaeobiological learning ecosystem in southeast Texas; Houston Endowment Grant for \$705,000 to increase civic engagement among students and staff and coordinate university activities within community groups; multiple U.S. Department of Agriculture (USDA) grants, including a project to chemically synthesize copper-ferrite nanoparticles coated with the molecule sulforaphane and explore the particles' efficacy against the deadly rice pathogen *Xanthomonas*; development of an Agricultural Bio-security Curriculum in Texas Ag Science classrooms through teacher education/outreach; national integration into the 4-H program and aims of extension into the southeastern United States; development of a smartphone-based app powered by Artificial Intelligence-based Pest Detection; survey of conifers and deciduous trees across approximately 20 east Texas counties; and a \$455,000 HSI Education Grant from USDA in partnership with Houston Community College, Texas A&M AgriLife Extension Service, Alief, Katy, and Spring Branch school districts to develop an academy at the intersection of transdisciplinary research and transformative learning to address a myriad of intertwined issues affecting the quality of life of urban dwellers.

PLANNING, ASSESSMENT, AND ACCREDITATION

Each division is completing a progress report during Spring 2024 that details the works being conducted to advance the university's strategic plan. A Keep, Stop, Start survey was conducted

SAM HOUSTON STATE UNIVERSITY

on campus, and data is being used from the survey to align and focus our efforts leading into fiscal year 2025. By leveraging this approach, we've been able to drive planning, budgeting, and marketing initiatives to better align with the strategic plan.

INSTITUTIONAL DEVELOPMENT

University Advancement

University Advancement hosted the Dominey Observatory Grand Opening and Ribbon Cutting on March 28. The team has also hosted naming events, including the Shoppa's Greenhouse sign reveal at Gibbs Ranch on April 2, Smith-Lenamon House dedication on April 5, Brandon Creighton and Will Metcalf Teaching Theater at SHSU-COM dedication on April 22, and Bill "Doc" Fleming SAM Center room naming on May 31.

The first Houston Livestock Show and Rodeo (HLSR) Scholarship Luncheon was held April 11 at Gibbs Ranch. HLSR provided scholarships to 88 students this year, and this luncheon provided SHSU scholarship recipients and HLSR leadership the opportunity to connect and share personal stories of gratitude.

As of April 1, University Advancement has raised \$17 million in gifts and pledges for fiscal year 2024, an increase of \$3 million over this same period last year.

Alumni Relations and Annual Giving

The Alumni Association has 11,452 active alumni members, with nearly 4,000 Life Members. The SHSU Alumni Association is transitioning out of an annual membership program and will promote Life Member dues instead of annual dues.

Annual Giving's Engagement Center is actively pursuing the spring calling campaign. After 30-days of calling, the Engagement Center received 381 pledges totaling \$46,096, an increase of 144 pledges and \$19,105 over last year's first 30-days.

The Alumni Association hosted the annual Alumni and Friends Golf Tournament with 130 registered players on March 26 at the Golf Club of Houston. The 2025 Alumni Golf Tournament is scheduled for May 2 at the Sterling National Golf Club.

The Annual Giving team hosted the inaugural "Day of Giving" on April 23. This one-day online giving event was centered around "1879" (SHSU's founding date) and raised funds that supported university scholarships, academic programs, athletics, and the Alumni Association.

Sam Houston Memorial Museum and Republic of Texas Presidential Library

The Museum partnered with the City of Huntsville and Huntsville's Tourism Office to commemorate Sam Houston's birthday on March 2. SHSU's Campus Activities and Traditions helped coordinate the annual "March to the Grave," where students and community members walked from campus to Houston's burial site for a ceremony.

The Museum hosted several events, including the "Sundown at Sam's" music series on April 18, May 2, and May 16. The free, live music event featured local artists. "General Sam Houston Day" was April 27. This community event featured historical demonstrations, hands-on activities, and tours of the historic buildings on the grounds of the Museum.

ATHLETICS

SAM HOUSTON STATE UNIVERSITY

In his first season as head men's basketball coach, Chris Mudge led the team to win a conference regular season championship, marking an impressive start to his tenure. The achievement was further highlighted by three players being named to the Conference USA All-Conference Team. The men's track team performed well at the Conference USA Indoor Championship and finished second. The men's and women's golf teams have had early success and continue to build momentum as they head into Conference Championship play. The bowling team also made an impressive appearance at the NCAA regionals, showcasing the athletic department's comprehensive strength across various sports. In April, Athletics hosted an Alumni Panel where former SHSU athletes shared their experiences with current student athletes about transitioning into the next phases of life.

OTHER INSTITUTIONAL HIGHLIGHTS

Capital Projects

The programming phase for the Active Learning Center concluded in April. Progress on the Chuck and Wanda Beckner Tennis Center construction is on track, currently at 62% completion. Construction for the College of Osteopathic Medicine Parking Structure is ahead of schedule at 91% completion. A significant milestone was reached with the groundbreaking ceremony for the Health Professions Building on April 29. Additionally, construction of Phase 2 of the Ron Mafrige Field House Visitors' Locker Room Expansion began March 27; this phase consists of adding a 1,500 square foot, single-level locker room.

Information Technology

IT implemented an updated self-service password recovery process. This modification is expected to increase successful password recoveries.

IT enhanced the inventory module of the IT Service Management System, the Configuration Management Database, to systematically capture exceptions and mitigations related to Information Systems. This modification ensures that these critical records are easily accessible to all IT personnel, significantly amplifying the pool of information readily available for the entire IT team when managing those systems.

The User Experience team partnered to enhance the Employee Dependent Scholarship Application by introducing a step to verify eligibility with the Registrar's Office, implementing field validations and streamlining the approval process through itemized criteria and additional fields.

Community Involvement

The Bill Blackwood Law Enforcement Management Institute of Texas (LEMIT) and the Correctional Institute of Texas (CMIT) recently named new executive directors of both institutes. John Ray will be the next executive director of LEMIT, beginning April 16. Christie Davidson has been named the next executive director of CMIT, effective April 1.

Sam Houston State University's Center for Law, Engagement, and Politics (LEAP Center) welcomed the Texas 10th Court of Appeals to campus on April 3. The Appeals Court heard three cases, and this year marks 13 consecutive years that the Appeals Court has traveled to Huntsville to hear arguments.

SAM HOUSTON STATE UNIVERSITY

SHSU BOARD ITEMS

SHSU requests approval to offer certificates in several programs, including a 100% online, 12-semester credit hours graduate and undergraduate certificates in Real Estate Analysis. The graduate certificate will target the Texas workforce to serve high demand growth in finance and investment analysis, real estate broker, and loan officer jobs. The undergraduate certificate will be ideal for individuals transitioning from one sector of real estate into real estate project feasibility analysis or continuing education. The undergraduate certificate in Jazz Studies is a non-degree-seeking course of study designed for undergraduate music majors interested in training and developing skills in the performance and pedagogy of jazz music. The undergraduate hybrid certificate in Criminal Justice offers a targeted pathway for career advancement for law enforcement. The 100% online undergraduate certificate in Investigative Forensic Science is a freestanding credential that can be earned as a stand-alone certificate or awarded on the way toward a bachelor's degree. The hybrid undergraduate certificate in Leadership and Management in Law Enforcement equips professionals for advanced leadership roles and is proposed in response to the evolving expectations of law enforcement agencies.

SHSU requests approval to delete the graduate certificate in Early Childhood Special Education program in the College of Education due to declining interest in the program. Closure of this program will allow the institution to redirect resources to programs with greater potential for growth. No phase-out period is required because no students are enrolled in the program.

Sam Houston requests a change to the General Education core to add BIOL 1406: General Biology I and BIOL 1407: General Biology II to Component Area III: Life and Physical Sciences and MCOM 1307: Introduction to Digital Social Media to Component Area VIII: Social and Behavior Sciences.

SHSU seeks approval to change the delivery for the EdD in Curriculum and Instruction to 100% online modality. This will allow for an increase in student enrollment to remain competitive with competing programs and expand program access.

Sam Houston seeks approval for Embedded Associate of Arts degree program additions, including Associate of Arts in Criminal Justice and Criminology, Associate of Arts in Homeland Security Studies, and Associate of Arts in General Business. The Associate of Arts in Criminal Justice and Criminology is a 60-semester-credit-hour program that can be completed online, hybrid, or face-to-face. Associate of Arts in Homeland Security Studies is a 100% online, 60-semester-credit-hour program. The Associate of Arts in General Business is a 60-semester-credit-hour program that can be completed online, hybrid, or face-to-face.

SHSU requests a degree program title change from the Master of Arts in Special Education degree program to the Master of Arts in Applied Behavior Analysis degree program. This name change will better reflect the content of the program and more closely align with the discipline's accreditation standards.

Sam Houston seeks approval to implement a semester credit hour increase from 122 to 124 in the Bachelor of Science in Electronics and Computer Engineering Technology degree. Two courses have been identified and the addition of two credit hours will enhance the preparation for proposal development and better prepare the students for digital software applications in the discipline.

SAM HOUSTON STATE UNIVERSITY

Sam Houston seeks approval to decrease the minimum semester credit hours from 36 to 30 for the Master of Business Administration. The decrease will allow flexibility to implement specialized tracks within the MBA degree program.

Sam Houston State University's approved budget for fiscal year 2024 has increased by 0.87% or \$3.7 million, which includes Educational and General Funds at \$1.3 million, Designated Funds at \$958,000, and Auxiliary Funds at \$1.5 million.

SHSU is requesting approval of the addition of the 2456 Montgomery Road (Campus Edge) Renovations to the 2024-2029 Capital Improvements Program, so the 192-bed facility can open for the start of the 2024-2025 academic year. The estimated total project cost is \$2,257,235 and will be paid from auxiliary funds.

SHSU is requesting authorization to change the fee structure of the Executive MBA program from a \$22,000 per year charge to a \$7,000 per semester (fall, spring, summer) charge along with a \$1,000 non-refundable orientation fee for Fall 2024. The new structure will maintain the current overall price but will allow non-sponsored students to enroll in payment plans for each semester.

**SUL ROSS STATE UNIVERSITY
President's Report
Presented to the Board of Regents
May 2024**

ENROLLMENT, RETENTION AND RECRUITMENT

Sul Ross State University showed significant growth in Spring 2024 as compared to Spring 2023. Due to a strong push for dual credit partnerships, the university in Alpine increased early admission students and showed an increase of 40 percent over last year. Overall Spring 2024 headcount at Sul Ross State University showed a 24 percent increase year over year (1,777 to 2,210). University-wide semester credit hours increased by 12 percent (16,883 to 18,987).

Although SRSU Rio Grande College headcount continues to show decreases, the margin of decline improved from Fall 2023 (-10 percent) to Spring 2024 (-5 percent). Semester credit hours showed a 7 percent decrease from Spring 2023 (4,802) to Spring 2024 (4,452).

Overall retention rates increased 20.7 percent for freshmen students in Alpine. The increase is attributed to stronger advising and academic intervention strategies including enhanced faculty mentoring programs for students enrolled in developmental education as well as college level courses. The transition from university athletics from DIII to DII garnered more interest from current student-athletes resulting in higher persistence rates among that population.

Overall graduate enrollment increased 17.6 percent from Spring 2023 to Spring 2024. The increase includes a 19.1 percent increase in headcount for Hispanic students. The Graduate College continues to show positive change as marketing efforts yield more students seeking online education. Marketing efforts centered around the top six graduate programs including Health & Human Performance, Sports Administration, Educational Leadership, Educational Counseling, Business Administration and Criminal Justice. The Graduate College adjusted admissions processes to expedite response times and initiated the implementation of the new CRM for improved outreach and communication.

The university will hold Registration Rallies in Alpine and Eagle Pass during the months of April and May and throughout the summer to encourage current students to register for classes as soon as possible. Options for virtual advising and orientation are in place for summer programs to provide flexibility for students traveling long distances. The fall orientation known as Lobo Days transitioned to the Student Affairs division to increase student engagement and enhance the campus experience through additional programming and community involvement.

INSTITUTIONAL EFFECTIVENESS

In compliance with Texas Administrative Code 5.52, one graduate program, Animal Science, is being reviewed this academic year. In addition, two undergraduate programs are being evaluated: Bachelor of Science in Animal Sciences and Bachelor of Science in Education. The Academic Program Review (APR) is an opportunity for self-study and evaluation of academic programs aimed at reflecting and analyzing the program's quality, productivity and effectiveness to inform improvement initiatives. Knowledgeable program faculty conduct the program review with support from the Office of Institutional Effectiveness. The APR follows a 10-year cycle set by the Texas Higher Education Coordinating Board (THECB) and within the report, faculty examine program goals, curriculum plans, student achievement and demographics and more. The graduate APR includes an external evaluation by program faculty outside of the state of Texas.

On March 1, SRSU submitted our Fifth Year Interim Report and Quality Enhancement Plan (QEP) to SACSCOC. The process requires a thorough review of all areas of campus. According to SACSCOC, the interim review "was developed to respond to the U.S. Department of Education's requirements [that] (1) accrediting bodies continuously monitor institutions to ensure compliance, and (2) accrediting bodies have a mechanism for reviewing multiple sites initiated since last reaffirmation." Final approval of accreditation will be communicated by SACSCOC by December.

RESEARCH

Center for Big Bend Studies

The Master of Arts in Anthropology program was approved by the Texas State System Board of Regents in February and submitted to the Texas Higher Education Coordinating Board (THECB) in early March. We expect THECB approval by early April, and then we can submit the program to the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) for final approval.

Summer field work will take place with the University of Kansas Odyssey Archaeological Research Fund (OARF) and the Lykes Bros, Inc. at 02 Ranch.

CBBS Assistant Director Amanda Castañeda and Dr. Charles Koenig, assistant professor of anthropology, received a contract to record 13 rock art sites in Guadalupe Mountains National Park. Field work is expected to begin in the fall. Castañeda is an editor on a themed volume that was just published in *The Journal of Texas Archeology and History*. She and Koenig are co-authors on multiple papers included in the volume.

CBBS is instituting a quarterly e-newsletter. The first edition was published in February. Additionally, the print newsletter, *La Vista de La Frontera*, will now be a biannual publication with Volume 43, Issue 1 publishing in April. The book, *Middle Archaic Synthesis*, is now available for purchase via the CBBS website, and a second monograph, *The Marks They Left: Indigenous Biographic Art and Early Ranching*

Boulder Glyphs Along the Rio Grande, is in formatting and will be available for sale on the CBBS website by June 2024.

Borderlands Research Institute

BRI coordinated and conducted the first of our university-sponsored Hancock Hill Hikes. These hikes are led by BRI faculty, staff and students and focus on topics such as native plants and birds, desert mule deer, pronghorn and other West Texas wildlife.

Around 30 BRI faculty, staff and students attended the annual conference of the Texas Chapter of the Wildlife Society in Houston. Students gave eight oral and eight poster presentations. Andres Solorio Pulido won 1st place in the graduate student poster presentation category. Bill Adams was elected vice president of the chapter.

BRI cooperatively developed and inaugurated the university-sponsored Science Seminar Series held each month to highlight the research expertise that is available across the sciences, inspire students to pursue careers in the sciences and to encourage interdepartmental collaboration.

We developed and co-hosted Wildlife Day in Alpine to encourage tourism with the City of Alpine and Visit Alpine and to educate tourists and locals about BRI's various endeavors.

CAPITAL IMPROVEMENTS

Eagle Pass Instructional Facility

The Campus Master Plan has been completed and necessary infrastructure improvements are being pursued, including access to utilities and roadway improvements, in cooperation with city officials and TxDOT.

Fine Arts Facility Expansion – Alpine

A contract is in place with Banes/BRW Architects and Terracon will come and do an assessment of the buildings to determine if there is a presence of lead or asbestos and whether abatement is necessary. It is expected that once consensus is reached on the scope of the project we will progress to the schematic phase of development.

Campus Access Phases Two and Three

The project is complete pending final billing, and it is expected that closeout documents will be sent for review by the System Office prior to the next quarterly meeting of the Board of Regents.

Museum of the Big Bend Expansion

Completion is anticipated April 1 and closeout documents will be presented to the System Office and reviewed by the Board of Regents at the next quarterly meeting.

OFFICE OF INFORMATION TECHNOLOGY

The Office of Information Technology (OIT) successfully deployed nearly 300 laptops to students this semester as part of the NTIA grant. Looking ahead, OIT has strategic plans to deploy an additional 100 laptops during Summer 2024 and another 300 in Fall 2024.

In addition, OIT is actively enhancing security infrastructure on the Alpine campus. Seven buildings will soon benefit from new access control technology, allowing ID card access to select doors, classrooms and labs. Furthermore, OIT conducted annual and semi-annual fire safety inspections for 22 buildings in collaboration with our fire system contractors.

Recognizing the critical importance of information security, OIT collaborated with the SRSU University Police Department to implement additional controls and address audit findings. This proactive approach ensures the safeguarding of sensitive data and systems.

We are currently facilitating the transition from our existing outsourced Banner managed services provider to the Ellucian platform and are engaged in evaluating and implementing technology solutions that align with the needs of the Title V and Title III grant programs.

OIT is establishing connectivity for a newly acquired building in Eagle Pass. This versatile facility will serve as a multi-use hub for faculty, staff and students.

Finally, during the first quarter of 2024, OIT received over 1,700 requests for support and assistance. Additionally, we conducted a comprehensive survey involving 121 faculty, staff and students. The results of this survey revealed an impressive 96 percent satisfaction rate among our stakeholders.

CAMPUS HIGHLIGHTS

Jimmy D. Case College of Literature, Arts and Social Sciences

Sid Balman's novel, *Algorithms*, was nominated in the fiction category for the 34th annual Reading the West book awards, a prestigious award for Western-oriented writers.

Dr. Kendra DeHart attended the Texas State Historical Association Annual Conference where she received the J.P. and Mary Jon Bryan Award for Excellence in Teaching in March.

Dr. Jessica Velasco was invited to be a part of the Educator's Workshop that the Council on Foreign Relations hosted during Spring Break in NYC. Velasco completed the final workshop for the SRSU HSI Faculty Academy and is part of the inaugural cohort for the Generative AI in Teaching certification offered through SHSU shared services.

SRSU Assistant Professor of Art Ramon Deanda is hosting an event called "Pots and Prints," which is an all-day art event with hands-on demonstrations and workshops for area high school students from Alpine, Marfa, Presidio and Ojinaga interested in learning more about art Sul Ross.

Dr. Andrew Alegría, SRSU assistant professor of Music and director of Choral Activities and Vocal Studies, performed the National Anthem at the 20th Annual Texas Independence Day Dinner on Feb. 29 in Austin. The Texas State History Museum Foundation's (TSHMF) annual event celebrates the state's rich cultural heritage and generates support for the Bullock Museum, the nation's premier institution on Texas history. Over 450 business, political and community leaders from around the state attend the event.

The SRSU Music Program, in sponsorship with Museum of the Big Bend, City of Alpine, and First Presbyterian Church in Marfa, will present "Guitar in the Big Bend," a series of free classical guitar concerts and a masterclass at Sul Ross State University the weekend of April 12-14. Nicolas Hurt, an adjunct professor of music at SRSU, coordinated the collaboration.

The Sul Ross Theater Program was honored with several awards by Region 6 Kennedy Center/American College Theatre Festival for its Fall 2023 production of "Oleanna" by David Mamet and directed by Chair of VAPA and SRSU Associate Professor of Theatre and Communication Marjorie Scott. The production was held for consideration for a regional festival invitation and the cast was ultimately invited to perform a scene at the festival in Abilene in February.

Professor of Theatre Ross Fleming was invited to serve as one of two Technical Directors at the Region 6 Kennedy Center American College Theatre Festival, as well.

Both actors in "Oleanna," graduate student Olivia Pertuso and Theatre/Music double major Justin Hinton, were nominated for Irene Ryan Acting Awards. Justin also auditioned in the Musical Theatre Initiative at the festival and made the very prestigious final round. Theatre majors Jenna Reyes and Caroline "Marshall" Jones won Meritorious Awards in Stage Management and Properties Design, respectively. Assistant Professor of Theatre Carolyn Barrientes won a Meritorious Award for Costume Design.

The Sul Ross Theatre Program opened its Spring 2024 main stage production of "Hand to God" by Robert Askins, directed by Associate Professor of Communication Bret Scott, on March 29.

The Theatre of the Big Bend received a \$25,000 grant from the Brown Foundation for its upcoming 59th season of outdoor summer theatre. This year's production is "Sherwood: The Adventures of Robin Hood" by Ken Ludwig. It opens July 5 at the Kokernot Outdoor Theatre.

College of Education and Professional Studies

The Doctorate in Education Leadership has developed two sub-committees, Agencies Accreditation and Curriculum Development.

The Agencies Accreditation committee is currently completing the THECB 60x30TX proposal. We are ahead of schedule with this document as it isn't due until November.

We are working on satisfying SACSCOC requirements for dissertation requirements. Three faculty with dissertation experience are required. Dr. Bradley Carpenter already

has experience, while Dr. Diana Rodriguez and Dr. Galen Privitt are now serving as readers at partnering universities in order to qualify. We have colleagues at TSU and UTSA who have agreed to serve on our dissertation committees.

We are also in the process of posting a full-time faculty position for the director for program and of creating admission criteria and a program handbook.

The Curriculum Development committee is developing program learning outcomes, best practices, core courses, creating a tentative course schedule and designing course syllabi. These tasks will be completed by the end of April.

Grant funding has been a foundational support with the development of the Ed D in Leadership.

Dr. Bradley Carpenter, chair of Education, published a co-edited book with Dr. Jon Eckert, Baylor University, called *Catalytic Improvement Communities: Cultivating Flourishing Schools, Leadership for School Improvement*.

The Master of Education program was awarded a TEA Principal Readiness Grant for Cycle 7 in conjunction with Venus and San Felipe-Del Rio ISDs.

The Education Department hosted over 150 elementary school children and their families for an evening of reading.

Dr. Jeanne Qvarnstrom presented "Planning a MED STEM Degree" at the Critical Questions in Education Conference in New Orleans on March 6.

Dr. Lisa Thompson Sousa completed her response to U.S. Sen. Bill Cassidy's Health, Education, Labor and Pension (HELP) committee's Reading Report titled "Preventing a Lost Generation: Facing a Critical Moment for Students' Literacy," a collaborative effort with the Council for Exceptional Children, the Division of Learning Disabilities Public Policy Committee and the Board.

The teaching program, led by Dr. Melissa Wens, made several curriculum changes to provide students with a more robust preparation curriculum to help them succeed as new teachers.

Dr. Jose Mora, associate professor of Economics, presented "The Political Economy of Money and Finance: Determinants of Inflation Expectations in Colombia" at the 48th meeting of APEE.

Jawanna Sanderson, CPA, assistant professor of Accounting, attended the Texas Digital Learning Association annual conference.

Dr. Ismael Gunes, an associate professor of Homeland Security and Criminal Justice, traveled to Chicago for the 61st Academy of Criminal Justice Sciences (ACJS) to present "Protecting the Critical Infrastructure: Issues in Midstream Cybersecurity," by Dr. Gunez, Dr. Oguzhan Basibuyuk, professor of Homeland Security and Criminal Justice, and Dr. Naxiue Xiong, associate professor of mathematics.

College of Agriculture, Life and Physical Sciences

We hosted over 100 high school FFA and 4H students for the Spring Invitational Career Development Event with contests in Natural Resources, Animal Science, and Industrial Technology.

ALPS expanded the internal STEM internship program in Biology, Geology, Math and Natural Resource Management.

SRSU started Science Seminars to increase visibility, knowledge and collaboration within the faculty about research.

MUSEUM OF THE BIG BEND

The Museum of the Big Bend was named the #1 Best Small Town Museum by the *USA Today* 10 Best Reader's Choice Awards. The was one of 20 museums in this category from across the country. We were also recognized by the Texas Travel Awards as Best Museum in the Small Market category for the fourth year in a row.

In partnership with the Wittliff Collections at Texas State University, we exhibited silver gelatin prints by the internationally recognized Mexican photographer Graciela Iturbide in our temporary gallery from November 2023 to February 2024. This exhibit was incredibly well-received and brought in visitors from across the state to see her work, the museum and the university.

We are currently hosting the wildly successful exhibit "Andy Warhol: Cowboys and Indians." This exhibit has brought a brand new group of people to the Museum of the Big Bend and to Sul Ross State University.

UNIVERSITY AND FOUNDATION ENDOWMENTS

Sul Ross State University's endowment had a market value of \$27.21 million through March 2024. Additionally, the SRSU Foundation had a balance of \$601,164.74 in endowments.

ADVANCEMENT AND DONOR RELATIONS

Sul Ross and its foundations received gifts from January 1 through March 31, 2024, totaling \$607,773.25.

SUL ROSS STATE UNIVERISTY

The following gifts of \$5,000 or more were made payable to Sul Ross State University.

DONOR	DATE	AMOUNT	BENEFICIARY
Robert W. Baird & Company, Inc.	12/1/2023	\$10,000	Eddie Sandoval and Ninnie Baird
Michael Harper	12/11/2023	\$10,000	Museum of the Big Bend Lifetime Membership

Johnny Weisman	12/25/2023	\$20,000	Museum of the Big Bend
La Brasada Foundation	1/2/2024	\$10,000	Borderlands Research Institute
Rob and Bessie Welder Wildlife Foundation	1/2/2024	\$21,600	Welder Wildlife Fellowship Award
James McMahon	1/3/2024	\$10,000	Museum of the Big Bend-NEH Infrastructure Challenge Grant
Anita W. Garten	1/9/2024	\$5,000	Borderlands Research Institute
The Brown Foundation, Inc.	1/11/2024	\$25,000	Sul Ross State University Summer Theatre Program
ANRS & Rodeo Exes Association	1/12/2024	\$12,500	ANRS & Rodeo Exes Scholarship
Charles Mallory through The William H. Pitt Foundation, Inc.	1/18/2024	\$15,000	Museum of the Big Bend Endowment and Events Program
Nelson Puett Foundation	1/22/2024	\$10,000	Borderlands Research Institute
Ruth Bowman Russell	1/24/2024	\$15,000	Borderlands Research Institute
National Christian Foundation	1/26/2024	\$8,000	Borderlands Research Institute
Permian Basin Area Foundation	1/31/2024	\$200,000	Dollie Ruth Neal Charitable Endowment/Sul Ross State University Presidential Plus Scholarship Program
Permian Quail Coalition, Inc.	2/1/2024	\$38,750	Borderlands Research Institute-2024 Grant Award
John Nau through JB Bar Ranch Holdings, LP	2/7/2024	\$50,000	Borderlands Research Institute
Nancy M. Law	2/10/2024	\$10,000	Borderlands Research Institute
Texas Parks and Wildlife Foundation	2/21/2024	\$30,000	Borderlands Research Institute
Jeremy Morgan through the KPMG Foundation	3/11/2024	\$15,000	Jason Wesley Morgan Memorial Scholarship and the Vic and Mary Jane Morgan Mathematics Scholarship
James McMahon	3/14/2024	\$5,000	Museum of the Big Bend
	TOTAL:	\$510,850	

FRIENDS OF THE CENTER FOR BIG BEND STUDIES

The following gifts of \$5,000 or more were made payable to the Friends of the Center for Big Bend Studies.

**Texas State University
President's Report
Presented to the Board of Regents
May 2024**

We launched the *Hopes & Aspirations High* vision for TXST's future 16 months ago. It has been great watching university leaders come together to accomplish so much toward our goals to elevate student success, achieve R1 Carnegie research status, increase overall enrollment, grow the Round Rock Campus, and become an employer of choice. This report provides updates and celebrates the transformative work of so many.

RAISING TXST'S NATIONAL PROFILE AND REPUTATION

New Doctoral Programs

Proposals for 11 new doctoral programs, submitted last summer to the Texas Higher Education Coordinating Board (THECB), are at various stages of review. At the time this report was submitted to the Texas State University System Office (April 9), we had virtual site visits for three proposed programs: PhD in Integrated Molecular and Biophysical Chemistry, Doctorate in Business Administration, and PhD in Civil Engineering. The site visit for the proposed PhD in Mathematics program had been scheduled for April 11. The first three site visits went well. The program proposals for the PhD in Civil Engineering and PhD in Integrated Molecular and Biophysical Chemistry are on the agenda for the April 25 THECB meeting. We expect the program proposals for the Doctorate in Business Administration and the PhD in Mathematics to be on the agenda for the July 25 THECB meeting. Site visits for the remaining proposals will be scheduled, and we anticipate remaining on track for all to be approved within the year.

2024 Presidential Debate

We remain laser focused on preparing for the September 16, 2024, Presidential Debate. Our Executive Debate Planning Task Force is overseeing these efforts, and the work is being carried out by eleven subcommittees: Auxiliary; Communication, Marketing, and Emergency Messaging; Community Engagement; Donors; Facilities; Finance; Hospitality; Information Technology; Security; Student Engagement; and Volunteers. Activities will take place before, during, and after the debate. Examples of activities include: an event at the U.S. Capitol with TXST alumni, members of Congress, and Executive Director for the Commission on Presidential Debate Janet Brown on June 12; two, one-day President's Leadership Institutes for high school and community college students on July 29 and 31; and various watch parties for alumni, donors, and students on September 16.

To defray some of the costs associated with the debate, the TXST Presidential Debate Committee, chaired by distinguished TXST alumnus and former Chair of the TSUS Board of

Regents Jack Martin, is coordinating fundraising efforts. Our University Advancement staff members have also submitted an Event Trust Fund application to the Governor's Office.

Commemorating 125 Years of Excellence

Not only are we hosting the first-ever presidential debate in the state of Texas, but we will also celebrate TXST 125, our university's 125th anniversary. TXST was created on May 10, 1899, when Governor Joseph D. Sayers approved a bill establishing Southwest Texas State Normal School in San Marcos. A task force was charged to help develop a plan to commemorate TXST's 125th Quasquicentennial. Marketing and promotional materials have been rolled out, and events are being scheduled. We will officially kick off TXST 125 on our Founders Day, May 10, 2024, with spring commencement. 125th anniversary celebrations will conclude with fall commencement in December 2024.

INCREASING OVERALL ENROLLMENT

Spring 2024: Spring enrollment numbers are outstanding and signal a return to robust growth!

- 35,324 total students (+2.5% versus last Spring)
- 336 new master's students (+15.5%)
- 18 new PhD students (+12.5%)
- 510 returning research doctoral students (+16.2%). *Note.* Not included in this number are 129 students enrolled in the Doctor of Physical Therapy program.
- 1,030 international students (+43.8%)
- 1,802 Round Rock students (+7.6%)
- 435,520 student credit hours (+6.0%)

Fall 2024 Outlook: As of April 8, 2024, compared to the same time last year:

- 446 doctoral applications (+24% versus the same time last year)
- 3,322 master's applications (+6%)
- 42,418 first-time in college (FTIC) applications (+5%)
- 27,929 FTIC admits (+3%) (*Note.* TXST is first in Apply Texas FTIC applications, ahead of the University of North Texas and Texas A&M University.)
- 3,339 transfer applications (0%)
- 2,061 transfer admits (1%)
- 6,636 out-of-state, domestic applications (+5%)
- 2,370 out-of-state, domestic admits (-11%)
- 2,776 international applications (-1%)
- 1,586 international admits (+34%)
- 5,514 housing contracts have been accepted from FTIC students (+7%) compared to the three-year average

While early, we are encouraged by these numbers and are optimistic that we will top our Fall 2016 enrollment record of 38,940 students.

We have finalized a contract with a firm to help us develop a Strategic Recruitment Plan, and we are accelerating our efforts to expand the Round Rock Campus and grow our presence online, regionally, and internationally.

Growing the Round Rock Campus (RRC)

We continue to develop and implement strategic initiatives to increase enrollment to 10,000 students on the RRC. Though Vice President for the RRC Dr. Julie Lessiter has been with us for less than a year, her leadership is already making a significant impact. Spring 2024 enrollment surpassed 1,800 students, which is nearly an 8% increase over Spring 2023 enrollment.

Led by Dr. Lessiter, the Commission on the Round Rock Run to 10K is actively engaged in formulating and implementing strategic growth initiatives. Most notably:

- The RRC website has been overhauled and an aggressive marketing campaign is underway.
- For the first time ever, a general education curriculum will be offered this fall, which will enable students to complete degrees entirely at the RRC.
- Eleven new undergraduate and graduate degree programs will be offered this fall, bringing the number of degree programs offered at the RRC to 27.
- We have partnered with Austin Community College (ACC) on “Bats to Cats” to significantly increase ACC transfers to both TXST campuses.

Ongoing major developments that will drive the transformation and goal achievements include:

- A ground lease is in place with Johnson Healthcare, pending the outcome of our Veteran’s Affairs clinic application.
- A sole finalist has been identified for the Lifesciences Research Incubator. A Full Business Case for the project was submitted to the TSUS Vice Chancellor and Chief Financial Officer Daniel Harper. We remain on schedule to complete the contract this summer and open the building in 2026. Community partnerships are currently being aligned with specific academic and research priorities.
- Plans for Esperanza Hall are progressing, with an estimated construction start of July 2024 and an anticipated completion of January 2026.

Increasing International Enrollment

Typically, about 95% of our students are from Texas. While our commitment to serving Texas remains steadfast, we are eager to broaden our global impact. Recent adjustments to our recruitment strategies have yielded positive outcomes, exemplified by a 44% surge in international student enrollment to 1,030 students for Spring 2024 compared to Spring 2023.

In a concerted effort to expand our global footprint, we:

- Have finalized contracts with 33 international recruiting agencies that will focus on Asia, Europe, and Africa.
- Are working with continuing education programs for international markets.
- Are collaborating with international universities in Scotland, Spain, Italy, South Korea, Japan, New Zealand, and Australia to establish study abroad hubs, where the host university furnishes essential resources, such as lodging, classroom space, and support services, at an affordable price.

Increasing Online Enrollment

We continue to make considerable headway toward our goal of offering high-quality, affordable, and workforce-relevant degree programs through an online platform. We have signed a contract with an online program management company to leverage their technologies and tools to bolster TXST's capacity to offer online education abroad. Over the next fall and spring semesters, 41 online degree programs will be launched. By Summer 2025, we expect online enrollment to approach 1,500 students.

We are finalizing plans to offer short semester ("minimester") courses, providing flexible learning opportunities during the winter and the spring-summer (May) breaks. These courses will be available either online or as study abroad opportunities. The anticipated launch for the Winter session is 2024 and for the May session is 2025.

Entering Regional Markets

As mentioned in my previous report, we have partnered with Collin College to begin offering TXST degrees on their Allen Technical Campus. In Fall 2024, we will have a soft launch by offering classes on the Allen campus. In Fall 2025, we will begin co-enrolling students into degree programs. The first set of degree programs to be rolled out includes:

- a Bachelor of Science in Electrical Engineering (with a concentration in computer engineering),
- a Bachelor of Science in Engineering Technology (with a concentration in electrical engineering),
- a Bachelor of Science in Computer Science,
- a Bachelor of Science in Exercise Science (with a clinical laboratory concentration), and
- a Bachelor of Science in Applied Arts.

We are also exploring the possibility of offering the following degree programs at Dallas College:

- a Bachelor of Science in Business Administration with majors in accounting, finance, management, computer information systems, and marketing,
- a Bachelor of Science in Computer Science, and
- a Bachelor of Science in Exercise Science.

Additionally, we are in the process of establishing a partnership with a private flight school and the San Marcos Regional Airport to offer a Bachelor of Applied Arts and Science in Aviation Sciences beginning in Fall 2024. While the College of Applied Arts will offer the bachelor's degree, our partner will provide the training to attain an FAA commercial pilot license, thereby helping to address the nation's sizeable pilot shortage.

RUNNING TO R1

Our research enterprise continues to grow in magnitude. Through the second quarter for Fiscal Year 2024:

- Total Research and Development (TRD) Expenditures were \$55.9 million (+16.9% increase compared to the same time frame last fiscal year). TRD includes expenditures from both external and internal sources of funding and is used to calculate the Carnegie research classifications of research universities.
- The total requested amount from proposal submissions was \$190 million (+3% increase).

- The total amount of awards received was \$51.7 million (+24% increase).
- Innovation, Commercialization, and Engagement (IC&E) received eight new invention disclosures versus zero during the same time period last fiscal year; IC&E filed nine patent applications (eight provisional patents and one U.S. utility patent) versus two during the same time period last fiscal year).

FUTURE INITIATIVES AND AMBITIOUS GOALS

This report highlights the tremendous progress TXST has made in positioning itself to achieve its ambitious goals in a relatively short time frame, but like other universities, TXST is facing stiff headwinds that could slow our progress if left unaddressed.

- The U.S. is approaching a decline in the traditional, college-aged population. The number of public high-school graduates in the U.S. is expected to peak at 3.4-3.5 million between 2025 and 2026 and then steadily decline to 3.2-3.3 million in 2030.
- Federal and state financial support for higher education has declined as a percentage of our total budget and nearly 75% of our operating revenue comes from tuition and fees.
- More than ever before, students are relying heavily on financial aid and other support, making it more difficult than ever to raise tuition and fees.
- An increasing number of people are questioning the value of a college degree versus entering the workforce right after high school.

Overcoming these challenges and sustaining our momentum towards achieving our vision requires us to be creative and proactive, yet thoughtful and strategic, in how we approach financial decisions. Over the last year, we have explored the benefits of a move toward a Resource Center Management (RCM) budget model, and we have made the decision to embark on redesigning our budget model using RCM budget principles. Recently, I convened a budget model redesign committee, along with three focused subcommittees, to lead these efforts, to help design a budget system that aligns resources with needs, enhances strategic decision making, improves financial transparency and agility, and promotes financial responsibility at the unit level. This project will take three to five years, but I firmly believe it will modernize the fiscal foundation upon which TXST can thrive for the next 125 years.

**Lamar Institute of Technology
President's Report
Presented to the Board of Regents
May 2024**

ENROLLMENT, RETENTION AND RECRUITMENT

Spring 2024 Enrollment

Enrollment for the spring 2024 semester included 4,808 credited students, which was an increase of 12.8% from spring 2023. Non-credit enrollment for the spring 2024 semester included 1,855 students (unduplicated).

Retention and Recruitment

Recruitment efforts for the 2023-24 academic year have included attendance at events hosted by local ISDs, Texas Association of Collegiate Registrars and Admissions Officers (TACRAO), and the Workforce Solutions of Southeast Texas Youth Expo. The Student Services Department has spoken to approximately 37,084 prospective students. Across campus, LIT staff, faculty and advisors have met with a total of 9,368 students (duplicated).

Workforce Training and Continuing Education

- Forklift training was provided to 49 students, including 10 Health and Human Services employees.
- Corporate training in Electrical Controls, DOT Hazmat Awareness and Construction Safety Annual Refresher was provided to 51 area employees from two industry partners.
- CPR classes were taught to 20 students.
- AutoCAD training was provided to 24 students. This training enhances employability skills for LIT and Lamar University engineering students. The Texas Talent Grant covered 90% of the tuition.
- Firefighters were trained in the Advanced EMT Program, a new course to LIT, at no cost due to the Texas Mutual Workforce Grant.

PLANNING, ASSESSMENT AND ACCREDITATION

Accreditation

- LIT has completed and submitted its Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) Reaffirmation Report.
- The Quality Enhancement Plan (QEP) lead evaluator nominations have been submitted.
- The off-site reaffirmation committee review is scheduled for April 23-24, 2024. The committee report is expected to be received in mid-May 2024.
- Dr. Parrish, the SACSCOC Vice-President assigned to the institution, is scheduled for an advisory visit on May 30-31, 2024.
- The college continues to prepare for its on-site reaffirmation committee visit scheduled for October 6-10, 2024.

INSTITUTIONAL DEVELOPMENT

Major Contributions

- Industry partner Jasper-Newton Electric Cooperative, Inc. (JNEC) donated a bucket truck to the LIT Utility Line Program. JNEC has employed many LIT Utility Line students over the years and

has also contributed to the program by donating class materials and by participating in the Utility Line Advisory Committee. Additionally, J & M Utility Construction donated two bucket trucks and a Freightliner digger truck to the program. The trucks are a valuable learning aid that students will use every day in their line of work, giving them the opportunity to have hands-on experience and prepare them for their chosen field.

- LIT received a brand-new gas chromatograph system valued at \$80,000 thanks to a donation and installation from partners at TotalEnergies and Siemens Industry on February 15, 2024. This gas chromatograph system is the most recent version of its kind, and is the version used currently in all local refineries. The LIT analyzer technology program launched in Fall 2023, and this donation will improve learning as students begin advanced courses this spring.
- The Edmund P. Kuempel Scholarship Foundation provided \$10,000 toward scholarships for the benefit of students enrolled in Health Information Technology and Health Sciences during the Spring 2024 semester.
- LIT has been selected as a recipient of the Jobs and Education for Texans (JET) Grant from the Texas Workforce Commission. The college was awarded a check on April 18, 2024, in the amount of \$343,340 for the purchase of equipment for use in the Welding Department by traditional and dual credit students. The grant will enable the acquisition of cutting-edge welding equipment, including Miller Dynasty 300 Welding Machines, Fabrication Tables, an Ironworker, a Press Brake, Plasma Cutters, and a Bandsaw. This addition of high-quality tools will provide students with unparalleled opportunities to master the skills necessary for success in the welding and fabrication industry.

Mardi Gras Parade

The LIT Alumni Association invited staff, faculty and supporters aboard their float in the Mardi Gras of Southeast Texas Friday night parade on February 9, 2024. Attendees spread awareness of the college and alumni association with branded beads and throws.

LIT Sporting Clays Classic

The LIT Foundation hosted the 17th Annual Sporting Clays Classic on March 23, 2024 at the 1 in 100 Gun Club. This year, the event had 57 teams in attendance and platinum sponsors included ExxonMobil Beaumont, Golden Pass LNG and Provost Umphrey Law Firm.

PROJECTS AND CONSTRUCTION

Generator Installation

Schneider Electric continues work on generator installations for the Cecil Beeson, Eagles' Nest and Multi-Purpose Center buildings. Generator start up is scheduled for April 11, 2024, with project completion to follow the last week of April 2024.

Advanced Technology Center

LIT began construction on a 15,000 gross square foot redesign that will become the Advanced Technology Center on February 26, 2024. The state-of-the-art center will aid in the addition of developing programs including mechatronics, electrical, civil engineering technician, mechanical engineering technician and plumbing. Construction of the facility is on pace to be completed December 2024.

Workforce and Allied Health Training Center

Substantial work continues on the Workforce and Allied Health Training Center. Interior framing has been completed on level 3, with interior framing continuing on levels 1 and 2. Metal panel wall installation and brick laying is taking place on the north and west side of the building. Completion is set for July 31, 2024.

STUDENT AND COMMUNITY ENGAGEMENT

ExxonMobil-LIT Alumni and Student Mixer

ExxonMobil employees who graduated from LIT hosted a mixer with current students enrolled in technology programs on February 15, 2024. Sixty-one students in attendance had the opportunity to learn from those in the field about the company and their roles, ask for advice, and form connections.

Career Fair

On March 6, 2024, the LIT Career Services Office partnered with Quanta Services, Inc., to host the Spring 2024 Career Fair. The event drew participation from 153 LIT students and alumni. Thirty-three local employers, such as Beaumont ISD, Caterpillar Inc. and OCI. The Career Fair provided students with the opportunity to interact with industry professionals, explore different companies, and potentially secure employment or internship opportunities aligned with their technical education.

Coffee and Chat

Southeast Texas Women in Industry hosted a Coffee Chat in the Eagles' Nest on March 6, 2024. All students were invited to hear from female industry leaders about their paths to success and ask questions about interviewing, job expectations and co-op opportunities.

Transfer Fair

LIT hosted its second college Transfer Fair on March 19, 2024, at the LIT Multi-Purpose Center. This year, a total of 16 colleges from the region and five military branches set up booths to expose students to options and opportunities after finishing their degree at LIT. Students communicated with recruiters from Texas Woman's University, McNeese State University, Louisiana State University of Alexandria, Lamar University, Sam Houston State University, East Texas Baptist University, Grand Canyon University, Texas State University, Galveston College, Texas A&M RELLIS, Texas A&M University, Stephen F. Austin State University, University of Houston-Victoria, Brazosport College, Houston Christian University, University of Texas-Tyler, the Texas Army National Guard, United States Navy, Marine Corps, Air Force and the Coast Guard.

PTK Induction Ceremony

The Beta Gamma Phi chapter of the Phi Theta Kappa Honor Society inducted 29 new members on March 20, 2024, in the Paul and Connie Szuch Multi-Purpose Center. The American Association of Junior Colleges recognizes Phi Theta Kappa as the official honor society for two-year colleges.

National Troubleshooting Competition

LIT process operating students attended the North American Process Technology Alliance Troubleshooting Competition at College of the Mainland in Texas City on April 18-19, 2024. LIT had two teams qualify for the finals out of a total of 24 teams, and placed as the top two teams in the competition. Collin Canada, Brittan Netherland and Jacob Garza won first place team; Caden Castilaw, Leonardo Rodriguez and Patrick Clay earned second place. The competition consisted of four rounds of simulated problems on various units and is scored on several aspects of troubleshooting including safety, efficiency, communication, troubleshooting skills, profitability and teamwork.

Skills USA State Competition

Students and advisors from LIT participated in the 2024 SkillsUSA state competition in Houston, TX April 18-20, 2024. The team brought home eight gold medals, seven silver medals, and four bronze medals. Eight students will be advance to the SkillsUSA national competition in Atlanta, GA June 24-29, 2024.

**Lamar State College Orange
President's Report
Presented to the Board of Regents
May 2024**

ENROLLMENT AND STUDENT PROGRESS

In Spring 2024, LSCO continues a remarkable trajectory of growth and academic excellence. Preliminary enrollment figures indicate a total headcount of approximately 2,950 students, representing a substantial 27% increase over Spring 2023's certified enrollment. This positions us to achieve our highest Spring enrollment in history, with a preliminary total that surpasses the previous peak of 2,527 students enrolled in the Spring 2011 semester by 17%.

Alongside this substantial enrollment growth, preliminary data also indicates a noteworthy 20% increase in contact hours and a 19% rise in semester credit hours compared to Spring 2023.

Building on the momentum of Fall 2023's record-breaking commencement, where LSCO conferred 327 degrees and certificates upon 244 graduates, preliminary figures for Spring 2024 suggest an even more impressive milestone. LSCO is expected to confer 437 degrees and certificates to 324 graduates, with the possibility of additional graduates and awards as Spring commencement approaches. This anticipated achievement would mark the largest commencement in LSCO's history, boasting a 27% increase in total degrees and certificates awarded compared to the previous high of 342 in Spring 2023, as well as a remarkable 33% increase in total graduates from the previous high of 243 in Fall 2023.

PLANNING AND BUDGETING

With registration opening for Summer and Fall, we believe this enrollment growth trend will continue for these semesters. This will greatly affect the current budgeting process for FY25. At this time, the College's realized revenue for Tuition and Fees is 90% of the budgeted revenue for FY24. Summer registration will place the college in a position where realized revenue exceeds the budgeted revenue for FY24. For the FY25 Budget Process, hearings have been conducted and departments are continuing to work diligently on their requests for the upcoming year. Revenue projections for FY25 will be calculated in the following weeks.

CAPITAL PROJECTS

All building concrete for the new Academic Center is complete. The roofing work is on-going, and the exterior and interior stud framing continues. The general contractor, Durotech, is reviewing pricing for the Art proposal.

Demolition efforts continue inside the Student Success Center. Wood from the 1915 structure is being salvage and stored for reuse. Exterior demolition of concrete is expected to be complete in the next few days.

INFORMATION TECHNOLOGY

Ongoing Information Services department projects include the construction of the new Academic Center, construction of the new Student Success Center, building the IT infrastructure for the Polk County Center in Livingston, Financial Aid implementation of period-based budgeting, implementation of the Statewide Course Sharing Pilot, implementation of eTranscripts with National Student Clearinghouse, implementation of Self-Service Banner time management and leave entry, Wi-Fi

Access Point upgrade, automatic indexing of purchase orders into imaging system, and the Banner SaaS implementation.

ACADEMIC AND TECHNICAL NEWS

Sul Ross State University and LSCO signed articulation agreements for each of LSCO's AAS to apply toward either the Bachelor of Applied Science in Organizational Leadership or the Bachelor of Applied Science in Agriculture and Industry. The first LSCO graduate is currently in the process of applying to SRSU to pursue her BAS in Organizational Leadership.

Louisiana's Board of Regents renewed Lamar State College Orange's biennial licensure, continuing LSCO's status as a Louisiana degree-granting institution from December 15, 2023, through December 1, 2025.

LSCO hosted the Texas Mission of Mercy project on campus Friday, February 2. Nursing and dental assisting students volunteered with the organization to conduct pre-screening services for dental patients in need.

Kristin Walker, LSCO's Dean of Academic, Technical and Workforce Programs was selected by the Texas Workforce Commission to participate in a Rural Workforce Commission Working Group. The working group is focused on examining the challenges, barriers, and possible solutions for rural workforce development.

LSCO has been recognized as a Training Center Site by the American Heart Association to offer public courses in CPR, AED, first aid, ACLS, PALS and ECC training.

Golden Triangle Polymers, a joint venture between Chevron Phillips Chemical and Qatar Energy, donated \$100,000 to the LSCO Foundation for students interested in pursuing degrees in industrial systems or pre-engineering. This represents the largest single donation to the school's foundation for a non-endowed scholarship.

STUDENT ACTIVITIES

At the beginning of the Spring 2024 semester, LSCO Student Life welcomed Gators to campus with several special events. The following week included a Volunteer Fair with local organizations and agencies that need volunteers. Students and staff alike learned more about these organizations and how to serve their community.

In February, students heard from guest speaker Wes Woodson, a mental health advocate who shares his story of his own mental health challenges as a college student and how he overcame those challenges. Students received information about the services provided through TimelyCare.

The LSCO Quiz Bowl team traveled to Chicago, Illinois in February to compete in the NAQT Community College Championship Tournament. The one-man team of Chris Perkins competed against 24 of the best teams in the country from two-year colleges placing as the 10th highest, individual scorer against over a hundred competitors.

LSCO hosted a special career week sponsored by Quanta Services in April which included several events like networking lunches, professional headshots, resume building workshops, interview skills sessions, an annual spring day and open house called Gatorama. The week ended with a dedication ceremony for the Joe Ben Welch Student Center honoring the late Dr. Joe Ben Welch, first president of Lamar State College Orange from 1969 to 1989.

**Lamar State College Port Arthur
President's Report
Presented to the Board of Regents
May 2024**

ENROLLMENT, RETENTION & RECRUITMENT

There were 311 graduation candidates for the Spring Commencement, including 82 degrees from early college high schools and 34 certificates from dual credit programs. LSCPA hosted an event on April 1, 2024 to encourage current students to register for Summer and Fall 2024. Enrollment Services participated in 17 recruitment events and hosted campus tours for 11 high schools and community organizations.

PLANNING, ASSESSMENT AND ACCREDITATION

The Vice President for Academic Affairs has formed a committee to begin planning for the SACSCOC Fifth Year Interim Report. Although the report is not due until September 2028, it is never too early to get started on accreditation reports!

Petra Uzoruo has assumed the duties of the Office of Institutional Research and Effectiveness and will work closely with the VPAA on issues related to accreditation and institutional assessment. Leah Alsibaa, Instructor of Biology, has assumed the responsibilities of the Quality Enhancement Plan (QEP) Director. LSCPA's Quality Enhancement Plan (QEP), which was approved by SACSCOC during our 2023 reaccreditation process, focuses primarily on the engagement and retention of students.

INSTITUTIONAL DEVELOPMENT

LSCPA hosted the Sabine Showdown Golf Tournament on Thursday, April 4th. There were 31 teams (120 golfers) that registered for the event. The tournament revenues are projected to exceed last year's tournament revenues.

ATHLETICS

On March 1, 2024, nineteen student-athletes were honored for their academic achievements of earning a 3.0 GPA or better. Several student-athletes have been nominated for All-Conference Academic Team.

Basketball has completed its season with a 14-16 record. It is the 14th consecutive year that they earned a berth in the conference tournament.

Vance Edwards retired January 31, 2024 after 22 years leading the softball program. Assistant Coach Brittany Baker was named Interim Head Coach. Softball is currently competing in conference play. Their conference record is 5-6 and currently tied for fourth in their division.

OTHER INSTITUTIONAL HIGHLIGHTS

Grants

LSCPA has reported that the strategies implemented as part of our Title V Grant for Developing Hispanic Serving Institutions have been very effective. LSCPA offers, for example, a Peer Mentoring program as part of its Title V Grant, and data shows that LSCPA students who participated in being mentored by a peer were much more likely to receive better grades than

those who did not participate. Specifically, 83% of students who participated in the Peer Mentoring program made an 'A' or 'B' in targeted classes, compared to only 61% of those who did not participate.

Capital Projects

The Madison Monroe Renovation Project (PDG Architects) is in the Design Development Phase of the project and is due to the TSUS office on April 1, 2024. LSCPA is in the process of relocating offices and classroom space to other sites on campus. O'Donnell Snider Construction has been selected as the Construction Manager at Risk.

The Health and Science Building is in the construction phase. Buyout package #14 is currently under review and stands at 90.31% complete with a potential buyout savings of \$281,000.

Community Involvement

LSCPA hosted *Seahawk Saturday*, a community event to share information and resources with the public. Port Arthur ISD, YMCA, Port Arthur Credit Union and Vida Radio Station participated in the event and provided helpful resources to the community. Over 200 individuals attended the event.

The Office of Financial Aid held multiple workshops for parents and students at five (5) high schools on the new financial aid application.

Finance and Budget

LSCPA's trend from FY 2023 to FY 2024 is reflecting a 45.9% increase in headcount with contact hours reflecting a 34.3% increase for the same measurement period. The dual credit initiative approved by the Legislature in HB8 continues to have a significant impact as the dust settles from THECB approval on qualifying students in our area; thereby, attributing greatly to the positive trend. Preliminary budget planning began in early February and departmental budget hearings were held in late March. The FY 2024-25 base reconciliation process has begun in order to prepare for the FY 2026-27 Legislative Appropriations Request process.

Information Technology

The office of information technology has completed the implementation of the new work order system, TeamDynamix™, Microsoft InTune for laptop device management, and moving all faculty and staff personal shares to OneDrive. We are currently in the process of migrating to a new website CMS platform, Omni, with a go-live date of 5/30/24. As part of disaster recovery and business continuity we are moving on-premise departmental shares to SharePoint using departmental Teams sites. The IT infrastructure for the Livingston Polk County Center has been established and is currently undergoing testing for use by faculty, staff, and students. We have also begun the implementation of migrating to Ellucian Banner SaaS.

Recognition / Events

The campus hosted a field hearing by the US Congressional Subcommittee on Energy, Climate, and Grid Security on Monday, April 8, 2024. The meeting was a public meeting for the committee members to learn about the 'pause' on LNG Exports. Individuals invited to provide testimony included Dr. Reynard (President of LSCPA), Thurman Bartie (Mayor of Port Arthur), and Larry Kelly (Director of Port of Port Arthur).

Workforce Development and Continuing Education

A new commercial driver training program is scheduled to open in Livingston in April 2024. The Workforce Department has also entered into a partnership with National Carriers, Inc. (NCI) to

provide apprenticeship training for commercial drivers who will then be employed by NCI. The partnership is scheduled to begin training by the third quarter of 2024.

The Workforce Department led an effort for a joint submission of the four 'Lamar' campuses to request approval of a Community Project, formally known as 'earmark' projects. The request to create an Advanced Terminal & Methane Emissions Training Center was made to Congressman Randy Weber. If funded, the Advanced Terminal & Methane Emission Training (ATMET) Project recreates the complex intermodal components of port operations.
